ECL is probability weighted estimate of credit losses estimated by determining the probability of default ('PD'), Exposure At Default ('EAD') and loss given default ('LGD').

For trade receivables the Company applies a simplified approach. It recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The expected credit losses on these financial assets are estimated considering the credit worthiness of counter parties and their credit ratings adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date.

## 4. Derecognition of financial assets and financial liabilities

### *Financial assets*

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in the Statement of Profit and Loss.

### *Financial Liabilities*

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

## 5. Modifications of financial assets and financial liabilities

### *Financial assets*

If the terms of a financial asset are modified, the Company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is derecognised, and a new financial asset is recognised at fair value

### *Financial liabilities*

The Company derecognises a financial liability when its terms are modified, and the cash flows of the modified liability are substantially different

## 6. Fair Values of Financial Instruments

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described

# Notes forming part of the Financial Statements

for the year ended 31 March 2025

as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Inputs that are quoted market prices (unadjusted) in active markets for identical instruments.

Level 2: Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs that are not observable, and the unobservable inputs have a significant effect on the instrument's valuation.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

## F. Property, plant and equipment

### Property, plant and equipment and depreciation

Property, plant and equipment are stated at historical cost less depreciation. Historical costs include expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate only when it is probable that the future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repair and maintenance are charged to profit or loss during the reporting period in which they are incurred.

### Depreciation methods, estimated useful lives and residual values

Assets costing up to ₹ 5000 are fully depreciated in the year of acquisition. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their useful lives as follows. The useful life of assets which are different from Schedule II to the Companies Act, 2013 are as under:

| Sr. No. | Asset Type       | As per Schedule II of the Companies Act 2013 (years) | Estimated Useful life (years) |
|---------|------------------|------------------------------------------------------|-------------------------------|
| 1       | Computers        | 3                                                    | 3                             |
| 2       | Vehicles         | 8                                                    | 4                             |
| 3       | Office Equipment | 5                                                    | 5                             |

## Intangible assets and amortisation

### Computer Software

Costs associated with maintaining software programmes are recognised as expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Company are recognised as intangible assets.

### Amortisation methods and period

Software licenses are amortised using Straight Line Method over a period of 3 years from the date of being ready for use.

### Website

Costs associated with maintaining website are recognised as expense as incurred. Development costs that are directly attributable to the design and testing of website are recognised as intangible assets.

### Amortisation methods and period

Website is amortised using Straight Line Method over a period of 3 years from the date of being ready for use.

### Impairment of Assets

At each balance sheet date, management assesses whether there is any indication, based on internal / external factors, that an asset may be impaired. Impairment occurs where the carrying value exceeds the higher of present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal or its fair value less cost to sell. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount, subject to maximum of depreciable historical cost

# Notes forming part of the Financial Statements

for the year ended 31 March 2025

## G. Taxation

### i) Direct Taxes

#### *Current tax*

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### *Deferred tax*

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax liabilities are recognised for all taxable temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

### ii) Indirect Taxes

The Company claims credit of service tax/GST for input services, which is set off against tax on output services. The unutilised credits, if any are carried forward to the future period for set off where there is reasonable certainty of utilization

## H. Provisions and Contingencies

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect current best estimates. A disclosure for contingent liability is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of resources or it cannot be reliably estimated. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. A contingent asset is neither recognized nor disclosed.

## I. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding at the balance sheet date. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are

# Notes forming part of the Financial Statements

for the year ended 31 March 2025

adjusted for the effects of all dilutive potential equity shares.

## J. Cash and Cash Equivalents

Cash and cash equivalents for the purposes of Statement of Cash flows include cash and cheques in hand, bank balances, liquid mutual funds and other investments with original maturity of three months or less which are subject to insignificant risk of changes in value.

## K. Cash Flow Statement:

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

## L. Segment Reporting

### Identification of Segments

Operating Segments are identified based on monitoring of operating results by the chief operating decision maker (CODM) separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss of the Company.

Operating Segment is identified based on the nature of products and services, the different risks and returns, and the internal business reporting system.

### Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

Further, inter-segment revenue has been accounted for based on the transaction price agreed to between segments, which is primarily market based.

Unallocated Corporate Items include general corporate income and expenses, which are not attributable to segments.

## M. Employee Benefit Expenses

### Short-Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries and bonuses are recognized in the period in which the employee renders the related service.

### Long Term Employment Benefits

The Company has both defined contribution and defined benefit plans. These plans are financed by the Company.

#### *Defined Contribution Plans:*

The Company makes defined contribution to schemes for provident fund to provide retirement benefits to its employees. The contributions are recognised as a part of "Employee Benefits Expenses" in the period in which the employee renders services, against which such contributions are due.

#### *Defined Benefit Plans:*

Gratuity liability is defined benefit obligation and is funded. The Company accounts for liability for future gratuity benefits based on independent actuarial valuation under Ind AS 19 on 'Employee Benefits'.

### Other Long Term Employment Benefits

Compensated absences are entitled to be carried forward for future encashment or availment, at the option of the employee during the tenure of the employment, subject to the rules framed by the Company in this regard. Accumulated compensated absences entitlements outstanding at the close of the year are accounted on the basis of an independent actuarial valuation. Accumulated entitlements at the time of separation are entitled to be encashed.

### 2 Term/Right Attached to Equity Shares

The Company has only one class of equity shares having a par value of ₹ 10/- per share. Each holder of equity shares is entitled to one vote per share.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company. The distribution will be in proportion to the number of the equity shares held by the shareholders.

There are no equity Shares issued as fully paid-up pursuant to any contract in consideration of other than cash or bonus shares or shares bought back during the preceding last five years.

### 3 Equity Shares in the Company held by each shareholder holding more than 5 per cent shares and the number of equity shares held are as under:

### Defined benefit plan

#### Gratuity

The Company provides for gratuity, a defined benefit retirement plan covering all employees as at balance sheet date using projected unit credit method. The plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee's salary and the years of employment with the Company. The gratuity benefit payable is greater of the provisions of the Payment of Gratuity Act, 1972 and the Company's Gratuity Scheme as mentioned below:

## NOTE: 27 | CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirement are met through equity and operating cash flows.

No changes were made in the objectives, policies or processes for managing capital during the years ended 2025 and 2024

### 1 Financial instruments measured at fair value – Fair value hierarchy

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Inputs that are quoted market prices (unadjusted) in active markets for identical instruments.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs that are not observable and the unobservable inputs have a significant effect on the instrument's valuation.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

The following table analyses financial instruments measured at fair value at the reporting date, by the level in the fair value hierarchy into which the fair value measurement is categorised. The amounts are based on the values recognised in the statement of financial position. The fair values include any deferred differences between the transaction price and the fair value on initial recognition when the fair value is based on a valuation technique that uses unobservable inputs.

# Notes forming part of the Financial Statements

for the year ended 31 March 2025

The management assessed that cash and cash equivalents, other bank balances, trade payables and other financial liabilities, other financial assets approximate their carrying amount largely due to short term maturity of these instruments

## Key Inputs for Level 2 Fair Valuation Technique:

1. Mutual Funds: Based on Net Asset Value of the Scheme (Level 2)

## NOTE: 28 | RISK MANAGEMENT FRAMEWORK

The Company has an Enterprise Risk Management (ERM) framework covering procedures to identify, assess and mitigate the key business risks. Aligned with the business planning process, the ERM framework covers all business risks including strategic risk, operational risks and investment risks. The key business risks identified are approved by the Board's Risk Management Committee and monitored by the Risk Management team thereafter. The Company also has in place an Operational Risk Management (ORM) framework that supports excellence in business processes, system and facilitates matured business decisions to move to a proactive risk assessment and is in the process of implementing the key operational risk components.

ABSLPML recognizes that information is a critical business asset, and that our ability to operate effectively and succeed in a competitive market depends on our ability to ensure that business information is protected adequately through appropriate controls and proactive measures. Accordingly, BSLPML has an information security framework that ensures all the information assets are safeguarded by establishing comprehensive management processes throughout the organization.

The Company's Investments Function is governed by the Investment Committee appointed by the Board of Directors. Investment Policy and Operating Guidelines laid down by the Board provide the framework for management and mitigation of the risks associated with investments.

ERM encompasses the following areas:

## Regulatory framework

Regulators are primarily interested in protecting the rights of pension fund subscribers and monitor them closely to ensure that the company is satisfactorily managing affairs for their benefit. At the same time, regulators are also interested in ensuring that the company maintains an appropriate solvency position to meet unforeseeable liabilities arising from economic shocks or natural disasters. The operations of the company are subject to regulatory requirements within the jurisdictions in which it operates.

## NOTE: 29 | FINANCIAL RISK

### 1. Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss to other party by failing to discharge an obligation. We are subject to credit risk in connection with issuers of securities held in our investment portfolio. The losses may occur when a counterparty fails to make timely payments pursuant to the terms of the underlying contractual arrangement or when the counterparty's credit rating or risk profile otherwise deteriorates. The credit risk can occur at multiple levels, as a result of broad economic conditions, challenges within specific sectors of the economy, or from issues affecting individual companies. Events that result in defaults, impairments or downgrades of the securities in our investment portfolio would cause the company to record realized or unrealized losses and increase our provisions for asset default, adversely impacting earnings. Governance structure, in form of the Investment Committee, and well defined investment policies and processes are in place to ensure that the risks involved in investments are identified and acceptable levels are defined. Stringent investment norms and approval structure ensures healthy portfolio while delivering the expected performance. All regulatory and internal norms are built in the investment system.

# Notes forming part of the Financial Statements

for the year ended 31 March 2025

It is the company's policy to maintain accurate and consistent risk ratings across its credit portfolio. This enables management to focus on the applicable risks and the comparison of credit exposures across all lines of business, geographic regions and products. The rating system is supported by a variety of financial analytics combined with processed market information to provide the main inputs for the measurement of counterparty risk. All internal risk ratings are tailored to the various categories and are derived in accordance with the company's rating policy. The attributable risk ratings are assessed and updated regularly.

## NOTE: 30

### 1 Liquidity Risk

Liquidity risk is the possibility that the Company will not be able to fund all cash outflow commitments as they fall due. Our primary funding obligations arise in connection with the payment to subscribers. Sources of available cash flow include investment related inflows (such as maturities, principal repayments, investment income and proceeds of asset sales). An asset-liability mismatch occurs when the financial terms of an institution's assets and liabilities do not correspond. These can lead to non-payment/deferment of claims, expenses, etc. Effective cash management and capital planning, ensures that, all obligations are properly met.

## NOTE: 31 | MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. We are exposed to financial and capital market risks – the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes or volatility in market prices. Market risk includes equity market and interest rate risks.

Market risk governance practices are in place, including independent monitoring and review and reporting to senior management and the Risk Management Committee. The company has an investment policy where all the guidelines are specified for asset allocation and limits.

### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Floating rate instruments exposes the company to cash flow interest risk, whereas fixed interest rate instruments expose the company to fair value interest risk.

The following analysis is performed for reasonably possible movements in key variables with all other variables held constant, showing the impact on profit before tax and equity. The correlation of variables will have significant effect in determining the ultimate impact of interest rate risk, but to demonstrate the impact due to changes in variables, variables had to be changed on an individual basis. It should be noted that movements in these variables are non-linear. The method used for deriving sensitivity information and significant variables has not changed from the previous period.

### Operational risks

Operational risk is the risk of loss arising from system failure, human error, fraud or external events. When controls fail to perform, operational risks can cause damage to reputation, have legal or regulatory implications or can lead to financial loss. The Company cannot expect to eliminate all operational risks, but by initiating a rigorous control framework and by monitoring and responding to potential risks, the Company is able to manage the risks. Controls include effective segregation of duties, access controls, authorisation and reconciliation procedures, staff education and assessment processes, including the use of internal audit. Business risks such as changes in environment, technology and the industry are monitored through the Company's strategic planning and budgeting process.

## NOTE: 32 | MATURITY ANALYSIS OF ASSETS AND LIABILITIES

The table below shows an analysis of assets and liabilities analysed according to when they are expected to be recovered or settled. Derivatives have been classified to mature and/or be repaid within 12 months, regardless of the actual contractual maturities of the products. With regard to loans and advances to customers, the Company uses the same basis of expected repayment behaviour as used for estimating the EIR. Issued debt reflect the contractual coupon amortisations.

The Company is domiciled in India and conducts all its operations from within India. Hence the reporting requirements as regards revenue from customer and non currents by location of customer does not arise.

## NOTE: 34 | LEASES

The Company has adopted Ind AS 116 - Leases w.e.f. 1<sup>st</sup> April, 2019. Since at the date of intital application, the lease term for all lease contracts were less than 12 months, the Company has elected not to apply the requirements of Ind AS 116 to such short term leases in accordance with the said standard. Considering the aforesaid, there is no impact on the financial statements on adoption of Ind AS 116. The Company has taken computers and other accessories on cancellable operating lease. Lease rentals amounting to ₹ 721.08 thousand (Previous year ₹ 1,380.00 thousand) has been charged to the Statement of Profit and Loss.

Furthermore based on the cost sharing arrangement with the holding Company , in respect of premises take on cancellable operating lease, lease rentals amounting to ₹ 8,377.02 thousand (Previous year ₹ 8,691.60 thousand) have been charged to the Statement of Profit and Loss.

There are no restrictive covenants in the aforesaid lease agreements.

## NOTE: 35 | MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT ACT 2006 (MSMED ACT)

Based on the information and records available with the Company there are no dues payable to Micro and Small Enterprises as defined in the Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosure relating to dues which were outstanding for more than 45 days as at March 31, 2025 together with interest payable under this Act does not arise.

## NOTE: 36

The Indian Parliament has approved the Code on Social Security, 2020, which subsumes the Provident Fund and the Gratuity Act and rules thereunder. The Ministry of Labour and Employment has also released draft rules thereunder on 13<sup>th</sup> November 2020, and has invited suggestions from stakeholders. The Company will evaluate the rules, assess the impact, if any, and account for the same once the rules are notified and become effective.

# Independent Auditors' Report

To The Members of  
**Aditya Birla Health Insurance Co. Limited.**

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

1. We have audited the accompanying Financial Statements of Aditya Birla Health Insurance Co. Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2025, the Revenue Accounts (also called the "Policyholders Account" or "Technical Account"), the Profit and Loss Account (also called the "Shareholders' Account" or "Non-Technical Account") and the Receipts and Payments Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information ("the Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required in accordance with the requirements of the Insurance Act, 1938, as amended by the Insurance Laws (Amendment) Act, 2015 (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999 ("IRDA/IRDAI Act"), IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations 2024 and the orders/master circulars/directions issued by the IRDAI ("the Regulations") and the Companies Act, 2013 ("the Act"), to the extent applicable, in the manner so required, and give a true and fair view in conformity with the accounting principles generally accepted in India, as applicable to Insurance companies:
  - 2.1. in the case of the Balance Sheet, of the state of affairs of the Company as at 31<sup>st</sup> March, 2025;
  - 2.2. in the case of the Revenue Accounts, of the profit for the year ended 31<sup>st</sup> March, 2025;
  - 2.3. in the case of the Profit and Loss Account, of the profit for the year ended 31<sup>st</sup> March, 2025; and
  - 2.4. in the case of the Receipts and Payments Account, of the receipts and payments for the year ended 31<sup>st</sup> March, 2025.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code

of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

### Other information

4. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Financial Statements and our auditors' report thereon. The Other Information is expected to be made available to us after the date of this auditors' report.
5. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's responsibility for the Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Financial Statements that give a true and fair view of the Balance Sheet, the related Revenue Account, the Profit and Loss Account and Receipts and Payments Account of the Company in accordance with the requirements of the Insurance Act, 1938 as amended by Insurance Laws (Amendment) Act, 2015, read with the IRDAI Act, the regulations, orders/master circulars/directions issued by the IRDAI in this regard and in accordance with the accounting principles generally accepted in India, including, the

Accounting Standards specified under section 133 of the Act read with relevant rules thereunder, to the extent applicable and in the manner so required. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection of the appropriate accounting software for ensuring compliance with applicable laws and regulations including those related to retention of audit logs; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements

that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the Financial Statements, the management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditors' responsibilities for the audit of the Financial Statements**

10. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
11. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:
  - 11.1 Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - 11.2 Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
  - 11.3 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
  - 11.4 Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If

we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- 11.5 Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguard.

### **Other matters**

14. The actuarial valuation of liabilities in respect of Incurred But Not Reported (IBNR) and Incurred But Not Enough Reported (IBNER) included under claims outstanding, Premium Deficiency Reserve (PDR) and Free look reserve as at 31<sup>st</sup> March, 2025 have been duly certified by the Appointed Actuary of the Company. The Appointed Actuary has also certified that the assumptions considered for such valuation are in accordance with the guidelines and norms prescribed by the IRDAI and the Institute of Actuaries of India. We have relied upon such certifications of the said Appointed Actuary.

### **Report on other Legal and Regulatory requirements:**

15. As required by the Regulations, we have issued a separate certificate dated 30<sup>th</sup> April, 2025 certifying the matters specified in paragraphs 3 and 4 of Part III to the Regulations.
16. Further to our comments in the Certificate referred to in para 15 above, as required under the Regulations, read with Section 143(3) of the Act, we further report that:
  - 16.1 We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and have found them to be satisfactory
  - 16.2 In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - 16.3 As the Company's financial accounting system is centralised, no returns for the purposes of our audit are prepared at the branches of the Company.

- 16.4 The Balance Sheet, the Revenue Account, the Statement of Profit and Loss, and the Receipts and Payments Account dealt with by this Report are in agreement with the books of account.
- 16.5 In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under section 133 of the Act to the extent they are not inconsistent with the accounting principles prescribed in the Regulations, the Insurance Act, the IRDA Act and orders/directions issued by IRDAI in this regard.
- 16.6 In our opinion, the accounting policies selected by the Company are appropriate and are in compliance with the accounting standards specified under section 133 of the Act, to the extent they are not inconsistent with the accounting principles as prescribed in the Regulations and orders/directions/circulars issued by the IRDAI in this regard.
- 16.7 On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- 16.8 In our opinion and to the best of our information and according to the explanations given to us, investments have been valued in accordance with the provisions of the Insurance Act, the IRDAI Regulations and/or orders/directions issued by the IRDAI in this regard.
- 16.9 With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- 16.10 With respect to the matter to be included in the auditors' report under section 197(16), in our opinion and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with section 34A of the Insurance Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act read with section 34A of the Insurance Act.
17. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- 17.1 The Company has disclosed the impact of pending litigations as at 31<sup>st</sup> March, 2025 on its financial position in its Financial Statements. Refer Note III.1 of the Financial Statements.
- 17.2 The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- 17.3 There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- 17.4 The management has represented that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.
- 17.5 The management has also represented that no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.
- 17.6 There was no dividend declared and/or paid during the year.
- 17.7 Based on our examination, which included test checks, and based on information and explanations provided by the Company, the Company has used accounting software for maintaining its books of accounts for the financial year ended 31<sup>st</sup> March, 2025. These softwares have the feature for recording audit trail (edit logs). The Audit Trail feature has operated throughout the year for all relevant transactions recorded through the software. During the course of our audit, we have not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for records retention.

# Annexure “A” to the Independent Auditors’ Report

on the Financial Statements of Aditya Birla Health Insurance Co. Limited for the year ended 31<sup>st</sup> March, 2025

(Referred to in paragraph “16.9” under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

**Report on the Internal Financial Controls with reference to the aforesaid Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013.**

## OPINION

1. We have audited the internal financial controls with reference to the Financial Statements of Aditya Birla Health Insurance Co. Limited (“the Company”) as at 31<sup>st</sup> March, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.
2. In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Financial Statements and such internal financial controls were operating effectively as at 31<sup>st</sup> March, 2025, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”).

## MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

3. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

## AUDITORS’ RESPONSIBILITY

4. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing (“SA”), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Financial Statements. Those SAs and the Guidance Note require that we comply with

the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Financial Statements included obtaining an understanding of internal financial controls with reference to the Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to the Financial Statements.

## MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS

7. A company’s internal financial controls with reference to the Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to the Financial Statements include those policies and procedures that (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the Financial Statements.

## INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS

8. Because of the inherent limitations of internal financial controls with reference to the Financial Statements, including the possibility of collusion or improper management override of controls and material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## OTHER MATTERS

9. The actuarial valuation of liabilities in respect of Incurred But Not Reported (IBNR) and Incurred But Not Enough Reported (IBNER) included under claims outstanding, Premium Deficiency Reserve (PDR) and Free Look Reserve as at 31<sup>st</sup> March, 2025 have been duly certified by the

Appointed Actuary of the Company. The Appointed Actuary has also certified that the assumptions considered for such valuation are in accordance with the guidelines and norms prescribed by the IRDAI and the Institute of Actuaries of India. We have relied upon such certifications of the said Appointed Actuary. Accordingly, our opinion on the internal financial controls with reference to Financial Statements does not include reporting on the adequacy and operative effectiveness of the internal controls over the valuation and accuracy of the aforesaid actuarial liabilities.

**Note:**

Cash comprises cash on hand, Current Accounts and deposits with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of change in value.

## SCHEDULE 16 – SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS

### I. BACKGROUND

Aditya Birla Health Insurance Co. Limited ("the Company") was incorporated on 22<sup>nd</sup> April, 2015 as a company under the Companies Act, 2013. As on 31<sup>st</sup> March, 2025, Aditya Birla Capital Limited holds 45.89%, Momentum Strategic Investments (Pty) Ltd. (Formerly known as Momentum Metropolitan Strategic Investments (Pty) Ltd holds 44.08% and Platinum Jasmine A 2018 Trust holds 10.03% of paid-up capital of the Company respectively. The Company is registered with the Insurance Regulatory and Development Authority of India ("IRDAI") for conducting health insurance business, under section 3 of the Insurance Act, 1938 as amended by the Insurance Laws (Amendment) Act, 2015.

Certificate of Registration (Form – IRDA/ R3) has been issued by the Authority on 11<sup>th</sup> July, 2016. Pursuant to Section 3 read with Section 3A of the Insurance Act, 1938 as amended by the Insurance Laws (Amendment) Act, 2015, said certificate shall consequentially continue to be in force from the date of registration.

### II. SIGNIFICANT ACCOUNTING POLICIES

#### a) Basis of preparation

These financial statements have been prepared and presented on a going concern basis, under the historical cost convention, unless otherwise specifically stated, on the accrual basis of accounting and in accordance with the accounting principles generally accepted in India, including the applicable provisions of the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 ('the Regulations'), the Insurance Act, 1938 (the "Insurance Act"), as amended by Insurance Laws (Amendment) Act, 2015, the Insurance Regulatory and Development Authority Act, 1999, orders/directions, circulars/notifications and guidelines issued by IRDAI in this regard, from time to time as applicable, Accounting Standards (AS) specified under Section 133 of the Companies Act, 2013 (the "Act") read with Companies (Accounting Standards) Rules, 2021, as amended, to the extent applicable and the relevant provisions of the Companies Act, 2013 and

current practices prevailing within the insurance industry in India.

Accounting policies applied have been consistent with previous year except where different treatment is required as per new pronouncements made by the regulatory authorities. The management evaluates, all recently issued or revised accounting pronouncements, on an ongoing basis.

The financial statements are presented in Indian Rupees rounded off to the nearest Lakhs.

#### b) Use of estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in India (GAAP) requires that the Company's management make estimates and assumptions that affect the reported amount of assets and liabilities as of the Balance Sheet date, reported amounts of revenues and expenses for the year and disclosures relating to contingent liabilities as of the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results could differ from these estimates. Differences between the actual and estimates, if any, are recognised in the year in which they materialise or are known. Any revision to accounting estimates is recognised prospectively in the year in which such revision is made.

#### c) Revenue Recognition

##### i. Premium Income

Premium including Reinsurance accepted (net of Goods and Service tax) is recognised as income over the contract period or period of risk on commencement of risk, as appropriate, after adjusting for unearned premium (unexpired risk). Reinstatement premium is recorded as and when such premiums are recovered. Any subsequent revisions to or cancellations of premiums are accounted for in the year in which they occur. The Premium on insurance policies on instalment basis is recognised as and when

**Aditya Birla Health Insurance Co. Limited**CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

# Schedules

Forming part of Financial Statements

the instalment premium is received subject to above principles.

In case of long-term insurance policies, premium is recognised on a 1/n basis (i.e. Yearly basis) where “n” denotes the policy duration as mandated by IRDAI with effect from 1<sup>st</sup> October, 2024. Balance amount of Premium on such long-term policies pertaining to subsequent years is shown as Long-term advance premium in line with the disclosure requirements of IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 and Master Circular thereon dated 17<sup>th</sup> May, 2024.

**ii. Income from reinsurance ceded**

Commission on reinsurance ceded is recognised as income in the period in which reinsurance premium is ceded. Profit commission under reinsurance treaties, wherever applicable, is recognised in the year of final determination of the profits as per the terms of reinsurance treaty and as intimated by the Reinsurer.

**iii. Income earned on investments**

Interest income on investments is recognised on accrual basis. Accretion of discount and amortisation of premium relating to debt securities including Commercial Paper (CP), Certificate of Deposits (CD) and T-bills is recognised on effective interest rate method over the holding/maturity period.

Dividend income is recognised when the right to receive dividend is established.

The net realised gains or losses on the debt securities is the difference between the net sale consideration and the amortised cost, which is computed on a weighted average basis, as on the date of sale. In case of mutual fund units and Exchange traded funds (ETFs), the profit or loss on sale of investment includes the accumulated changes in the fair value previously recognised under “Fair Value Change Account”.

Sale consideration for the purpose of realised gain/ loss is net of brokerage and taxes, if any, and excludes interest received on sale.

Such investment income shall be allocated between the revenue account and profit and loss account on actual basis.

**d) Reinsurance ceded**

Reinsurance premium ceded is accounted in the year in which the risk commences and over the period of risk in accordance with the treaty arrangements with the reinsurers. Reinsurance premium ceded on unearned premium is carried forward to the period of risk and is set off against related unearned premium. Any subsequent revisions to or cancellations of premiums are accounted for in the year in which they occur.

Premium on excess of loss reinsurance cover is accounted as premium ceded as per the reinsurance arrangements.

**e) Re-insurance accepted**

The results of reinsurance accepted are accounted as per last available statement of accounts/ confirmation from reinsurers.

**f) Unearned Premium Reserve**

Unearned Premium Reserve represents that part of the net premium (i.e Premium, net of reinsurance ceded) written which is attributable and allocated to the succeeding accounting period. In accordance with the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024, Unearned Premium Reserve is calculated at 50% of Net Written Premium of preceding twelve months.

**g) Premium received in advance**

Premium received in advance is the premium where the period of inception of the risk is outside the accounting period.

**h) Premium deficiency**

Premium Deficiency Reserve is recognised at Company level. Premium deficiency is recognised if the sum of the expected claim costs, related expenses and maintenance cost (related to claims handling) exceeds related reserve for unexpired risk. The premium deficiency is calculated and duly certified by the Appointed Actuary.

**Aditya Birla Health Insurance Co. Limited**CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

## Schedules

Forming part of Financial Statements

**i) Claims incurred**

Claims incurred comprises claims paid, change in estimated liability for outstanding claims made following a loss occurrence is reported, change in estimated liability for Claims Incurred But Not Reported (IBNR) and Claims Incurred But Not Enough Reported (IBNER). It also includes specific claim settlement costs comprising legal, In-House claim processing expenditure, investigation fees and other directly attributable costs.

Provision is made for estimated liability of outstanding claims at the Balance Sheet date net of reinsurance. Such provision is made on the basis of the ultimate amounts that are likely to be paid on each claim, established by the management in light of past experience and progressively modified for changes as appropriate, on availability of further information and include claim settlement costs likely to be incurred to settle outstanding claims. These estimates are progressively re-validated on further information.

