# Independent Auditor's Report

To the Members of

**Aditya Birla Sun Life Insurance Company Limited**

## REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

### Opinion

1. We have audited the accompanying standalone financial statements of **Aditya Birla Sun Life Insurance Company Limited** (the "Company"), which comprises the Standalone Balance Sheet as at March 31, 2025, the Standalone Revenue Account (also called the "Policyholders' Account" or the "Technical Account"), the Standalone Profit and Loss Account (also called the "Shareholders' Account" or the "Non-Technical Account") and Standalone Receipts and Payments Account for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by provisions of the Insurance Act, 1938, as amended (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999, as amended (the "IRDA Act"), the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 (the "IRDAI Financial Statements Regulations"), including circulars/orders/directions issued by the Insurance Regulatory and Development Authority of India (the "IRDAI") in this regard and the Companies Act, 2013, as amended (the "Act") in the manner so required to give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act ("Accounting Standards") and other accounting principles generally accepted in India, as applicable to insurance companies:
  - i. in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2025;

- ii. in the case of the Revenue Account, of the net deficit for the year ended March 31, 2025;
- iii. in the case of the Profit and Loss Account, of the profit for the year ended March 31, 2025; and
- iv. in the case of the Receipts and Payments Account, of the receipts and payments for the year ended March 31, 2025.

### Basis for Opinion

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (the "SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

**Key Audit Matter****Information Technology Systems:**

The Company is dependent on its Information Technology ("IT") systems due to the significant number of transactions that are processed daily across such multiple and discrete IT systems. Also, IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner and under controlled environments. Appropriate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to applications and data. On account of the pervasive use of its IT systems, the testing of the general computer controls of the IT systems used in financial reporting was considered to be a Key Audit Matter.

**How the matter was addressed in our audit**

With the assistance of our IT specialists, we obtained an understanding of the Company's IT applications, databases and operating systems relevant to financial reporting and the control environment. For these elements of the IT infrastructure the areas of our focus included access security (including controls over privileged access), program change controls, database management and network operations. In particular:

- We tested the design, implementation, and operating effectiveness of the Company's general IT controls over the IT systems relevant to financial reporting. This included evaluation of Company's controls over segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being recertified during the period of audit.
- We also tested key automated business cycle controls and logic for the reports generated through the IT infrastructure that were relevant for financial reporting or were used in the exercise of internal financial controls with reference to financial statements. Our tests included testing of the compensating controls or alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the Financial Statements.

## Information Other than the Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the Management Discussion and Analysis, Corporate Governance Report and the Board's Report including Annexures to Board's Report and such other disclosures related information, which are expected to be made available to us after the date of this auditor's report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon ('Other Information').

Our opinion on the standalone financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Management Discussion and Analysis, Corporate Governance Report and Board's Report including Annexures to Board's Report and such other disclosures

related information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## Responsibilities of Management and Board of Directors for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the Standalone Balance Sheet, the Standalone Revenue Account, the Standalone Profit and Loss Account and Standalone Receipts and Payments Account of the Company in accordance with the provisions of the Insurance Act, the IRDA Act, the IRDAI Financial Statements Regulations and circulars/orders/directions issued by the IRDAI in this regard and Accounting Standards specified under section 133 of the Act and other accounting principles generally accepted in India, as applicable to the insurance companies.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone

## Independent Auditor's Report (Contd.)

financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibility for the Audit of the Standalone Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance; but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

8. As part of our audit in accordance with SAs we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, to design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial

statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial

statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matters

10. The actuarial valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2025, is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2025, has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the IRDAI and the Institute of Actuaries of India in concurrence with the IRDAI. We have relied upon Appointed Actuary's certificate in forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists in standalone financial statements of the Company.
11. The Standalone Financial Statements for the year ended March 31, 2024 were audited by S. B. Billimoria & Co. LLP, Chartered Accountants and Haribhakti & Co. LLP, Chartered Accountants, the Joint Statutory Auditors of the Company, whose reports dated April 25, 2024 expressed an unmodified opinion on those financial statements.

Our opinion is not modified in respect of above matters.

## Report on Other Legal and Regulatory Requirements

1. As required by the IRDAI Financial Statements Regulations, we have issued a separate certificate dated April 25, 2025 certifying the matters specified in paragraphs 3 and 4 of Part III of Schedule II to the IRDAI Financial Statements Regulations.
2. As required by the IRDAI Financial Statements Regulations, read with Section 143(3) of the Act based on our audit, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books except for not complying with the requirement of audit trail as stated in (k)(vi) below;
  - c) As the Company's financial accounting system is centralized, no returns for the purposes of our audit are prepared at the branches of the Company.
  - d) The Balance Sheet, the Revenue Account, the Profit and Loss Account and the Receipts and Payments Account dealt with by this report are in agreement with the books of account.
  - e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, to the extent not inconsistent with the accounting principles prescribed in the IRDAI Financial Statements Regulations, the Insurance Act, the IRDA Act and circulars/orders/directions issued by the IRDAI in this regard.
  - f) In our opinion and to the best of our information and according to the explanations given to us, investments have been valued in accordance with the provisions of the Insurance Act, the IRDAI Financial Statements Regulations and/or orders/directions/circulars issued by IRDAI in this regard.
  - g) On the basis of the written representations received from the directors of the Company as on March 31, 2025 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
  - h) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
  - i) The modification relating to the maintenance of accounts and other matters connected therewith, is as stated in paragraph (b) above.
  - j) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our

## Independent Auditor's Report (Contd.)

information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with section 34A of the Insurance Act.

- k) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer Schedule 16 Note 36 to the standalone financial statements;
  - ii. The liability for insurance contracts, is determined by the Company's Appointed Actuary as per Schedule 16 Note 11 to the standalone financial statements, and is covered by the Appointed Actuary's certificate, referred to in Other Matter section above, on which we have placed reliance; and the Company did not have any other long-term contracts including derivative contracts for which there were any material foreseeable losses. Refer Schedule 16 Note 35 to the standalone financial statements;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company for the year ended March 31, 2025.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any

manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year. Hence, reporting the compliance with section 123 of the Act is not applicable.
- vi. Based on our examination, which included test checks, the Company has used various accounting software for maintaining its books of account for the financial year ended 31<sup>st</sup> March, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems except:
  - in respect of a customer masters in one premium receipting accounting software wherein earlier value is not retained;

- the Company has used an accounting software operated by a third party software service provider, for maintaining its books of account and in absence of an independent auditor's report covering the audit trail requirement, we are unable to comment whether audit trail feature of the said software was enabled at the database level to log any direct data changes;
- in respect of the accounting software related to policy administration systems, investments and derivatives, commission,

and premium receipting, audit trail feature was not enabled at the database level to log any direct data changes.

Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with, in respect of accounting software for the period for which the audit trail feature was enabled and operating and the audit trail has been preserved by the Company as per the statutory requirements for record retention. (refer note 53 to the standalone financial statements)

## Annexure “A” to The Independent Auditors’ Report

**(Referred to in paragraph 2 (h) under ‘Report on Other Legal and Regulatory Requirements’ section of our Independent Auditor’s Report of even date to the members of Aditya Birla Sun Life Insurance Company Limited on the standalone financial statements for the year ended March 31, 2025)**

### **REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (THE “ACT”)**

We have audited the internal financial controls with reference to financial statements of Aditya Birla Sun Life Insurance Company Limited (the “Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

The actuarial valuation of liabilities for life policies in force and policies where premium is discontinued is required to be certified by the Appointed Actuary as per the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 (the “IRDAI Financial Statements Regulations”) and has been relied upon by us, as mentioned in “Other Matter” para of our audit report on the standalone financial statements of the Company as at and for the year ended March 31, 2025. Accordingly, we have not audited the internal financial controls with reference to standalone financial statements in respect of the valuation and accuracy of the aforesaid actuarial valuation.

### **MANAGEMENT’S AND BOARD OF DIRECTORS’ RESPONSIBILITIES FOR INTERNAL FINANCIAL CONTROLS**

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required by provisions of the Insurance Act, 1938, as amended (the “Insurance Act”), the Insurance Regulatory and Development Authority Act, 1999, as amended (the “IRDA Act”), the Insurance Regulatory and Development Authority of India (Actuarial,

Finance and Investment Functions of Insurers) Regulations, 2024 (the “IRDAI Financial Statements Regulations”), circulars/orders/directions issued by the Insurance Regulatory and Development Authority of India (the “IRDAI”) in this regard and the Companies Act, 2013, as amended (the “Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, as applicable to insurance companies.

### **AUDITOR’S RESPONSIBILITY**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to standalone financial statements.

### **MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS**

A Company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and

the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS**

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including

the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **OPINION**

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

The accounting policies have been consistently applied by the Company except where differential treatment is required as per new pronouncements issued by the regulatory authorities.

The management evaluates all recently issued or revised accounting pronouncements on an on-going basis.

### b) Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles ('GAAP') requires that the Company's management make estimates and assumptions that affect the reported amounts of income and expenses for the year, reported balances of assets and liabilities and disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and assumptions used in the financial statements are based upon management's evaluation of the relevant facts and circumstances as on date of the financial statement. Any revision to accounting estimates is recognized prospectively. Examples of such estimates include valuation of policy liabilities, provision for linked liabilities, funds for future appropriations, provision for doubtful debts, valuation of unlisted securities, if any, valuation of debt securities, future obligations under employee retirement benefits plans and the useful lives of fixed assets, etc. Actual results could differ from those estimates.