Claims (net of amounts receivable from reinsurers/co-insurers) are recognised on the date of intimation based on estimates from insured/Third Party Administrators (TPA) in the respective revenue accounts.

Claims Incurred But Not Reported (IBNR) reserves are provisions for claims that may have been incurred during the accounting period but have not been reported or claimed. The IBNR provision also includes provision, for claims that have been Incurred But Not Enough Reported (IBNER). The provision for IBNR and IBNER has been estimated and duly certified by the Appointed Actuary in accordance with relevant IRDAI regulations and Guidance Note GN 21 issued by the Institute of Actuaries of India. The Appointed Actuary has used generally accepted actuarial methods for each product category as considered appropriate depending upon the availability of past data as well as appropriateness of the different methods to the different lines of businesses.

Claims made in respect of contracts where the claims payment period exceeds four years are recognised on actuarial basis.

**j) Acquisition Costs**

Acquisition costs are defined as costs that vary with, and are primarily related to the acquisition of new and renewal insurance contracts viz. commission, policy issue expenses, etc. These costs are expensed in the period in which they are incurred.

In case of long-term insurance policies where premium income is recognised as revenue on 1/n basis (i.e. yearly basis), acquisition cost in the nature of commission is recorded on the basis of Premium recognised for that period.

**k) Fixed Assets****A) Recognition:****i. Tangible:**

An item of tangible assets is recognised when it is probable that the future economic benefits associated with the item will flow to the enterprise and where its cost can be reliably measured. An item of tangible assets that qualifies for recognition as an asset is initially measured at its cost. Cost comprises the purchase price, borrowing costs, if capitalisation criteria are met and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/acquisition and exclusive of Goods and Service Tax credit or other tax credit available to the Company. After Initial recognition, an item of tangible assets carried at its cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to tangible assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

**ii. Intangible:**

An intangible asset is recognised when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are initially stated at cost of acquisition, including any cost attributable for bringing the same to its working condition for its intended use, which includes taxes,

**Aditya Birla Health Insurance Co. Limited**

 CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

# Schedules

Forming part of Financial Statements

freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of Goods and Service Tax credit or other tax credit available to the Company.

After initial recognition, an intangible asset is carried at its cost less accumulated amortisation and accumulated impairment losses, if any.

Subsequent expenditure on an intangible asset after its purchase or its completion is recognised as an expense when it is incurred unless it is probable that the expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standard of performance, in which case the expenditure is amortised over the remaining useful life of the original asset.

## iii. Capital work in progress

Capital work in progress includes assets not ready for the intended use and are carried at cost, comprising direct cost and related incidental expenses.

## B) Derecognition:

### i. Tangible:

The carrying amount of an item of tangible assets is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of tangible assets is included in the statement of Profit and Loss when the item is derecognised.

### ii Intangible:

An intangible asset is derecognised on disposal or when no future economic benefits are expected from its use and subsequent disposal. The gain or loss arising from the retirement or disposal of an intangible asset is recognised in the statement of Profit and Loss when the asset is retired or derecognised.

## I) Depreciation/Amortisation on fixed assets

Based on management's evaluation, useful life prescribed in Schedule II of the Companies Act, 2013 represent actual useful life of fixed assets except for

Leasehold Improvement and furniture and fittings at leased premises, Office Equipment other than electronic and servers. The company uses straight line method for different class of it's fixed assets:

| Category of Fixed Assets                                             | Useful Life                                                                          |
|----------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| Leasehold Improvements and furniture and fittings at leased premises | 6 years or the maximum renewable period of the respective leases, whichever is lower |
| Office Equipment (Other than Electronic equipment)                   | 5 Years                                                                              |
| Servers                                                              | 6 years                                                                              |

Depreciation on tangible assets comprising of furniture and fittings other than at leased premises, Information Technology Equipment, Vehicles, Electronic office equipment and mobile phone is calculated on depreciable amount on a straight-line method on pro rata (monthly) basis using the rates arrived at based on the useful lives estimated by the management, which are different as compared to those prescribed under the Schedule II to the Companies Act, 2013 where the depreciable amount of an asset is determined after deducting its residual value. The Residual Value of the tangible assets is considered at ₹ 100 except for Servers and Vehicles where it is considered at 5% of its original cost. The life of the assets has been assessed as under, based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, etc. The Company has used the following useful lives to provide depreciation on such class of asset:

| Category of Fixed Assets                                       | Useful Life                    |
|----------------------------------------------------------------|--------------------------------|
| Furniture & fittings (other than installed at leased premises) | 7 years                        |
| Information Technology Equipment                               | 4 years                        |
| Vehicles                                                       | 4/5 Years (As per OYCS Policy) |
| Office Equipment (Electronic equipment)                        | 4 Years                        |
| Mobile Phones (included in office equipment under schedule 10) | 2 Years                        |

**Aditya Birla Health Insurance Co. Limited**CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

## Schedules

Forming part of Financial Statements

Computer software including improvements are amortised over a period of 5 years except Policy Admin system which is amortised over a period of 10 years, being management's estimate of useful life of such intangibles.

All assets including intangibles individually costing upto ₹ 5,000 are fully depreciated/amortised in the year in which they are acquired

### m) Impairment of assets

The carrying values of assets forming part of any cash generating units at Balance Sheet date are reviewed for impairment at each balance sheet date. If any indication for such impairment exists, the recoverable amounts of those assets are estimated and impairment loss is recognised, if the carrying amount of those assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the estimated future cash flows to their present value based on appropriate discount factor. If at the Balance Sheet date there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed, and the asset is restated to that extent.

### n) Operating Leases

#### As Lessee:

Leases where the lessor effectively retains substantially all the risks and rewards of ownership of the leased asset are classified as Operating lease. Operating lease rentals including escalations, in respect of an asset taken on operating lease, are charged to the Revenue Account on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern of the user's benefit. Initial direct costs incurred specifically for an operating lease are charged to the Revenue Account.

### o) Foreign Currency Transactions

Transactions denominated in foreign currencies are recorded, on initial recognition at the exchange rates between the rupee currency and the foreign currency prevailing on the date of the transaction.

At the Balance Sheet date, monetary items denominated in foreign currencies are converted into rupee equivalents at the exchange rates prevailing at that date and non-monetary items denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All exchange differences arising on settlement/conversion of monetary items denominated in foreign currency are included in the Revenue Account or Profit and Loss Account, as applicable.

### p) Investments

Investments are made and accounted for in accordance with the Insurance Act, 1938, as amended by Insurance Laws (Amendment) Act, 2015, IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 as amended and various other circulars/notifications issued by the IRDAI in this context from time to time.

Investments are recorded at cost on trade date, which include brokerage, taxes, if any, stamp duty and excludes broken period interest.

#### i) Classification

Investments maturing within twelve months from the Balance Sheet date and investments made with the specific intention to be disposed off within twelve months from the balance sheet date are classified as short-term investments.

Investments other than short-term investments are classified as long-term investments.

The Investment made by the Company are segregated between Policyholder's funds and Shareholder's funds on security basis level.

**Aditya Birla Health Insurance Co. Limited**

 CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

# Schedules

Forming part of Financial Statements

**ii) Valuation**
**• Debt Securities**

All debt securities including CPs, CDs, T-Bills are considered as 'held to maturity' and accordingly stated at historical cost subject to amortisation of premium or accretion of discount on effective interest rate basis in the Revenue Account and in the Profit and Loss Account over the period of maturity/ holding. The realised gain or loss on the securities is the difference between the sale consideration and the amortised cost in the books of the Company as on the date of sale.

**• Mutual Funds**

All mutual fund investments are valued at net asset value as at Balance Sheet date.

**• Equity Shares/ETF's**

Listed equity shares, Equity Exchange traded Funds (ETF's) at the balance sheet date are stated at fair value, being the last quoted closing price on the National Stock Exchange and in case these are not listed on National Stock Exchange, then based on the last quoted closing price on BSE Ltd, if not available on BSE Ltd then the closing net asset value published

Unlisted Equity shares are stated at cost.

**• Fair Value Change Account**

In accordance with the Regulations, any unrealised gains/losses arising due to change in fair value of mutual fund investments including equity ETF's are accounted in "Fair Value Change Account" and carried forward in the Balance Sheet and is not available for distribution.

**• Impairment of Investments**

The Company assesses, whether any impairment has occurred on its investments, at each Balance Sheet date. If any such indication exists, then carrying value of such investment is reduced to its recoverable amount/ market value on the Balance Sheet date and the impairment loss is recognised in the Profit and Loss Account. If at

the Balance Sheet date there is any indication that a previously assessed impairment loss no longer exists then impairment loss, earlier recognised in Profit and loss Account, is reversed in Profit and loss account and the investment is restated to that extent.

**q) Employee Benefits**
**(i) Short-term employee benefits**

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, bonuses, short term compensated absences, and other non-monetary benefits are recognised in the period in which the employee renders the related service. All short term employee benefits are accounted on undiscounted basis.

**(ii) Long term employee benefits**

The Company has both defined contribution and defined benefit plans, of which some have assets in special funds or similar securities. The plans are financed by the Company and in case of some defined contribution plans, by the Company along with its employees.

**Defined contribution plans**

These are plans in which the Company pays predefined amounts to recognised provident fund and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund, family pension fund and superannuation fund. The Company's payments to the defined contribution plans are reported as expenses during the period in which the employees perform the services that the payment covers.

**Defined benefit plans**

Gratuity are defined benefit plans is calculated as at the Balance Sheet date by independent actuaries using projected unit credit method in a manner that distributes expenses over the employee's working life. These commitments are valued at the present value of expected future payments, with consideration for calculated future salary increases,

**Aditya Birla Health Insurance Co. Limited**CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

## Schedules

Forming part of Financial Statements

utilising a discount rate corresponding to the interest rate estimated by the actuary, having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees.

The Company recognises the net obligation of the scheme in Balance Sheet as an asset or liability in accordance with AS 15 "Employee Benefits". The discount rate used for estimation of liability is based on Government securities yield. Gain or loss arising from change in actuarial assumptions/experience adjustments is recognised in the Revenue Account for the period in which they emerge. Expected long term rate of return on assets has been determined based on historical experience and available market information.

**(iii) Other long term benefits**

Other long term employee benefits include accumulated long term compensated absences and long term incentive plans.

- The employees are entitled for 21 days leave during the calendar year, which can be accumulated up to 36 days. The company provides for the liability at year end on account of un-availed leave as per the independent actuarial valuation using the Projected Unit Credit Method.

Actuarial gains and losses are recognised in revenue as and when incurred.

- The cost of performance-based compensation incentive under long term incentive plan is measured considering the achievement of the performance indicators applicable to the plans and applying the actuarial assumptions and principles in accordance with AS 15 (Revised 2005) Employee Benefits as valued by an independent actuary on each Balance Sheet date.

**(iv) Employee Stock Option Plan (ESOP)**

The company follows the fair value method using Black-Scholes Model for computing the compensation cost, for options granted under the Scheme. The fair value, determined at the grant date of the option,

is charged to employee compensation expenses on the straight-line basis over the vesting period of the option.

In case of forfeiture/lapse stock option, which is not vested, amortised portion is reversed by credit to employee compensation expenses. In situation where vested stock option expires unexercised, the related balance outstanding to credit of Employee Stock Option outstanding account is transferred to retained earnings

**r) Income Tax and Deferred Tax**

Income tax expense comprises current tax (i.e. amount of tax payable on the taxable income for the period determined in accordance with the Income-tax Act, 1961), and deferred tax charge or credit (reflecting the tax effects of timing differences between the accounting income and taxable income for the period). Current tax is the amount expected to be paid to the tax authorities after taking credit for allowances and exemptions in accordance with the Income-tax Act, 1961. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. Deferred tax assets are reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably or virtually certain to be realised.

In accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India and in accordance with the provisions of the Income Tax Act, 1961, Minimum Alternate Tax ('MAT') credit is recognised as an asset to the extent there is convincing evidence that the

**Aditya Birla Health Insurance Co. Limited**CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

# Schedules

Forming part of Financial Statements

Company will pay normal income tax in future by way of a credit to the profit and loss account and shown as MAT credit entitlement.

**s) Goods and Service Tax (GST)**

GST collected is considered as a liability against which GST paid for eligible input tax credit, to the extent claimable, is adjusted and the net liability is remitted to the appropriate authority. The eligible unutilised ITC, if any, is carried forward for utilisation in subsequent periods. GST paid for eligible input services not recoverable by way of credits is recognised in the Revenue Account as expenses.

**t) Segment Reporting**

In case of Health insurance business, based on the primary segments identified under the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 read with AS 17 on "Segment Reporting" specified under Section 133 of the Companies Act, 2013, the Company has classified and disclosed segment information for Health Insurance, Personal Accident and Travel Insurance.

There are no reportable geographical segments, since all business is written in India.

The allocation of revenue and expenses to specific segments is done in the following manner, which is applied on a consistent basis.

The Revenue is directly attributable and identifiable to the business segments and is apportioned on an actual basis.

Operating Expenses relating to Insurance Business are allocated on the following basis:

- (i) Acquisition Cost shall be directly allocated to the respective business segment.
- (ii) Expenses, which are directly attributable and identifiable to the business segments, are apportioned on an actual basis.
- (iii) Expenses, which are not directly identifiable though attributable to a class of business segments collectively, are apportioned amongst the respective segments on a gross written premium basis.

Investment Income across segments within the Revenue account has been allocated on the basis of segment-wise gross written premium.

The accounting policies used in segment reporting are same as those used in the preparation of financial statements.

**u) Earnings Per Share ("EPS")**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

The weighted average numbers of equity shares are adjusted for events such as bonus issue, bonus element in the rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

**v) Provisions and Contingencies**

A provision is recognised when the Company has a present legal obligation as a result of past event and it is probable that an outflow of resources embodying economic resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect current best estimates.

## Aditya Birla Health Insurance Co. Limited

CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

# Schedules

Forming part of Financial Statements

Contingent losses arising from claims other than insurance claims, litigation, assessment, fines, penalties, etc. are recorded when it is probable that a liability has been incurred, and amount can be reasonably estimated

A disclosure for a contingent liability other than those under policies is made when there is possible obligation or present obligation that may, but probably will not require outflow of resources

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow resources is remote, no provision or disclosure is made.

Contingent asset is neither recognised nor disclosed in financial statements.

### w) Receipts and Payments Account

- (i) Receipts and Payments Account is prepared and reported using the Direct Method, in conformity with the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024
- (ii) Cash and cash equivalents comprise cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with

an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### x) Unclaimed amount of policyholders

Assets held for unclaimed amount of policyholders is created & maintained in accordance with requirement of IRDAI master circular in relation to "unclaimed amounts of policyholders" and IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 as amended from time to time.

Unclaimed amount of policyholders is invested in money market instruments which is valued at market value.

Income on unclaimed amount of policyholders is credited to respective unclaimed account & accounted for on accrual basis

### y) Share & Subordinated Debt issue expenses

The Share and Subordinated Debt issue expenses are written off to the Profit and Loss Account in the same financial year in which they are incurred.

**Note: (1)**

The Company has received a demand order in original of ₹ 12,379 Lakhs with interest @24% p.a under section 50 of CGST Act 2017 and under section 50 of respective state GST Act 2017 and Penalty equivalent to 100% of tax demand during the year ended 31<sup>st</sup> March, 2025 with respect to eligibility of GST input tax credit for the period July 2017 to December 2022 for certain marketing expenses. Basis the legal opinion obtained, the management is of the opinion that the demand order is not legally tenable and will be contesting the same before higher authority. The Company is in the process of filing an appeal before the Appellate Commissioner. The Company has already deposited an amount of ₹ 2,043 Lakhs as pre-deposit under protest and pending further developments in the case, has accordingly shown the same as part of 'Advances and Other Assets' as at 31<sup>st</sup> March, 2025.

**Note: (2)**

The Company has received a demand order of ₹ 7,217 Lakhs during the year ended 31<sup>st</sup> March, 2024 with respect to GST liability on co-insurance and reinsurance commission related matter. The GST Council in its 53<sup>rd</sup> meeting (followed by amendment of Schedule III to GST Act by Finance Act (No. 2) Act, 2024) have provided relief in the issue involved. The company has sought to mention the development and consideration in disposal of the writ petition pending before the Hon'ble Bombay High Court.

**Note: (3)**

The Company has received a demand order in original of ₹ 6,649 Lakhs, with interest at appropriate rates under section 50 of CGST Act, 2017 and Penalty under provisions of section 74(1) of the CGST Act 2017 read with section 74(9) of the CGST Act 2017 during the year ended 31<sup>st</sup> March, 2025 with respect to GST liability on business received from SEZ customers pertaining to the period from July 2017 to September 2023, Basis legal opinion obtained, management is of the opinion that the demand order is not legally tenable. Being a legal issue, Company along with other insurance companies are in the process of filing writ petition before the Hon'ble Bombay High Court. Further, company along with other general insurance companies through General Insurance Council have also represented this before the Ministry of Finance for relief.

In case of above Note (2) & (3), The management expects that the possibility of an outflow of resources embodying economic benefits is remote.

### 13 Employee Stock Option Plan

Pursuant to ESOP Plan being established by Aditya Birla Capital Limited, stock options were granted to the eligible employees of the Company during the financial year. Total cost incurred by the Aditya Birla Capital Limited till date is being recovered from the Company over the period of vesting. Accordingly, a sum of ₹ 489 Lakhs (31<sup>st</sup> March, 2024- ₹ 724 Lakhs) has been recovered from the Company during the year, which has been charged to the Statement of Revenue and Profit and Loss.

The Company has granted stock options to eligible employees under Aditya Birla Health Insurance Stock Options (i.e., ABHI,2022) as formulated by Nomination and Remuneration Committees decision. These grants have a graded vesting over the period of three years and the vested options have to be exercised by the eligible employees within five years. The mode of settlement of the scheme is through equity shares of Aditya Birla Health Insurance Co. Ltd. The cost to the company has been amortised over the vesting period with a charge to the Employee compensation cost. Accordingly, a sum of ₹ 46 Lakhs (31<sup>st</sup> March, 2024- ₹ 96 Lakhs) has been charged to Employee compensation cost. Details of Employee Stock Options are given below:

| Particulars                                       | No of Options                       |                                     |                                     |                                     |                                     |

# Schedules

Forming part of Financial Statements

*General description of plan:*

The Company operates gratuity plan through a trust wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service. In case of some employees, the Company's scheme is more favourable as compared to the obligation under Payment of Gratuity Act, 1972.

**viii. Net assets/liability and actuarial experience gain/(loss) for present benefit obligation ('PBO') and plan assets**

3. Includes any compensation paid by an insurer to Insurance agent, Intermediary or Insurance intermediary.
4. Operating Expenses are shown gross of contribution from shareholders A/c towards remuneration of MD/CEO/WT/ Other KMP as per regulations.

**Aditya Birla Health Insurance Co. Limited**

CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

## Schedules

Forming part of Financial Statements

### 31 Analytical Ratios: Refer to the Annexure -2

### 32 Corporate Social Responsibility

The Company has formulated Corporate Social Responsibility (CSR) Policy in accordance with the provisions of Section 135 of the Companies Act, 2013. Since the Company has not earned any profits [incurring losses] in immediately preceding three financial years, accordingly the amount to be spent towards CSR expenditure for current year stands as NIL.

### 33 Provision for Free Look period

The provision for Free Look period is ₹ 114 Lakhs (31<sup>st</sup> March, 2024: ₹ 113 Lakhs) as duly certified by the Appointed Actuary.

### 34 Loan Restructuring

The Company has not given any loans during the financial year and in the previous year.

### 35 Code on Social Security

The Indian Parliament has approved the Code on Social Security, 2020 which could impact the contributions by the Company towards Provident Fund and Gratuity. The Company will complete its evaluation once the Rules are notified and will give appropriate impact in the financial statements in the period in which the Code and related Rules becomes effective

### 36 Remuneration to Non- Executive Directors

The Company has not paid any remuneration to Non-Executive/Independent directors, apart from payment of sitting fees.

### 37 Ind AS Implementation

The Company has established a Steering Committee, comprising members from various cross-functional areas such as Finance & Accounts, Actuarial, and Information Technology, to oversee the implementation of IND AS as directed by IRDAI. The Committee provides quarterly updates to the Audit Committee on the progress of the implementation. Additionally, the Company has engaged an external consultant to prepare the Performa Financials as mandated by IRDAI. The Company is also in the process of evaluating technology partners offering solutions for the successful implementation of IND AS.

### 38 Impact due to Regulatory change in Accounting Policy for Long-Term Insurance Products

In accordance with the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulation, 2024 and Master circular thereon dated 17<sup>th</sup> May, 2024 and subsequent clarification dated 18<sup>th</sup> October, 2024, with effect from 1<sup>st</sup> October, 2024 the Company has given the effect to recognise gross written premium on a 1/n basis where 'n' denotes the policy duration for applicable long term products. This change in accounting policy has resulted in a reduction of Gross Written Premium by ₹ 31,200 Lakhs for year ended 31<sup>st</sup> March, 2025 and the Company has been shown the same as Premium received in advance for Long term Policies under Schedule 13 as on 31<sup>st</sup> March, 2025 as required by the aforesaid regulation.

 CIN:U66000MH2015PLC263677 and IRDAI Registration No. 153 Dated 11<sup>th</sup> July, 2016

# Management Report

In accordance with Part II of Schedule II of the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 and Master circular thereon dated 17<sup>th</sup> May, 2024, the following management report for the year ended 31<sup>st</sup> March, 2025 is submitted:

1. We confirm the validity of Certificate of Registration granted by the Insurance Regulatory and Development Authority of India to transact health insurance business.
2. To the best of our knowledge and belief, all the material dues payable to the statutory authorities have been duly paid.
3. We confirm that the shareholding pattern and the transfer of shares during the year ended 31<sup>st</sup> March, 2025 are in accordance with the statutory or regulatory requirements.
4. We declare that funds of holders of policies issued in India have not been directly or indirectly invested outside India.
5. We confirm that the Company has maintained the required solvency margins laid down by Insurance Regulatory and Development Authority of India.
6. We certify that all the assets of the Company have been reviewed on the date of the Balance Sheet and to the best of our knowledge and belief the assets set forth in the Balance Sheet are shown in the aggregate at amounts not exceeding their realisable or market value under the several headings – “Loans”, “Investments”, “Agents balances”, “Outstanding Premiums”, “Interest, Dividends and Rents outstanding”, “Interest, Dividends and Rents accruing but not due”, “Amounts due from other persons or Bodies carrying on insurance business”, “Sundry Debtors”, “Bills Receivable”, “Cash” and the several items specified under “Other Accounts” except unlisted equity, debt securities which are stated at historical cost (amortised cost).
7. The Company is exposed to a variety of risks associated with health insurance business such as quality of risks undertaken, fluctuations in value of assets and higher expenses in the initial years of operation. The Company monitors these risks closely and effective remedial action is taken wherever deemed necessary. The Company has, through an appropriate reinsurance programme kept its risk exposure at a level commensurate with its capacity.
8. The Company does not have operations outside India.

9. Ageing of claims indicating the trends in average claim settlement time during the preceding five years are as under:

## I. Ageing analysis of Gross Claims Outstanding\*

10. For details of payments to individuals, firms, Companies and organisations in which directors are interested, please refer to Annexure 1.
11. We certify that all debt securities including CPs, CDs, T-Bills are considered as 'held to maturity' and accordingly stated at historical cost subject to amortisation of premium or accretion of discount on effective interest rate basis in the Revenue Accounts and in the Profit and Loss Account over the period of maturity/holding. All mutual fund investments are valued at net asset value as at balance sheet date. Listed equity shares, Units of Equity – Equity Exchange traded Funds (ETF's) at the balance sheet date are stated at fair value, being the last quoted closing price on the National Stock Exchange and in case these are not

listed on National Stock Exchange, then based on the last quoted closing price on BSE Ltd, if not available on BSE Ltd then the closing net asset value published.

In accordance with the Regulations, any unrealised gains/ losses arising due to change in fair value of mutual fund investments or listed equity shares/ETF's are accounted in "Fair Value Change Account" and carried forward in the balance sheet and is not available for distribution.

The Company assesses, whether any impairment has occurred on its investments, at each Balance Sheet date. If any such indication exists, then carrying value of such investment is reduced to its recoverable amount/ market value on the Balance Sheet date and the impairment loss is recognised in the Profit and Loss Account. If at

**Aditya Birla Health Insurance Co. Limited**

**Management Report (Contd.)**

the Balance Sheet date there is any indication that a previously assessed impairment loss no longer exists then impairment loss, earlier recognised in Profit and loss Account, is reversed in Profit and loss account and the investment is restated to that extent.

12. The Company has adopted a prudent investment policy with emphasis on optimising return with minimum risk. Investments are managed in consonance with the investment policy laid down by the board from time to time and are within the investment regulation and guidelines of IRDAI. The Company has carried out periodic review of the investment portfolio. All investments are performing investments and made in accordance with the Insurance Act, 1938 as amended by Insurance Laws (Amendment) Act, 2015 and IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 from time to time.
13. We confirm that to the best of our knowledge and belief, all subsidiaries, associates & joint ventures are in compliance with all applicable domestic, statutory, regulatory, and legal requirements in the respective jurisdictions in which they operate.
14. We also Confirm that:
  - i. in the preparation of financial statements, the applicable accounting standards, principles and

policies have been followed along with proper explanations relating to material departures, if any.

- ii. the management has adopted accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company as at the 31<sup>st</sup> March, 2025 and of the operating profit and of the profit of the company for the year ended 31<sup>st</sup> March, 2025.
- iii. the management has taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the applicable provisions of the Insurance Act 1938 (4 of 1938)/Companies Act, 2013, for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities.
- iv. the management has prepared the financial statements on a going concern basis.
- v. the Company's internal audit is conducted by an in-house audit team and an appointed audit firm. The management has ensured that an internal audit system commensurate with the size and nature of business exists and is operating effectively.

# INDEPENDENT AUDITORS' REPORT

To  
The Members of  
**ADITYA BIRLA WELLNESS PRIVATE LIMITED**

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying financial statements of Aditya Birla Wellness Private Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report namely Directors' Report and Annexures to Board Report but does not include the financial statements and our auditor's report thereon. The other

information is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board report including Annexures to Board Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 (Revised) 'The Auditor's responsibilities Relating to Other Information'.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far it appears from our examination of those books except for the matters stated in the paragraph h (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
  - c) The Balance sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, and Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.
  - e) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act.
  - f) On the basis of written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025, from

being appointed as a director in terms of Section 164 (2) of the Act;

- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial control over financial reporting.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information, as the Company is Private Limited Company, provisions of Section 197 read with Schedule V of the Act are not applicable to the Company.

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note 20 to the financial statements);
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, as mentioned in note 41 (g) (i) to the financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

- (b) The management has represented, that, to the best of its knowledge and belief,

as mentioned in note 41 (g) (ii), no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

- vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended 31 March 2025 which has feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software except that audit trail has not been enabled at the data base level for the primary software used for maintaining its books of account, to log any direct data changes. During the course of our audit, we did not come across any instance of the audit trail features being tampered with.