### c) Revenue Recognition

### i. Classification

Investments maturing within twelve months from the balance sheet date are classified as short-term investments.

Investments other than short-term investments are classified as long-term investments.

### ii. Valuation

#### a) Debt securities

- Policyholders' non-linked funds and shareholders' investments:

All debt and money market securities, Government securities are considered as 'held to maturity' and measured at historical cost subject to amortisation. The discount or premium which is the difference between the purchase price and the redemption amount of fixed income securities is amortized and recognized in the revenue account, using Effective interest rate method (EIR) over the remaining period to maturity of these securities. The AT1 Bonds are valued at market value, using market yield to call published by SEBI registered rating agency CRISIL, using Bond Valuer

- Policyholders' linked funds:

Central and State Government securities are valued as per the prices released by CRISIL. All other debt securities with a residual maturity over 182 days are valued through CRISIL Bond Valuer based on the matrix released by CRISIL. Debt securities other than Government securities with a residual maturity up to 182 days are valued at last valuation price plus the difference between the redemption value and last valuation price, spread uniformly over the remaining maturity period of the instrument. Money market instruments (including T Bills) are valued at historical cost, subject to amortization of premium or discount which is the difference between the purchase price and the redemption amount using effective interest rate method over the remaining period to maturity of these securities.

#### b) i) Equity shares/ Non-redeemable Preference shares ,Exchange traded funds and Infrastructure Investment Trusts :

Listed equity/preference shares, Exchange traded funds and Infrastructure Investment Trusts are valued and stated at fair value, using the last quoted closing prices on the National Stock Exchange (NSE), at the balance sheet date. If the equity shares are not traded on the NSE, then closing prices of the Bombay Stock Exchange (BSE) is considered.

Bonus entitlements are recognised as investments on the 'ex-bonus date'. Right entitlements are accrued and recognised on the date the original share (on which the right entitlement accrues) are traded on the stock exchange on an 'ex-rights date'.

Unlisted equity/preference shares are valued at historical Cost with provision for diminution in value of securities

#### b) ii) Redeemable Preference shares :

Policyholders' non-linked funds and shareholders' investments:

Redeemable Preference Shares are valued at historical cost, subject to amortization of premium or discount which is the difference between the purchase price and the redemption amount using effective interest rate method over the remaining period to maturity of these securities.

Registration Number: 109 dated 31<sup>st</sup> January 2001

## Schedules forming part of the Financial Statements

For year ended 31<sup>st</sup> March, 2025

(Amounts in lakhs of Indian Rupees)

Policyholders' linked funds:

Listed redeemable preference shares are valued and stated at fair value, using the last quoted closing prices on the National Stock Exchange (NSE), at the balance sheet date. If the equity shares are not traded on the NSE, then closing prices of the Bombay Stock Exchange (BSE) is considered.

### c) Mutual Funds

Mutual Funds are valued on previous day's net asset value published by the respective mutual funds

### d) Gain / loss

Unrealized gains / losses for debt securities including Government securities, listed equity/preference shares/ Infrastructure Investment Trust/ETFs and mutual funds are recognized in revenue account in case of linked funds.

Unrealized gain / loss due to changes in fair value of listed equity/preference shares/Infrastructure Investment Trust/ AIFs/ETFs and mutual funds are taken to the Fair Value Change account for other than linked business and are carried to the Balance Sheet.

### e) Alternate Investment Funds(AIFs):

AIFs are valued at latest available NAV at each reporting date. If such NAV is not available for more than eighteen months, AIFs will be valued at cost

### f) Diminution in the value of Investments

Diminution in the value of investments as at the balance sheet date, other than temporary, is recognized as an expense in the Revenue / Profit & Loss account.

### g) Valuation of Derivative Instrument:-

- i. ABSLI has Guaranteed products where the returns to the policy holders are fixed and the Company is exposed to interest rate risk on account of investment from receipt of subsequent premiums and sum of interest and maturity from investment made out of premiums received.

A Forward Rate Agreement ('FRA') transaction is that whereby Company agrees to buy underlying security at fixed yield at future date. Company has entered in FRA to hedge interest rate risk on forecasted premium receivable at future date. As on the date of entering into the FRA, the Company fixes the yield on the investment in a sovereign bond that would take place at a future date.

For Cash Flow Hedges, hedge effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. The portion of fair value gain / loss on the Interest Rate Derivative that is determined to be an effective hedge is recognised directly in appropriate equity account i.e. 'Hedge Fluctuation Reserve'. The ineffective portion of the change in fair value of such instruments is recognised in the Revenue Account in the period in which they arise. If the hedging relationship ceases to be effective or it becomes probable that the expected forecast transaction will no longer occur, hedge accounting is discontinued and accumulated gains or losses that were recognised directly in the Hedge Fluctuation Reserve are reclassified into Revenue Account. All derivatives are initially recognised in the Balance sheet at their fair value, which usually represents their cost. They are subsequently re-measured at their fair value, with the method of recognising movements in this value. All derivatives are carried as assets when the fair values are positive and as liabilities when the fair values are negative.

Registration Number: 109 dated 31<sup>st</sup> January 2001

## Schedules forming part of the Financial Statements

For year ended 31<sup>st</sup> March, 2025

(Amounts in lakhs of Indian Rupees)

IRDAI master circular on Actuarial, Finance and Investment Functions of Insurers, 2024 allows insurers to deal in rupee denominated interest rate derivatives. The Company has well defined Board approved Derivative Policy and Process document covering various aspects related to functioning of the derivative transactions which are undertaken to mitigate interest rate risk as per the hedge strategy, thereby managing the volatility of returns from future fixed income investments, due to variations in market interest rates.

Mark to market valuation is done independently by both the parties. In case of variation in valuation, the counter party (bank) valuation prevails as the counter party (bank) is the valuation agent as per agreement. However same can be disputed by ABSLI if valuation difference is not agreeable.

- ii. Derivatives are undertaken by Company solely for the purpose of hedging interest rate risks on account of following:
  - a. Reinvestment of maturity proceeds of existing fixed income investments;
  - b. Investment of interest income receivable; and
  - c. Expected policy premium income receivable on insurance contracts which are already underwritten.

### h) Investment transfer

Transfers of Investments from Shareholders' funds to the Policyholders' funds are affected at the lower of amortized cost or market value in respect of all debt securities including money market instruments and at the cost or market value whichever is lower in case of other securities.

Inter-fund transfer of debt securities relating to Linked Policyholders' Funds is effected at last available market value. Inter fund transfer of equity are done during market hours at the prevailing market price

### i) Impairment on Investment

The carrying amounts of investments are reviewed at each balance sheet date. If there is any indicator of impairment based on internal / external factors, an impairment loss is recognized as an expense in Revenue/ Profit or Loss account, to the extent of difference between the re-measured fair value and the acquisition cost as reduced by any previous impairment loss recognized as expense in Revenue/ Profit and Loss Account. Any reversal of impairment loss, earlier recognized in profit and loss account shall be recognized in Revenue/ Profit and Loss account.

### h) Loans Against Policies

Loans against policies are valued at the aggregate of book values (net of repayments) plus capitalized interest and are subject to impairment, if any.

Loans are classified as short term in case the maturity is less than twelve months. Loans other than short term are classified as long term.

### i) Fixed Assets, Capital work in progress and impairment.

#### i. Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. Cost includes the purchase price and any cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent expenditure incurred on fixed assets is expensed out in the year of expense except where such expenditure increases the future economic benefits from the existing assets.

Advances paid towards the acquisition of fixed assets outstanding at each balance sheet date and the cost of fixed assets not ready for its intended use before such date are disclosed under capital work-in-progress.

Registration Number: 109 dated 31<sup>st</sup> January 2001

## Schedules forming part of the Financial Statements

For year ended 31<sup>st</sup> March, 2025

(Amounts in lakhs of Indian Rupees)

Assets costing up to Rs. 0.05 being low value assets are fully depreciated in the year of acquisition. Depreciation on fixed assets is provided using the straight-line method based on the economic useful life of assets as estimated by the management is as below;

| Sr. No. | Assets Type                                                          | Useful Lives as per Company's Policy | As per Schedule II of Companies Act, 2013 |

| -       | Laptop/Desktop*                                                      | 4                                    | 3                                         |
| -       | Other*                                                               | 5                                    | 3                                         |

\*For these class of assets, based on internal and/or external assessment/ technical evaluation carried out by the management, the management believes that the useful lives as mentioned above best represent the useful life of these respective assets, however these are different than as prescribed under Part C of Schedule II of the Companies Act, 2013.

Any additions to the original fixed assets are depreciated over the remaining useful life of the original asset.

### ii. Intangibles

Intangible assets comprise of software which are stated at cost less amortization. Significant expenditure incurred on improvement of software are capitalised when it is probable that such expenditure will enable the assets to generate future economic benefits more than its originally assessed standards of performance. Subsequent capital expenditures are amortised over the remaining useful life of the original software. Any expenditure for software and maintenance of the software is charged to the Revenue Account. Software licenses are amortised using Straight Line Method over a period of its estimated useful life (same is being periodically reviewed).

### iii. Capital work in progress

Assets not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.

### iv. Impairment of Assets

At each balance sheet date, management assesses whether there is any indication, based on internal / external factors, that an asset may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount, subject to maximum of depreciable historical cost.

### j) Operating Leases

The Company classifies leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term, as Operating Leases. Operating lease rentals are recognized as an expense on a straight line basis over the lease period.

### k) Employee Benefits

#### i. Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries and bonuses are recognized in the period in which the employee renders the related service. Additional benefits such as Mediciam insurance, reimbursements are expensed when incurred by the employee.

#### ii. Long Term Employment Benefits

The Company has both defined contribution and defined benefit plans. These plans are financed by the Company.

##### • Defined Contribution Plans:

The Company defined contribution schemes for superannuation and provident fund to provide retirement benefits to its employees. Contributions to the superannuation schemes and provident fund are made on a monthly basis and charged to revenue account when due.

National Pension Scheme (which is Company contribution) are the defined contribution plans for the employees. The contributions paid/payable under the plan are made when due and charged to the Revenue Account on an undiscounted basis during the period in which the employee renders the related service. The Company does not have any further obligation beyond the contributions made to the funds.

##### • Defined Benefit Plans:

Gratuity liability is defined benefit obligation and is funded. The Company accounts for liability for future gratuity benefits based on independent actuarial valuation under revised Accounting Standard 15 (AS 15) on 'Employee Benefits'.

#### iii. Other Long Term Employee Benefits

Compensated absences are entitled to be carried forward for future encashment or availment, at the option of the employee during the tenure of the employment, subject to the rules framed by the Company in this regard. Accumulated compensated absences entitlements outstanding at the close of the year are accounted on the basis of an independent actuarial valuation. Accumulated entitlements at the time of separation are entitled to be encashed.

Long term incentives plans and deferred compensation plans are subject to fulfilment of criteria prescribed by the Company and are accounted for at the present value of future expected benefits payable using an appropriate discount rate. Actuarial gains or losses, if any, due to experience adjustments and the effects of changes in actuarial assumptions are accounted for in the Revenue Account, as the case may be, in the period in which they arise.

### iv. *Employee share based payments*

The Employee Stock Option Scheme ('the Scheme') provides that eligible employees are granted options to subscribe to equity shares of the Company which vest in a graded manner. The vested options may be exercised within a specified period. The Company follows the fair value method to account for its share-based employee compensation plans in accordance with the Guidance Note on Accounting for Share based Payments, issued by the Institute of Chartered Accountants of India (ICAI). The fair value of shares is derived using Black-Scholes-Merton Model.

### l) **Foreign Currency Transactions**

Transactions in foreign currency are recorded at the rate of exchange prevailing at the date of the transaction. Monetary assets and liabilities in foreign currency are translated at the rates existing as at the balance sheet date. The resulting exchange gain or loss is reflected, in the revenue account or the profit and loss account, as the case may be.

### m) **Segment Reporting**

As per Accounting Standard 17 (AS 17) on 'Segment Reporting' read with the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024, the Company is required to report segment results separately for linked, non-linked, health and pension businesses. The business is broadly classified as Participating non-linked, Non Participating Unit Linked and Non Linked businesses, which are further segmented into Individual Life, Group Life, Group Life Variable, Individual Pension, Annuity Individual, Group Annuity, Group Pension, Group Pension Variable and Individual Health businesses. Accordingly, the Company has prepared the revenue account and balance sheet for these primary business segments separately. Since the business operation of the Company is in India only, the same is considered as one geographical segment.

#### Allocation Methodology:

The following basis has been used for allocation of revenues, expenses, assets and liabilities to the business segments:

- Revenues, other Income, expenses, assets and liabilities directly attributable and identifiable to business segments, are allocated on actual basis; and
- Revenues, other income, other expenses, assets and liabilities which are not directly identifiable though attributable to a business segment, are allocated on the following basis, as considered appropriate by the management:
  - First Year Premium & 10% of Single Premium ;
  - Gross commission;
  - Sum assured;
  - Policy liability;
  - Asset under management;
  - New Business Policy Count;
  - Enforce policy count
  - Employee Cost

The method of allocation and apportionment has been decided based on the nature of the expense and its logical co-relation with various business segments. The allocation and apportionment of expenses amongst various business segments is in accordance with Board Approved Policy.

### n) Taxation

#### i. Direct Taxes

The Income-Tax Act, 1961 prescribes that profits and gains of life insurance Companies will be the surplus or deficit disclosed by the actuarial valuation made in accordance with the Insurance Act.

Deferred income tax is recognized for future tax consequences attributable to timing differences between income as determined by the financial statements and the recognition for income tax purposes. The effect on deferred tax assets and liabilities of a change in tax rates is recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carried forward loss under taxation law, deferred tax assets are recognized only if there is virtual certainty backed by convincing evidence that such deferred assets can be realized. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

#### ii. Indirect Taxes

The Company claims credit of Goods and Services tax for input services, which is set off against tax on output services. The unutilised credits, if any are carried forward to the future period for set off where there is reasonable certainty of utilization.

### o) Provisions and Contingencies

A provision is recognized when the Company has a present legal obligation as a result of past event/s and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect current best estimates. A disclosure for contingent liability is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of resources or it cannot be reliably estimated. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. A contingent asset is neither recognized nor disclosed.

### p) Funds for Future Appropriation (FFA)

For Participating business, the balance in the funds for future appropriations account represents funds, the allocation of which, either to participating Policyholders or to Shareholders, has not been determined at the Balance Sheet date. Transfers to and from the fund reflect the excess or deficit of income over expenses and appropriations in each accounting period arising in the Company's Policyholders' fund. In respect of the Participating policies, any allocation to the policyholder would also give rise to a shareholder transfer in the required proportion. For Unit-Linked business, the funds for future appropriations represents a proportion of the charge deducted from policies on premium discontinuance. This charge is held until the earlier of revival, exit or the end of the revival period of the policy.

### q) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**r) Cash and Cash Equivalents**

Cash and cash equivalents for the purposes of Receipts and Payments account include cash and cheques in hand; bank balances and other investments with original maturity of three months or less which are subject to insignificant risk of changes in value.

**s) Receipts and Payments Account**

Receipts and Payments Account is prepared and reported using the Direct Method, in conformity with Para 2(a) (i) of the Master Circular on Actuarial, Finance and Investment Functions of Insurers dated May 17, 2024 issued by the IRDAI.

**t) Actuarial Liability Valuation**

The actuarial Liabilities are calculated in accordance with accepted actuarial practice, requirements of Insurance Act, regulations notified by the Insurance Regulatory and Development Authority of India and Actuarial Practice Standards of the Institute of Actuaries of India.

**u) Provision for Doubtful Debts**

The company regularly evaluates the probability of recovery and provides for doubtful advances and other receivables.

**v) Valuation of Loan to Body Corporate**

Corporate Loans are valued at cost less provision.

**w) Borrowings**

The company has valued the unsecured, subordinated, listed and unlisted, redeemable and non-convertible debentures at cost.

Borrowing costs are charged to the Profit and Loss account in the period in which they are incurred.

### 11 Actuarial Assumptions

The actuarial liabilities are calculated in accordance with accepted actuarial practice, requirements of Insurance Act, Regulations notified by Insurance Regulatory and Development Authority of India and Practice Standards prescribed by the Institute of Actuaries of India.

#### Unit Reserves

Unit reserves are computed by multiplying the number of units with the unit price as on the valuation date.

#### Non Unit Reserves

Prospective gross premium cash flow method is used to compute the non unit liabilities in respect of the policies in force as at March 31, 2025. The cash flows are projected based on assumptions that reflect the expected future experience and have an appropriate allowance for margins for adverse deviations. The major assumptions relate to mortality, interest, expenses, persistency and inflation.

Additionally, for traditional par policies current year bonus rate, future bonus rates and terminal bonuses (wherever applicable) consistent with the valuation interest rate, transfer to shareholders and tax on the surplus are also taken into account while calculating the policy liability.

Additional provisions are made towards:

- I. Investment guarantees for unit linked business
- II. Substandard lives
- III. Unearned premium
- IV. Reserves for free look option given to the policyholders

Analysis of recent experience has indicated that about **2.85%** (Previous Year - 0.6%) of the individual policyholders tend to exercise the option. Accordingly, with appropriate prudence, **3.75%** (Previous Year - 0.75%) of the total charges collected (for that month) for new policies/coverages issued during a given month is being set aside as the reserve. For traditional products, **3.75%** of the modal premiums received (for that month) for new policies / coverage issued during the month less reserves held for such policy is being set aside as reserve.

- V Lapse and reduced paid-up policies eligible for revivals
- VI New Business Closure Reserve
- VII Cash Surrender Value Deficiency Reserve
- VIII Premium Waiver Claim Provision
- IX Incurred But Not Reported Claims Reserve

For yearly renewable group term business, unearned premium method is used to compute the reserves. In addition to the unearned premium reserve, provision is also made for incurred but not reported claims for group business as well.

For the valuation as on 31<sup>st</sup> March 2025, ABSLI has used following valuation assumptions. All these assumptions include margin for adverse deviations.

### 1 Interest

The interest rates used are in the range **5.60%** (Previous Year - 5.58%) per annum to **8.15%** (Previous Year - 8.00%) per annum.

### 2 Mortality Rates

The mortality rates used for the valuation of assurance benefits under each segment of business are based on the published IALM (2012-14) Ultimate Mortality Table modified to convert it from age nearest birthday to age last birthday mortality rates. Further to reflect the expected experience for own portfolio, ABSLI has taken multiple of the modified IALM (2012-14) mortality rates. Such mortality multiples are in the range of **22.58%** to **506.25%** (Previous Year - 21.82% to 457.875%). The mortality rates used for valuation of annuities are based on the 56.88% - 84.38% of the latest standard Annuitant Mortality Rates (Annuitant's Mortality Table 2012-15).