Further, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

# ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

- I. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
  - (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of its Property, Plant and Equipment.
  - (B) The Company has maintained proper records showing full particulars of its intangible assets.
  - (b) The Company has program of physical verification of Property, Plant and Equipment in phased manner so as to cover all the assets, which in our opinion, is reasonable having regard to size of the Company and nature of its assets. Pursuant to the program, all the Property, Plant and Equipment have been physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - (c) According to information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any immovable properties. In view of this, clause 3(i)(c) of the Order is not applicable to the Company.
  - (d) The Company has not revalued its Property, Plant and Equipment and Intangible assets during the year.
  - (e) According to information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the "Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.
- II.
  - (a) The Company does not have any inventory and hence, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.
  - (b) The Company has not been sanctioned working capital limits at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- III. According to information and explanations given to us, during the year, the Company has made investments in mutual funds, in our opinion, the investments made during the year are, prima facie, not prejudicial to the interest of the Company. Further, the Company has not provided any loans or advances in the nature of loans or stood guarantee or security, secured or unsecured, to companies, firms, limited liability partnerships or any other parties, and hence, reporting under clause 3(iii)(a) and 3(iii)(c) to 3(iii)(f) of the Order is not applicable to the Company.
- IV. According to information and explanations given to us, the Company has not granted any loan, secured or unsecured, or provided any guarantee or security to the parties covered under Section 185 of the Act during the year. With respect to investments, provisions of Section 186 of the Act have been complied with.
- V. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder. Accordingly, reporting under clause 3(v) of the Order are not applicable to the Company.
- VI. According to the information and explanations given to us, the requirement for maintenance of cost records specified by the Central Government under Section 148(1) of the Act is not applicable to the Company during the year.
- VII. In respect of statutory dues:
  - a. According to the information and explanations given to us, the Company has been generally regular in depositing the undisputed statutory dues including provident fund, income tax, goods and service tax, cess and any other statutory dues as applicable to the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as on the last day of the financial year for a period of more than six months from the date they became payable.
  - b. According to the information and explanations given to us and the records of the Company examined by us, the particulars of income tax as at 31 March 2025 which have not been deposited on account of any dispute are as under.

| Name of Statute      | Nature of Dues | Period to which the amount relates | Amount in Thousand | Forum where dispute is pending                                         |
|----------------------|----------------|------------------------------------|--------------------|------------------------------------------------------------------------|
| Income Tax Act, 1961 | Income Tax     | Asst. Year 2017-18 #               | 75,067             | Commissioner of Income Tax (Appeals) Mumbai                            |
|                      |                | Asst. Year 2018-19                 | 3,945              | Commissioner of Income Tax (Appeals) - National Faceless Appeal Centre |
|                      |                | Total                              | 79,012             |                                                                        |

(# ₹ 15,096 thousand has been paid by the Company under protest against the said demand. Further, an amount of ₹ 12,565 thousands towards income tax refund pertaining to various assessment years has been kept on hold by the Income Tax Department against the said demand)

- VIII. According to information and explanations given to us, no unrecorded transactions have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- IX. The Company has not taken any loans or other borrowings on long-term or short-term basis from any entity or person and hence reporting on clause 3(ix) (a) to (f) of the Order is not applicable to the Company.
- X. (a) According to the information and explanations given to us, the Company has not raised money by way of public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- XI. In respect of frauds and whistle blower complaints:
- (a) No fraud by the Company or on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) No whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- XII. According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- XIII. According to the information and explanations given to us, in our opinion, transactions with related parties are in compliance with Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- XIV. According to the information and explanations given to us, in our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per the provisions of the Companies Act 2013. Accordingly, reporting under clause 3(xiv) of the Order is not applicable to the Company.
- XV. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them during the year. Accordingly, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- XVI. In respect of the Reserve Bank of India Act, 1934:
- (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable to the Company.
- (b) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. The Group has 1 CIC which is registered with the Reserve Bank of India and there are other 3 CICs which are in the process of registration with the Reserve Bank of India.
- XVII. According to the information and explanations given to us, the Company has incurred cash losses in the current financial year and as well as in the immediately preceding financial year.
- XVIII. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

XIX. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

XX. The Company is not required to spend amounts towards Corporate Social Responsibility as it does not fulfill the condition given under section 135 of Companies Act, 2013. Accordingly, reporting on clauses 3(xx) (a) and 3(xx)(b) of the Order is not applicable to the Company.

## ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(g) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Aditya Birla Wellness Private Limited** as of 31 March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over

financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to further periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025,

based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Notes to the financial statements

for the year ended 31 March 2025

## 1. CORPORATE INFORMATION :

Aditya Birla Wellness Private Limited ("the Company") is a subsidiary Company of Aditya Birla Capital Limited (Formerly known as Aditya Birla Financial Services Limited) and the ultimate holding company is Grasim Industries Limited. The Company is a private limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company was incorporated on June 23, 2016 with Corporate Identification Number (CIN): U86909MH2016PTC282782 with specific purpose of providing and servicing incentives wellness programs and related programs.

Registered office and principal place of business of the Company is situated at One World Center, Tower ₹ 9<sup>th</sup> Floor Jupiter Mill Compound, 841 SB Marg, Elphinstone Mumbai MH 400013 IN.

## 2. MATERIAL ACCOUNTING POLICIES :

### a Basis of preparation of financial statements

These financial statements are prepared on accrual basis of accounting and all principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the financial years presented.

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, and relevant amendment rules issued there after.

### b Basis of measurement

The financial statements have been prepared on the historical cost basis except for financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

### c Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at

the date of these financial statements and the reported amounts of revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- Valuation of financial instruments
- Useful life of property, plant and equipment
- Employee Benefits

### d Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the company's functional currency. All amounts have been rounded off up to the nearest thousands except where otherwise indicated.

### e Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the transaction price, excluding the estimates of variable consideration, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

### Revenue from service fees and charges

Service fees and charges are recognised on the basis of services rendered as per the terms of contract entered into for the period to which they relate. Amount received or billed in advance for services as per terms of contract are recorded as unearned revenue.

In accordance with Ind AS 115, Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

# Notes to the financial statements

for the year ended 31 March 2025

Revenue from wellness services is recognized over period of time. The entity measures the progress towards completion of the performance obligation on the basis of the entity's efforts to the satisfaction of a performance obligation.

## f Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognizes a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

### (i) Financial assets

A financial asset inter-alia includes any asset that is cash, equity instrument of another entity or contractual obligation to receive cash or another financial asset or to exchange financial asset or financial liability under condition that are potentially favourable to the Company.

#### Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are initially measured at transaction price. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories;

- at amortised cost through profit or loss
- at fair value through other comprehensive income (FVTOCI)
- at fair value through profit or loss (FVTPL)

### Financial Assets at amortised cost

A financial assets is measured at the amortised cost if both the following conditions are met :

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company i.e. Trade Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

After initial measurement such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material lay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

# Notes to the financial statements

for the year ended 31 March 2025

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

## Impairment of financial assets

The Management has evaluated the impairment provision requirement under IND AS 109 and has listed down below major facts for trade and other receivables impairment provisioning:

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

Expected Credit Loss (ECL) impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the statement of profit & loss. The balance sheet presentation for various financial instruments is described below:

Financial assets measured as at amortized cost and other contractual revenue receivables- ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

## (ii) Financial liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

## Initial recognition and measurement

All financial liabilities are recognised initially at fair value net of directly attributable transaction costs in case of same subsequently measured at amortised cost. Transaction costs are directly recorded in Statement of Profit and Loss where financial liabilities are subsequently measured at fair value.

The Company's financial liabilities include trade and other payables.

## Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

## Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to statement profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through statement profit and loss.

# Notes to the financial statements

for the year ended 31 March 2025

## Financial liabilities at amortised cost

This is the category most relevant to the Company. Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to interest-bearing loans and borrowings.

## Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

## Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

# Notes to the financial statements

for the year ended 31 March 2025

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

## g Property, Plant and Equipment and Intangible Assets

Tangible assets stated at cost less accumulated depreciation. Cost includes the purchase price and any cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent expenditure incurred on such assets is expensed out in the year of expense except where such expenditure increases the future economic benefits from the existing assets.

Intangible assets are recognised only if it is probable that the future economic benefits are attributable to the assets which will flow to the enterprise and the cost of the asset can be measured easily.

Depreciation on tangible assets is provided using the straight-line method based on the economic useful life of assets as determined by the management is as below;

| S No. | Asset Type       | Estimated Useful life (Years) |
|-------|------------------|-------------------------------|
| 1     | IT Equipment     | 3 - 6                         |
| 2     | Office Equipment | 2 - 5                         |
| 3     | Motor Car        | 4 - 5                         |

The useful lives of tangible fixed assets are assessed taking into account technical advice, the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes etc. Further, for the class of assets, the management believe that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives of these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

Assets having a value of less than INR 5000, have been fully depreciated in the year of purchase.

Amortisation of Intangible assets is provided using the straight-line method based on the economic useful life of assets as determined by the management is as below;

| S No. | Asset Type           | Estimated Useful life (Years) |
|-------|----------------------|-------------------------------|
| 1     | Software and Website | 5                             |

## h Impairment of non financial assets:

At each balance sheet date, management assesses whether there is any indication, based on internal / external factors, that an asset may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal.

## i Cash and cash equivalents

Cash and cash equivalents for the purposes of Statement of Cash flows include cash and cheques in hand; bank balances liquid mutual funds and other investments with original maturity of three months or less which are subject to insignificant risk of changes in value.

## j Direct and Indirect Tax

### i) Direct Taxes

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act, 1961 and other rules specified thereunder.

Current income tax relating to items recognised outside profit or loss is recognised outside profit

# Notes to the financial statements

for the year ended 31 March 2025

or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred income tax is recognized for future tax consequences attributable to timing differences between income as determined by the financial statements and the recognition for income tax purposes. The effect on deferred tax assets and liabilities of a change in tax rates is recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred Tax assets and liabilities is not recognised in the books owing to the fact that difference will not be reversed in foreseeable future and the taxable profit is not available against which the temporary difference can be utilized.

## ii) Indirect Taxes

The Company claims credit of service tax for input services, which is set off against tax on output services. The unutilized credits, if any are carried forward to the future period for set off where there is reasonable certainty of utilization.

## k Employee Benefits

### a) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries & bonuses are recognized in

the period in which the employee renders the related service.

### b) Other Long Term Employment Benefits ( Earned Leave , Long Term Employment Benefit)

Compensated absences are entitled to be carried forward for future encashment or availment, at the option of the employee during the tenure of the employment, subject to the rules framed by the Company in this regard. Accumulated compensated absences entitlements outstanding at the close of the year are accounted on the basis of an independent actuarial valuation. Accumulated entitlements at the time of separation are entitled to be encashed.

### c) Long Term Employment Benefits

The Company also has deferred compensation plans with the objective of employee retention.

#### i) Post employment Obligations

The Company operates the following post - employment schemes :

- '- defined benefit plans such as gratuity and,
- '- defined contribution plans such as provident fund.

#### ii) Defined contribution scheme

The Company defined contributions schemes for provident fund to provide retirement benefits to its employees. These are plans in which the Company pays predefined amounts to recognised provident fund and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund. The Company's payments to the defined contribution plans are reported as expenses during the period in which the employees perform the services that the payment covers.

#### iii) Defined benefit scheme

The Company provides for gratuity as per the Payment of Gratuity Act, 1972. Employee who are in continuous service

# Notes to the financial statements

for the year ended 31 March 2025

for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / terminations is the employee last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

Gratuity liability is defined benefit obligation and is funded. The Company accounts for liability for future gratuity benefits based on independent actuarial valuation under IND AS 19 'Employee Benefits'. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. The liability or assets recognised in the balance sheet in respect of defined benefit gratuity scheme is the present value of the defined benefit obligation at the end of the reporting period less the fair value of the plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

## I Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding at the balance sheet date. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## m Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A disclosure for contingent liability is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of resources or it cannot be reliably estimated. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. A contingent asset is neither recognized nor disclosed.

## n Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31 March 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. 01 April 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

# Notes to the financial statements

for the year ended 31 March 2025

## Note : 5.2

The Company has used a practical expedient for computing expected credit loss allowance for trade receivables taking into account historical credit loss experience.

As per management assessment, no provision was made for expected credit loss as there is no history of significant default and significant delay.

## Note : 5.3

The average credit period from the date of invoice is 30 - 90 days.

## Note : 5.4

The Company does not have Trade Receivables which have significant increase in credit risk and trade receivables- credit impaired

There is no foreign currency exposures as at 31 March 2025 (as at 31 March 2024 - NIL)

## Note: 23 EARNINGS PER SHARE

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

| Particulars                                                                             | Year ended<br>31 March 2025 | Year ended<br>31 March 2024 |
|-----------------------------------------------------------------------------------------|-----------------------------|-----------------------------|
| Loss attributable to equity holders for basic earnings (INR in '000)                    | (94,497)                    | (51,382)                    |
| Weighted average number of equity shares for basic EPS (Numbers)                        | 1,39,39,086                 | 1,16,66,100                 |
| Weighted average number of equity shares adjusted for the effect of dilution* (Numbers) | 1,39,39,086                 | 1,16,66,100                 |
| Face value per share (INR)                                                              | 10                          | 10                          |

# Notes to the financial statements

for the year ended 31 March 2025

## Note: 26 CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company is not required to constitute a CSR Committee as the Company does not fulfill the condition given under section 135 of Companies Act, 2013.

## Note: 27 TAXES

The Company provides for current tax on taxable income for the current accounting period as per the provision of the Income Tax Act, 1961.

Deferred tax charge or credit and corresponding deferred tax liabilities or assets are recognized for future tax consequences attributable to timing differences between accounting income and taxable income for the year.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, carry forward of unabsorbed depreciation and unused tax losses can be utilised. Accordingly, the Company has not recognised deferred tax asset in respect of deductible temporary differences, carry forward of unabsorbed depreciation and unused tax losses of INR 72,264 thousands and INR 39,930 thousands as of 31 March 2025 and 31 March 2024, respectively as it is not probable that taxable profit will be available in future.

The Company has not made provision against current tax as it is not having taxable income as per provisions of the Income Tax Act, 1961. Further, the Company is having unabsorbed depreciation or carry forward losses under as per the provisions of Income Tax Act, 1961. Deferred tax assets has not been recognised on unabsorbed depreciation and carry forward losses as there is no virtual certainty supported by convincing evidence that there will be sufficient future taxable income available against which deferred tax assets can be realized.

Details of deferred tax asset not recognised in the financial statements are as under:

**Credit Risk:** Credit risk from balances with banks is managed by the Company top management in accordance with the Company's policy.

# Notes to the financial statements

for the year ended 31 March 2025

Financial assets that are potentially subject to concentrations of credit risk and failures by counter-parties to discharge their obligations in full or in a timely manner consist principally of trade receivable, cash and cash equivalents and other receivables. Credit risk on cash balances with Bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is limited because it is due from the related parties and the same are entities with acceptable credit rating.

## Refer Separate Note on Trade Recievables

(a) Ageing analysis of the age of trade receivable amounts that are not due as at the end of reporting year:

# Independent Auditor's Report

To the Members of Aditya Birla Sun Life AMC Limited

## REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

### OPINION

We have audited the standalone financial statements of Aditya Birla Sun Life AMC Limited ("the Company"), which comprise the Balance sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### BASIS FOR OPINION

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance

with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31<sup>st</sup> March, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

| Key audit matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | How our audit addressed the key audit matter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>(a) Revenue from Asset Management and Advisory Fees and Portfolio Management Fees (as described in Note 2(xiv) of the standalone financial statements)</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Revenue from operations is the most significant balance in the Statement of Profit and Loss. It majorly comprises of: <ul style="list-style-type: none"><li>– Asset Management and Advisory Fees amounting to Rs. 1,560.96 crore.</li><li>– Management Fees from Portfolio Management and Other Services amounting to Rs. 98.13 crore.</li></ul> There are inherent risks in computing the different revenue streams including manual input of key contractual terms and computation of applicable Assets Under Management (AUM), which could result in errors. Considering the complexity in contractual terms involving multiple schemes, it requires monitoring to ensure all financial terms and conditions are captured accurately and applied appropriately. Any discrepancy in such computation could give rise to a material misstatement in the financial statements. Accordingly, we have considered revenue from asset management and advisory fees and management fees from portfolio management as a key audit matter. | We have performed the following procedures in relation to the revenue recognized during the year: <ul style="list-style-type: none"><li>• Obtained and read the accounting policy for revenue recognition.</li><li>• Obtained an understanding of the significant revenue items and identified where there is a higher risk of error due to manual processes, complex contractual terms, and areas of judgement.</li><li>• Tested the design and operating effectiveness of key controls in place across the Company relevant to recognition of Management Fees.</li><li>• On a sample basis, obtained and tested arithmetical accuracy of revenue calculation and the reconciliation with the accounting records.</li><li>• On sample basis, verified the input of contractual terms with rates approved by the management</li><li>• On a sample basis, checked the receipts of such income in bank statements.</li></ul> |

## Key audit matters

## How our audit addressed the key audit matter

- Obtained and read the investment management fee certification report, issued by statutory auditors of mutual fund schemes and reconciled the certified amount with the accounting records.
- Re-calculated Asset Management and Advisory Fees and Portfolio Management Services Fees in respect of certain sample contracts and compared with the actual fees charged by the Company for such contracts.
- Evaluated the disclosure relating to management fee income earned by the Company.

We have determined that there are no other key audit matters to communicate in our report.

## OTHER INFORMATION

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read such other information, if we conclude that there is a misstatement therein, we are required to communicate the matter to those charged with governance and to comply with the relevant applicable requirements of the standard on auditing for auditor's responsibility in relation to other information in documents containing audited standalone financial statements. We have nothing to report in this regard.

## RESPONSIBILITIES OF MANAGEMENT FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design,

implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended 31<sup>st</sup> March, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(i)(vi) below on reporting under Rule 11(g);
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in 2(b) above on reporting under Section 143(3)(b) and paragraph 2(i)(vi) below on reporting under Rule 11(g);
  - (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
  - (h) In our opinion, the managerial remuneration for the year ended 31<sup>st</sup> March, 2025 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 23 to the standalone financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv.
    - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
- As stated in Note 47 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, audit trail feature is enabled for direct changes to data when using certain access rights on with effect from 30<sup>th</sup> May, 2024, as described in Note 46 to the financial statements. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, in respect of accounting software(s) where the audit trail has been enabled. Additionally, the audit trail feature was not enabled for direct changes to data when using certain access rights for the financial year 2023-2024 by the company as per the statutory requirements, as stated in Note 46 to the financial statements.

# ANNEXURE 1

## REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE

### Re: Aditya Birla Sun Life AMC Limited (hereinafter referred to as 'the Company')

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (a) (B) The Company has maintained proper records showing full particulars of intangibles assets.
- (b) All Property, Plant and Equipment were physically verified by the management in the previous year in accordance with a planned programme of verifying them once in three years which is reasonable having regard to the size of the Company and the nature of its assets.
- (c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended 31<sup>st</sup> March, 2025.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.
- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.
- (c) The Company has not granted advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.
- (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(d) of the Order is not applicable to the Company.
- (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(e) of the order is not applicable to the Company.
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

- (iv) There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Company is not in the business of sale of any goods or provision of such services as prescribed. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) The dues of goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess, and other statutory dues have not been deposited on account of any dispute, are as follows:

| Name of the Statute  | Nature of the Dues | Amount<br>(₹ in crore)* | Period to which the amount relates                                                 | Forum where the dispute is pending                      |
|----------------------|--------------------|-------------------------|------------------------------------------------------------------------------------|---------------------------------------------------------|
| Income Tax Act, 1961 | Income Tax         | -                       | AY 2000-01                                                                         | High Court                                              |
| Income Tax Act, 1961 | Income Tax         | 0.14                    | AY 2008-09, AY 2009-10, AY 2010-11, AY 2011-12, AY 2013-14, AY 2020-21, AY 2021-22 | Income Tax Appellate Tribunal                           |
| Income Tax Act, 1961 | Income Tax         | 0.11                    | AY 2012-13, AY 2014-15, AY 2017-18, AY 2018-19, AY 2021-22, AY 2022-23             | Commissioner of Income Tax Appeal                       |
| CGST/SGST Act, 2017  | GST                | 0.05                    | FY 2017-18, FY 2018-19, FY 2019-20                                                 | Deputy/ Assistant Commissioner of CGST & Central Excise |

\* These amounts are net of amount paid/adjusted under protest of Rs. 11.15 crore during the year/previous years.

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) The Company did not have any outstanding loans or borrowings or interest thereon due to any lender during the year. Accordingly, the requirement to report on clause ix(a) of the Order is not applicable to the Company.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.
- (d) The Company did not raise any funds during the year hence, the requirement to report on clause (ix)(d) of the Order is not applicable to the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money during the year by way of initial public offer/further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) No material fraud by the Company or no material fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/ secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), (b) and (c) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) The Group has one registered and two in the process of registration Core Investment Company as part of the Group.

- (xvii) The Company has not incurred cash losses in the current financial year or the previous financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note 37 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in note 29 to the financial statements.
- (b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act. This matter has been disclosed in note 29 to the financial statements.

## ANNEXURE 2

### TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ADITYA BIRLA SUN LIFE AMC LIMITED

#### REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls with reference to standalone financial statements of Aditya Birla Sun Life AMC Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

## MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THESE STANDALONE FINANCIAL STATEMENTS

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## OPINION

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

## NOTE: 01 CORPORATE INFORMATION

The Company is a public listed entity, and its registered office is situated at One World Centre, Tower 1, 17<sup>th</sup> Floor, Jupiter Mills, Senapati Bapat Marg, Elphinstone Road, Mumbai – 400013. The Company was incorporated under the provisions of the Companies Act on 5<sup>th</sup> September, 1994. As at 31<sup>st</sup> March, 2025, Aditya Birla Capital Limited and Sun Life (India) AMC Investments Inc., Promoters and Promoters Group, owns 74.90% of the Company's equity share capital. The equity shares of the Company have been listed on National Stock Exchange of India Limited and Bombay Stock Exchange Limited since 11<sup>th</sup> October, 2021.

The Company is registered with Securities and Exchange Board of India (SEBI) under the SEBI (Mutual Funds) Regulations, 1996 and the principal activity is to act as an investment manager to Aditya Birla Sun Life Mutual Fund. The Company is also registered under the SEBI (Portfolio Managers) Regulations, 1993 and provides Portfolio Management Services ("PMS") and investment advisory services to offshore funds and high net worth investors. The Company also acts as an Investment Manager to Aditya Birla Real Estate Funds (Category II) registered with SEBI. Further, the Company has also received SEBI registration for Alternative Investment Fund (AIFs) Category III namely Aditya Birla Sun Life AIF Trust – I and AIF Category II namely Aditya Birla Sun Life AIF Trust – II. The Company has been operating in GIFT-IFSC (Gujarat International Finance Tec-City- International Financial Services Centre) as a Branch to cater to its international business, to expand its reach and service global clients, including NRIs for investing in India.

## NOTE: 02 MATERIAL ACCOUNTING POLICIES

### i. Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (IND AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division III Schedule III to the Companies Act, 2013, as applicable to the Standalone Financial Statements.

The Standalone Financial Statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Certain financial instruments, measured at fair value
- Gratuity plan assets, measured at fair value
- Share based payments, measured at fair value

The Financial Statements are presented in Indian rupees and all values are rounded to the nearest crores, except when otherwise indicated.

The standalone financial statements were approved for issue by the Company's Board of Directors on 28<sup>th</sup> April, 2025.

### ii. Presentation of Financial Statements

The Company presents its balance sheet in order of liquidity. Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Company and/or its counterparties

An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 34.

### iii. Use of estimates

The preparation of the Financial Statements in conformity with the Indian Accounting Standards (Ind AS) requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities as of the date of financial statements and the reported amount of revenue and expenses during the reporting year. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results may differ from those estimates and assumptions used in preparing the accompanying financial statements. Any revision to the accounting estimates will be recognised prospectively in the current and future years.

Significant estimates and judgements used for: -

- Estimates of useful lives and residual value of property, plant and equipment, and other intangible assets (Refer Note 8.1 and 8.2)
- Measurement of defined benefit obligations, actuarial assumptions (Refer Note 25)

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

- Recognition of deferred tax assets/liabilities (Refer Note 13)
- Recognition and measurement of provisions and contingencies (Refer Note 12 and Note 23)
- Financial instruments – Fair values, risk management and impairment of financial assets (Refer Note 6)
- Determination of lease term (Refer Note 33)
- Discount rate for lease liability (Refer Note 33)
- Estimates of Share based payments (Refer Note 20 and 35)

## iv. Functional and Presentation currency

The Financial Statements of the Company are presented in Indian rupees, the national currency of India, which is the functional currency of the Company.

## v. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and cash in hand and short-term investments with an original maturity of three months or less which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

## vi. Property, Plant and Equipment

Property, Plant and equipment are stated at their cost of acquisition less accumulated depreciation, and accumulated impairment losses. The cost of acquisition is inclusive of taxes (except those which are refundable), duties, freight and other incidental expenses related to acquisition and installation of the assets. As on 1<sup>st</sup> April, 2017, i.e., its date of transition to IND AS, the Company has used Indian GAAP carrying value as deemed costs. All other repair and maintenance costs are recognised in profit or loss as incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition

of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

## vii. Capital Work in Progress

Projects under which property plant and equipment are not ready for their intended use are carried at cost less accumulated impairment losses, comprising direct cost, inclusive of taxes, duties, freight, and other incidental expenses.

## viii. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred. As at 1<sup>st</sup> April, 2017, i.e., its date of transition to Ind AS, the Company has used Indian GAAP carrying value as deemed cost. An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

## ix. Intangible assets under development

The intangible assets under development includes cost of intangible assets that are not ready for their intended use less accumulated impairment losses.

## x. Depreciation on Property, Plant and Equipment

Depreciation on property, plant and equipment is provided on a straight-line basis at the rates and useful life as prescribed in Schedule II of the Companies Act, 2013 or as determined by the management based on technical advice, except assets individually costing less than ₹ 5,000 which are fully depreciated in the year of purchase/acquisition. Depreciation commences when assets are ready for its intended use.

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting year and adjusted prospectively, if appropriate. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Following is the summary of useful life of the assets as per management estimates and as required by the Companies Act, 2013.

|                                                        |                                             | Useful life (In Years)                                                  |                                                                     |

| 4.                                                     | Furniture and Fixtures*                     | 5 Years                                                                 | 10 Years                                                            |
| 5.                                                     | Mobile Phone (Included in office equipment) | 2 Years                                                                 | Not specified                                                       |
| 6.                                                     | Leasehold Improvements                      | Over the primary period of the lease term or 3 years, whichever is less | Not specified                                                       |
| <b>B Amortisation of Intangible assets</b>             |                                             |                                                                         |                                                                     |
| 1.                                                     | Investment Management Rights                | 10 Years                                                                | Not specified                                                       |
| 2.                                                     | Software                                    | 3 Years                                                                 | Not specified                                                       |

\* Based on technical advice, Management believes that the useful life of assets reflect the periods over which they are expected to be used.

Depreciation on assets sold during the year is recognized on a pro-rata basis in the Statement of Profit and Loss from/till the date of acquisition/sale.

## xi. Impairment of non-financial assets

The carrying amounts of non-financial assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An asset is treated impaired when the carrying cost of an asset or cash-generating unit's (CGU) exceeds its recoverable value. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The recoverable amount is the greater of the assets' or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. An impairment loss, if any, is charged to Statement of Profit and Loss Account in the year in which an asset is identified as impaired. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

## xii. Fair Value Measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- **Level 1:** Inputs that are quoted market prices (unadjusted) in active markets for identical instruments.
- **Level 2:** Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- **Level 3:** Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs that are not observable and the unobservable inputs have a significant effect on the instrument's valuation.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

## xiii. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument to another entity.

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instruments.

All financial instruments are recognised initially at fair value, with the exception of trade receivables. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Trade receivables that do not contain a significant financing component for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on trade date while, loans and borrowings are recognised net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI, financial assets at fair value through profit and loss account (FVTPL) and financial liabilities at amortised cost or FVTPL. The classification of financial instruments depends on the contractual cash flow characteristics and the objective of the business model for which it is held and whether the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal outstanding.

Management determines the classification of its financial instruments at initial recognition.

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

### Classification of Financial assets:

#### (a) Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).

The Company determines its business model at the level that best reflects how it manages financial assets to achieve its business objective.