### 3 Expenses

The per policy maintenance expenses assumed for the valuation of liabilities are set looking at our recent experience and expected per policy expenses in future as per our business plan. The per policy maintenance expense per annum is upto **₹ 9.7024** (Previous Year - upto ₹ 9.2404 ) depending on the product. Commission scales have been allowed in accordance with the product filing.

### 4 Policy Termination Rates

The policy termination rates used for the valuation of liabilities ranges from **0.0% per annum to 48% per annum** (Previous Year - from 0.0% per annum to 32% per annum) for the first three policy years thereafter in the range of **0.0% per annum to 9% per annum** (Previous Year - 0.0% per annum to 6% per annum).

### 5 Bonus Rates

Regular and Terminal bonus rates, where applicable, are consistent with the valuation discount rate. This takes in to account the policyholders reasonable expectations (PREs)

### 6 Policyholder's Reasonable Expectations

For unit linked products Policyholders know that the returns on such plans are market linked and hence ultimate benefit payout would depend upon the mark to market performance of the underlying funds. Each ULIP proposal form is accompanied by a signed sales illustration illustrating values using gross return of **4%** and **8%** pa (Previous Year - 4% and 8% pa). For par products the bonus rates are declared consistent with the performance of the par fund and the illustrated rate of bonuses in the sales illustration provided at the time of selling the policy.

### 7 Taxation and Shareholder Transfers

Future transfers to shareholders as **1/9<sup>th</sup>** (Previous Year - 1/9<sup>th</sup>) of Cost of Bonus and tax on the future surpluses to be distributed between policyholders and shareholders are considered in calculation of policy liability for par products.

### 8 Basis of provisions for incurred but not reported (IBNR) claims

IBNR for individual life business, one-year renewable group term business and group credit life business is determined using chain ladder method taking into account the claim reporting pattern from past claim experience.

An amount of ₹ 314.58 (Previous year ₹ 739) was recognised in Revenue Account being the loss of the portion determined to be ineffective.

\* The Guidance note on Hedge accounting dated June 1, 2015 issued by Institute of Chartered Accountants of India specifically provides that any cumulative gain or loss on the hedging instrument that remains recognized directly in the appropriate equity account from the period when the hedge was effective should remain recognized in the equity account until the forecast transaction occurs. In addition, IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 clearly defines the Fair value change to reflect only unrealized gains / losses arising due to changes in the fair value of listed equity shares and derivative instruments.

Considering the above guidance and in the absence of any other line item to classify the released gains on Policyholders' Account in the Balance Sheet, the Company has reclassified the cumulative realized gains on forward rate agreements as "Realised Hedge Reserve" under schedule 6 (Reserves and Surplus) of the Financial Statements. The amount under this account shall be recycled to Revenue Account basis the forecasted transaction impacts the Revenue Account. Till such time, the amount reflected as part of Realised Hedge Reserve will not be available for payment of dividends to shareholders.

### 53 Audit Trail

As per the Ministry of Corporate Affairs ('MCA') notification no. G.S.R. 205(E) dated 24<sup>th</sup> March 2021 read with Rule 3(1) of Companies (Accounts) Rules, 2022, as amended, all the companies for the financial year commencing on or after April 01, 2023 should use only such accounting software which has audit trail feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

Management has evaluated all its IT Applications and have determined applications which fall under the definition of accounting software and has noted that audit trail (edit log) feature was functional, operated and was not disabled throughout the year for all the transactions recorded in the applications except for:

- The Company uses an accounting software managed on SAAS (Software as a Service) platform for maintaining its books of account and audit trail is enabled at the application level, however in the System and Organization Controls (SOC 1) Type 2 Report of Cloud service provider, there is no specific mention of the same being enabled at database level. The Company has obtained confirmation from SAAS provider that they have not made changes to database;
- The accounting software related to receipting did not have a feature of maintaining earlier values of changes made in master records; and
- In respect of the accounting software related to policy administration systems, investments, commission, and premium receipting, audit trail feature was not enabled at the database level to log any direct data changes to avoid operational issues including system slowness. There are alternate standard controls in place to monitor database.

Also, audit trail logs has been preserved by the Company as per the statutory requirements for record retention.

## 11. VALUATION OF INVESTMENTS

### 1. Debt securities

#### a. Policyholders' non-linked funds and shareholders' investments:

All debt and money market securities, Government securities are considered as 'held to maturity' and measured at historical cost subject to amortisation. The discount or premium which is the difference between the purchase price and the redemption amount of fixed income securities is amortized and recognized in the revenue account, using Effective interest rate method (EIR) over the remaining period to maturity of these securities. The AT1 Bonds are valued at market value, using market yield to call published by SEBI registered rating agency CRISIL, using Bond Valuer

#### b. Policyholders' linked funds:

Central and State Government securities are valued as per the prices released by CRISIL. All other debt securities with a residual maturity over 182 days are valued through CRISIL Bond Valuer based on the matrix released by CRISIL. Debt securities other than Government securities with a residual maturity up to 182 days are valued at last valuation price plus the difference between the redemption value and last valuation price, spread uniformly over the remaining maturity period of the instrument. Money market instruments (including T Bills) are valued at historical cost, subject to amortization of premium or discount which is the difference between the purchase price and the redemption amount using effective interest rate method over the remaining period to maturity of these securities.

### 2. (a) Equity shares/ Non-redeemable Preference shares, Exchange traded funds and Infrastructure Investment Trusts:

Listed equity/preference shares, Exchange traded funds and Infrastructure Investment Trusts are valued and stated at fair value, using the last quoted closing prices on the National Stock Exchange (NSE), at the balance sheet date. If the equity shares are not traded on the NSE, then closing prices of the Bombay Stock Exchange (BSE) is considered.

Bonus entitlements are recognised as investments on the 'ex-bonus date'. Right entitlements are accrued and recognised on the date the original share (on which the right entitlement accrues) are traded on the stock exchange on an 'ex-rights date'.

Unlisted equity/preference shares are valued at historical Cost with provision for diminution in value of securities.

### (b) Redeemable Preference shares :

Redeemable Preference Shares are valued at historical cost, subject to amortization of premium or discount which is the difference between the purchase price and the redemption amount using effective interest rate method over the remaining period to maturity of these securities.

#### Policyholders' linked funds:

Listed redeemable preference shares are valued and stated at fair value, using the last quoted closing prices on the National Stock Exchange (NSE), at the balance sheet date. If the equity shares are not traded on the NSE, then closing prices of the Bombay Stock Exchange (BSE) is considered.

### 3. Mutual Funds

Mutual Funds are valued on previous day's net asset value published by the respective mutual funds.

## 4. Gain / loss

Unrealized gains / losses for debt securities including Government securities, listed equity/preference shares/Infrastructure Investment Trust/ETFs and mutual funds are recognized in revenue account in case of linked funds.

Unrealized gain / loss due to changes in fair value of listed equity/preference shares/Infrastructure Investment Trust/AIFs/ETFs and mutual funds are taken to the Fair Value Change account for other than linked business and are carried to the Balance Sheet.

## 5. Alternate Investment Funds(AIFs):

AIFs are valued at latest available NAV at each reporting date. If such NAV is not available for more than eighteen months, AIFs will be valued at cost.

## 6. Diminution in the value of Investments

Diminution in the value of investments as at the balance sheet date, other than temporary, is recognized as an expense in the Revenue / Profit & Loss account.

## 7. Valuation of Derivative Instrument:-

- (a) ABSLI has Guaranteed products where the returns to the policy holders are fixed and the Company is exposed to interest rate risk on account of investment from receipt of subsequent premiums and sum of interest and maturity from investment made out of premiums received.

A Forward Rate Agreement ('FRA') transaction is that whereby Company agrees to buy underlying security at fixed yield at future date. Company has entered in FRA to hedge interest rate risk on forecasted premium receivable at future date. As on the date of entering into the FRA, the Company fixes the yield on the investment in a sovereign bond that would take place at a future date.

For Cash Flow Hedges, hedge effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. The portion of fair value gain / loss on the Interest Rate Derivative that is determined to be an effective hedge is recognised directly in appropriate equity account i.e. 'Hedge Fluctuation Reserve'. The ineffective portion of the change in fair value of such instruments is recognised in the Revenue Account in the period in which they arise. If the hedging relationship ceases to be effective or it becomes probable that the expected forecast transaction will no longer occur, hedge accounting is discontinued and accumulated gains or losses that were recognised directly in the Hedge Fluctuation Reserve are reclassified into Revenue Account. All derivatives are initially recognised in the Balance sheet at their fair value, which usually represents their cost. They are subsequently re-measured at their fair value, with the method of recognising movements in this value. All derivatives are carried as assets when the fair values are positive and as liabilities when the fair values are negative.

IRDAI master circular on Actuarial, Finance and Investment Functions of Insurers, 2024 allows insurers to deal in rupee denominated interest rate derivatives. The Company has well defined Board approved Derivative Policy and Process document covering various aspects related to functioning of the derivative transactions which are undertaken to mitigate interest rate risk as per the hedge strategy, thereby managing the volatility of returns from future fixed income investments, due to variations in market interest rates.

Mark to market valuation is done independently by both the parties. In case of variation in valuation, the counter party (bank) valuation prevails as the counter party (bank) is the valuation agent as per agreement. However, the same can be disputed by ABSLI if valuation difference is not agreeable.