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- Reports reviewed by the entity's key management personnel on the performance of financial assets
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed
- The compensation of the managing teams (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)
- The expected frequency, value and timing of trades

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

As a second step of its classification process the Company assesses the contractual terms of financial assets to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Company applies judgement and considers relevant factors such as the currency

in which the financial asset is denominated, and the year for which the interest rate is set.

Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortised cost using the effective interest method, less any impairment loss.

Financial assets at amortised cost are represented by investments in interest bearing debt instruments, trade receivables, security deposits, cash and cash equivalents, employee and other advances and other financial assets.

## (b) Debt Instruments at FVTOCI

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and
- the asset's contractual cash flows represent SPPI debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs.

Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain loss in Profit or Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the expected interest rate (EIR) model. Currently, the Company does not hold any interest-bearing debt instrument that qualifies to be classified under this category.

## (c) Equity instruments at FVTOCI

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL, described below. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which are not subsequently recycled to Profit or Loss. Dividends

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

are recognised in profit or loss as dividend income when the right of the payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Currently, the Company has not classified any equity instrument at FVTOCI.

## (d) Financial assets at FVTPL

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL. In addition, the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss. For all equity instruments at FVTPL, dividend is recognised in Profit or Loss when the right of payment has been established.

## Financial liabilities

### (a) Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by trade and other payables are initially recognised at fair value and subsequently carried at amortized cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

### (b) Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair

value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to statement of Profit & Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit or loss.

## Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## xiv. Revenue Recognition

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Revenue from contracts with customers is recognised when control of services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those services.

The Company recognises revenue from contracts with customers based on a five-step model as set out in Ind AS 115:

**Step 1:** Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

**Step 2:** Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

**Step 3:** Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised services to a customer, excluding amounts collected on behalf of third parties.

**Step 4:** Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

**Step 5:** Recognise revenue when (or as) the Company satisfies a performance obligation.

## I. Rendering of services

The Company principally generates revenue by providing asset management services to Aditya Birla Sun Life Mutual Fund and other clients.

- (a) Management fees are recognized on accrual basis at specific rates, applied on the average daily net assets of each scheme. The fees charged are in accordance with the terms of Scheme Information Documents of respective schemes and are in line with the provisions of SEBI (Mutual Funds) Regulations, 1996 as amended from time to time.
- (b) Portfolio Management Fees and Advisory Fees are recognized on an accrual basis as per the terms of the contract with the customers.
- (c) Management fees from other services are recognized on an accrual basis as per the terms of the contract with the customers at specific rates applied on net assets.

These contracts include a single performance obligation (series of distinct services) that is satisfied over time and the management fees and/or advisory fees earned are considered as variable consideration.

If the consideration promised in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

## II. Dividend and Interest Income

- (a) Dividend income is recognised when the Company's right to receive dividend is established, it is probable that economic benefits associated with dividend will flow to the entity and the amount of dividend can be measured reliably. This is generally when shareholders approve the dividend.

- (b) Interest income from financial assets, is recognised on a time proportion basis, taking into account the amount outstanding and the rate applicable.

## xv. Foreign currency transactions and balances

The Company's Financial Statements are presented in INR, which is also the functional currency. Transactions in foreign currency are recorded at the rate of exchange prevailing on the date of transaction.

Foreign currency monetary items are reported using closing rate of exchange at the end of the year. The resulting exchange gain/loss is reflected in the Statement of Profit and Loss. Other non-monetary items, like Property Plant & Equipment and Intangible Assets are carried in terms of historical cost using the exchange rate at the date of transaction.

## xvi. Employee Benefits

- (a) **Provident Fund:** Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.
- (b) **Gratuity:** The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the year in which they occur. Remeasurements are not reclassified to profit or loss in subsequent years.

Past service costs are recognised in profit or loss on the earlier of:

- The date of plan amendment or curtailment
- The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of Profit and Loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
  - Net interest expense or income
- (c) Leave Encashment: Provision for leave encashment is made on the basis of actuarial valuation of the expected liability. Re-measurement gains/losses are recognised as profit or loss in the year in which they arise.
- (d) Long Term Incentive Plan: The Company has long term incentive plan for different cadre of employees. The same is actuarially determined and assessed on yearly basis. Re-measurement gains/losses are recognised as profit or loss in the year in which they arise.

## xvii. Leases

The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes right – of – use ("ROU") asset and a corresponding lease liability for all lease arrangements in

which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. The Company applies the short-term lease recognition exemption to its short-term leases of its branches/ rental offices (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. For these short-term and low value leases, the Company recognizes the lease payments as an expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and accumulated impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The estimated useful life of right-of-use assets (primarily buildings) range between 1 year to 9 years. The right-of-use assets are also subject to impairment. Refer Note 2(xi) on impairment of non-financial assets.

The lease liability is initially measured at the present value of the future lease payments. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

Lease liabilities are remeasured with a corresponding adjustment to the related right-of-use asset if the Company changes its assessment on exercise of an extension or a termination option. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

## **Critical accounting judgements and key sources of estimation uncertainty**

Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in-substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

## **xviii. Earnings per share ("EPS")**

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted-average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## **xix. Fund and Commission expenses:**

Prior to 21<sup>st</sup> October, 2018, certain scheme related expenses and commission were being borne by the Company in accordance with circulars and guidelines issued by SEBI and the Association of Mutual Funds in India (AMFI). Commission paid for future period for the mutual fund schemes (including for Equity Linked Savings Schemes) until 21<sup>st</sup> October, 2018 is treated as prepaid expenses and is amortized on the contractual period and charged to Statement of Profit and Loss account unless considered recoverable from schemes. Pursuant to circulars issued by SEBI in this regard, after 21 October, 2018, these expenses, subject to some exceptions, are being borne by the mutual fund schemes. New Fund Offer (NFO) expenses on the launch of schemes are borne by the Company and recognised in profit or loss as and when incurred.

Commission is paid to the brokers for Portfolio Management and other services as per the terms of agreement entered into with respective brokers. In case of certain portfolio management schemes and other services, the brokerage expenses are amortised over the tenure of the product or commitment period. Unamortised brokerage is treated as Non-financial Assets considering the normal operating cycle of the Company.

## **xx. Taxes**

### **Current tax:**

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

regulations are subject to interpretation and establishes provisions where appropriate.

## Deferred Tax:

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- i. Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- ii. In respect of taxable temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- i. When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- ii. In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## xxi. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

# Material accounting policies and other explanatory information (notes) forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March, 2025

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Claims against the Company, where the possibility of any outflow of resources in settlement is remote are not disclosed as contingent liabilities. A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is virtually certain.

## xxii. Share Based Payments

Employees (including senior executives) of the Group receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions).

The Company measures the cost of equity-settled transactions with employees using Black-Scholes Model to determine the fair value of the liability incurred on the grant date. Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield, and making assumptions about them.

Equity-settled share-based payments to employees are measured by reference to the fair value of the equity instruments at the grant date using Black-Scholes Model. The fair value, determined at the grant date of the equity-settled share-based payments, is charged to profit and loss on the straight-line basis over the vesting period of the option, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

In case of forfeiture/lapse stock option, which is not vested, amortised portion is reversed by credit to employee compensation expense. In situation where the stock option expires unexercised, the related balance standing to the credit of the Employee Stock Options Outstanding Account is transferred within equity.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share

Also, a separate Employee stock options scheme (ESOP) ("the scheme") has been established by Aditya Birla Capital Limited ("ABCL") (Entity having significant influence). The scheme provides that employees are granted an option to subscribe to equity shares of ABCL that vest in a graded manner. The options may be exercised within a specified period. Measurement and disclosure of Employee share-based payment plan is done in accordance with Ind AS 102 Share Based Payments.

ABCL follows the Black-Scholes Merton Value method to account for its stock-based employee compensation plans. The cost incurred by the ABCL, in respect of options granted to employees of the Company is charged to the Statement of Profit and Loss during the year and recovered by them.

## xxiii. Cash Dividend to equity holders of the Company

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders except in the case of interim dividend. A corresponding amount is recognised directly in equity.

## xxiv. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The CODM's function is to allocate the resources of the Company and assess the performance of the operating segments of the Company.

## xxv. Standards notified but not yet effective:

There are no standards that are notified and not yet effective as on the date.

### a. Term/right attached to equity shares

The Company has only one class of equity shares having a par value of ₹ 5 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of the equity shares will be entitled to receive the remaining assets of the Company after distributions of all preferential amounts. However, no such preferential amount exist currently. The distribution will be in the proportion to the number of equity shares held by the shareholders.

### b. Reconciliation of the shares outstanding at the beginning and at the end of the year

## Nature and Purpose of the reserves

### Securities premium:

Securities Premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of Section 52 of Companies Act, 2013. The securities premium also includes amount transferred from Share options outstanding account upon exercise of options by employees and subsequent allotment of shares to them.

### General reserve:

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid up share capital of the Company for that year, then the total dividend distribution is less than total distributable reserve for that year.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

Consequent to introduction of the Companies Act 2013, the requirement to mandatorily transfer a specified percentage of net profit to general reserve has been withdrawn. However the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.

## Retained earnings:

Retained earnings are the profits that a company has earned to date, less any dividends or other distributions paid to the Shareholders, net of utilisation as permitted under applicable regulations.

## Share option outstanding account:

The grant date fair value of equity-settled share-based payment transactions with employees and directors are recognised in the Statement of Profit and Loss with the corresponding credit to this account over the vesting period.

## Share application pending allotment:

Until the shares are allotted, the amount received is shown under the Share Application Money Pending Allotment.

Above figures are excluding contribution to PF and Other Funds of ₹ 1.65 crores (Previous year ₹ 1.00 crores) reimbursed to related parties – Aditya Birla Financial Shared Services Limited & Aditya Birla Capital Limited.

### b. Share based payments

Pursuant to ESOP Plan by ABCL, stock options were granted to the employees of the Company during the year. Total cost incurred by ABCL till date is being recovered from the Company over the period of vesting of the ESOP grants. A sum of ₹ 1.27 crores (Previous year ₹ 0.48 crores) has been charged to the Statement of Profit and Loss. The balance sum of ₹ 6.03 crores will be recovered in future years as at 31<sup>st</sup> March, 2025.

### c. Gratuity (Defined Benefit Plan)

The following table sets out the status of the gratuity plan as required under IND AS 19 as certified by actuary. Reconciliation of opening and closing balances of the present value of the defined benefit obligation.

for the year ended 31<sup>st</sup> March 2025

## A. Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis are given below:

## NOTE: 28 SEGMENT INFORMATION

The CEO of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108 - "Operating Segments". The CODM evaluates the Company's performance and allocates resources. The Company's operations predominantly relate to providing asset management services, portfolio management and other advisory services. In the opinion of the CODM and Management, the risks and rewards attached to the business are similar in nature. Hence the separate Segment under Ind AS 108 on "Operating Segments" is not required to be reported as the Company's business is restricted to single Operating Segment i.e., Asset Management Services.

There is only one customer contributing in excess of 10% of the Company's total revenue in the following years:

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 30 CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31<sup>st</sup> March, 2025.

## NOTE: 31 FAIR VALUES OF FINANCIAL INSTRUMENTS

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy:

(₹ in crore)

| Particulars                                     | Carrying Amount |                |                       | Fair Value      |               |              |                  |
|-------------------------------------------------|-----------------|----------------|-----------------------|-----------------|---------------|--------------|------------------|

\* The management assessed that investments in subsidiaries, cash and cash equivalents, trade receivables, other financial assets, trade payables, lease liabilities and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Accordingly, fair value hierarchy for these financial instruments have not been presented above.

Valuation techniques used to determine fair value:

- **Mutual Funds:** Net Asset Value (NAV) declared by the mutual fund at which units are issued or redeemed
- **Alternative Investment Funds:** Net Asset Value (NAV) provided by issuer fund which is arrived at based on valuation from independent valuer for unlisted portfolio companies, quoted price of listed portfolio companies and price of recent investments
- **Debt Securities:**
  - Fair value of debt securities which are actively traded bonds, is derived on the basis of quoted price available on the National Stock Exchange
  - Fair value of Non-Convertible Debentures, is derived on the basis of Fair Valuation report obtained from an Independent Registered Valuer.
- **Equity Instruments:** On the basis of Networth of the Company

In order to assess Level 3 valuations as per Company's investment policy, the management reviews the performance of the investee companies (including unlisted portfolio companies of venture capital funds and alternative investment funds) on a regular basis by tracking their latest available financial statements/financial information, valuation report of independent valuers, recent transaction results etc. which are considered in valuation process.

| <b>Balance as at 31<sup>st</sup> March, 2025</b> | <b>33.59</b> |

## NOTE: 32 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise trade and other payables. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds investments in mutual fund units, debt and equity instruments.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by Risk Management Committee and the auditors have relied on the same. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

### A. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows related to financial instrument that may result from adverse changes in market rates and prices (such as foreign exchange rates, interest rates, other prices). The Company is exposed to market risk primarily related to interest rate risk and price risk.

#### (i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The sensitivity of the portfolio towards the interest rate is mentioned in the table below

#### Sensitivity

The following table demonstrates the sensitivity to:

- Interest Rate Risk is basis impact on debt portfolios for 1% change in interest rates.
- Hybrid funds considered at 100% as a conservative basis for assessing interest rate impact on portfolio. (which form approximately 1% of the entire portfolio of schemes).

#### Impact on profit and loss:

| Risk                                                          | (₹ in crore)                          |                                       |
|---------------------------------------------------------------|---------------------------------------|---------------------------------------|
|                                                               | As at<br>31 <sup>st</sup> March, 2025 | As at<br>31 <sup>st</sup> March, 2024 |
| Interest Rate Risk – (Impact of 1% increase in interest rate) | 2.56%                                 | 2.39%                                 |
| Effect on Profit and Loss                                     | (75.59)                               | (54.14)                               |
| Interest Rate Risk – (Impact of 1% decrease in interest rate) | 2.56%                                 | 2.39%                                 |
| Effect on Profit and Loss                                     | 75.59                                 | 54.14                                 |

for the year ended 31<sup>st</sup> March 2025

## (ii) Foreign Currency Risk

The Company has insignificant amount of foreign currency denominated assets and liabilities. Accordingly, there is no significant exposure to currency risk.

## (iii) Price Risk

Price risk is the risk that the value of the financial instrument will fluctuate as a result of changes in market prices and related market variables including interest rate for investments in debt oriented mutual funds and debt securities, caused by factors specific to an individual investment, its issuer and market.

The Company's exposure to price risk arises from investments in Units of mutual funds, alternative investment funds, etc which are classified as financial asset at Fair Value through Profit and Loss and is as follows:

| (₹ in crore)                      |                                                    |                                                    |

| 5% decrease in prices     | (148.85)                                           | (147.13)                                           |

## B. Credit Risk

Credit Risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company's has clearly defined policies to mitigate counterparty risks. Cash and liquid investments are held primarily in mutual funds and banks with good credit ratings. Defined limits are in place for exposure to individual counterparties in case of mutual fund houses and banks.

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Company has major receivable from mutual fund schemes.

## Expected Credit Loss on Financial Assets

The Company continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL or life time ECL, the company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. For trade receivables, the company applies a simplified approach in calculating ECLs. Therefore, the company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The company has determined based on historical experience and expectations that the ECL on its trade receivables is insignificant and was not recorded. The company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- Historical trend of collection from counterparty
- Company's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e., the difference between the cash flows due to the company in accordance with contract and the cash flows that the Company expects to receive).

The Company has three types of financial assets that are subject to the expected credit loss:

- Cash and cash equivalent
- Trade and other receivables
- Investment in debt securities measured at amortised cost

## Trade and Other Receivables:

Exposures to customers' outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of collection from counterparties on timely basis reflects low level of credit risk. As the Company has a contractual right to such receivables as well as the control over such funds due from customers, the Company does not estimate any credit risk in relation to such receivables.

## Cash and Cash Equivalents:

The Company holds cash and cash equivalents and other bank balances as per note 3 and 4. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be high.

## Investment in Debt Securities measured at amortised cost:

Funds are invested after taking into account parameters like safety, liquidity and post tax returns etc. The Company avoids concentration of credit risk by spreading them over several counterparties with good credit rating profile and sound financial position. The Company's exposure and credit ratings of its counterparties are monitored on an ongoing basis.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## C. Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations or at a reasonable price. The Company's Finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

### Maturity profile of Financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

(₹ in crore)

| As at 31st March, 2025          | Within 12 Months | After 12 Months | Total         |

(₹ in crore)

| Particulars          | For the year ended<br>31 <sup>st</sup> March, 2025 | For the year ended<br>31 <sup>st</sup> March, 2024 |
|----------------------|----------------------------------------------------|----------------------------------------------------|
| Less than one year   | 20.11                                              | 18.98                                              |
| One to Five years    | 53.30                                              | 63.42                                              |
| More than Five years | 4.26                                               | 7.58                                               |
| <b>Total</b>         | <b>77.67</b>                                       | <b>89.98</b>                                       |

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

All the future cash flows to which the lease is potentially exposed are reflected in the measurement of lease liabilities.

for the year ended 31<sup>st</sup> March 2025

## NOTE: 35 EMPLOYEE STOCK OPTIONS SCHEME

At the Board Meeting held on 14<sup>th</sup> April, 2021 the Company approved the grant of not more than 46,08,000 Equity Shares by way of grant of Stock Options and restricted Stock Units ("RSUs"). Out of these, the Nomination, Remuneration and Compensation Committee has granted 32,32,899 ESOPs, 5,08,117 PRSU, 1,96,374 Long Term RSU & 2,46,863 RSU Founder under the Scheme titled "Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021" in 4 categories of Long Term Incentive Plans ("LTIP") identified as LTIP 1, LTIP 2, LTIP 3 & LTIP 4 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs                                                               | LTIP 1                                                                                                                                                           | LTIP 2                                                                                      | LTIP 3                                 | LTIP 4                                 |

for the year ended 31<sup>st</sup> March 2025

## Movements during the year ended 31<sup>st</sup> March, 2025

The following table illustrates the number and weighted average exercise prices (WAEP) of, and movements in, share options during the period:

| Category of ESOPs                                                                                                    | LTIP 1     | LTIP 2     | LTIP 3    | LTIP 4    |
|----------------------------------------------------------------------------------------------------------------------|------------|------------|-----------|-----------|
| Type of ESOP                                                                                                         | ESOP       | RSU        | RSU       | RSU       |
| Options/RSUs Outstanding at the beginning of the period                                                              | 26,06,091  | 4,10,841   | 1,69,164  | 74,247    |
| Granted during the period                                                                                            | Nil        | Nil        | Nil       | Nil       |
| Exercised during the period                                                                                          | 1,44,594   | 1,23,200   | 98,593    | 26,949    |
| Forfeited during the period                                                                                          | 1,59,337   | 26,433     | 3,299     | 3,338     |
| Options/RSUs Outstanding at the end of the period                                                                    | 23,02,160  | 2,61,208   | 67,272    | 43,960    |
| Options/RSUs Vested/Exercisable at the end of the period                                                             | 16,11,512  | 1,30,605   | 67,272    | 43,960    |
| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2025 | 0.03 years | 0.03 years | 0.00 year | 0.00 year |

Since all the options were granted/lapsed, at the same exercise price per option under the respective category of ESOPs, the weighted average exercise price per option for all these line items under the respective category of ESOPs is the same.

## Movements during the year ended 31<sup>st</sup> March, 2024

The following table illustrates the number and weighted average exercise prices (WAEP) of, and movements in, share options during the period:

| Category of ESOPs                                                                                                    | LTIP 1     | LTIP 2     | LTIP 3     | LTIP 4   |
|----------------------------------------------------------------------------------------------------------------------|------------|------------|------------|----------|
| Type of ESOP                                                                                                         | ESOP       | RSU        | RSU        | RSU      |
| Options/RSUs Outstanding at the beginning of the period                                                              | 27,02,516  | 4,24,756   | 1,74,337   | 1,73,151 |
| Granted during the period                                                                                            | Nil        | Nil        | Nil        | Nil      |
| Exercised during the period                                                                                          | Nil        | Nil        | Nil        | 91,213   |
| Forfeited during the period                                                                                          | 96,425     | 13,915     | 5,173      | 7,691    |
| Options/RSUs Outstanding at the end of the period                                                                    | 26,06,091  | 4,10,841   | 1,69,164   | 74,247   |
| Options/RSUs Vested/Exercisable at the end of the period                                                             | 10,42,436  | Nil        | Nil        | 74,247   |
| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2024 | 0.53 years | 0.53 years | 0.03 years | Nil      |

Since all the options were granted/lapsed, at the same exercise price per option under the respective category of ESOPs, the weighted average exercise price per option for all these line items under the respective category of ESOPs is the same.

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                             | LTIP 1           | LTIP 2           | LTIP 3    | LTIP 4    |
|-------------------------------------------------------------------------------|------------------|------------------|-----------|-----------|
| Type of ESOP                                                                  | ESOP             | RSU              | RSU       | RSU       |
| Risk-Free Interest Rate (%)                                                   | 5.4 to 6.4%      | 6.3 to 6.4%      | 6.3%      | 5.7%      |
| Option Life (Years)                                                           | 3.5 to 6.5 years | 5.5 to 6.5 years | 5.5 years | 4.5 years |
| Historical Volatility                                                         | 32.0% to 34.0%   | 32.0% to 34.0%   | 32.4%     | 32.7%     |
| Expected Dividend Yield (%)                                                   | 1.4%             | 1.4%             | 1.4%      | 1.4%      |
| Weighted-Average Fair Value per Option as on 12 <sup>th</sup> April, 2021 (₹) | 186 to 258.40    | 610.60 to 618.90 | 618.90    | 627.20    |

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

Apart from stock options granted as above, the Nomination, Remuneration and Compensation Committee has granted 6,45,337 ESOPs & 13,192 PRSU under the Scheme titled "Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021" in 2 categories of Long Term Incentive Plans ("LTIP") identified as LTIP 1 & LTIP 2 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs                                                               | LTIP 1                                                                                                                                                                                                                                                                                                                                                                                                                    | LTIP 2                                                                                                                                              |

| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2024 | 1.68 Years | 2.05 Years |

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                 | LTIP 1            | LTIP 2           |
|-------------------------------------------------------------------|-------------------|------------------|
| Type of ESOP                                                      | ESOP              | RSU              |
| Risk-Free Interest Rate (%)                                       | 7.4 to 7.5%       | 7.6%             |
| Option Life (Years)                                               | 3.5 to 4.5 years  | 5.5 to 6.5 years |
| Historical Volatility                                             | 29.1% to 31.8%    | 29.1% to 31.8%   |
| Expected Dividend Yield (%)                                       | 2.0%              | 2.0%             |
| Weighted-Average Fair Value per Option as on October 20, 2022 (₹) | 125.70 to 161.500 | 385.40 to 377.80 |

Apart from stock options granted as above, the Nomination, Remuneration and Compensation Committee has granted 72,862 ESOPs, 11,451 RSU & 30,075 ESOPs under the Scheme titled "Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021 " in 2 categories of Long Term Incentive Plans ("LTIP") identified as LTIP 1, LTIP 2 & LTIP 3 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs    | LTIP 1                                                                                                                                                            | LTIP 2                                                                         | LTIP 3                                 |

## Movements during the year ended 31<sup>st</sup> March, 2024

The following table illustrates the number and weighted average exercise prices (WAEP) of, and movements in, share options during the period:

| Category of ESOPs                                                                                                    | LTIP 1     | LTIP 2     | LTIP 3     |
|----------------------------------------------------------------------------------------------------------------------|------------|------------|------------|
| Type of ESOP                                                                                                         | ESOP       | RSU        | ESOP       |
| Options/RSUs Outstanding at the beginning of the period                                                              | Nil        | Nil        | Nil        |
| Granted during the period                                                                                            | 72,862     | 11,451     | 30,075     |
| Exercised during the period                                                                                          | Nil        | Nil        | Nil        |
| Forfeited during the period                                                                                          | Nil        | Nil        | Nil        |
| Options/RSUs Outstanding at the end of the period                                                                    | 72,862     | 11,451     | 30,075     |
| Options/RSUs Vested/Exercisable at the end of the period                                                             | Nil        | Nil        | Nil        |
| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2024 | 2.27 Years | 3.07 Years | 3.24 Years |

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                               | LTIP 1           | LTIP 2           | LTIP 3    |
|---------------------------------------------------------------------------------|------------------|------------------|-----------|
| Type of ESOP                                                                    | ESOP             | RSU              | ESOP      |
| Risk-Free Interest Rate (%)                                                     | 7.5%             | 7.5%             | 7.5%      |
| Option Life (Years)                                                             | 3.5 to 6.5 years | 3.5 to 6.5 years | 6.2 years |
| Historical Volatility                                                           | 25.5% to 29.5%   | 25.5% to 29.5%   | 28.3%     |
| Expected Dividend Yield (%)                                                     | 2.3%             | 2.3%             | 2.3%      |
| Weighted-Average Fair Value per Option as on 26 <sup>th</sup> October, 2023 (₹) | 108.90 to 154.40 | 376.20 to 385.00 | 151.90    |

Apart from stock options granted as above, the Nomination, Remuneration and Compensation Committee has granted 44,737 ESOPs & 7,031 RSU under the Scheme titled "Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021" in 2 categories of Long Term Incentive Plans ("LTIP") identified as LTIP 1 & LTIP 2 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs                                                               | LTIP 1                                                                                                                                                            | LTIP 2                                                                         |

## Movements during the year ended 31<sup>st</sup> March, 2025

The following table illustrates the number and weighted average exercise prices (WAEP) of, and movements in, share options during the period:

| Category of ESOPs                                                                                                    | LTIP 1     | LTIP 2     |
|----------------------------------------------------------------------------------------------------------------------|------------|------------|
| Type of ESOP                                                                                                         | ESOP       | RSU        |
| Options/RSUs Outstanding at the beginning of the period                                                              | Nil        | Nil        |
| Granted during the period                                                                                            | 44,737     | 7,031      |
| Exercised during the period                                                                                          | Nil        | Nil        |
| Forfeited during the period                                                                                          | Nil        | Nil        |
| Options/RSUs Outstanding at the end of the period                                                                    | 44,737     | 7,031      |
| Options/RSUs Vested/Exercisable at the end of the period                                                             | Nil        | Nil        |
| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2025 | 1.93 Years | 2.73 Years |

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                            | LTIP 1           | LTIP 2           |
|------------------------------------------------------------------------------|------------------|------------------|
| Type of ESOP                                                                 | ESOP             | RSU              |
| Risk-Free Interest Rate (%)                                                  | 7.1%             | 7.1%             |
| Option Life (Years)                                                          | 3.5 to 6.5 years | 3.5 to 6.5 years |
| Historical Volatility                                                        | 24.7% to 29.4%   | 24.7% to 29.4%   |
| Expected Dividend Yield (%)                                                  | 3.2%             | 3.2%             |
| Weighted-Average Fair Value per Option as on 24 <sup>th</sup> June, 2024 (₹) | 143.0 to 203.5   | 532.3 to 549.4   |

Apart from stock options granted as above, the Nomination, Remuneration and Compensation Committee has granted 13,158 ESOPs & 2,068 RSU under the Scheme titled "Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021" in 2 categories of Long Term Incentive Plans ("LTIP") identified as LTIP 1 & LTIP 2 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs                                                               | LTIP 1                                                                                                                                                            | LTIP 2                                                                         |

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Movements during the year ended 31<sup>st</sup> March, 2025

The following table illustrates the number and weighted average exercise prices (WAEP) of, and movements in, share options during the period:

| Category of ESOPs                                                                                                    | LTIP 1     | LTIP 2     |
|----------------------------------------------------------------------------------------------------------------------|------------|------------|
| Type of ESOP                                                                                                         | ESOP       | RSU        |
| Options/RSUs Outstanding at the beginning of the period                                                              | Nil        | Nil        |
| Granted during the period                                                                                            | 13,158     | 2,068      |
| Exercised during the period                                                                                          | Nil        | Nil        |
| Forfeited during the period                                                                                          | Nil        | Nil        |
| Options/RSUs Outstanding at the end of the period                                                                    | 13,158     | 2,068      |
| Options/RSUs Vested/Exercisable at the end of the period                                                             | Nil        | Nil        |
| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2025 | 2.41 years | 3.21 years |

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                                | LTIP 1           | LTIP 2           |
|----------------------------------------------------------------------------------|------------------|------------------|
| Type of ESOP                                                                     | ESOP             | RSU              |
| Risk-Free Interest Rate (%)                                                      | 6.8%             | 6.8%             |
| Option Life (Years)                                                              | 3.5 to 6.5 years | 3.5 to 6.5 years |
| Historical Volatility                                                            | 24.3% to 29.3%   | 24.3% to 29.3%   |
| Expected Dividend Yield (%)                                                      | 3.2%             | 3.2%             |
| Weighted-Average Fair Value per Option as on 18 <sup>th</sup> December, 2024 (₹) | 174.3 to 253.4   | 671.9 to 693.6   |

Apart from stock options granted as above, the Nomination, Remuneration and Compensation Committee has granted 15,948 Option SARs, 5,113 RSU SARs & 1,828 PRSU SARs under the Scheme titled "Aditya Birla Sun Life AMC Limited Stock Appreciation Rights Scheme 2022 (SAR 2022)" in 3 categories of Long Term Incentive Plans ("LTIP") for the welfare of the employees of the company and its subsidiaries. Under SAR 2022, cash incentive benefits are provided to the eligible employees through grant of Stock Appreciation Rights. The Group accounts for the SAR scheme as a cash-settled plan.

# Independent Auditor's Report

To the Members of Aditya Birla Sun Life AMC Limited

## REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

### OPINION

We have audited the consolidated financial statements of Aditya Birla Sun Life AMC Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the consolidated Balance sheet as at 31<sup>st</sup> March, 2025, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31<sup>st</sup> March, 2025, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

### BASIS FOR OPINION

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those

Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended 31<sup>st</sup> March, 2025. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

## Key audit matters

## How our audit addressed the key audit matter

**Revenue from Asset Management and Advisory Fees and Management Fees from Portfolio Management and Other Services (as described in Note 2(xv) of the consolidated financial statements)**

Revenue from operations is the most significant balance in the Statement of Profit and Loss. It majorly comprises of:

- Asset Management and Advisory Fees amounting to ₹ 1,586.66 crore.
- Management Fees from Portfolio Management and Other Services amounting to ₹ 98.13 crore.

There are inherent risks in computing the different revenue streams including manual input of key contractual terms and computation of applicable Assets Under Management (AUM), which could result in errors. Considering the complexity in contractual terms involving multiple schemes, it requires monitoring to ensure all financial terms and conditions are captured accurately and applied appropriately.

Any discrepancy in such computation could give rise to a material misstatement in the financial statements.

Accordingly, we have considered revenue from asset management and advisory fees and management fees from portfolio management as a key audit matter.

We have performed the following procedures in relation to the revenue recognized during the year:

- Obtained and read the accounting policy for revenue recognition.
- Obtained an understanding of the significant revenue items and identified where there is a higher risk of error due to manual processes, complex contractual terms, and areas of judgement.
- Tested the design and operating effectiveness of key controls in place across the Holding Company relevant to recognition of Management Fees.
- On a sample basis, obtained and tested arithmetical accuracy of revenue calculation and the reconciliation with the accounting records.
- On sample basis, verified the input of contractual terms with rates approved by the management
- On a sample basis, checked the receipts of such income in bank statements.
- Obtained and read the investment management fee certification report, issued by statutory auditors of mutual fund schemes and reconciled the certified amount with the accounting records.
- Re-calculated Asset Management and Advisory Fees and Portfolio Management Services Fees in respect of certain sample contracts and compared with the actual fees charged by the Holding Company for such contracts.
- Evaluated the disclosure relating to management fee income earned by the Holding Company.

We have determined that there are no other key audit matters to communicate in our report.

**OTHER INFORMATION**

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read such information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and to comply with the relevant applicable requirements of the standard on auditing for auditor's responsibility in relation to other information in documents containing audited consolidated financial statements. We have nothing to report in this regard.

**RESPONSIBILITIES OF MANAGEMENT FOR THE CONSOLIDATED FINANCIAL STATEMENTS**

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the

consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of their respective companies.

## AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended 31<sup>st</sup> March, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## OTHER MATTERS

- (a) We did not audit the financial statements and other financial information, in respect of three subsidiaries, whose financial statements include total assets of Rs 102.47 crore as at 31<sup>st</sup> March, 2025, and total revenues of Rs 44.40 crore and net cash inflows of Rs 5.46 crore for the year ended on that date. These financial statement and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the report(s) of such other auditors.

All of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the others auditors on separate financial statements and the other financial information of the subsidiary companies incorporated in India and to the extent applicable, as noted in the 'Other Matter' paragraph, there are no qualifications or adverse remarks by the respective auditors in the Companies (Auditors Report) Order (CARO) reports of the companies included in the consolidated financial statements. Accordingly the requirement to report on clause 3(xxii) of the Order is not applicable to the Holding Company.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
  - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors except for the matters stated in the paragraph 2(i)(vii) below on reporting under Rule 11(g)
  - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding company are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(i)(vi) below on reporting under Rule 11(g).
- (g) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies, incorporated in India, and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1" to this report this report does not include Report on the internal financial controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the 'Report on internal financial controls'), since in our opinion and according to the information and explanation given to us, the said report on internal financial controls is not applicable to the subsidiary companies, basis the exemption available to the Holding Company under MCA notification no. G.S.R. 583(E) dated 13<sup>th</sup> June, 2017, read with corrigendum dated 13<sup>th</sup> July, 2017 on reporting on internal financial controls with reference to consolidated financial statements;
- (h) In our opinion the managerial remuneration for the year ended 31<sup>st</sup> March, 2025 has been paid/ provided by the Holding Company to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries as noted in the 'Other matter' paragraph:
  - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group in its consolidated financial statements – Refer Note 23 to the consolidated financial statements;
  - ii. The Group did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended 31<sup>st</sup> March, 2025;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company during the year ended March 31, 2025.
  - iv. a) The managements of the Holding Company have represented to us that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The managements of the Holding Company has represented to us that, to the best of its knowledge and belief, no funds have been received by Holding Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. The final dividend paid by the Holding Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
- vi. As stated in Note 48 to the consolidated financial statements, the respective Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members of the respective companies at the respective ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
- vii. Based on our examination which included test checks, the Holding Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, audit trail feature is enabled for direct changes to data when using certain access rights on with effect from 30<sup>th</sup> May, 2024, as described in note 47 to the financial statements. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, in respect of accounting software(s) where the audit trail has been enabled. Additionally, the audit trail feature was not enabled for direct changes to data when using certain access rights for the financial year 2023-2024 by the Holding company as per the statutory requirements, as stated in Note 47 to the financial statements

# ANNEXURE 1

## TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ADITYA BIRLA SUN LIFE AMC LIMITED

### REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

In conjunction with our audit of the consolidated financial statements of Aditya Birla Sun Life AMC Limited (hereinafter referred to as the "Holding Company") as of and for the year ended 31<sup>st</sup> March, 2025, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company.

### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

## MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## OPINION

In our opinion, the Holding Company has maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31<sup>st</sup> March, 2025, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

for the year ended 31<sup>st</sup> March, 2025

## NOTE: 01 CORPORATE INFORMATION

The Company is a public listed entity and its registered office is situated at One World Centre, Tower 1, 17<sup>th</sup> Floor, Jupiter Mills, Senapati Bapat Marg, Elphinstone Road, Mumbai – 400013. The Company was incorporated under the provisions of the Companies Act on 5<sup>th</sup> September, 1994. As at 31<sup>st</sup> March, 2025, Aditya Birla Capital Limited and Sun Life (India) AMC Investments Inc., Promoters and Promoters Group, owns 74.90% of the Company's equity share capital. The equity shares of the Company have been listed on National Stock Exchange of India Limited and BSE Limited since 11<sup>th</sup> October, 2021.

The Company is registered with Securities and Exchange Board of India (SEBI) under the SEBI (Mutual Funds) Regulations, 1996 and the principal activity is to act as an investment manager to Aditya Birla Sun Life Mutual Fund. The Company is also registered under the SEBI (Portfolio Managers) Regulations, 1993 and provides Portfolio Management Services ("PMS") and investment advisory services to offshore funds and high net worth investors. The Company also acts as an Investment Manager to Aditya Birla Real Estate Funds (Category II) registered with SEBI. Further, the Company has also received SEBI registration for Alternative Investment Fund (AIFs) Category III namely Aditya Birla Sun Life AIF Trust – I and AIF Category II namely Aditya Birla Sun Life AIF Trust – II.

The Company has set up a new branch at the GIFT-IFSC (Gujarat International Finance Tec-City- International Financial Services Centre) to cater to its international business, to expand its reach and service global clients, including NRIs for investing in India.

## NOTE: 02 MATERIAL ACCOUNTING POLICIES

### i. Basis of Preparation of Financial Statements

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division III Schedule III to the Companies Act, 2013, as applicable to the Consolidated Financial Statements.

The Consolidated Financial Statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Certain financial instruments, measured at fair value
- Gratuity plan assets, measured at fair value
- Shared based payments, measured at fair value

The consolidated financial statements are presented in Indian rupees and all values are rounded to the nearest crores, except when otherwise indicated.

The consolidated financial statements were approved for issue by the Company's Board of Directors on 28<sup>th</sup> April, 2025.

### ii. Presentation of Financial Statements

The Group presents its balance sheet in order of liquidity. Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Group and/or its counterparties

An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 35.

### iii. Use of estimates

The preparation of the financial statements in conformity with the Indian Accounting Standards (IND AS) requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities as of the date of financial statements and the reported amount of revenue and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results may differ from those estimates and assumptions used in preparing the accompanying financial statements. Any revision to the accounting estimates will be recognised prospectively in the current and future periods.

Significant estimates and judgements used for:-

- Estimates of useful lives and residual value of Property, Plant and Equipment, and other intangible assets (Refer Note 8.1 and 8.2)

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

- Measurement of defined benefit obligations, actuarial assumptions (Refer Note 25)
- Recognition of deferred tax assets/liabilities (Refer Note 13)
- Recognition and measurement of provisions and contingencies (Refer Note 12 and Note 23)
- Financial instruments – Fair values, risk management and impairment of financial asset (Refer Note 6)
- Determination of lease term (Refer Note 34)
- Discount rate for lease liability (Refer Note 34)
- Estimates of Share based payments (Refer Note 20 and 36)

## iv. Functional and Presentation currency

The consolidated financial statements of the Group are presented in Indian rupees, the national currency of India, which is the functional currency of the Company. For each entity, the Group determines the functional currency and items included in the financial statements of each entity are measured using the functional currency.

## v. Principles of Consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31<sup>st</sup> March, 2025. The Group consolidates a subsidiary when it controls it. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns.

The Group also considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights
- The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The accounting policies of the subsidiaries have been harmonised to ensure the consistencies with the policies that have been adopted by the Company. The financial statements of the Company and its subsidiaries combined have been consolidated on a line-by-line basis by adding together the values of like items of assets, liabilities, income and expenses, after eliminating intra-Group balances and transactions and offsetting the carrying amount of the Company's investment in each subsidiary and the Company's portion of equity in each subsidiary as per Ind AS 110 "Consolidated Financial Statements".

The Financial statements of the wholly owned Subsidiaries used in the consolidation are drawn up to the same reporting date as of the Company i.e. year ended on 31 March. When the end of the reporting period of the Company is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the Company to enable the Company to consolidate the financial information of the subsidiary.

## Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

List of Subsidiary companies included in consolidation are as below:

| Name of Subsidiaries                                                   | Country of Incorporation | Proportion of ownership Interest as on 31 <sup>st</sup> March, 2025 | Proportion of ownership Interest as on 31 <sup>st</sup> March, 2024 | Principle Activities                                              |
|------------------------------------------------------------------------|--------------------------|---------------------------------------------------------------------|---------------------------------------------------------------------|-------------------------------------------------------------------|
| Aditya Birla Sun Life AMC (Mauritius) Limited                          | Mauritius                | 100%                                                                | 100%                                                                | To act as Investment Manager to India Advantage Fund Limited.     |
| Aditya Birla Sun Life Asset Management Company Pte. Limited, Singapore | Singapore                | 100%                                                                | 100%                                                                | To act as a Fund Manager and Investment advisory.                 |
| Aditya Birla Sun Life Asset Management Company Limited, DIFC, Dubai    | Dubai                    | 100%                                                                | 100%                                                                | Arranging deals in investment and advisory on financial products. |

The Company acts as the fund manager for Aditya Birla Sun Life Mutual Fund and therefore has a significant involvement with the funds. However, fund managers are subject to substantial investment restrictions and guidelines. In all cases, the Company could be removed without cause, by the majority of the unit holders. The Company does not have significant investments in the units of mutual funds. Therefore, the funds managed by the Company are not consolidated.

India Advantage Fund Limited (IAFL) is a collective investment scheme set up as a fund in Mauritius with the status of a limited company under the Mauritius Companies Act. In terms of constitution and private placement memorandum, IAFL has classes of redeemable participating shares. Each class of participating shares has its own Balance Sheet and Profit and Loss account. The Profit/Loss of each such class belongs to the participating shareholders of that class. Aditya Birla Sun Life Asset Management Company Limited (ABSLAMC) owns 100% of the management share and management shareholder is not entitled to any beneficial interest in the profit/loss of various classes nor is required to make good any shortfall. In substance there are no direct or indirect economic benefits received by the management shareholders. The substance over form must prevail. Accordingly, the Group has not consolidated IAFL in the Consolidated Financial Statements.

Aditya Birla Sun Life AMC Pte. Limited, Singapore has made investment in International Opportunities Fund and India Yield Advantage Fund VCC. These funds are segregated portfolio company set up as a fund in Cayman Islands under the Cayman Islands Monetary Act. In terms of constitution and private placement memorandum, all these funds have various segregated portfolio which issue redeemable participating shares. Each Segregated Portfolio of participating shares has its own Balance Sheet and Profit and Loss account. The Profit/Loss of each such

Portfolio belongs to the participating shareholders of that segregated portfolio. Aditya Birla Sun Life Asset Management Company Pte. Limited (ABSLAMC) owns 100% of the management share and management shareholder is not entitled to any beneficial interest in the profit/loss of various segregated portfolios nor is required to make good any shortfall. In substance there are no direct or indirect economic benefits received by the management shareholders. The substance over form must prevail. Accordingly, the Group has not consolidated these funds in the Consolidated Financial Statements.

### Vi. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and cash in hand and short-term investments with an original maturity of three months or less which are subject to an insignificant risk of changes in value. For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Group's cash management.

### Vii. Property, Plant and Equipment

Property, Plant and equipment are stated at their cost of acquisition less accumulated depreciation, and impairment losses. The cost of acquisition is inclusive of taxes (except those which are refundable), duties, freight and other incidental expenses related to acquisition and installation of the assets. As on 1<sup>st</sup> April, 2017, i.e. its date of transition to IND AS, the Group has used Indian GAAP carrying value as deemed costs. All other repair and maintenance costs are recognised in profit or loss as incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

## Viii. Capital Work in Progress

Projects under which property plant and equipment are not ready for their intended use are carried at cost less accumulated impairment losses, comprising direct cost, inclusive of taxes, duties, freight, and other incidental expenses.

## ix. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred. As on 1<sup>st</sup> April, 2017, i.e. its date of transition to IND AS, the Group has used Indian GAAP carrying value as deemed costs. An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

## x. Intangible assets under development

The intangible assets under development includes cost of intangible assets that are not ready for their intended use less accumulated impairment losses.

## xi. Depreciation on Property, Plant and Equipment

Depreciation on property, plant and equipment is provided on a straight-line basis at the rates and useful life as prescribed in Schedule II of the Companies Act, 2013 or as determined by the management based on technical advice, except assets individually costing less than ₹ 5,000 which

are fully depreciated in the year of purchase/acquisition. Depreciation commences when assets are ready for its intended use.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period and adjusted prospectively, if appropriate. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Following is the summary of useful life of the assets as per management estimates and as required by the Companies Act, 2013.

| Useful life (In Years)                                 |                                             |                                                                         |                                                                     |
|--------------------------------------------------------|---------------------------------------------|-------------------------------------------------------------------------|---------------------------------------------------------------------|
| No.                                                    | Particulars                                 | Estimated Useful Life                                                   | Useful Life as Prescribed by Schedule II of the Companies Act, 2013 |
| <b>A Depreciation on Property, Plant and Equipment</b> |                                             |                                                                         |                                                                     |
| 1.                                                     | Computers                                   |                                                                         |                                                                     |
|                                                        | – Servers and networks*                     | 3 Years                                                                 | 6 Years                                                             |
|                                                        | – Other                                     | 3 Years                                                                 | 3 Years                                                             |
| 2.                                                     | Office Equipment                            | 5 Years                                                                 | 5 Years                                                             |
| 3.                                                     | Vehicles – Motor Car *                      | 5 Years                                                                 | 8 Years                                                             |
| 4.                                                     | Furniture and Fixtures*                     | 5 Years                                                                 | 10 Years                                                            |
| 5.                                                     | Mobile Phone (Included in office equipment) | 2 Years                                                                 | Not specified                                                       |

\* Based on technical advice, Management believes that the useful life of assets reflect the periods over which they are expected to be used.

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

Depreciation on assets sold during the year is recognized on a pro-rata basis in the Statement of Profit and Loss from/till the date of acquisition/sale.

## xii. Impairment of non-financial assets

The carrying amounts of non-financial assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An asset is treated impaired when the carrying cost of an asset or cash-generating unit's (CGU) exceeds its recoverable value. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The recoverable amount is the greater of the assets' or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. An impairment loss, if any, is charged to Statement of Profit and Loss Account in the year in which an asset is identified as impaired. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

## xiii. Fair Value Measurement

The Group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption

that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- **Level 1:** Inputs that are quoted market prices (unadjusted) in active markets for identical instruments.
- **Level 2:** Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- **Level 3:** Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs that are not observable and the unobservable inputs have a significant effect on the instrument's valuation.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

## xiv. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument to another entity.

Financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instruments.

All financial instruments are recognised initially at fair value, with the exception of trade receivables. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Trade receivables that do not contain a significant financing component for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on trade date while, loans and borrowings are recognised net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Group are classified in the following categories: financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI, financial assets at fair value through profit and loss account (FVTPL) and financial liabilities at amortised cost or FVTPL. The classification of financial instruments depends on the contractual cash flow characteristics and the objective of the business model for which it is held and whether the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal outstanding.

Management determines the classification of its financial instruments at initial recognition.

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

## Classification of Financial assets:

### (a) Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).

The Group determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Group's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- Reports reviewed by the entity's key management personnel on the performance of financial assets
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed
- The compensation of the managing teams (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)
- The expected frequency, value and timing of trades

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Group's original expectations, the Group does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

As a second step of its classification process the Group assesses the contractual terms of financial assets to identify whether they meet the SPPI test.

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Group applies judgement and considers relevant factors such as the currency in which the financial asset is denominated, and the period for which the interest rate is set.

Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

Financial assets at amortised cost are represented by investments in interest bearing debt instruments, trade receivables, security deposits, cash and cash equivalents, employee and other advances and other financial assets.

## (b) Debt Instruments at FVTOCI

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and
- the asset's contractual cash flows represent SPPI debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs.

Fair value movements are recognised in other comprehensive income (OCI). However, the Group recognises interest income, impairment losses & reversals and foreign exchange gain loss in Profit or Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the expected interest rate (EIR) model. Currently, the Group does not hold any interest-bearing debt instrument that qualifies to be classified under this category.

## (c) Equity instruments at FVTOCI

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL, described below. For all other equity instruments, the Group may make an irrevocable election to present subsequent changes in the fair value in OCI. The Group makes such election on an instrument-by-instrument basis. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which are not subsequently recycled to Profit or Loss. Dividends are recognised in profit or loss as dividend income when the right of the payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Currently, the Group has not classified any equity instrument at FVTOCI.

## (d) Financial assets at FVTPL

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL. In addition, the Group may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss. For all equity instruments at FVTPL, dividend is recognised in Profit or Loss when the right of payment has been established.

## Financial liabilities

### (a) Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by trade and other payables are initially recognised at fair value and subsequently carried at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

## (b) Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to Statement of Profit & Loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Group has not designated any financial liability as at fair value through profit or loss.

## Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## xv. Revenue Recognition

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Revenue from contracts with customers is recognised when control of services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those services.

The Group recognises revenue from contracts with customers based on a five-step model as set out in Ind AS 115:

**Step 1:** Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

**Step 2:** Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

**Step 3:** Determine the transaction price: The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised services to a customer, excluding amounts collected on behalf of third parties.

**Step 4:** Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Group allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Group expects to be entitled in exchange for satisfying each performance obligation.

**Step 5:** Recognise revenue when (or as) the Group satisfies a performance obligation.

## I. Rendering of services

The Group principally generates revenue by providing asset management services to Aditya Birla Sun Life Mutual Fund and other clients.

- (a) Management fees are recognized on accrual basis at specific rates, applied on the average daily net assets of each scheme. The fees charged are in accordance with the terms of Scheme Information Documents of respective schemes and are in line with the provisions of SEBI (Mutual Funds) Regulations, 1996 as amended from time to time.
- (b) Portfolio Management Fees and Advisory Fees are recognized on an accrual basis as per the terms of the contract with the customers.
- (c) Management fees from other services are recognized on an accrual basis as per the terms of the contract with the customers at specific rates applied on net assets.

These contracts include a single performance obligation (series of distinct services) that is satisfied over time and the management fees and/or advisory fees earned are considered as variable consideration.

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

If the consideration promised in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

## II. Dividend and Interest Income

- (a) Dividend income is recognised when the Group's right to receive dividend is established, it is probable that economic benefits associated with dividend will flow to the entity and the amount of dividend can be measured reliably. This is generally when shareholders approve the dividend.
- (b) Interest income from financial assets, is recognised on a time proportion basis, taking into account the amount outstanding and the rate applicable.

## xvi. Foreign currency transactions and balances

The Group's consolidated financial statements are presented in Indian rupees, the national currency of India, which is the functional currency of the Company. For each entity, the Company determines the functional currency and items included in the financial statements of each entity are measured using that functional currency.

Transactions in foreign currency are recorded by the Group's entities at their respective functional currency spot rates at the date of transaction. However, for practical reasons, the Group uses an average rate if the average approximates the actual rate at the date of the transaction.

Foreign currency monetary items are reported using functional currency spot rates of exchange at the reporting date. The resulting exchange gain/loss is reflected in the Statement of Profit and Loss with the exception of exchange differences arising on monetary items that form part of a Company's net investment in the subsidiaries which are recognised in profit or loss in the separate financial statements of the Company or

the individual financial statements of the subsidiaries, as appropriate. In the consolidated financial statements, such exchange differences are recognised initially OCI. Other non-monetary items, like Property Plant & Equipment and Intangible Assets are carried in terms of historical cost using the exchange rate at the date of transaction.

Translation of foreign subsidiaries is done in accordance with Indian Accounting Standard (Ind AS) 21 "The Effects of Changes in Foreign Exchange Rates". On consolidation, the assets and liabilities of foreign subsidiaries are translated into INR at the rate of exchange prevailing at the reporting date and their statements of profit and loss are translated at exchange rates prevailing at the dates of the transactions. For practical reasons, the group uses an average rate to translate income and expense items, if the average rate approximates the exchange rates at the dates of the transactions. The exchange differences arising on translation for consolidation are recognised in OCI.

## xvii. Employee Benefits

- (a) **Provident Fund:** Retirement benefit in the form of provident fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognises contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.
- (b) **Gratuity:** The Group operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the year in which they occur. Remeasurements are not reclassified to profit or loss in subsequent years.

Past service costs are recognised in profit or loss on the earlier of:

- The date of plan amendment or curtailment
- The date that the Group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
  - Net interest expense or income
- (c) **Leave Encashment:** Provision for leave encashment is made on the basis of actuarial valuation of the expected liability. Re-measurement gains/losses are recognised as profit or loss in the year in which they arise.
- (d) **Long Term Incentive Plan:** The Group has long term incentive plan for different cadre of employees. The same is actuarially determined and assessed on yearly basis. Re-measurement gains/losses are recognised as profit or loss in the year in which they arise.

## xviii. Leases

The Group's lease asset classes primarily consist of leases for buildings. The group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the group assesses whether: (1) the contract involves the use of an identified asset (2) the group has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes right – of – use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. The Group applies the short-term lease recognition exemption to its short-term leases of its branches/rental offices (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. For these short-term and low value leases, the Group recognizes the lease payments as an expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and accumulated impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The estimated useful life of right-of-use assets (primarily buildings) range between 1 year to 9 years. The right-of-use assets are also subject to impairment. Refer Note 2(xii) on impairment of non-financial assets.

The lease liability is initially measured at the present value of the future lease payments. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. In calculating the present value of lease payments, the Group uses its incremental borrowing rate

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

Lease liabilities are remeasured with a corresponding adjustment to the related right-of-use asset if the group changes its assessment on exercise of an extension or a termination option. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

## Critical accounting judgements and key sources of estimation uncertainty

Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in-substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

## xix. Earnings per share ("EPS")

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted-average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## xx. Fund and Commission expenses:

Prior to 21<sup>st</sup> October, 2018, certain scheme related expenses and commission were being borne by the Company in accordance with circulars and guidelines issued by SEBI and the Association of Mutual Funds in India (AMFI). Commission paid for future period for the mutual fund schemes (including for Equity Linked Savings Schemes) until 21<sup>st</sup> October, 2018 is treated as prepaid expenses and is amortised on the contractual period and charged to Statement of Profit and Loss account unless considered recoverable from schemes. Pursuant to circulars issued by SEBI in this regard, after 21<sup>st</sup> October, 2018, these expenses, subject to some exceptions, are being borne by the mutual fund schemes. New Fund Offer (NFO) expenses on the launch of schemes are borne by the Company and recognised in profit or loss as and when incurred.

Commission is paid to the brokers for Portfolio Management and other services as per the terms of agreement entered into with respective brokers. In case of certain portfolio management schemes and other services, the brokerage expenses are amortised over the tenure of the product or commitment period. Unamortised brokerage is treated as Non-financial Assets considering the normal operating cycle of the Company.

## xxi. Taxes

### Current tax:

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

## Deferred Tax:

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- i. Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- ii. In respect of taxable temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- i. When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- ii. In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be

utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## xxii. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Group has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that

# Material accounting policies and other explanatory information (notes) forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March, 2025

arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Claims against the Group, where the possibility of any outflow of resources in settlement is remote are not disclosed as contingent liabilities. A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is virtually certain.

## xxiii. Share Based Payments

Employees (including senior executives) of the Group receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions).

The Group measures the cost of equity-settled transactions with employees using Black-Scholes Model to determine the fair value of the liability incurred on the grant date. Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield, and making assumptions about them.

Equity-settled share-based payments to employees are measured by reference to the fair value of the equity instruments at the grant date using Black-Scholes Model. The fair value, determined at the grant date of the equity-settled share-based payments, is charged to profit and loss on the straight-line basis over the vesting period of the option, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

In case of forfeiture/lapse stock option, which is not vested, amortised portion is reversed by credit to employee compensation expense. In situation where the stock option expires unexercised, the related balance standing to the credit of the Employee Stock Options Outstanding Account is transferred within equity.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

Also, a separate Employee stock options scheme (ESOP) ("the scheme") has been established by Aditya Birla Capital Limited ("ABCL") (Entity having significant influence). The scheme provides that employees are granted an option to subscribe to equity shares of ABCL that vest in a graded manner. The options may be exercised within a specified period. Measurement and disclosure of Employee share-based payment plan is done in accordance with Ind AS 102 Share Based Payments.