# Independent Auditor's Report

To the Members of

**Aditya Birla Sun Life Insurance Company Limited**

## REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

### Opinion

- 1) We have audited the accompanying consolidated financial statements of **Aditya Birla Sun Life Insurance Company Limited** (hereinafter referred to as the "Holding Company" or "Company") and its subsidiary, Aditya Birla Sun Life Pension Fund Management Limited (the Holding Company and its subsidiary together referred to as the "Group"), comprising of the Consolidated Balance Sheet as at March 31, 2025, Consolidated Revenue Account (also called the "Policyholders' Account" or the "Technical Account"), the Consolidated Profit and Loss Account (also called the "Shareholders' Account" or the "Non-Technical Account") and the Consolidated Receipts and Payments Account for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.
- 2) In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements of the subsidiary referred to in Other Matters section below, the aforesaid consolidated financial statements give the information required by provisions of the Insurance Act, 1938, (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999, (the "IRDA Act"), the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 (the "IRDAI Financial Statements Regulations"), including circulars/orders/directions issued by the Insurance Regulatory and Development Authority of India (the "IRDAI") in this regard and the Companies Act, 2013, as amended (the "Act") in the manner so required to give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act ("Accounting Standards") and

other accounting principles generally accepted in India, as applicable to the insurance companies:

- i. in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31 2025;
- ii. in the case of the Consolidated Revenue Account, of the net deficit for the year ended March 31, 2025;
- iii. in the case of the Consolidated Profit and Loss Account, of the profit for the year ended March 31, 2025; and
- iv. in the case of the Consolidated Receipts and Payments Account, of the receipts and payments for the year ended March 31, 2025.

### Basis for Opinion

- 3) We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (the "SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Key Audit Matter

- 4) Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

**Key Audit Matter****Information Technology Systems:**

The Holding Company is dependent on its Information Technology ("IT") systems due to the significant number of transactions that are processed daily across such multiple and discrete IT systems. Also, IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner and under controlled environments. Appropriate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to applications and data. On account of the pervasive use of its IT systems, the testing of the general computer controls of the IT systems used in financial reporting was considered to be a Key Audit Matter.

**How the matter was addressed in our audit**

With the assistance of our IT specialists, we obtained an understanding of the Holding Company's IT applications, databases and operating systems relevant to financial reporting and the control environment. For these elements of the IT infrastructure the areas of our focus included access security (including controls over privileged access), program change controls, database management and network operations. In particular:

- We tested the design, implementation, and operating effectiveness of the Holding Company's general IT controls over the IT systems relevant to financial reporting. This included evaluation of Holding Company's controls over segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being recertified during the period of audit.
- We also tested key automated business cycle controls and logic for the reports generated through the IT infrastructure that were relevant for financial reporting or were used in the exercise of internal financial controls with reference to financial statements. Our tests included testing of the compensating controls or alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the Financial Statements.

## Information Other than the Financial Statements and Auditor's Report Thereon

- 5) The Holding Company's Board of Directors is responsible for the other information, comprising of the information included in the Management Discussion and Analysis, Corporate Governance Report and the Board's Report including Annexures to Board's Report and such other disclosures related Information which are expected to be made available to us after the date of this auditor's report, but does not include the standalone financial statements, consolidated financial statements and auditor's reports thereon. date of this auditor's report. ('Other Information').

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Management Discussion and Analysis, Corporate Governance Report and Board's Report including Annexures to Board's Report and such other disclosures

related information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## Responsibilities of Management and Board of Directors for the Consolidated Financial Statements

- 6) The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the Consolidated Balance Sheet, the related Consolidated Revenue Account, the Consolidated Profit and Loss Account and Consolidated Receipts and Payments Account of the group in accordance with the accounting principles generally accepted in India, including the provisions of the Insurance Act, the IRDA Act, the IRDAI Financial Statements Regulations and circulars/orders/directions issued by the IRDAI in this regard and Accounting Standards specified under section 133 of the Act and other accounting principles generally accepted in India, as applicable to the insurance companies.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### Auditor's Responsibility for the Audit of the Consolidated Financial Statements

- 7) Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
- 8) As part of our audit in accordance with SAs we exercise professional judgement and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, to design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the standalone financial statements of the Holding Company included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which have been audited by the other auditor, such other auditor remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.
- 9) Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matters

- 10) The actuarial valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2025, is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2025, has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the IRDAI and the Institute of Actuaries of India in concurrence with the IRDAI. We have relied upon Appointed Actuary's certificate for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists in consolidated financial statements of the Company.
- 11) The Consolidated Financial Statements for the year ended March 31, 2024 were audited by S. B. Billimoria & Co. LLP, Chartered Accountants and Haribhakti & Co. LLP, Chartered Accountants, the Joint Statutory Auditors of the Company, whose reports dated April 25, 2024 expressed an unmodified opinion on those financial statements.

## Our opinion is not modified in respect of these matters.

- 12) We did not audit the financial statements of the subsidiary, whose financial statements reflect total assets of Rs. 7,277 lakh as at March 31, 2025, total revenues of Rs. 813 lakhs and net cash inflows amounting to Rs. 170 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose report has been furnished to us by the management and our opinion on consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of such subsidiary and our report in terms of sub-section (3) of Section 143 of the Act, in so far it relates to the aforesaid subsidiary, is based solely on the audit report of the other auditor.

Our opinion on the consolidated financial statements and our Report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

## Report on Other Legal and Regulatory Requirements

1. As required by the IRDAI Financial Statements Regulations, read with Section 143(3) of the Act based on our audit, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

of account which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems except :

- in respect of a customer masters in one premium receipting accounting software wherein earlier value is not retained;
- the Holding Company has used an accounting software operated by a third party software service provider, for maintaining its books of account and in absence of an independent auditor's report covering the audit trail requirement, we are unable to comment whether audit trail feature of the said software was enabled at the database level to log any direct data changes;
- in respect of the accounting software related to policy administration systems, investments and derivatives, commission and premium receipting, audit trail feature was not enabled at the database level to log any direct data changes.

Further, during the course of our audit, we and respective other auditors, whose report have been furnished to us by the Management of the Holding Company, have not come across any instance of audit trail feature being tampered with in respect of accounting software for the period for which the audit trail feature was enabled and operating. Additionally, the audit trail has been preserved by the Holding Company and above referred subsidiary company as per the statutory requirements for record retention.

## Annexure “A” to The Independent Auditors’ Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date))

### REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (THE “ACT”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to financial statements of **Aditya Birla Sun Life Insurance Company Limited** (hereinafter referred to as “the Holding Company”), and its subsidiary company incorporated in India, as of that date.

The actuarial valuation of liabilities for life policies in force and policies where premium is discontinued is required to be certified by the Appointed Actuary as per the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 (the “IRDAI Financial Statements Regulations”) and has been relied upon by us, as mentioned in paragraph 10 under Other Matters section of our audit report on the consolidated financial statements of the Holding Company as at and for the year ended March 31, 2025. Accordingly, we have not audited the internal financial controls with reference to financial statements in respect of the valuation and accuracy of the aforesaid actuarial valuation.

### MANAGEMENT’S AND BOARD OF DIRECTORS’ RESPONSIBILITIES FOR INTERNAL FINANCIAL CONTROLS

The respective Company’s Management and Board of Directors of the Holding Company and its subsidiary company which is incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statement criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required by provisions of the Insurance Act, 1938, as amended (the

“Insurance Act”), the Insurance Regulatory and Development Authority Act, 1999, as amended (the “IRDA Act”), the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 (the “IRDAI Financial Statements Regulations”), including circulars/ orders/directions issued by the Insurance Regulatory and Development Authority of India (the “IRDAI”) in this regard and the Companies Act, 2013, as amended (the “Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, as applicable to insurance companies.

### AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor of the subsidiary company incorporated in India, in terms of their report referred to in the Other matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding company and its subsidiary incorporated in India, internal financial controls with reference to consolidated financial statements.

## MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A Company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

## INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may

occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## OPINION

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary company incorporated in India have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to financial statement criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

## OTHER MATTER

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to subsidiary company incorporated in India is based on the corresponding reports of the auditor of subsidiary company.

Our Opinion is not modified in respect of the above matter.

### 2 Significant Accounting Policies

#### a) Basis of Preparation

These consolidated financial statements of the the Company and its subsidiaries (collectively referred to as the "Group") are prepared in accordance with the principles and procedures for preparation and presentation of consolidated financial statements as laid down under the Accounting Standard (AS) 21, "Consolidated Financial Statements" and are presented in the same format as that of the Company. The financial statements of the Group have been combined on a line-by-line basis by adding together similar items of assets, liabilities, income and expenses in respective components of financial statements after eliminating intra-group balances and transactions. The Policyholders' account specifically dealing with direct insurance business governed by IRDAI regulations has retained its distinct independent form in these consolidated financial statements.

The accompanying financial statements have been prepared and presented under the historical cost convention, unless otherwise stated, and on accrual basis of accounting, in accordance with accounting principles generally accepted in India, including the provisions of the Insurance Act, 1938 as amended by the Insurance Laws (Amendment) Act, 2015 (the "Insurance Act"), the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 (the "IRDA Financial Statements Regulations"), the Master Circular on Actuarial, Finance and Investment Functions of Insurers Ref No. IRDAI/ACTL/CIR/MISC/80/05/2024 dated 17<sup>th</sup> May 2024 ("the Master Circular") and various other orders/circulars/directions issued by the Insurance Regulatory and Development Authority of India (the "IRDAI") in this regard, the Accounting Standards specified under Section 133 of the Companies Act, 2013 to the extent applicable and practices prevailing in the insurance industry in India. The accounting policies have been consistently applied by the Company except where differential treatment is required as per new pronouncements issued by the regulatory authorities.