ABCL follows the Black-Scholes Merton Value method to account for its stock-based employee compensation plans. The cost incurred by the ABCL, in respect of options granted to employees of the Company is charged to the Statement of Profit and Loss during the year and recovered by them.

## xxiv. Cash Dividend to equity holders of the Company

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised, and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders except in the case of interim dividend. A corresponding amount is recognised directly in equity.

## xxv. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief decision maker (CODM). The CODM's function is to allocate the resources of the Company and assess the performance of the operating segments of the Company.

## xxvi. Standards notified but not yet effective:

There are no standards that are notified and not yet effective as on the date.

### a. Term/right attached to equity shares

The Company has only one class of equity shares having a par value of ₹ 5 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of the equity shares will be entitled to receive the remaining assets of the Company after distributions of all preferential amounts. However, no such preferential amount exist currently. The distribution will be in the proportion to the number of equity shares held by the shareholders.

### b. Reconciliation of the shares outstanding at the beginning and at the end of the year

| Description                        | No. of Equity<br>shares | Amount<br>(₹ in Crore) |

## Nature and Purpose of the reserves

### Securities premium:

Share Premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of Section 52 of Companies Act, 2013.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## General reserve:

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid up share capital of the Company for that year, then the total dividend distribution is less than total distributable reserve for that year.

Consequent to introduction of the Companies Act 2013, the requirement to mandatorily transfer a specified percentage of net profit to general reserve has been withdrawn. However the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.

## Retained earnings:

Retained earnings are the profits that a company has earned to date, less any dividends or other distributions paid to the Shareholders, net of utilisation as permitted under applicable regulations.

## Foreign Currency Translation Reserve:

Exchange differences arising on translation of the foreign operations are recognised in other comprehensive income as described in accounting policy and accumulated in a separate reserve within equity. The cumulative amount is reclassified to profit or loss when the net investment is disposed-off.

## Share Option Outstanding Account:

The grant date fair value of equity-settled share-based payment transactions with employees and directors are recognised in the Statement of Profit and Loss with the corresponding credit to this account over the vesting period.

## Share application pending allotment:

Until the shares are allotted, the amount received is shown under the Share Application Money Pending Allotment.

## A. Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis are given below:

| (₹ in crore) |                                   |                                       |
|--------------|-----------------------------------|---------------------------------------|
| No.          | Particulars                       | As at<br>31 <sup>st</sup> March, 2025 |
| 1.           | Defined Benefit Obligation (Base) | 43.42                                 |
|              |                                   | 36.27                                 |

| (₹ in crore) |                                                |                                    |          |                                    |          |
|--------------|------------------------------------------------|------------------------------------|----------|------------------------------------|----------|
| No.          | Particulars                                    | As at 31 <sup>st</sup> March, 2025 |          | As at 31 <sup>st</sup> March, 2024 |          |
|              |                                                | Decrease                           | Increase | Decrease                           | Increase |
| 1.           | Discount Rate (- / + 0.50 %)                   | 45.31                              | 41.65    | 37.81                              | 34.82    |
|              | (% change compared to base due to sensitivity) | 4.4%                               | (4.1)%   | 4.3%                               | (4.0)%   |
| 2.           | Compensation Escalation Rate (- / + 0.50 %)    | 41.65                              | 45.28    | 34.81                              | 37.80    |
|              | (% change compared to base due to sensitivity) | (4.1)%                             | 4.3%     | (4.0)%                             | 4.2%     |
| 3.           | Attrition Rate (- / + 50% of attrition rates)  | 47.97                              | 40.25    | 39.72                              | 33.86    |
|              | (% change compared to base due to sensitivity) | 10.5%                              | (7.3)%   | 9.5%                               | (6.6)%   |
| 4.           | Mortality Rate (- / + 10%)                     | 43.38                              | 43.45    | 36.23                              | 36.29    |
|              | (% change compared to base due to sensitivity) | (0.1)%                             | 0.1%     | (0.1)%                             | 0.1%     |

There is no change in the method of valuation for the prior period. For change in assumptions refer assumptions table above.

## B. Effect of Plan on Group's Future Cash Flows

### i) Funding arrangements and Funding Policy

The scheme is managed on funded basis.

### ii) Expected Contribution during the next annual reporting period

| (₹ in Crore)                                                   |                                                    |                                                    |
|----------------------------------------------------------------|----------------------------------------------------|----------------------------------------------------|
| Particulars                                                    | For the year ended<br>31 <sup>st</sup> March, 2025 | For the year ended<br>31 <sup>st</sup> March, 2024 |
| The Group's best estimate of Contribution during the next year | 6.82                                               | 4.48                                               |

### ii) Maturity Profile of Defined Benefit Obligation

| Particulars               | 31 <sup>st</sup> March, 2025 | 31 <sup>st</sup> March, 2024 |
|---------------------------|------------------------------|------------------------------|
| Weighted average duration | 8 years                      | 8 years                      |

### Expected cash flows over the next (valued on undiscounted basis)

| (₹ in Crore)       |                                                    |                                                    |
|--------------------|----------------------------------------------------|----------------------------------------------------|
| Particulars        | For the year ended<br>31 <sup>st</sup> March, 2025 | For the year ended<br>31 <sup>st</sup> March, 2024 |
| 1 year             | 2.36                                               | 2.69                                               |
| 2 to 5 years       | 16.72                                              | 15.16                                              |
| 6 to 10 years      | 18.88                                              | 14.81                                              |
| More than 10 years | 46.17                                              | 40.73                                              |

The estimate of future salary increases, considered in the actuarial valuation, takes into account inflation, seniority, promotion, and other relevant factors. The above information is certified by the actuary based on assumptions provided by the Group.

## NOTE: 29 SEGMENT INFORMATION

The CEO of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108 - "Operating Segments". The CODM evaluates the Group's performance and allocates resources. The Group's operations predominantly relate to providing asset management services and portfolio management services. In the opinion of the CODM and Management, the risks and rewards attached to the business are similar in nature. Hence the separate Segment under Ind AS 108 on "Operating Segments" is not required to be reported as the Group's business is restricted to single Operating Segment i.e. Asset Management Services.

There is only one customer contributing in excess of 10% of the total revenue of the Company.

## NOTE: 31 CAPITAL MANAGEMENT

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31<sup>st</sup> March, 2025.

## NOTE: 32 FAIR VALUES OF FINANCIAL INSTRUMENTS

\* The management assessed that cash and cash equivalents, trade receivables, other financial assets, trade payables, lease liabilities and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Accordingly, fair value hierarchy for these financial instruments have not been presented above.

Valuation techniques used to determine fair value:

- **Mutual Funds:** Net Asset Value (NAV) declared by the mutual fund at which units are issued or redeemed
- **Alternative Investment Funds:** Net Asset Value (NAV) provided by issuer fund which is arrived at based on valuation from independent valuer for unlisted portfolio companies, quoted price of listed portfolio companies and price of recent investments
- **Debt Securities:**
  - Fair value of debt securities which are actively traded bonds, is derived on the basis of quoted price available on the National Stock Exchange
  - Fair value of Non Convertible Debentures, is derived on the basis of Fair Valuation report obtained from an Independent Registered Valuer.
- **Equity Instruments:** On the basis of Networth of the Company

In order to assess Level 3 valuations as per Group's investment policy, the management reviews the performance of the investee companies (including unlisted portfolio companies of venture capital funds and alternative investment funds) on a regular basis by tracking their latest available financial statements/financial information, valuation report of independent valuers, recent transaction results etc. which are considered in valuation process.

## Fair value reconciliation for Level 3 instruments:

The following table shows reconciliation from opening to closing balances for Level 3 assets:

|                                                  |              |

## NOTE: 33 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's principal financial liabilities comprise trade and other payables. The Group's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Group also holds investments in mutual fund units, debt and equity instruments.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is set by Risk Management Committee and the auditors have relied on the same. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

### A. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows related to financial instrument that may result from adverse changes in market rates and prices (such as foreign exchange rates, interest rates, other prices). The Company is exposed to market risk primarily related to interest rate risk and price risk.

#### (i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The sensitivity of the portfolio towards the interest rate is mentioned in the table below

##### Sensitivity

The following table demonstrates the sensitivity to:

- Interest Rate Risk is basis impact on debt portfolios for 1% change in interest rates.
- Hybrid funds considered at 100% as a conservative basis for assessing interest rate impact on portfolio. (which form approximately 1% of the entire portfolio of schemes)

##### Impact on profit and loss:

| Risk                                                          | (₹ in crore)                          |                                       |
|---------------------------------------------------------------|---------------------------------------|---------------------------------------|
|                                                               | As at<br>31 <sup>st</sup> March, 2025 | As at<br>31 <sup>st</sup> March, 2024 |
| Interest Rate Risk – (Impact of 1% increase in interest rate) | 2.56%                                 | 2.39%                                 |
| Effect on Profit and Loss                                     | (75.59)                               | (54.14)                               |
| Interest Rate Risk – (Impact of 1% decrease in interest rate) | 2.56%                                 | 2.39%                                 |
| Effect on Profit and Loss                                     | 75.59                                 | 54.14                                 |

#### (ii) Foreign Currency Risk

The Group has insignificant amount of foreign currency denominated assets and liabilities. Accordingly, there is no significant exposure to currency risk.

#### (iii) Price Risk

Price risk is the risk that the value of the financial instrument will fluctuate as a result of changes in market prices and related market variables including interest rate for investments in debt oriented mutual funds and debt securities, caused by factors specific to an individual investment, its issuer and market.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

The Group's exposure to price risk arises from investments in Units of mutual funds, alternative investment funds, etc which are classified as financial asset at Fair Value through Profit and Loss and is as follows:

| Particulars                       | (₹ in crore)                                       |                                                    |
|-----------------------------------|----------------------------------------------------|----------------------------------------------------|
|                                   | For the year ended<br>31 <sup>st</sup> March, 2025 | For the year ended<br>31 <sup>st</sup> March, 2024 |
| Investment exposure to price risk | 2,977.00                                           | 2,942.65                                           |

The table below sets out the effect on profit or loss and equity due to reasonable possible weakening/strengthening in prices/market value by 5%:

| Particulars               | (₹ in crore)                                       |                                                    |
|---------------------------|----------------------------------------------------|----------------------------------------------------|
|                           | For the year ended<br>31 <sup>st</sup> March, 2025 | For the year ended<br>31 <sup>st</sup> March, 2024 |
| Effect on Profit and Loss |                                                    |                                                    |
| 5% increase in prices     | 148.85                                             | 147.13                                             |
| 5% decrease in prices     | (148.85)                                           | (147.13)                                           |

## B. Credit Risk

Credit Risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group's has clearly defined policies to mitigate counterparty risks. Cash and liquid investments are held primarily in mutual funds and banks with good credit ratings. Defined limits are in place for exposure to individual counterparties in case of mutual fund houses and banks.

Customer credit risk is managed by each business unit subject to the Group's established policy, procedures and control relating to customer credit risk management. Group has major receivable from mutual fund schemes.

### Trade Receivables ageing:

| Trade Receivables            | Neither past<br>due nor<br>impaired | Past dues but not impaired |               |               |                |            | Total |
|------------------------------|-------------------------------------|----------------------------|---------------|---------------|----------------|------------|-------|
|                              |                                     | <30days                    | 30 to 60 days | 61 to 90 days | 91 to 120 days | > 120 days |       |
| 31 <sup>st</sup> March, 2025 | 57.87                               | 53.01                      | 1.48          | 0.54          | 0.76           | 2.08       | 57.87 |
| 31 <sup>st</sup> March, 2024 | 40.73                               | 39.89                      | -             | -             | -              | 0.84       | 40.73 |

The carrying amounts of following financial assets represent the maximum credit risk exposure:

| Particulars                                       | (₹ in crore)                          |                                       |
|---------------------------------------------------|---------------------------------------|---------------------------------------|
|                                                   | As at<br>31 <sup>st</sup> March, 2025 | As at<br>31 <sup>st</sup> March, 2024 |
| Trade Receivables                                 | 57.87                                 | 40.73                                 |
| Cash and cash equivalents                         | 43.68                                 | 39.10                                 |
| Bank balances other than those mentioned above    | 59.73                                 | 45.72                                 |
| Other financial assets measured at amortised cost | 161.62                                | 156.88                                |

### Expected Credit Loss on Financial Assets

The Group continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL or life time ECL, the Group assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has determined based on historical experience and expectations that the ECL on its trade receivables is insignificant and was not recorded.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

The Group applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- Historical trend of collection from counterparty
- Group's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e., the difference between the cash flows due to the Group in accordance with contract and the cash flows that the Company expects to receive).

The Group has following types of financial assets that are subject to the expected credit loss:

- Cash and cash equivalent
- Trade and other receivables
- Investment in debt securities measured at amortised cost

## Trade and Other Receivables:-

Exposures to customers' outstanding at the end of each reporting period are reviewed by the Group to determine incurred and expected credit losses. Historical trends of collection from counterparties on timely basis reflects low level of credit risk. As the Group has a contractual right to such receivables as well as the control over such funds due from customers, the Group does not estimate any credit risk in relation to such receivables.

## Cash and Cash Equivalents:-

The Group holds cash and cash equivalents and other bank balances as per note 3 and 4. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be high.

## Investment in Debt Securities measured at amortised cost:-

Funds are invested after taking into account parameters like safety, liquidity and post-tax returns etc. The Group avoids concentration of credit risk by spreading them over several counterparties with good credit rating profile and sound financial position. The Group's exposure and credit ratings of its counterparties are monitored on an ongoing basis.

## C. Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations or at a reasonable price. The Group's Finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

## Maturity profile of Financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

| (₹ in crore)                       |                  |                 |               |
|------------------------------------|------------------|-----------------|---------------|
| As at 31 <sup>st</sup> March, 2025 | Within 12 Months | After 12 Months | Total         |

The table below provides details regarding the contractual maturities of lease liabilities on an undiscounted basis:

| Particulars          | (₹ in crore)                                       |                                                    |
|----------------------|----------------------------------------------------|----------------------------------------------------|
|                      | For the year ended<br>31 <sup>st</sup> March, 2025 | For the year ended<br>31 <sup>st</sup> March, 2024 |
| Less than one year   | 21.25                                              | 20.05                                              |
| One to Five years    | 53.62                                              | 65.02                                              |
| More than Five years | 4.26                                               | 7.58                                               |
| <b>Total</b>         | <b>79.13</b>                                       | <b>92.65</b>                                       |

The Group does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

All the future cash flows to which the lease is potentially exposed are reflected in the measurement of lease liabilities.

for the year ended 31<sup>st</sup> March 2025

## NOTE: 36 EMPLOYEE STOCK OPTIONS SCHEME

At the Board Meeting held on 14<sup>th</sup> April, 2021 the Company approved the grant of not more than 46,08,000 Equity Shares by way of grant of Stock Options and restricted Stock Units ("RSUs"). Out of these, the Nomination, Remuneration and Compensation Committee has granted 32,32,899 ESOPs, 5,08,117 PRSU, 1,96,374 Long Term RSU & 2,46,863 RSU Founder under the Scheme titled "Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021" in 4 categories of Long Term Incentive Plans ("LTIP") identified as LTIP 1, LTIP 2, LTIP 3 & LTIP 4 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs                                                               | LTIP 1                                                                                                                                                           | LTIP 2                                                                                      | LTIP 3                                 | LTIP 4                                 |

## Movements during the year ended 31<sup>st</sup> March, 2024

The following table illustrates the number and weighted average exercise prices (WAEF) of, and movements in, share options during the period:

| Category of ESOPs                                                                                      | LTIP 1     | LTIP 2     | LTIP 3     | LTIP 4   |
|--------------------------------------------------------------------------------------------------------|------------|------------|------------|----------|
| Type of ESOP                                                                                           | ESOP       | RSU        | RSU        | RSU      |
| Options/RSUs Outstanding at the beginning of the period                                                | 27,02,516  | 4,24,756   | 1,74,337   | 1,73,151 |
| Granted during the period                                                                              | Nil        | Nil        | Nil        | Nil      |
| Exercised during the period                                                                            | Nil        | Nil        | Nil        | 91,213   |
| Forfeited during the period                                                                            | 96,425     | 13,915     | 5,173      | 7,691    |
| Options/RSUs Outstanding at the end of the period                                                      | 26,06,091  | 4,10,841   | 1,69,164   | 74,247   |
| Options/RSUs Vested/Exercisable at the end of the period                                               | 10,42,436  | Nil        | Nil        | 74,247   |
| The weighted average remaining contractual life for the share options outstanding as at 31 March, 2024 | 0.53 years | 0.53 years | 0.03 years | Nil      |

Since all the options were granted/lapsed, at the same exercise price per option under the respective category of ESOPs, the weighted average exercise price per option for all these line items under the respective category of ESOPs is the same.

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                             | LTIP 1           | LTIP 2           | LTIP 3    | LTIP 4    |
|-------------------------------------------------------------------------------|------------------|------------------|-----------|-----------|
| Type of ESOP                                                                  | ESOP             | RSU              | RSU       | RSU       |
| Risk-Free Interest Rate (%)                                                   | 5.4 to 6.4%      | 6.3 to 6.4%      | 6.3%      | 5.7%      |
| Option Life (Years)                                                           | 3.5 to 6.5 years | 5.5 to 6.5 years | 5.5 years | 4.5 years |
| Historical Volatility                                                         | 32.0% to 34.0%   | 32.0% to 34.0%   | 32.4%     | 32.7%     |
| Expected Dividend Yield (%)                                                   | 1.4%             | 1.4%             | 1.4%      | 1.4%      |

| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2024 | 1.68 Years | 2.05 Years |

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                 | LTIP 1            | LTIP 2           |
|-------------------------------------------------------------------|-------------------|------------------|
| Type of ESOP                                                      | ESOP              | RSU              |
| Risk-Free Interest Rate (%)                                       | 7.4 to 7.5%       | 7.6%             |
| Option Life (Years)                                               | 3.5 to 4.5 years  | 5.5 to 6.5 years |
| Historical Volatility                                             | 29.1% to 31.8%    | 29.1% to 31.8%   |
| Expected Dividend Yield (%)                                       | 2.0%              | 2.0%             |
| Weighted-Average Fair Value per Option as on October 20, 2022 (₹) | 125.70 to 161.500 | 385.40 to 377.80 |

Apart from stock options granted as above, the Nomination, Remuneration and Compensation Committee has granted 72,862 ESOPs, 11,451 RSU & 30,075 ESOPs under the Scheme titled "Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021" in 2 categories of Long Term Incentive Plans ("LTIP") identified as LTIP 1, LTIP 2 & LTIP 3 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs                                                               | LTIP 1                                                                                                                                                            | LTIP 2                                                                                                                                                                       | LTIP 3                                                                                                                                                                                                                                                                                                                                                                                                                                             |

| Forfeited during the period                                                                                          | Nil        | Nil        | Nil        |
| Options/RSUs Outstanding at the end of the period                                                                    | 72,862     | 11,451     | 30,075     |
| Options/RSUs Vested/Exercisable at the end of the period                                                             | Nil        | Nil        | Nil        |
| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2024 | 2.27 years | 3.07 years | 3.24 years |

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                               | LTIP 1           | LTIP 2           | LTIP 3    |
|---------------------------------------------------------------------------------|------------------|------------------|-----------|
| Type of ESOP                                                                    | ESOP             | RSU              | ESOP      |
| Risk-Free Interest Rate (%)                                                     | 7.5%             | 7.5%             | 7.5%      |
| Option Life (Years)                                                             | 3.5 to 6.5 years | 3.5 to 6.5 years | 6.2 years |
| Historical Volatility                                                           | 25.5% to 29.5%   | 25.5% to 29.5%   | 28.3%     |
| Expected Dividend Yield (%)                                                     | 2.3%             | 2.3%             | 2.3%      |
| Weighted-Average Fair Value per Option as on 26 <sup>th</sup> October, 2023 (₹) | 108.90 to 154.40 | 376.20 to 385.00 | 151.90    |

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

Apart from stock options granted as above, the Nomination, Remuneration and Compensation Committee has granted 44,737 ESOPs & 7,031 RSU under the Scheme titled “Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021 ” in 2 categories of Long Term Incentive Plans (“LTIP”) identified as LTIP 1 & LTIP 2 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs                                                               | LTIP 1                                                                                                                                                            | LTIP 2                                                                         |

## Movements during the year ended 31<sup>st</sup> March, 2025

The following table illustrates the number and weighted average exercise prices (WAEP) of, and movements in, share options during the period:

| Category of ESOPs                                                                                                    | LTIP 1     | LTIP 2     |
|----------------------------------------------------------------------------------------------------------------------|------------|------------|
| Type of ESOP                                                                                                         | ESOP       | RSU        |
| Options/RSUs Outstanding at the beginning of the period                                                              | Nil        | Nil        |
| Granted during the period                                                                                            | 44,737     | 7,031      |
| Exercised during the period                                                                                          | Nil        | Nil        |
| Forfeited during the period                                                                                          | Nil        | Nil        |
| Options/RSUs Outstanding at the end of the period                                                                    | 44,737     | 7,031      |
| Options/RSUs Vested/Exercisable at the end of the period                                                             | Nil        | Nil        |
| The weighted average remaining contractual life for the share options outstanding as at 31 <sup>st</sup> March, 2025 | 1.93 Years | 2.73 Years |

## Fair Valuation

The fair value at grant date is independently determined by valuer using Black-Scholes Merton Model which takes into account the exercise price, the term of the option, the share price at grant date and historical volatility of the Peer companies and Index, the expected dividend yield and the risk-free interest rate for the term of the option.

The key inputs and the Fair Value for options granted during the year ended 31<sup>st</sup> March, 2025 are as follow:

| Category of ESOPs                                                            | LTIP 1           | LTIP 2           |
|------------------------------------------------------------------------------|------------------|------------------|
| Type of ESOP                                                                 | ESOP             | RSU              |
| Risk-Free Interest Rate (%)                                                  | 7.1%             | 7.1%             |
| Option Life (Years)                                                          | 3.5 to 6.5 years | 3.5 to 6.5 years |
| Historical Volatility                                                        | 24.7% to 29.4%   | 24.7% to 29.4%   |
| Expected Dividend Yield (%)                                                  | 3.2%             | 3.2%             |
| Weighted-Average Fair Value per Option as on 24 <sup>th</sup> June, 2024 (₹) | 143.0 to 203.5   | 532.3 to 549.4   |

## Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

Apart from stock options granted as above, the Nomination, Remuneration and Compensation Committee has granted 13,158 ESOPs & 2,068 RSU under the Scheme titled “Aditya Birla Sun Life AMC Limited Employee Stock Option Scheme 2021 ” in 2 categories of Long Term Incentive Plans (“LTIP”) identified as LTIP 1 & LTIP 2 respectively. The Scheme allows the Grant of Stock options to employees of the Company (whether in India or abroad) that meet the eligibility criteria. Each option comprises one underlying Equity Share. There are no cash settlement alternatives. The Group accounts for the employees stock option scheme as an equity-settled plan.

| Category of ESOPs                                                               | LTIP 1                                                                                                                                                            | LTIP 2                                                                         |

# Independent Auditor's Report

To The Members of  
**Aditya Birla Sun Life Trustee Private Limited**

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying financial statements of Aditya Birla Sun Life Trustee Private Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2025 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SA's"). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Information Other than the Financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report (the "Report"), but does not include the financial statements, and our auditor's report thereon. The Report is expected to be made available to us after the date of auditor's report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from

## Independent Auditor's Report (Contd.)

material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
  - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e. On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. Reporting on the adequacy of the Internal Control Over Financial Reporting of the Company and the operating effectiveness of such controls, under section 143(3)(i) of the Act is not applicable in view of the exemption available to the Company in terms of the notification no. G.S.R. 583(E) dated 13<sup>th</sup> June 2017 issued by the Ministry of Corporate

Affairs, Government of India, read with general circular No. 08/2017 dated 25<sup>th</sup> July 2017.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company being a Private Company, section 197 of the Act related to the managerial remuneration is not applicable.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position as at 31<sup>st</sup> March 2025;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31<sup>st</sup> March 2025 and
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of it's knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (b) The Management has represented, that, to the best of it's knowledge and belief, as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any

person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
  - v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
  - vi. Based on our examination, which includes test checks, the Company has used accounting software system for maintaining its books of accounts for the financial year ended 31<sup>st</sup> March 2025 which has the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems.
- Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) As the Company does not hold any property, plant and equipment, intangible assets, reporting under clause 3(i) of the Order is not applicable.
  - (ii) (a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
  - (ii) (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable.
  - (iii) The Company has not made any investments in, provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, and hence reporting under clause 3(iii) of the Order is not applicable.
  - (iv) According to information and explanation given to us, the Company has not granted any loans, made investments or provided guarantees or securities that are covered under the provisions of sections 185 or 186 of the Companies Act, 2013, and hence reporting under clause 3(iv) of the Order is not applicable.
  - (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
  - (vi) Having regard to the nature of the Company's business / activities, reporting under clause 3(vi) of the Order is not applicable.
  - (vii) In respect of statutory dues:
    - (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Income-tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities. We have been informed that the provisions of the Employees' State Insurance Act, 1948, Sales Tax, duty of Custom, duty of Excise, Value Added Tax are not applicable to the Company.
- There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at 31<sup>st</sup> March 2025 for a period of more than six months from the date they became payable.
- (b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on 31<sup>st</sup> March 2025.
  - (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
  - (ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable to the Company.
  - (ix) (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - (ix) (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
  - (ix) (d) In our opinion, Company has not availed any short-term fund hence reporting under clause 3(ix)(d) of the Order is not applicable.
  - (ix) (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) of the Order is not applicable.
  - (ix) (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
  - (x) (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
  - (x) (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (xi) (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (xi) (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and upto the date of this report.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 188 of the Companies Act for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards. The Company is a Private Company and hence the provisions of section 177 of the Companies Act, 2013 are not applicable to the Company.
- (xiv) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act, 2013.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its holding company or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (xvi) (b) In our opinion, The Group have more than one CIC as part of the group. There are three CIC forming part of the group, out of which two are under process of registration as CIC.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.
- (xxi) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(xxi) of the Order is not applicable.

# Notes to financial statements

for the year ended 31<sup>st</sup> March 2025

(Amount in Thousands)

## NOTE: 01 | CORPORATE INFORMATION

Aditya Birla Sun Life Trustee Private Limited ('the Company') is a private limited company, incorporated in India on 23<sup>rd</sup> September 1994 under the provisions of the Companies Act, 1956. The principal object of the Company is to act as trustee for Aditya Birla Sun Life Mutual Fund ('the Fund') under a trust deed dated 16<sup>th</sup> December 1994, and for that purpose to set up, promote, settle and execute trusts and devise various schemes for raising funds in any manner from persons, body corporates, trust, society, association of persons in India and abroad and to deploy funds raised and earn reasonable returns on their investments and to acquire, hold, manage, dispose of all or any property or assets or securities. The company also acts as trustee for India Equity Opportunities Fund (a Category III Alternative Investment Fund), India Equity Services Fund (a Category III Alternative Investment Fund) and ABSL India Special Opportunities Fund (a Category III Alternative Investment Fund).

## NOTE: 02 | BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended.

### 2.1 Summary of Material Accounting Policies

#### a) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

#### b) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Investment has been recognised at fair value as per Ind AS 109.

#### c) Revenue recognition

Trusteeship fee earned by the Company for discharging its obligations as trustee to the Fund is recognised on an accrual basis, in accordance with the terms of the Deed of Trust.

Purchase and sale of investments are recorded on the trade date. The profit/ loss on sale of investments are recognised in the statement of profit and loss on trade date, using weighted average cost method.

#### d) Income taxes

Tax expense comprises current tax and deferred taxes. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets is reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

# Notes to financial statements

for the year ended 31<sup>st</sup> March 2025

(Amount in Thousands)

Minimum Alternative Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal Income Tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the Guidance Note issued by the ICAI, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period. In the year of utilisation of MAT credit, not recognised earlier, the same is credited to statement of Profit & Loss for the year.

## e Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## f Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

## g Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

## h Current versus Non-current classification

The company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

## i Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(Amount in Thousands)

## Financial Assets

### Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial asset at amortised cost
- Financial asset at fair value through other comprehensive income (FVTOCI)
- Financial asset at fair value through profit or loss (FVTPL)

### Financial asset at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

### Financial asset at FVTOCI

A financial asset is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

### Financial asset at FVTPL

FVTPL is a residual category. Any financial asset which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

The Company does not have any financial assets at amortised cost or FVTOCI. It has mutual fund units classified as financial assets at FVTPL.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

## Financial Liabilities

### Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

# Notes to financial statements

for the year ended 31<sup>st</sup> March 2025

(Amount in Thousands)

The Company's financial liabilities include trade and other payables.

## *Subsequent measurement*

The measurement of financial liabilities depends on their classification, as described below:

### **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

## **j Employee Benefits**

- a) **Provident Fund:** Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund. All eligible employees are covered under statutory provident fund and contributions are accounted on an accrual basis.

- b) **Gratuity:** The Company operates a defined benefit gratuity plan in India, which is unfunded. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.
- c) **Leave Encashment:** Provision for leave encashment is made on the basis of actuarial valuation of the expected liability.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods. All the employee benefit expenses are Recovered/Recoverable from Schemes of Aditya Birla Sun Life Mutual Fund.

## **k Statement of Cash Flows**

The Statement of Cash Flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The Statement of Cash Flows from operating, investing and financing activities of the Company are segregated.

## **l Earnings per share**

Basic earnings per share is calculated by dividing the net profit/ loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is calculated by dividing net profit/ loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period, adjusted for the effects of all dilutive equity shares.

## A. Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis are given below:

| Particulars                       | As at<br>31 <sup>st</sup> March 2025 | As at<br>31 <sup>st</sup> March 2024 |
|-----------------------------------|--------------------------------------|--------------------------------------|
| Defined Benefit Obligation (Base) | 181.94                               | -                                    |

| Particulars                                    | As at 31 <sup>st</sup> March 2025 |          | As at 31 <sup>st</sup> March 2024 |          |
|------------------------------------------------|-----------------------------------|----------|-----------------------------------|----------|
|                                                | Decrease                          | Increase | Decrease                          | Increase |
| Discount Rate (- / + 0.50 %)                   | 187.91                            | 176.21   | -                                 | -        |
| (% change compared to base due to sensitivity) | 3.30%                             | -3.20%   | -                                 | -        |
| Salary Growth Rate (- / + 0.50 %)              | 176.26                            | 187.80   | -                                 | -        |
| (% change compared to base due to sensitivity) | -3.10%                            | 3.20%    | -                                 | -        |
| Attrition Rate (- / + 50%)                     | 188.83                            | 175.37   | -                                 | -        |
| (% change compared to base due to sensitivity) | 3.80%                             | -3.60%   | -                                 | -        |
| Mortality Rate (- / + 10%)                     | 181.30                            | 182.58   | -                                 | -        |
| (% change compared to base due to sensitivity) | -0.40%                            | 0.30%    | -                                 | -        |

Asset Liability Matching Strategies: The scheme is managed on unfunded basis.

## B. Effect of Plan on Company's Future Cash Flows

### i) Maturity Profile of Defined Benefit Obligation

|                                                            |         |
|------------------------------------------------------------|---------|
| Weighted average duration (based on discounted cash flows) | 6 years |
|------------------------------------------------------------|---------|

### ii) Expected cash flows over the next (valued on undiscounted basis)

|                    |        |
|--------------------|--------|
| 1 year             | 1.88   |
| 2 to 5 years       | 47.33  |
| 6 to 10 years      | 232.80 |
| More than 10 years | -      |

The estimate of future salary increase, considered in the actuarial valuation, takes into account inflation, seniority, promotion, and other relevant factors. The above information is certified by the actuary based on assumptions provided by the Company.

Note: During previous year, only employee of the Company then, had exited from the company w.e.f. 8<sup>th</sup> April 2024. Due to the same, the Company had not carried out actuarial valuation of employee benefit obligation for the purpose of financial statements as at and for the year ended 31<sup>st</sup> March 2024. All the liabilities including in connection with long term employee benefits were recognized based on actual full and final settlement of the employee. Accordingly, there are no comparative figures presented as at 31<sup>st</sup> March 2024 and for the year ended on that date, in the above note.

(Amount in Thousands)

## NOTE: 20 | SEGMENTAL REPORTING

Since the Company operates in single business and geographical segment (i.e. rendering of trusteeship services), no further disclosure is required to be given as per the notified Indian Accounting Standard - 108 'Operating Segments'.

## NOTE: 21

With regard to the new amendments under "Division III of Schedule III" under "Part II – Statement of Profit and Loss - General Instructions for preparation of Statement of Profit and Loss" there are no transactions that are required to be disclosed with regard to the following clauses 11(v) and 11(vii) for the Company.

## NOTE: 22 | FAIR VALUE HIERARCHY

The Company measures fair values using the following fair value hierarchy, which reflects the significance of the inputs used in making the measurements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Inputs that are quoted market prices (unadjusted) in active markets for identical instruments or NAV declared by Mutual Fund.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs that are not observable and the unobservable inputs have a significant effect on the instrument's valuation.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

| Financial liabilities           | -                | -        | -        | -                |
| <b>Total</b>                    | <b>17,750.80</b> | <b>-</b> | <b>-</b> | <b>17,750.80</b> |

The carrying amount of trade receivables, trade payables, other financial liabilities, loans, other financial assets, cash and cash equivalents as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024 are considered to be the same as fair values, due to their short-term nature. These are classified as Level 3 fair value hierarchy due to inclusion of unobservable inputs including counter party credit risk.

## NOTE: 24

### Capital Risk Management

For the purpose of the Company's capital management, capital includes issued equity capital and other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024

## NOTE: 25

The Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and same has operated throughout the year for all relevant transactions recorded in the accounting software. Further no instance of audit trail feature being tampered with was noted in respect of the software and audit trail has been preserved by the company as per the statutory requirements for the record retention.

## NOTE: 26

### Events after the reporting period

There are no events after the reporting period that materially affect the financial position, financial performance, changes in equity or cash flows for the year ended 31<sup>st</sup> March 2025.

# Independent Auditor's Report

To  
The Members of  
**Aditya Birla Housing Finance Limited**  
Report on the audit of the Financial Statements

## OPINION

1. We have audited the accompanying Financial Statements of Aditya Birla Housing Finance Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit And Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year ended on that date, and notes to the Financial Statements, including a summary of material accounting policy information and other explanatory information ('the Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the State of Affairs of the Company as at March 31, 2025, and its Profit and Other Comprehensive Income, Changes in Equity and its Cash Flows for the year ended on that date.

## BASIS FOR OPINION

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

## KEY AUDIT MATTERS

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current year. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. | Key Audit Matter                                                                                                                                                   | How the Key Audit Matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1   | <b>Provisioning based on Expected Credit Loss model (ECL) under IND AS 109 and testing of Impairment of assets, more particularly the Loan Book of the Company</b> | <p>Refer to the accounting policies in 'Note 3.21 to the Ind AS Financial Statements: Expected Credit Loss', 'Note 3.1 to the Ind AS Financial Statements: Revenue Recognition' and 'Note 4.1 to the Ind AS Financial Statements: Impairment of Financial Assets and 'Note 47 to the Ind AS Financial Statements: Risk Management'.</p> <p><b>Subjective estimates:</b><br/>Under Ind AS 109, "Financial Instruments", allowance for loan losses are determined using expected credit loss ('ECL') estimation model. The estimation of ECL on financial instruments involves significant judgement and estimates and therefore increased levels of audit focus in the Company's estimation of ECLs, which are as under:</p> <ul style="list-style-type: none"> <li>• Data inputs - The application of ECL model requires several data inputs. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model.</li> <li>• Model estimations - Inherently judgmental models are used to estimate ECL which involves determining Probabilities of Default ("PD"), Loss Given Default ("LGD"), and Exposures at Default ("EAD"). The PD and the LGD are the key drivers of estimation complexity in the ECL and as a result are considered the most significant judgmental aspect of the Company's modelling approach.</li> </ul> <p><b>Our key audit procedures included:</b></p> <ul style="list-style-type: none"> <li>• Review of Policy/procedures &amp; design/controls</li> <li>• Minutely going through the Board approved Policy and approach note concerning the assessment of credit and other risks and ascertainment/ageing of 'default' by the borrowers and procedures in relation to stages and ECL computation.</li> <li>• Testing key controls relating to selection and implementation of material macro-economic variables and the controls over the scenario selection and application of probability weights.</li> <li>• Assessing the design, implementation and operating effectiveness of key internal financial controls including monitoring process of overdue loans (including those which became overdue after the reporting date), measurement of provision, stage-wise classification of loans, identification of NPA accounts, assessing the reliability of management information.</li> </ul> |

| Sr. | Key Audit Matter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | How the Key Audit Matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

|     | <ul style="list-style-type: none"> <li>Economic scenarios - Ind AS 109 requires the Company to measure ECLs on an unbiased forward-looking basis reflecting a range of future economic indicators. Significant management judgement is applied in determining the economic scenarios used and the probability weights applied to them.</li> </ul> <p>The effect of these matters is that, as part of our risk assessment, we determined that the impairment of loans and advances to customers, involving estimations and judgements, with a potential range of reasonable outcomes greater than our materiality for the Ind AS Financial Statements as a whole.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | <ul style="list-style-type: none"> <li>Understanding management's approach, interpretation, systems and controls implemented in relation to probability of default and stagewise bifurcation of product-wise portfolios for timely ascertainment of stress and early warning signals.</li> <li>Testing and review of controls over measurement of provisions and disclosures in the Ind AS Financial Statements.</li> <li>Involvement of Information system resource to obtain comfort over data integrity and process of report generation through interface of various systems. Walk through the processes which involve manual work to ascertain existence of maker-checker controls</li> <li>Understanding of models and general economic indicator criteria used for regression testing over data of the loan book.</li> </ul> <p><b>Substantive verification</b></p> <ul style="list-style-type: none"> <li>Sample testing over key inputs, data and assumptions impacting ECL calculations to assess the completeness, accuracy and relevance of data and reasonableness of economic forecasts, weights, and model assumptions applied.</li> <li>Model calculations testing through selective re-performance, wherever possible.</li> <li>Assessing disclosures - Assessed whether the disclosures on key judgements, assumptions and quantitative data with respect to impairment of loans (including restructuring related disclosures) in the Ind AS Financial Statements are appropriate and sufficient as also aligned to regulatory requirements.</li> </ul> |
| 2   | <p><b>Information Technology</b></p> <p><b>IT systems and controls</b></p> <p>The Company's financial reporting processes are dependent on technology considering significant number of transactions that are processed daily across multiple and discrete Information Technology ('IT') systems. The Financial accounting system of the Company is interfaced with several other IT systems including Loan Management &amp; Originating systems and several other systemic workflows.</p> <p>IT general and application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner. Adequate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to the applications and data. These includes implementation of preventive and detective controls across critical applications and infrastructure.</p> <p>Due to the pervasive nature of role of information technology systems in financial reporting, in our preliminary risk assessment, we planned our audit by assessing the risk of a material misstatement arising from the technology as significant for the audit, hence the Key Audit Matter.</p> | <p>In course of audit, we, inter alia, reviewed user access management, change management, segregation of duties, system reconciliation controls and key financial accounting and reporting systems. We performed a range of audit procedures, which included:</p> <ul style="list-style-type: none"> <li>Review of the report of IS Audit carried in earlier year(s) by an independent firm of Chartered Accountants pertaining to IT systems general controls including access rights over applications, operating systems and databases relied upon for financial reporting.</li> <li>Deployed our internal experts to carry out IT general Controls testing and identifying gaps, if any.</li> <li>Our other processes include: <ul style="list-style-type: none"> <li>selectively recomputing interest calculations and maturity dates;</li> <li>Selectively re-evaluating masters updation, interface with resultant reports like LTV Report, SUD Report, Portfolio movement Report;</li> <li>Selective testing of the interface of SAP FA module with other IT systems like Loan Management System and other workflows.</li> <li>Testing of the system generated reports and accounting entries manually for core financial reporting matters (i.e. verification around the computer system)</li> <li>Evaluating the design, implementation and operating effectiveness of the significant accounts-related IT automated controls which are relevant to the accuracy of system calculation, and the consistency of data transmission.</li> </ul> </li> </ul>       |

## OTHER INFORMATION

- The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the Financial Statements and our auditors' report thereon. The Other Information is expected to be made available to us after the date of this audit report.
- Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

8. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

## RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

9. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Financial Statements that give a true and fair view of the State of Affairs, profit and Other Comprehensive Income, Changes in Equity and Cash Flows of the Company in conformity with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection of the appropriate accounting software for ensuring compliance with applicable laws and regulations including those related to retention of audit logs; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

12. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement

when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - 13.1. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - 13.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
  - 13.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
  - 13.4. Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - 13.5. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## OTHER MATTER

17. The numbers and details pertaining to previous year ended as at March 31, 2024 and notes related thereto in the Statement have been traced from the Financial Statements of the Company audited by KKC & Associates LLP, Chartered Accountants ('the erstwhile auditors'), vide their unmodified report dated April 18, 2024.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

18. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
19. As required by Section 143(3) of the Act, we report that:
  - 19.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - 19.2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - 19.3. The balance sheet, the statement of profit and loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - 19.4. In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act read with the relevant rules thereunder.

- 19.5. On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- 19.6. With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
- 19.7. In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to director is not in excess of the limit laid down under Section 197 of the Act.
20. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - 20.1 The Company has disclosed the impact of pending litigations as at March 31, 2025 on its financial position in its Financial Statements – Refer Note 34 to the Financial Statements;
  - 20.2 The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses – Refer Note 34 to the Financial Statements.
  - 20.3 There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - 20.4 The Management has represented, to best of their knowledge and belief, that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - 20.5 The Management has represented, to best of their knowledge and belief, that no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise,

that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

20.6 Based on such audit procedures, that have been considered reasonable and appropriate in the circumstances, performed by us, nothing has come to our notice that has caused us to believe that the representation under para 20.4 and 20.5 contain any material misstatement.

20.7 In our opinion and according to information and explanation given to us, the Company has not declared or paid dividend

during the year, accordingly compliance with section 123 of the Act by the Company is not applicable.

20.8 Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which have feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

## Annexure A

to the Independent Auditor's Report on the Financial Statements of Aditya Birla Housing Finance Limited for the year ended March 31, 2025

(Referred to in paragraph 17 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- i (a) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment ('PPE'). The Company is maintaining proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its PPE by which all PPE are verified once in two years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, no PPE were physically verified by the Management during the year. As informed to us, based on last verification of PPE conducted by the management, no material discrepancies were noticed on such verification
- (c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) In our opinion and according to the information and explanations given to us, the Company has not revalued its PPE (including Right of Use assets) or intangible assets or both during the year.
- (e) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii (a) The Company does not have any inventory since its principal business is to give loans, hence physical verification of inventory and reporting under paragraph 2(ii)(a) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of rupees five crore, in aggregate, from banks or financial institutions which are secured on the basis of security of current assets. The quarterly returns or statements filed by the Company with such banks or financial institutions are generally in agreement with the books of account of the Company.
- iii (a) Since the Company's principal business is to give loans, the provisions of clause 3(iii)(a) of the Order are not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the investments made and the terms and conditions of the grant of all loans are not prejudicial to the Company's interest.
- (c) & (d) The company, being a Housing Finance Company ('HFC'), registered under provisions of National Housing Bank Act, 1987 and rules made thereunder, in pursuance of its compliance with provisions of the said Act/Rules, particularly, the Income Recognition, Asset Classification and Provisioning Norms, monitors repayments of principal and payment of interest by its borrowers as stipulated. In cases where repayment of principal and payment of interest is not received as stipulated the cognizance thereof is taken by the Company in the course of its periodic regulatory reporting. Refer note 7.1 to the Financial Statements for summarized details of such loans/ advances which are not repaid by borrowers as per stipulations as also details of reasonable steps taken by the Company for recovery thereof.
- (e) Since the Company's principal business is to give loans, the provisions of clause 3(iii)(e) of the Order are not applicable to the Company.
- (f) Based on our audit procedures and the information and explanations made available to us, the Company has not granted any loans or advances in the nature of loans to Promoters/Related Parties (as defined in section 2(76) of the Act) which are either repayable on demand or without specifying any terms or period of repayment.

iv In our opinion and according to the information and explanations given to us, the Company has not granted any loans, made investments, or provided guarantees in contravention of provisions of section 185 of the Act. The Company has complied with the provisions of Section 186(1) of the Act; as informed, the other provisions of section 186 of the Act are not applicable to the Company

v In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public during the year in terms of directives issued by the Reserve Bank of India or the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

vi The Company is not required to maintain cost records under Section 148(1) of the Companies Act, 2013 read with Companies (Cost Records and Audit) Rules, 2014 and hence reporting under paragraph 3(vi) of the Order is not applicable to the Company.

vii (a) In our opinion and according to the information and explanations given to us, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues have been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, Goods and Services Tax, duty of customs, cess and other material statutory dues were in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

(b) In our opinion and according to the information and explanations given to us, we confirm that there are no dues of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, which have not been deposited to/with the appropriate

authority on account of any dispute except as disclosed as below:

|                                    |                     |
|------------------------------------|---------------------|
| Name of the Statute                | CGST Act, 2017      |
| Nature of the Dues                 | GST Demand          |
| Amount (₹ in lakhs)                | ₹ 124.95            |
| Period to which the amount relates | FY 2017-18          |
| Forum where dispute is pending     | Appellate Authority |
| Remarks, if any                    |                     |

viii In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, we confirm that we have not come across any transactions not recorded in the books of accounts which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix (a) In our opinion, the Company has not defaulted in repayment of loans or other borrowings to financial institutions, banks, government and dues to debenture holders or in the payment of interest thereon to any lender

(b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority or any other lender.

(c) In our opinion and according to the information and explanations given to us, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained, other than temporary parking of funds for few days pending utilizations towards purpose for which the same are obtained.

(d) According to the information and explanations given to us, and the procedures performed by us, on an overall examination of the financial statements of the Company and further considering the Asset Liability management mechanism of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                              |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>(e) The Company does not have any subsidiaries, associates, or joint ventures. Accordingly, the provisions of the clauses (ix) (e) &amp; (f) of the Order are not applicable to the Company.</p>                                                                                                                                                                                                                                                                                                           | <p>xiv (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.</p>                                                                                                                                                                  |
| <p>X (a) The Company did not raise money by way of initial public offer or further public offer (including debt instruments) during the year.</p>                                                                                                                                                                                                                                                                                                                                                             | <p>(b) We have considered the internal audit reports of the Company received by us till date, for the period under audit.</p>                                                                                                                                                                                                |
| <p>(b) The company has made a private placement of equity shares through Rights Issue during the year. The provisions of Section 42 and Section 62 of the Companies Act, 2013 have been duly complied with. The funds raised through the said issue have been utilized for the purposes for which they were raised.</p>                                                                                                                                                                                       | <p>xv According to the information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.</p>                       |
| <p>xi (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the course of our audit, other than the instances of fraud noticed and reported by the management to the sectoral regulator. Refer Note 5.5 to the Financial Statements.</p> | <p>xvi (a) The Company, being a Housing Finance Company is registered with the National Housing Bank ('NHB') and hence, as informed by the management, it is not required under to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.</p>                                                             |
| <p>(b) As per information provided by Management, there are no fraud involving employee of the company.</p>                                                                                                                                                                                                                                                                                                                                                                                                   | <p>(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid CoR from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.</p>                                                                                                                    |
| <p>(c) As represented to us by the Management, there was one whistleblower complaint received by the Company during the year. Detailed Investigation was carried out by the Company and there was no evidence found in complaint and it was informed to Audit committee of the Company.</p>                                                                                                                                                                                                                   | <p>(c) The Company is not a Core Investment Company ('CIC') as defined in the regulations made by Reserve Bank of India.</p>                                                                                                                                                                                                 |
| <p>xii In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. analysis of assets & liabilities and other information accompanying the financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all

liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx (a) The Company has transferred unspent amount of ₹ 1.02 Crore pertaining to non-ongoing CSR projects, to a Fund specified in Schedule VII to the Companies Act, 2013 on April 10, 2025.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, there is no amount which is remaining unspent under sub-section (5) of section 135 of the Act pursuant to any ongoing project.

## Annexure B

to the Independent Auditors' report on the Financial Statements of Aditya Birla Housing Company Limited for the year ended March 31, 2025

(Referred to in paragraph 19.6 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

### **REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE AFORESAID FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ('THE ACT').**

#### **Opinion**

1. We have audited the internal financial controls with reference to the Financial Statements of Aditya Birla Housing Finance Limited ('the Company') as at March 31, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.
2. In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Financial Statements and such internal financial controls were operating effectively as at March 31, 2025, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note').

#### **Management's responsibility for Internal Financial Controls**

3. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor's responsibility**

4. Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('SA'), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Financial Statements. Those SAs and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Financial Statements were established and maintained and whether such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Financial Statements included obtaining an understanding of internal financial controls with reference to the Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Financial Statements.

#### **Meaning of Internal Financial Controls with reference to the Financial Statements**

7. A company's internal financial controls with reference to the Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial

Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

## **Inherent Limitations of Internal Financial Controls with reference to the Financial Statements**

8. Because of the inherent limitations of internal financial controls with reference to the Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Note:** The above Statement of Cash Flows has been prepared under the indirect method as set out in Ind AS 7 - Statement of Cash Flows. Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities are segregated based on the activities of the Company.

See accompanying notes forming part of the financial statements.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 01 | CORPORATE INFORMATION

Aditya Birla Housing Finance Limited (the 'Company' or 'ABHFL') is a Public Company domiciled in India and incorporated on July 27, 2009. The Company has received a Certificate of Registration from the National Housing Bank ('NHB') on July 9, 2014 to commence / carry on the business of Housing Financial Institution ('HFI') without accepting public deposits.

The financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On April 16, 2025, Board of Directors of the Company approved and recommended the financial statements for consideration and adoption by the Shareholders in its Annual General Meeting.

## NOTE: 02 | BASIS OF PREPARATION AND PRESENTATION

**2.1** The accompanying financial statements have been prepared and presented under the historical cost convention except for certain financial assets and liabilities measured at fair value; and defined benefit plans where plan assets are measured at fair value, in accordance with accounting principles generally accepted in India, the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') and (Companies (Indian Accounting Standards) Rules, 2015) along with other relevant provisions of the Act, the Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021, RBI/2020-21/73 DOR.FIN.HFC.CC.No.120/03.10.136/2020-21, February 17, 2021 ('the RBI Master Directions') and notification for Implementation of Indian Accounting Standard vide circular RBI/2019-20/170 DOR(NBFC).CC.PD.No.109/22.10.106/2019-20 dated March 13, 2020 ('RBI Notification for Implementation of Ind AS') issued by RBI.

The financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

To provide more reliable and relevant information about the effect of certain items in the Balance Sheet and Statement of Profit and Loss, the Company has changed the classification of certain items. Previous period/year figures have been re-grouped or reclassified, to confirm to such current period grouping / classifications. There is no impact on Equity or Net Profit due to these regrouping / reclassifications.

Amounts in the financial statements are presented in Indian Rupees in crores rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupee to two decimal places.

## 2.2 Presentation of financial statements

The Company presents its balance sheet in order of liquidity in compliance with requirements of Schedule III of the Companies Act 2013 ("the Act") applicable for Non Banking Finance Companies ("NBFC"). An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in note 48.

The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified accounting standards.

## NOTE: 03 | SUMMARY OF MATERIAL ACCOUNTING POLICIES

### 3.1 Revenue Recognition

#### 3.1.1 Interest income

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired (as set out in note 3.21) and is, therefore, regarded as 'Stage 3', the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Interest income on all trading assets and other financial assets which are required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

Delayed payment interest (penal interest and the like) levied on customers for delay in repayments/ non payment of contractual cashflows is recognised on realisation.

#### 3.1.2 The effective interest rate method

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Any fees collected or costs incurred in respect of financial instruments form an integral part of the EIR.

## 3.1.3 Income from Transfers through direct assignment transaction

The Company transfers loans through direct assignment transactions. The transferred loans are derecognised and gains/losses are accounted for, only if the Company transfers substantially all risks and rewards specified in the underlying assigned loan contract. In accordance with the Ind AS 109, on derecognition of a financial asset under assigned transactions, the difference between the carrying amount and the consideration received are recognised in the Statement of Profit and Loss.

## 3.1.4 Fee and commission income

Fee and commission income include fees other than those that are an integral part of EIR. The Company recognises the fee and commission income in accordance with the terms of the relevant contracts / agreement and when it is probable that the Company will collect the consideration.

## 3.2 Property, plant and equipment

All items of property, plant and equipment (PPE) are stated at historical cost, net of accumulated depreciation and impairment loss if any. The cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

## Depreciation methods, estimated useful lives and residual value

Depreciation is provided on straight line basis so as to write off the cost of the assets (other than freehold land) less their residual values, using the rates arrived at based on the useful lives estimated by the Management. The Company has used the following useful life to provide depreciation on its property, plant and equipment.

| Asset                                          | Useful life as prescribed by Schedule II of the Co's Act, 2013 | Estimated useful life adopted by the company                        |
|------------------------------------------------|----------------------------------------------------------------|---------------------------------------------------------------------|
| Office computers                               | 3 years                                                        | 4 Years                                                             |
| Vehicles                                       | 8 years                                                        | Upto 5 Years                                                        |
| Furniture, fixtures and other office equipment | 10 years                                                       | 7 Years                                                             |
| Office Equipment                               | 5 years                                                        | 4 years                                                             |
| Buildings                                      | 60 years                                                       | 60 years                                                            |
| Leasehold improvements                         | Over the primary period of the lease                           | Over the primary period of the lease or 3 years; whichever is lower |

Useful life of assets different from as prescribed in Schedule II has been estimated by management and is supported by the technical assessment. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation on assets whose cost individually does not exceed ₹ 5,000/- is fully provided in the year of purchase.

Depreciation on assets acquired / sold during the year is recognised on a pro-rata basis to the statement of profit and loss from/ till the date of acquisition or sale.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress".

## 3.3 Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over a period of 3 years or it's useful life whichever is lower.

Amortization on the intangible assets added/discharged off/discarded during the year is provided on pro-rata basis with reference to the month of addition/disposal/discarding.

The amortization period and the amortization method are reviewed at least at each financial year end. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Intangible assets under development

Expenditure for development eligible for capitalisation are carried as intangible assets under development where such assets are not yet ready for their intended use.

## 3.4 Impairment of non financial assets

The Company assesses at each reporting date whether there is an indication that an non financial asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and the resulting impairment loss is charged to the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

## 3.5 Taxes

### 3.5.1 Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the Indian Income Tax Act, 1961.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

### 3.5.2 Deferred tax

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

## 3.6 Retirement and other employee benefits

### 3.6.1 Short term employee benefits

Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

### 3.6.2 Defined contribution plan

Retirement benefit in the form of Government managed Employee Provident Fund and Government managed Employee Pension Fund are the defined contribution schemes. The Company has no obligation, other than the contribution payable to the respective schemes which are recognised as an expense, when an employee renders the related service.