The management evaluates all recently issued or revised accounting pronouncements on an on-going basis.

#### b) Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles ('GAAP') requires that the Company's management make estimates and assumptions that affect the reported amounts of income and expenses for the year, reported balances of assets and liabilities and disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and assumptions used in the financial statements are based upon management's evaluation of the relevant facts and circumstances as on date of the financial statement. Any revision to accounting estimates is recognised prospectively. Examples of such estimates include valuation of policy liabilities, provision for linked liabilities, funds for future appropriations, provision for doubtful debts, valuation of unlisted securities, if any, valuation of debt securities, future obligations under employee retirement benefits plans and the useful lives of fixed assets, etc. Actual results could differ from those estimates.

**b) ii) Redeemable Preference shares:**

Policyholders' non-linked funds and shareholders' investments:

Redeemable Preference Shares are valued at historical cost, subject to amortisation of premium or discount which is the difference between the purchase price and the redemption amount using effective interest rate method over the remaining period to maturity of these securities.

Policyholders' linked funds:

Listed redeemable preference shares are valued and stated at fair value, using the last quoted closing prices on the National Stock Exchange (NSE), at the balance sheet date. If the equity shares are not traded on the NSE, then closing prices of the Bombay Stock Exchange (BSE) is considered.

**c) Mutual Funds**

Mutual Funds are valued on previous day's net asset value published by the respective mutual funds

**d) Gain/loss**

Unrealised gains/losses for debt securities including Government securities, listed equity/preference shares/ Infrastructure Investment Trust/ETFs and mutual funds are recognised in revenue account in case of linked funds.

Unrealised gain/loss due to changes in fair value of listed equity/preference shares/Infrastructure Investment Trust/ AIFs/ETFs and mutual funds are taken to the Fair Value Change account for other than linked business and are carried to the Balance Sheet.

**e) Diminution in the value of Investments**

Diminution in the value of investments as at the balance sheet date, other than temporary, is recognised as an expense in the Revenue/Profit & Loss account.

**f) Alternate Investment Funds(AIFs)**

AIFs are valued at latest available NAV at each reporting date. If such NAV is not available for more than eighteen months, AIFs will be valued at cost

**g) Valuation of Derivative Instrument:-**

- i. ABSLI has Guaranteed products where the returns to the policy holders are fixed and the Company is exposed to interest rate risk on account of investment from receipt of subsequent premiums and sum of interest and maturity from investment made out of premiums received.

A Forward Rate Agreement ('FRA') transaction is that whereby Company agrees to buy underlying security at fixed yield at future date. Company has entered in FRA to hedge interest rate risk on forecasted premium receivable at future date. As on the date of entering into the FRA, the Company fixes the yield on the investment in a sovereign bond that would take place at a future date.

For Cash Flow Hedges, hedge effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. The portion of fair value gain/loss on the Interest Rate Derivative that is determined to be an effective hedge is recognised directly in appropriate equity account i.e. 'Hedge Fluctuation Reserve'. The ineffective portion of the change in fair value of such instruments is recognised in the Revenue Account in the period in which they arise. If the hedging relationship ceases to be effective or it becomes probable that the expected forecast transaction will no longer occur, hedge accounting is discontinued and accumulated gains or losses that were recognised directly in the Hedge Fluctuation Reserve are reclassified into Revenue Account. All derivatives are initially recognised in the Balance sheet at their fair value, which usually represents their cost. They are subsequently re-measured at their fair value, with the method of recognising movements in this value. All derivatives are carried as assets when the fair values are positive and as liabilities when the fair values are negative.

IRDAI master circular on Actuarial, Finance and Investment Functions of Insurers, 2024 allows insurers to deal in rupee denominated interest rate derivatives. The Company has well defined Board approved Derivative Policy and Process document covering various aspects related to functioning of the derivative transactions which are undertaken to mitigate interest rate risk as per the hedge strategy, thereby managing the volatility of returns from future fixed income investments, due to variations in market interest rates.

Mark to market valuation is done independently by both the parties. In case of variation in valuation, the counter party (bank) valuation prevails as the counter party (bank) is the valuation agent as per agreement. However same can be disputed by ABSLI if valuation difference is not agreeable."

**ii. Derivatives are undertaken by Company solely for the purpose of hedging interest rate risks on account of following:**

- a) Reinvestment of maturity proceeds of existing fixed income investments;
- b) Investment of interest income receivable; and
- c) Expected policy premium income receivable on insurance contracts which are already underwritten.

**iii. Investment transfer**

Transfers of Investments from Shareholders' funds to the Policyholders' funds are affected at the lower of amortised cost or market value in respect of all debt securities including money market instruments and at the cost or market value whichever is lower in case of other securities.

Inter-fund transfer of debt securities relating to Linked Policyholders' Funds is effected at last available market value. Inter fund transfer of equity are done during market hours at the prevailing market price

**iv. Impairment on Investment**

The carrying amounts of investments are reviewed at each balance sheet date. If there is any indicator of impairment based on internal/external factors, an impairment loss is recognised as an expense in Revenue/Profit or Loss account, to the extent of difference between the re-measured fair value and the acquisition cost as reduced by any previous impairment loss recognised as expense in Revenue/Profit and Loss Account. Any reversal of impairment loss, earlier recognised in profit and loss account shall be recognised in Revenue/Profit and Loss account.

### h) Loans Against Policies

Loans against policies are valued at the aggregate of book values (net of repayments) plus capitalised interest and are subject to impairment, if any.

Loans are classified as short-term in case the maturity is less than twelve months. Loans other than short-term are classified as long-term.

### i) Fixed Assets, Capital work-in-progress and impairment

#### i. Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. Cost includes the purchase price and any cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent expenditure incurred on fixed assets is expensed out in the year of expense except where such expenditure increases the future economic benefits from the existing assets.

Advances paid towards the acquisition of fixed assets outstanding at each balance sheet date and the cost of fixed assets not ready for its intended use before such date are disclosed under capital work-in-progress.

Assets costing up to ₹ 0.05 being low value assets are fully depreciated in the year of acquisition. Depreciation on fixed assets is provided using the straight-line method based on the economic useful life of assets as estimated by the management is as below;

### ii. *Intangibles*

Intangible assets comprise of software which are stated at cost less amortisation. Significant expenditure incurred on improvement of software are capitalised when it is probable that such expenditure will enable the assets to generate future economic benefits more than its originally assessed standards of performance. Subsequent capital expenditures are amortised over the remaining useful life of the original software. Any expenditure for software and maintenance of the software is charged to the Revenue Account. Software licenses are amortised using Straight-Line Method over a period of its estimated useful life (same is being periodically reviewed).

Aditya Birla Sun Life Pension Fund Management Limited:

Intangible assets are recognised when it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are amortised as follows :

- a) Computer software - over a period of 3 years
- b) Website - over a period of 3 years

### iii. *Capital work-in-progress*

Assets not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.

### iv. *Impairment of Assets*

At each balance sheet date, management assesses whether there is any indication, based on internal/external factors, that an asset may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount, subject to maximum of depreciable historical cost.

### j) **Operating Leases**

The Group classifies leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term, as Operating Leases. Operating lease rentals are recognised as an expense on a straight-line basis over the lease period.

### k) **Employee Benefits**

#### i. **Short-Term Employee Benefits**

All employee benefits payable within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries and bonuses are recognised in the period in which the employee renders the related service.

Additional benefits such as Mediclaim insurance, reimbursements are expensed when incurred by the employee.

### ii. Long-Term Employment Benefits

The Group has both defined contribution and defined benefit plans. These plans are financed by the Group.

Additional benefits such as Medclaim insurance, reimbursements are expensed when incurred by the employee.

#### • Defined Contribution Plans:

The Group defined contribution schemes for superannuation and provident fund to provide retirement benefits to its employees. Contributions to the superannuation schemes are made on a monthly basis and charged to revenue account when due.

National Pension Scheme (which is Company contribution) are the defined contribution plans for the employees. The contributions paid/payable under the plan are made when due and charged to the Revenue Account and the Profit and Loss Account on an undiscounted basis during the period in which the employee renders the related service. The Group does not have any further obligation beyond the contributions made to the funds.

#### • Defined Benefit Plans:

Gratuity liability is defined benefit obligation and is funded. The Group accounts for liability for future gratuity benefits based on independent actuarial valuation under revised Accounting Standard 15 (AS 15) on 'Employee Benefits'.

### iii. Other Long-Term Employee Benefits

Compensated absences are entitled to be carried forward for future encashment or availment, at the option of the employee during the tenure of the employment, subject to the rules framed by the Company in this regard. Accumulated compensated absences entitlements outstanding at the close of the year are accounted on the basis of an independent actuarial valuation. Accumulated entitlements at the time of separation are entitled to be encashed.

Long-term incentives plans are subject to fulfilment of criteria prescribed by the Company and are accounted for at the present value of future expected benefits payable using an appropriate discount rate. Actuarial gains or losses, if any, due to experience adjustments and the effects of changes in actuarial assumptions are accounted for in the Revenue Account, as the case may be, in the period in which they arise.

### iv. Employee share-based payments

The Employee Stock Option Scheme ('the Scheme') provides that eligible employees are granted options to subscribe to equity shares of the Company which vest in a graded manner. The vested options may be exercised within a specified period.