### 3.6.3 Defined benefit plan

The Company operates a defined benefit gratuity plan, which requires contributions to be made to a separately administered fund. The Company's liabilities under Payment of Gratuity Act and compensated absences are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the balance sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

Remeasurements, comprising of actuarial gains and losses on retirement benefits arising from experience adjustments and changes in actuarial assumptions are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Past service costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss.

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements,
- Net interest expense or income.

### 3.6.4 Long term incentive benefit

Other long term incentive benefits includes future encashment or availment, at the option of the employee subject to the rules framed by the Company which are expected to be availed or encashed beyond 12 months from the end of the year and long term incentive payable to employees on fulfilment of criteria prescribed by the Company.

### 3.6.5 Termination benefits

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

## 3.7 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur at amortised cost using EIR. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

## 3.8 Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with banks with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

## 3.9 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

## 3.10 Provisions, contingent liabilities and contingent assets

Provisions are recognized when there is a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the effect of the time value of money is material, the Company determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. Provisions are determined based on best estimate required to settle the obligation at the balance sheet date.

Contingent liability is disclosed in case when a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation and a present obligation arising from past events, when no reliable estimate is possible.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

Contingent assets are not recognised in the financial statements. Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

## 3.11 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) Estimated amount of contracts remaining to be executed on capital account and not provided for;
- b) Uncalled liability on shares and other investments partly paid;
- c) Funding related commitment to associate and joint venture companies; and
- d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management."

## 3.12 Leases

### 3.12.1 Company as a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes right – of – use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the under lying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value – in – use) is determined on an individual asset basis unless the asset generates cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment on exercise of an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

## 3.12.2 Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sub-lease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

## 3.13 Special reserve

The Company creates special reserve every year out of its profits in terms of Section 29C of the National Housing Bank Act, 1987. For this purpose any special reserve created by the Company under Section 36(1)(viii) of the Income- tax Act, 1961 is considered to be an eligible transfer.

## 3.14 Securities premium

Securities premium is recognised for shares issued at premium. The issue expenses of securities which qualify as equity instruments are written off against securities.

## 3.15 Financial instruments – initial recognition

### 3.15.1 Date of recognition

Financial assets and liabilities, with the exception of loans, debt securities and borrowings are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Loans are recognised when funds are transferred to the customers' account. The Company recognises debt securities and borrowings when funds reach the Company.

### 3.15.2 Initial measurement of financial instruments

Financial assets and financial liabilities are initially recognised when the company becomes party to the contractual provisions

of the instruments. All financial instruments are recognised initially at fair value, with the exception of trade receivables. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on trade date while, loans and borrowings are recognised net of directly attributable transactions costs.

### 3.15.3 Day 1 profit or loss

When the transaction price of the instrument differs from the fair value at origination and the fair value is based on a valuation technique using only inputs observable in market transactions, the Company recognises the difference between the transaction price and fair value in net gain on fair value changes. In those cases where fair value is based on models for which some of the inputs are not observable, the difference between the transaction price and the fair value is deferred and is only recognised in profit or loss when the inputs become observable, or when the instrument is derecognised.

### 3.15.4 Measurement categories of financial assets and liabilities

The Company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either amortised cost, Fair Value through Other Comprehensive Income(FVOCI) and Fair Value through Profit or Loss (FVTPL).

## 3.16 Financial assets and liabilities

### 3.16.1 Bank balances & Loans at amortised cost

The Company measures Bank balances and Loans at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 3.16.2 Debt securities and other borrowed funds

After initial measurement, debt issued and other borrowed funds are subsequently measured at amortised cost. Amortised cost is calculated by taking into account any discount or premium on issue funds, and costs that are an integral part of the EIR. A compound financial instrument which contains both a liability and an equity component is separated at the issue date.

## 3.16.3 Financial assets and financial liabilities at fair value through profit or loss

Financial assets and financial liabilities in this category are those that are not held for trading (except investment) and have been either designated by management upon initial recognition or are mandatorily required to be measured at fair value under Ind AS 109. Management only designates an instrument at FVTPL upon initial recognition when one of the following criteria are met. Such designation is determined on an instrument-by-instrument basis:

- 1 The designation eliminates, or significantly reduces, the inconsistent treatment that would otherwise arise from measuring the assets or liabilities or recognising gains or losses on them on a different basis.
- 2 The liabilities are part of a group of financial liabilities, which are managed and their performance evaluated on a fair value basis, in accordance with a documented risk management or investment strategy.
- 3 The liabilities containing one or more embedded derivatives, unless they do not significantly modify the cash flows that would otherwise be required by the contract, or it is clear with little or no analysis when a similar instrument is first considered that separation of the embedded derivative(s) is prohibited.

Financial assets and financial liabilities at FVTPL are recorded in the balance sheet at fair value. However, trade receivables that do not contain a significant financing component are initially measured at transaction price. Changes in fair value are recorded in profit and loss with the exception of movements in fair value of liabilities designated at FVTPL due to changes in the Company's own credit risk. Such changes in fair value are recorded in the Own credit reserve through OCI and do not get recycled to the profit or loss. Interest earned or incurred on instruments designated at FVTPL is accrued in interest income or finance cost, respectively, using the EIR, taking into account any discount/ premium and qualifying transaction costs being an integral part of instrument. Interest earned on assets mandatorily required to be measured at FVTPL is recorded using contractual interest rate.

## 3.16.4 Undrawn loan commitments

Undrawn loan commitments are commitments under which, over the duration of the commitment, the Company is required to provide a loan with pre-specified terms to the customer. Undrawn loan commitments are in the scope of the ECL requirements.

The nominal contractual value of undrawn loan commitments, where the loan agreed to be provided is on market terms, are not recorded in the balance sheet.

## 3.17 Reclassification of financial assets and liabilities

The Company does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. Financial liabilities have been reclassified for better presentation. The Company reclassified its financial liabilities for FY 2024-25 and FY 2023-24.

## 3.18 Modification and derecognition of financial asset

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date. When a financial asset is modified the Company assesses whether this modification results in derecognition.

In the case where the financial asset is derecognised the loss allowances for ECL is remeasured at the date of derecognition to determine the net carrying amount of the asset at that date. The difference between this revised carrying amount and the fair value of the new financial asset with the new terms may lead to a gain or loss on derecognition. The new financial asset may have a loss allowance measured based on 12-month ECL except where the new loan is considered to be originated-credit impaired.

When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Company determines if the financial asset's credit risk has increased significantly since initial recognition.

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

- The Company has transferred its rights to receive cash flows from the asset or it retains the rights to the cash flows, but has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

## 3.19 Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

## 3.20 Repossession of Collaterals

To mitigate the credit risk on financial assets, the Company seeks to use collateral, as per the powers conferred on the HFC under SARFAESI act. In its normal course of business, the Company does not physically repossess properties or other assets in its portfolio, but engages external agents to recover funds, generally at auction, to settle outstanding debt. Any surplus funds are returned to the customers/obligors. As a result of this practice, the residential properties under legal repossession processes are not recorded on the balance sheet and not treated as non-current assets held for sale.

## 3.21 Impairment of financial assets

### 3.21.1 Overview of the ECL principles

The Company records allowance for expected credit losses (ECL) for all loans, other debt financial assets not held at FVTPL, together with loan commitments, in this section all referred to as 'financial instruments'.

The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss or LTECL), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss (12mECL) as outlined in note 3.21.2.

The 12mECL is the portion of LTECLs that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date.

Both LTECLs and 12mECLs are calculated on either an individual basis or a collective basis, depending on the nature of the underlying portfolio of financial instruments.

The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument.

Based on the above process, the Company categorises its loans into Stage 1, Stage 2, Stage 3 and POCI, as described below:

**Stage 1** When loans are first recognised, the Company recognises an allowance based on 12mECLs. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.

**Stage 2** When a loan has shown a significant increase in credit risk since origination, the Company records an allowance for the LTECLs. Stage 2 loans also include facilities, where the credit risk has improved and the loan has been reclassified from Stage 3.

**Stage 3** Loans considered credit-impaired. The Company records an allowance for the LTECLs.

**POCI** Purchased or originated credit impaired (POCI) assets are financial assets that are credit impaired on initial recognition. POCI assets are recorded at fair value at original recognition and interest income is subsequently recognised based on a credit-adjusted EIR. ECLs are only recognised or released to the extent that there is a subsequent change in the expected credit losses.

### 3.21.2 The calculation of ECLs

The Company calculates ECLs based on a probability-weighted scenarios to measure the expected cash shortfalls, discounted at an approximation to the EIR. A cash shortfall is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive.

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

**PD** The Probability of Default (PD) is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognised and is still in the portfolio.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

**EAD** The Exposure at Default (EAD) is an estimate of the exposure at a future default date, taking into account expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments.

**LGD** The Loss Given Default (LGD) is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD.

When estimating the ECLs, the Company considers four scenarios (a base case, an upside, a mild downside ('downside 1') and a more extreme downside ('downside 2')). Each of these is associated with different PDs, EADs and LGDs. When relevant, the assessment of multiple scenarios also incorporates how defaulted loans are expected to be recovered, including the probability that the loans will cure and the value of collateral or the amount that might be received for selling the asset.

Impairment losses and releases are accounted for and disclosed separately from modification losses or gains that are accounted for as an adjustment of the financial asset's gross carrying value.

The mechanics of the ECL method are summarised below:

**Stage 1** The 12mECL is calculated as the portion of LTECLs that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date. The company calculates the 12mECL allowance based on the expectation of a default occurring in the 12 months following the reporting date. These expected 12-month default probabilities are applied to a forecast EAD and multiplied by the expected LGD and discounted by an approximation to the original EIR.

**Stage 2** When a loan has shown a significant increase in credit risk since origination, the Company records an allowance for the LTECLs. The mechanics are similar to those explained above, but PDs and LGDs are estimated over the lifetime of the instrument. The expected cash shortfalls are discounted by an approximation to the original EIR.

**Stage 3** For loans considered credit-impaired, the Company recognises the lifetime expected credit losses for these loans. The method is similar to that for Stage 2 assets, with the PD set at 100%.

**POCI** POCI assets are financial assets that are credit impaired on initial recognition. The Company only recognises the cumulative changes in lifetime ECLs since initial recognition, based on a probability-weighting of the four scenarios, discounted by the credit-adjusted EIR.

**Loan commitments** When estimating LTECLs for undrawn loan commitments, the Company estimates the expected portion of the loan commitment that will be drawn down over its expected life. The ECL is then based on the present value of the expected shortfalls in cash flows if the loan is drawn down, based on a probability-weighting of the four scenarios. The expected cash shortfalls are discounted at an approximation to the expected EIR on the loan.

For a loan and an undrawn commitment, ECLs are calculated and presented together with the loan. For loan commitments, the ECL is recognised within provisions.

## 3.21.3 Significant increase in credit risk

The Company monitors all financial assets and financial guarantee contracts that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk the Company will measure the loss allowance based on lifetime rather than 12-month ECL.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognised. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort, based on the Company's historical experience and expert credit assessment.

Given that a significant increase in credit risk since initial recognition is a relative measure, a given change, in absolute terms, in the Probability of Default will be more significant for a financial instrument with a lower initial PD than compared to a financial instrument with a higher PD. As a back-stop when loan asset becomes 30 days past due, the Company considers that a significant increase in credit risk has occurred and the asset

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

is in stage 2 of the impairment model, i.e. the loss allowance is measured as the lifetime ECL.

## 3.21.4 Credit-impaired financial assets

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- restructuring of loans due to financial difficulty of the borrowers;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event. Instead, the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortised cost or FVOCI are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funds.

A loan is considered credit-impaired when a concession is granted to the borrower due to deterioration in the borrower's financial condition. The definition of default includes unlikelihood to pay indicators and a back-stop if amounts are overdue for 90 days or more.

## 3.21.5 Trade receivables and other assets

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated for changes in the forward-looking estimates.

## 3.21.6 Forward looking information

In its ECL models, the Company relies on a broad range of forward looking information as economic inputs, such as: GDP growth, unemployment rates, Central Bank base rates, house price indices, etc

The inputs and models used for calculating ECLs may not always capture all characteristics of the market at the date of the financial statements. To reflect this, qualitative adjustments or overlays are occasionally made as temporary adjustments when such differences are significantly material.

## 3.21.7 Write-offs

Financial assets are written off either partially or in their entirety only when the Company had concluded that it had no reasonable expectations of recovering the asset and has stopped pursuing the recovery. If the amount to be written off is greater than the accumulated loss allowance, the difference is first treated as an addition to the allowance that is then applied against the gross carrying amount. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

## 3.21.8 Presentation of allowance for ECL in the Balance Sheet

For financial assets measured at amortised cost, loss allowances for ECL are presented in the statement of financial position as a deduction from the gross carrying amount of the assets.

## 3.22 Determination of fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as below:

- Level 1** Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2** Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3** Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

## 3.23 Security deposits

At initial recognition the carrying value of the refundable deposits is taken at present value of all expected future principal repayments discounted using market rates prevailing at the time of inception. For Interest expenses, the difference between present market value and deposit made is recognised as prepayment and amortised in the Statement of Profit and loss over the benefit period on systematic basis. Interest income is recognised at the prevailing market rates.

## 3.24 Statement of Cash flows

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

## 3.25 Foreign Currencies

Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.

Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange

rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the rates prevailing at the year-end. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

## 3.26 Share-based payment arrangements

The stock options granted to employees by the holding company's (i.e. Aditya Birla Capital Limited) Stock Options Schemes, are measured at the fair value of the options at the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight line basis. The amount recognised as expense in each year is arrived at based on the number of grants expected to vest. The cost incurred by the holding company, in respect of options granted to employees of the Company, is being recovered by holding company and it is charged to the Statement of Profit and Loss of the Company over the period of vesting.

### NOTE: 04

### SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

## Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 4.1 Impairment of financial asset

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

The Company's ECL calculations are outputs of complex models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL models that are considered accounting judgements and estimates include:

- The Company's internal credit grading model, which assigns PDs to the individual grades
- The Company's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a LTECL basis and the qualitative assessment
- The segmentation of financial assets when their ECL is assessed on a collective basis
- Development of ECL models, including the various formulas and the choice of inputs
- Determination of associations between macroeconomic scenarios and, economic inputs, such as unemployment levels and collateral values, and the effect on PDs, EADs and LGDs
- Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive the economic inputs into the ECL models

It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

## 4.2 Lease Accounting

Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in-substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

## 7.3 Exposure to modified financial assets

The Company has extended resolution plans to relieve from COVID-19 pandemic related stress to eligible borrowers on the parameters laid down in accordance with the guidelines issued by the RBI and policy approved by the Board of Directors of the Company. As of March 31, 2025, all the resolution plans under this framework were duly implemented.

The Company has further renegotiated loans given to customers, in financial difficulties who are not eligible under the guidelines issued by RBI related to COVID-19 (referred to as restructuring or rescheduling) to maximise collection opportunities and minimise the risk of default.

### 10.1 Reconciliation of the total tax charge

The tax charge shown in the statement of profit and loss differs from the tax charge that would apply if all profits had been charged at India corporate tax rate. A reconciliation between the tax expense and the accounting profit multiplied by India's domestic tax rate for the years ended March 31, 2025 and March 31, 2024 is, as follows:

|                                                                                                                             | (₹ Crore)                            |                                      |

## E) Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian rupees. The dividend proposed, if any, by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be receiving remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of the equity shares held by the shareholders.

- F) During the past five years immediately preceding the current financial year, the Company has not issued any shares pursuant to any contract without payment being received in cash or by way of bonus shares and have also not engaged in any buyback of its own equity.

## NOTE: 24 OTHER EQUITY

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

Foot notes:

## (i) Securities premium

|                                                       | As at<br>March 31, 2025 | As at<br>March 31, 2024 |
|-------------------------------------------------------|-------------------------|-------------------------|
| Balance at beginning of year                          | 715.82                  | 715.82                  |
| Addition: Received on issue of shares during the year | 1,066.54                | -                       |
| Deduction: Utilisation against share issue expense    | (0.11)                  | -                       |
| Balance at end of year                                | <b>1,782.25</b>         | <b>715.82</b>           |

Securities premium is credited when shares are issued at premium. It can be used to issue bonus shares, to provide for premium on redemption of shares or debentures, write-off equity related expenses like underwriting costs, etc.

## (ii) Special reserve u/s 29C of The National Housing Bank Act, 1987 (refer note 3.13)

|                                                                                       | As at<br>March 31, 2025 | As at<br>March 31, 2024 |
|---------------------------------------------------------------------------------------|-------------------------|-------------------------|
| Balance at beginning of year                                                          | 33.14                   | 12.09                   |
| Addition: Amount transferred from surplus balance in the Statement of Profit and Loss | 19.84                   | 21.05                   |
| Balance at end of year                                                                | <b>52.98</b>            | <b>33.14</b>            |

As per Section 29C of The National Housing Bank Act, 1987 (the "NHB Act"), the Company is required to transfer at least 20% of its net profits every year to a reserve before any dividend is declared. For this purpose any Special Reserve created by the Company under Section 36(1)(viii) of the Income-tax Act, 1961, is considered to be an eligible transfer. The amount transferred to special reserve u/s 29C of the NHB Act includes ₹ 44.85 crores (March 31, 2024: ₹ 37.09 crores) for Special Reserve in terms of Section 36(1)(viii) of the Income-tax Act, 1961.

## (iii) Reserve u/s 36(1)(viii) of the Income Tax Act, 1961

\* Principal Outstanding and Excluding commercial papers, cash credit, WCDL & inter corporate borrowings from Parent Company.

We confirm that we are a Large Corporate as per the applicability criteria given under the Chapter XII of SEBI Operational circular dated August 10, 2021 amended from time to time.

In terms paragraph of 2.2(d) of the circular, beginning FY2024, in the event of shortfall in the mandatory borrowing through debt securities, a fine of 0.2% of the shortfall shall be levied by Stock Exchanges at the end of the two-year block period. Therefore, an entity identified as LC shall provide, in its initial disclosure for a financial year, the name of stock exchange to which it would pay the fine in case of shortfall in the mandatory borrowing through debt markets.

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## h) Maturity profile of defined benefit obligation

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date:

| Maturity profile                        | (₹ Crore)                            |                                      |

| Expected benefits for year 1            | 1.78                                 | 1.31                                 |
| Expected benefits for year 2            | 1.49                                 | 1.04                                 |
| Expected benefits for year 3            | 1.44                                 | 0.93                                 |
| Expected benefits for year 4            | 1.24                                 | 0.86                                 |
| Expected benefits for year 5            | 1.02                                 | 0.69                                 |
| Expected benefits for year 6            | 0.89                                 | 0.54                                 |
| Expected benefits for year 7            | 0.82                                 | 0.55                                 |
| Expected benefits for year 8            | 0.39                                 | 0.70                                 |
| Expected benefits for year 9            | 1.43                                 | 0.20                                 |
| Expected benefits for year 10 and above | 10.23                                | 7.31                                 |

The weighted average duration to the payment of these cash flows is 7 years (March 31, 2024 : 7 years).

The estimates of future salary increase considered in actuarial valuation, takes into account the inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at Balance Sheet date.

Estimated amount of contribution expected to be paid to the gratuity fund during the period after the Balance Sheet date is ₹ 7.03 crores (March 31, 2024: ₹ 2.94 crores).

## NOTE: 47 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

ABHFL's risk philosophy involves a competent and comprehensive risk management framework & robust policies and processes which minimise the element of uncertainty and help in developing and maintaining a healthy portfolio within its risk appetite and the regulatory framework. The Risk Management provides stability and balance ensuring that growth is backed by a robust portfolio. ABHFL is exposed to various types of risks such as credit risk, market risk (which includes liquidity risk and pricing risk), operational risk, legal risk, regulatory risk and competition risk.

ABHFL's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked with best practices. The Board of Directors have an oversight over the risk management framework applicable to the Company. The risk management oversight structure includes various Committees such as Risk Management Committee which consist of Board members and Senior Management. The Risk Management Committee ("RMC") which is chaired by an Independent Director conducts review at regular intervals to monitor compliance with risk policies, risk tolerance limits, review and analysis of risk exposure and provides oversight of risk across the organization.

### Market risk

The Company does not have any investments in securities other than short term investments of excess funds in liquid schemes of mutual funds and other government securities hence, there is no material market risk.

On liabilities front, the Company borrows through CPs (fixed rate, short duration), Term Loans (from Banks – at rates lined to their MCLR) and NCDs (fixed rate & floating rate, long term).

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

The Company has a robust mechanism to take care of liquidity risks in form of free Bank lines (CC and TL). From time to time depending on markets, the Company also invests in liquid schemes of mutual funds and other government securities which ensures availability of funds to meet its immediate liabilities.

Asset Liability Committee (ALCO) meets quarterly and as and when required to discuss market conditions and Asset Liability Management (ALM). There is a Risk Committee meeting every quarter and also a Board meeting every quarter where the risks are discussed and ALM is presented.

## Interest rate risk

Interest rate risk is monitored through the IRS statement prepared every quarter. The Company has issued NCDs which are fixed / floating rate instruments. A portion of the borrowings are through term loans, which are linked to the Bank's MCLR/ EBLR.

ALCO has set a limit for the interest rate gap that is acceptable and the same is monitored by ALCO and Risk Committee. Most of the loans given by the Company are floating rate loans and hence, any change in interest rate can be passed on to the customers, thereby minimising the risk.

## Credit risk

Credit Risk is managed and controlled through a Credit Risk Management Framework comprising detailed risk evaluation of borrower and security. ABHFL has developed expertise to underwrite all kinds of customer segments (salaried, self-employed professionals, self-employed non-professionals) and our underwriting guidelines are benchmarked to the market and adequate internal controls have been put in place to maintain the quality of loans being approved. Distinct policies and processes are in place which are followed rigorously while selecting the borrowers and people who occupy key positions are professionally qualified (such as CA/MBA/ICWA). For each product, programs defining customer segments, underwriting standards, security structures, etc. are specified to ensure consistency of credit patterns. All the cases are approved by Credit Committees formulated at different levels with various approval limits. Collateral Risk refers to the risk of loss arising from errors in the nature, quantity, pricing, or characteristics of collateral securing a transaction with credit risk. ABHFL has dual external valuation process and the same is also evaluated internally to mitigate such risk. After sanctioning the loan, regular monitoring of the accounts is also done to sight irregularities if any and where required prompt action is initiated and a well defined collection process helps in ensuring minimum credit loss. As credit risk is one of the major risks faced by the Company, the policies and processes are reviewed periodically and, if need be, revised in order to keep them up-to-date.

## Analysis of maximum exposure to credit risk and collateral and other credit enhancements

The following table shows the maximum exposure to credit risk, the total fair value of collateral and the net exposure to credit risk. The collateral value as at the time of on-boarding of the customer has been considered except for stage 3 (Latest Valuation) and loss cases (Nil value) for below disclosure.

| (₹ Crore)            |                                 |                                                                        |              |
|----------------------|---------------------------------|------------------------------------------------------------------------|--------------|
| Particulars          | Maximum exposure to credit risk | Fair value of collateral and other credit enhancements held (Mortgage) | Net exposure |
| As at March 31, 2025 | 35,176.07                       | 1,05,329.00                                                            | -            |
| As at March 31, 2024 | 20,769.34                       | 57,718.80                                                              | -            |

## Collateral and other credit enhancements

The amount and type of collateral required depends on an assessment of the credit risk of the counterparty. Guidelines are in place covering the acceptability and valuation of each type of collateral.

The main type of collateral obtained is mortgages over residential/ commercial properties.

The table below shows the value of the credit impaired asset (stage 3) and the value of the collateral available -

# Notes to the Financial Statements

## Liquidity risk

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances.

Company manages its liquidity requirement by analysing the maturity pattern of Company's cash flows of financial assets and financial liabilities. The Asset Liability Management of the Company is periodically reviewed by its Risk Management Committee.

The table below summarises the maturity profile of the cash flows of the Company's financial assets and liabilities as at respective balance sheet dates.

### As at March 31, 2025

(₹ Crore)

The above table includes future contractual cash flows recognised as at balance sheet date in different buckets and does not include other future contracted cash flows (such as interest which are not accrued as at Balance Sheet date).

# Net of unamortized discounting charges on commercial paper amounting to ₹ 21.33 Crs (March 31, 2024: ₹ 21.29 Crs)

\* Advances includes loan and advances to the customers.

## Operational and business risk

Operational risk is the risk of loss arising from systems failure, human error, fraud or external events. When controls fail to operate effectively, operational risks can cause damage to reputation, have legal or regulatory implications, or lead to financial loss. The Company cannot expect to eliminate all operational risks, but it endeavours to manage these risks through a control framework and by monitoring and responding to potential risks. Controls include effective segregation of duties, access, authorisation and reconciliation procedures, staff education and assessment processes, such as the use of internal audit.

## Foreign currency exchange rate risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit and loss and other comprehensive income and equity, where any transaction references more than one currency or where assets/ liabilities are denominated in a currency other than the functional currency. Considering the countries and economic environment in which the Company operates, its operations are subject to risks arising from fluctuations in exchange rates.

## NOTE: 49 CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of its Regulator, NHB. The Company monitors capital using, among other measures, a capital adequacy ratio which is a ratio of weighted assets to total owned capital derived as per the NHB requirements. As per the NHB guidelines Company being a Housing Finance Company is required to maintain minimum of 15% of capital adequacy ratio (March 31, 2024 - 15%). Company has complied in full with all its externally imposed capital requirements over the reported period

The Company also manages its leverage position on periodic basis by monitoring debt equity ratio to aligning itself with market and peers.

|                          | For the year ended<br>March 31, 2025 | For the year ended<br>March 31, 2024 |
|--------------------------|--------------------------------------|--------------------------------------|
| Capital adequacy ratio : | 16.54%                               | 16.79%                               |
| Tier I CRAR              | 14.29%                               | 14.66%                               |
| Tier II CRAR             | 2.25%                                | 2.13%                                |
| Net Debt equity ratio :  | 6.80                                 | 6.93                                 |
| Liquidity Coverage Ratio | 226.31%                              | 211.80%                              |

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2025 and March 31, 2024.

## NOTE: 50 FAIR VALUES

Set out below is a comparison, by class, of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values, that are not carried at fair value in the financial statements. This table does not include the fair values of non-financial assets and non-financial liabilities.

# Loans to customers and borrowings other than debt securities are primarily at floating rate of interest hence carrying value approximates the fair value.

\*Includes subordinate debts subscribed by Aditya Birla Sunlife Insurance Company Limited of face value ₹ 85.00 crores (March 31, 2024 : ₹ 10.00 crores) with fair value ₹ 90.49 crores (March 31, 2024 : ₹ 10.72 crores) included in level 2 below.

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Interest accrued upto reporting period are included in both "Carrying value" and "Fair value".

The Company has availed the exemption granted under para 29(a) Ind AS 107-Financial Instruments: Disclosures, with regard to disclosure of financial instruments where the carrying amount approximates the fair value and accordingly, have not provided the disclosure of financial instruments falling under this category, except in case of loans to customers and borrowings other than debt securities.

## Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only.

### Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and bank balances, Trade receivables, trade payables, other financial assets and financial liabilities. Disclosures of financial assets and financial liabilities where the carrying amount approximates fair value is not required and hence not given.

### Loans and advances to customers

Since the mortgage lending by the Company is primarily bearing variable rate of interest, the carrying amount net of ECL is considered as the most comparable price and approximates fair value.

### Debt securities, security deposits and other borrowings

The fair values of the Company's interest-bearing debt securities and security deposits are determined by using discounted cash flow (DCF) method using discount rate that reflects the issuer's market borrowing rate as at the end of the reporting period.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

Since entity's other borrowings are primarily bearing variable rate of interest, the carrying amount of such borrowings is considered as the most comparable price and approximates fair value.

## Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

(₹ Crore)

|                                                | Carrying Amount  | Quoted prices in active markets (Level 1) | Significant observable inputs (Level 2) | Significant unobservable inputs (Level 3) | Total            |