The Company follows the fair value method to account for its share-based employee compensation plans in accordance with the Guidance Note on Accounting for Share based Payments, issued by the Institute of Chartered Accountants of India (ICAI). The fair value of shares is derived using Black-Scholes-Merton Model.

### I) Foreign Currency Transactions

Transactions in foreign currency are recorded at the rate of exchange prevailing at the date of the transaction. Monetary assets and liabilities in foreign currency are translated at the rates existing as at the balance sheet date. The resulting exchange gain or loss is reflected, in the revenue account or the profit and loss account, as the case may be.

### m) Segment Reporting

As per Accounting Standard 17 (AS 17) on 'Segment Reporting' read with the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024, the Group is required to report segment results separately for linked, non-linked, health and pension businesses. The business is broadly classified as Participating non-linked, Non Participating Unit Linked and Non-Linked businesses, which are further segmented into Individual Life, Group Life, Group Life Variable, Individual Pension, Annuity Individual, Group Annuity, Group Pension, Group Pension Variable and Individual Health businesses. Accordingly, the Group has prepared the revenue account and balance sheet for these primary business segments separately. Since the business operation of the Group is in India only, the same is considered as one geographical segment.

#### Allocation Methodology:

The following basis has been used for allocation of revenues, expenses, assets and liabilities to the business segments:

- > Revenues, other income, other expenses, assets and liabilities which are not directly identifiable though attributable to a business segment, are allocated on the following basis, as considered appropriate by the management> First Year Premium & 10% of Single Premium ;
- > Gross commission;
- > Sum assured;
- > Policy liability;
- > Asset under management;
- > New Business Policy Count;
- > Enforce policy count
- > Employee Cost

The method of allocation and apportionment has been decided based on the nature of the expense and its logical correlation with various business segments. The allocation and apportionment of expenses amongst various business segments is in accordance with Board Approved Policy.

### n) Taxation

#### i. Direct Taxes

The Income-Tax Act, 1961 prescribes that profits and gains of life insurance Companies will be the surplus or deficit disclosed by the actuarial valuation made in accordance with the Insurance Act.

Deferred income tax is recognised for future tax consequences attributable to timing differences between income as determined by the financial statements and the recognition for income tax purposes. The effect on deferred tax assets and liabilities of a change in tax rates is recognised using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation law, deferred tax assets are recognised only if there is virtual certainty backed by convincing evidence that such deferred assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably or virtually certain, as the case may be, to be realised.

For Aditya Birla Sun Life Pension Fund Management Limited, MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

Registration Number: 109 dated 31<sup>st</sup> January 2001

### ii. Indirect Taxes

The Group claims credit of Goods and Services tax for input services, which is set off against tax on output services. The unutilised credits, if any are carried forward to the future period for set off where there is reasonable certainty of utilisation.

### o) Provisions and Contingencies

A provision is recognised when the Group has a present legal obligation as a result of past event/s and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect current best estimates. A disclosure for contingent liability is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of resources or it cannot be reliably estimated. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. A contingent asset is neither recognised nor disclosed.

### p) Funds for Future Appropriation

For Participating business, the balance in the funds for future appropriations account represents funds, the allocation of which, either to participating Policyholders or to Shareholders, has not been determined at the Balance Sheet date. Transfers to and from the fund reflect the excess or deficit of income over expenses and appropriations in each accounting period arising in the Company's Policyholders' fund. In respect of the Participating policies, any allocation to the policyholder would also give rise to a shareholder transfer in the required proportion. For Unit-Linked business, the funds for future appropriations represents a proportion of the charge deducted from policies on premium discontinuance. This charge is held until the earlier of revival, exit or the end of the revival period of the policy.

### q) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

### r) Cash and Cash Equivalents

Cash and cash equivalents for the purposes of Receipts and Payments account include cash and cheques in hand; bank balances and other investments with original maturity of three months or less which are subject to insignificant risk of changes in value.

### s) Receipts and Payments Account

Receipts and Payments Account is prepared and reported using the Direct Method, in conformity with Para 2(a) (i) of the Master Circular on Actuarial, Finance and Investment Functions of Insurers dated 17<sup>th</sup> May 2024 issued by the IRDAI.

### t) Actuarial Liability Valuation

The actuarial Liabilities are calculated in accordance with accepted actuarial practice, requirements of Insurance Act, regulations notified by the Insurance Regulatory and Development Authority of India and Actuarial Practice Standards of the Institute of Actuaries of India.

### u) Provision for Doubtful Debts

The Group regularly evaluates the probability of recovery and provides for doubtful advances and other receivables.

### v) Valuation of Loan to Body Corporate

Corporate Loans are valued at cost less provision.

### w) Borrowings

The Group has valued the unsecured, subordinated, listed and unlisted, redeemable and non-convertible debentures at cost.

Borrowing costs are charged to the Profit and Loss account in the period in which they are incurred.

### 7 Actuarial Assumptions

The actuarial liabilities are calculated in accordance with accepted actuarial practice, requirements of Insurance Act, Regulations notified by Insurance Regulatory and Development Authority of India and Practice Standards prescribed by the Institute of Actuaries of India.

#### Unit Reserves

Unit reserves are computed by multiplying the number of units with the unit price as on the valuation date.

#### Non-Unit Reserves

Prospective gross premium cash flow method is used to compute the non unit liabilities in respect of the policies in force as at 31<sup>st</sup> March 2025. The cash flows are projected based on assumptions that reflect the expected future experience and have an appropriate allowance for margins for adverse deviations. The major assumptions relate to mortality, interest, expenses, persistency and inflation.

Additionally, for traditional par policies current year bonus rate, future bonus rates and terminal bonuses (wherever applicable) consistent with the valuation interest rate, transfer to shareholders and tax on the surplus are also taken into account while calculating the policy liability.

Additional provisions are made towards:

- I. Investment guarantees for unit linked business
- II. Substandard lives
- III. Unearned premium
- IV. Reserves for free look option given to the policyholders

Analysis of recent experience has indicated that about 2.85% (Previous Year - 0.6%) of the individual policyholders tend to exercise the option. Accordingly, with appropriate prudence, 3.75% (Previous Year - 0.75%) of the total charges collected (for that month) for new policies/coverages issued during a given month is being set aside as the reserve. For traditional products, 3.75% of the modal premiums received (for that month) for new policies/coverage issued during the month less reserves held for such policy is being set aside as reserve.

- V Lapse and reduced paid-up policies eligible for revivals
- VI New Business Closure Reserve
- VII Cash Surrender Value Deficiency Reserve
- VIII Premium Waiver Claim Provision
- IX Incurred But Not Reported Claims Reserve

For yearly renewable group term business, unearned premium method is used to compute the reserves. In addition to the unearned premium reserve, provision is also made for incurred but not reported claims for group business as well.

For the valuation as on 31<sup>st</sup> March 2025, ABSLI has used following valuation assumptions. All these assumptions include margin for adverse deviations.

### 1 Interest

The interest rates used are in the range 5.60% (Previous Year - 5.58%) per annum to 8.15% (Previous Year - 8.0%) per annum.

### 2 Mortality Rates

The mortality rates used for the valuation of assurance benefits under each segment of business are based on the published IALM (2012-14) Ultimate Mortality Table modified to convert it from age nearest birthday to age last birthday mortality rates. Further to reflect the expected experience for own portfolio, ABSLI has taken multiple of the modified IALM (2012-14) mortality rates. Such mortality multiples are in the range of 22.58% to 506.25% (Previous Year - 21.82% to 457.875%). The mortality rates used for valuation of annuities are based on the 56.88% - 84.38% of the latest standard Annuitant Mortality Rates (Annuitant's Mortality Table 2012-15).

### 3 Expenses

The per policy maintenance expenses assumed for the valuation of liabilities are set looking at our recent experience and expected per policy expenses in future as per our business plan. The per policy maintenance expense per annum is up to ₹ 9.7024 (Previous Year - up to ₹ 9.2404 ) depending on the product. Commission scales have been allowed in accordance with the product filing.

(Amounts in lakhs of Indian Rupees)

### 4 Policy Termination Rates

The policy termination rates used for the valuation of liabilities ranges from 0.0% per annum to 48% per annum (Previous Year - from 0.0% per annum to 32% per annum) for the first three policy years thereafter in the range of 0.0% per annum to 9% per annum (Previous Year - 0.0% per annum to 6% per annum).

### 5 Bonus Rates

Regular and Terminal bonus rates, where applicable, are consistent with the valuation discount rate. This takes in to account the policyholders reasonable expectations (PREs)

### 6 Policyholder's Reasonable Expectations

For unit linked products Policyholders know that the returns on such plans are market linked and hence ultimate benefit payout would depend upon the mark to market performance of the underlying funds. Each ULIP proposal form is accompanied by a signed sales illustration illustrating values using gross return of 4% and 8% pa (Previous Year - 4% and 8% pa). For par products the bonus rates are declared consistent with the performance of the par fund and the illustrated rate of bonuses in the sales illustration provided at the time of selling the policy.

### 7 Taxation and Shareholder Transfers

Future transfers to shareholders as 1/9<sup>th</sup> (Previous Year - 1/9<sup>th</sup>) of Cost of Bonus and tax on the future surpluses to be distributed between policyholders and shareholders are considered in calculation of policy liability for par products.

### 8 Basis of provisions for incurred but not reported (IBNR) claims

IBNR for individual life business, one-year renewable group term business and group credit life business is determined using chain ladder method taking into account the claim reporting pattern from past claim experience.

## Schedules forming part of the Financial Statements

For year ended 31<sup>st</sup> March, 2025

(Amounts in lakhs of Indian Rupees)

An amount of ₹ 314.58 (Previous year ₹ 739) was recognised in Revenue Account being the loss of the portion determined to be ineffective.

\* The Guidance note on Hedge accounting dated 1<sup>st</sup> June 2015 issued by Institute of Chartered Accountants of India specifically provides that any cumulative gain or loss on the hedging instrument that remains recognised directly in the appropriate equity account from the period when the hedge was effective should remain recognised in the equity account until the forecast transaction occurs. In addition, IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 clearly defines the Fair value change to reflect only unrealised gains/losses arising due to changes in the fair value of listed equity shares and derivative instruments.

Considering the above guidance and in the absence of any other line item to classify the realised gains on Policyholders' Account in the Balance Sheet, the Company has reclassified the cumulative realised gains on forward rate agreements as "Realised Hedge Reserve" under schedule 6 (Reserves and Surplus) of the Financial Statements. The amount under this account shall be recycled to Revenue Account basis the forecasted transaction impacts the Revenue Account. Till such time, the amount reflected as part of Realised Hedge Reserve will not be available for payment of dividends to shareholders.

# Independent Auditor's Report

To  
The Members of **Aditya Birla Sun Life Pension Fund Management Limited** (formerly known as Aditya Birla Sun Life Pension Management Limited)

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

We have audited the financial statements of **Aditya Birla Sun Life Pension Fund Management Limited** (the 'Company'), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2025, and the Statement of Profit and Loss and the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of Material Accounting Policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2025, and its loss, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of the Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

## Independent Auditor's Report (Contd.)

presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the **Annexure 'A'** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

## Independent Auditor's Report (Contd.)

- (iv) (a) The management of the Company has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (the 'Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (the 'Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management of the Company has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities (the 'Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (the 'Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures, we have considered reasonable and appropriate in the circumstances nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material mis-statement.
- (v) The Company neither declared nor paid dividend during the year. Accordingly, the Company is not required to comply with Section 123 of the Act.

## Independent Auditor's Report (Contd.)

- (vi) The Company has used the accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that the audit trail feature was not enabled at the database level to log any direct data changes for the accounting softwares used for maintaining books of accounts.

However, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the accounting softwares used for maintaining books of accounts, there were no instances of the audit trail feature being tampered with.

The Company has the process for preservation of the edit log (audit trail) as per the statutory requirements for retention of records for the financial year ended 31<sup>st</sup> March 2025.

- (xvii) The Company has incurred cash losses amounting to ₹ 102,921.21 in thousand and ₹ 81,176.38 in thousand in the financial year covered by our audit and in the immediately preceding financial year respectively.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, the Paragraph 3 (xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee or any assurance that all liabilities falling due within a period of one year from the Balance Sheet date will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us, the provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, the Paragraph 3 (xx) of the Order is not applicable to the Company.

## Annexure 'B' to the Independent Auditor's Report

(Referred to in paragraph 2(f) of our report of even date)

### REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER SECTION 143 (3) (I) OF THE COMPANIES ACT, 2013 (THE 'ACT')

We have audited the internal financial controls over financial reporting of **Aditya Birla Sun Life Pension Fund Management Limited** (the 'Company'), as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial

reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

## INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## OPINION

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material

respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

## NOTE: 1

### 1.1 Corporate Information

Aditya Birla Sun Life Pension Management Limited ("the Company") is a wholly owned subsidiary of Aditya Birla Sun Life Insurance Company Limited. The Company is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company was incorporated on January 09, 2015 with Registration Number U66000MH2015PLC260801 with specific purpose of managing pension fund business. Pension Fund Regulatory and Development Authority ("PFRDA") has granted Certificate of Registration vide a letter dated February 23, 2016 (bearing registration No.: PFRDA/Birla PF/2016) to Aditya Birla Sun Life Pension Management Limited to act as pension fund under National Pension System (NPS).

### 1.2 Material Accounting Policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### A. Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Companies Act, 2013 ('the Act').

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. These financial statements were authorized for issue by the Company's Board of Directors on 18<sup>th</sup> April 2024.

The financial statements have been prepared on a historical cost basis except for the following:

- Certain financial assets and liabilities - measured at fair value (refer accounting policy regarding financial instruments)
- Net defined benefit (asset) / liability: plan assets are measured at fair value less present value of defined benefit obligation
- Assets held for sale: measured at fair value less costs to sell.

The financial statements are presented in Indian Rupees, which is the functional currency of the Company.

### B. Summary of material accounting policies

#### i. Use of Estimates and Judgement

The preparation of the financial statements in conformity with generally accepted accounting principles ('GAAP') requires that the Company's management make estimates and assumptions that affect the reported amounts of income and expenses for the year, reported balances of assets and liabilities and disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and assumptions used in the financial statements are based upon management's evaluation of the relevant facts and circumstances as on date of the financial statement. Any revision to accounting estimates is recognised prospectively. Actual results could differ from those estimates

### C. New standards and amendments to existing Ind AS

The Ministry of Corporate Affairs notifies new standard or amendments to existing standards. There is no such notification which would have been applicable from April 1, 2023.

### D. Revenue Recognition of Income

- The Company recognises revenue from contracts with customers based on a five-step model as set out in Ind AS 115, Revenue from Contracts with Customers to determine when to recognise revenue and at what amount.
- Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customer is recognised when services are provided, and it is highly probable that a significant reversal of revenue is not expected to occur.
- The Company manages the investments of the National Pension System as formed by the Government of India through the Pension Fund Regulatory & Development Authority (PFRDA). Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for

those goods or services Investment Management Fee is recognised at specific rates agreed with the relevant schemes, applied on the daily net assets managed. The investment management fees are presented net of Goods and Services Tax in the Statement of Profit & Loss Account.

- The Company is engaged in the business of distribution and marketing of National Pension System as per the terms and condition of appointment as a Point of Presence as per the Certificate of Registration vide registration number POP254022019. The POP income includes account opening fees, contribution processing fees and persistency income. i) Account opening fees are due and recognised on generation of Permanent retirement account number (PRAN). ii) Contribution Processing fees are recognised on receipt of contribution from the customer. iii) Persistency Income is recognised on subscriber accounts active for more than six months. POP Income are presented net of Goods and Services Tax in the Statement of Profit & Loss Account.
- Purchase and sale of investments are recorded on trade date. The profit / loss on sale of investments is recognised in the Statement of Profit and Loss on the trade date, using the weighted average cost method.

## E. Financial Instruments

### 1. Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are initially measured at transaction price. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset. However, trade receivables that do not contain a significant financing component are initially measured at transaction price.

#### *Business model assessment*

The Company makes an assessment of the objective of a business model in which an asset is held such

that it best reflects the way the business is managed and is consistent with information provided to the management. The information considered includes:

- the objectives for the portfolio, in particular, management's strategy of focusing on earning contractual interest revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets.
- the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Company's stated objective for managing the financial assets is achieved and how cash flows are realised
- the risks that affect the performance of the business model, the financial assets held within that business model and how those risks are managed.

Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

### 2. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified based on the business model as per IND AS 109, for managing the financial assets and the contractual cashflow characteristics of the financial assets in following categories:

Financial asset at amortised cost

Financial asset at fair value through other comprehensive income (FVTOCI)

Financial asset at fair value through profit or loss (FVTPL)

The Company classifies its financial assets as subsequently measured at either amortised cost or fair value for managing the financial assets and

# Notes forming part of the Financial Statements

for the year ended 31 March 2025

the contractual cashflow characteristics of the financial assets.

## i. *Financial asset at amortised cost*

A financial asset is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

## ii. *Financial asset at FVTOCI*

A financial asset is classified as at the FVTOCI if both of the following criteria are met:

The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and the asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the statement of Profit or Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

## iii. *Financial asset at FVTPL*

Any financial asset which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Financial instruments included within the FVTPL category are measured at fair value at each reporting date with all changes recognised in the Statement of Profit and Loss.

## *Equity instruments at FVOCI*

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI when such instruments meet the definition of definition of Equity under Ind AS 32 Financial Instruments:

Presentation and are not held for trading. Such classification is determined on an instrument-by-instrument basis.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends are recognised in profit or loss as dividend income when the right of the payment has been established, except when the Company benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Equity instruments at FVOCI are not subject to an impairment assessment.

## iv. *Financial liabilities*

The company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Liabilities which are classified at fair value through profit or loss, including derivatives that are liabilities, shall be subsequently measured at fair value

## 3. **Impairment of Financial Assets**

Methodology for computation of Expected Credit Losses (ECL)

The financial instruments covered within the scope of ECL include financial assets measured at amortised cost and FVOCI, such as loans, trade receivables, balances with banks and other financial assets. ECL has not been determined on financial assets measured at FVTPL.

The loss allowance has been measured using lifetime ECL except for financial assets on which there has been no significant increase in credit risk since initial recognition. In such cases, loss allowance has been measured at 12-month ECL

# Notes forming part of the Financial Statements

for the year ended 31 March 2025

At each reporting date, the Company assesses whether financial assets carried at amortized cost and FVOCI is credit impaired. A financial asset is credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred since initial recognition. Evidence that a financial asset is credit-impaired include observable data about the following events:

- significant financial difficulty of the issuer or the borrower.
- a breach of contract, such as a default or past due event.
- the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise consider.
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganization.
- the disappearance of an active market for that financial asset because of financial difficulties
