## Foot Notes :

- In computing the above information, certain estimates/ assumptions have been made by the Company's management which have been relied upon by the Auditors.
- Unweighted values must be calculated as outstanding balances maturing or callable within 30 days (for inflows and outflows).
- Weighted values must be calculated after the application of respective haircuts (for HQLA) and stress factors on inflow and outflow.

## Qualitative Disclosure:

- The main drivers of their LCR results and the evolution of the contribution of inputs to the LCR's calculation over time : RBI had introduced the liquidity coverage ratio (LCR) to ensure that NBFC has an adequate stock of unencumbered high-quality liquid assets (HQLA) to survive a significant liquidity stress lasting for a period of 30 days. LCR is defined as a ratio of HQLA to the total net cash outflows estimated for the next 30 calendar days. At March 31, 2025, the applicable minimum LCR required to be maintained by NBFC is 85%.

The Company has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk. The ALCO meets at periodic intervals. At the apex level, the Risk Committee (RC), a sub-committee of the Board of Directors of the Company, oversees the liquidity risk management. The RC subsequently updates the Board of Directors on the same."

- Intra-period changes as well as changes over time: The Company has started maintaining LCR w.e.f December 1, 2021. The details for the year ended March 31, 2025 and year ended March 31, 2024 are disclosed above.
- The composition of HQLAs: The Company, for the year ended March 31, 2025, had HQLA of ₹ 1,093.56 crores vis-à-vis 542.51 crores for the month ended March 31, 2024.

| Sr. No. | No. of Significant Counterparties | Amount    | % of total Deposits | % of Total Liabilities* |
|---------|-----------------------------------|-----------|---------------------|-------------------------|
| 1       | 22                                | 22,549.02 | NA                  | 84.63%                  |

### ii. Top 20 large deposits – Not Applicable

### iii. Top 10 Borrowings\*\*\*

| Amount    | % of Total Liabilities* |
|-----------|-------------------------|
| 17,308.46 | 64.96%                  |

### iv. Funding Concentration based on significant instrument/product

| Sr. No. | Name of the instrument                  | Amount   | % of Total Liabilities* |
|---------|-----------------------------------------|----------|-------------------------|
| 1       | Term Loans                              | 8,566.12 | 32.15%                  |
| 2       | NHB Loans                               | 3,128.99 | 11.74%                  |
| 3       | NCD                                     | 9,923.96 | 37.25%                  |
| 4       | Sub-Debt                                | 642.75   | 2.41%                   |
| 5       | Working capital / short term facilities | 2,311.02 | 8.67%                   |
| 6       | CP                                      | 1,528.67 | 5.74%                   |

### v. Stock Ratios

| Sr. No. | Particulars                                         | As at March 31, 2025 |
|---------|-----------------------------------------------------|----------------------|
| 1       | Commercial Papers to Total Liabilities*             | 5.74%                |
| 2       | Commercial Papers to Total Assets                   | 5.02%                |
| 3       | NCDs (Original Maturity <1 ys) to Total Assets      | Nil                  |
| 4       | NCDs (Original Maturity <1 ys) to Total Liabilities | Nil                  |
| 5       | Other Short-Term Liabilities** to Total Assets      | 17.54%               |
| 6       | Other Short-Term Liabilities to Total Liabilities   | 20.03%               |

\* Total Liabilities does not include Net Worth.

\*\* Other Short Term Liabilities excludes Commercial Paper as they are already considered in 1 & 2.

\*\*\* Significant Counterparties and Top 10 Borrowings are as per actual outstanding

### vi. Liquidity Coverage Ratio

| Sr. No. | Name of the instrument         | Regulatory Limit | Regulatory Limit | Quarterly Avg Mar'25 |
|---------|--------------------------------|------------------|------------------|----------------------|
| 1       | Liquidity Coverage Ratio (LCR) | 0.7              | 85.00%           | 130.62%              |

### vii. Institutional set-up for liquidity risk management

The Company has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk. The ALCO meetings are held at periodic intervals. At the apex level, the Risk Committee (RC), a sub-committee of the Board of Directors of the Company, oversees the liquidity risk management. The RC subsequently updates the Board of Directors on the same.

# INDEPENDENT AUDITOR'S REPORT

To the members of **Aditya Birla ARC Limited**

## REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

### OPINION

We have audited the accompanying standalone financial statements of Aditya Birla ARC Limited ("the Company"), which comprise the Standalone Balance sheet as at 31<sup>st</sup> March, 2025, the Standalone Statement of Profit and Loss including the statement of Other Comprehensive Income, the Standalone Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies information and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company (financial position) as at 31<sup>st</sup> March, 2025, its profit including other comprehensive income (financial performance), its cash flows and the changes in equity for the year ended on that date.

### BASIS FOR OPINION

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

## INDEPENDENT AUDITOR'S REPORT (Contd.)

**INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON**

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Board Report but does not include the standalone and consolidated financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the standalone financial statements by the Board of Directors of the Company, as aforesaid:

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue

as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as

## INDEPENDENT AUDITOR'S REPORT (Contd.)

a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act,

we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books (Also refer to our comments in para 2 (g)(vi).
  - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Standalone Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
  - (e) Based on the written representations received from the directors as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## INDEPENDENT AUDITOR'S REPORT (Contd.)

- iv. a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under clause (i) and (ii) of Rule 11(e), as provided under a) and b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same was enabled for the year. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention from the date of enabling the audit trail feature.
3. The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended 31<sup>st</sup> March, 2025, since none of the directors of the Company have drawn any managerial remuneration.

# ANNEXURE 1 TO INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory requirements" in the Independent Auditor's Report of even date to the members of Aditya Birla ARC Limited ("the Company") on the standalone financial statements for the year ended 31<sup>st</sup> March, 2025]

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that;

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right of use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets;
- (b) Property, Plant and Equipment and right of use assets have been physically verified by the management during the year and no material discrepancies were identified on such verification;
- (c) The Company does not hold any immovable properties except Right of use assets and hence reporting under clause 3(i)(c) of the Order is not applicable;
- (d) The Company has not revalued any Property, Plant and Equipment including Right of Use Assets or intangible assets during the year;
- (e) As disclosed in note 58 no proceedings have been initiated during the year or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii. (a) The Company is a service company primarily in the business of securitization and asset reconstruction and hence does not have any inventory. Accordingly reporting under clause 3(ii)(a) of the Order is not applicable;
- (b) During the year Company has been sanctioned a working capital facility in excess of ₹ 500 Lakhs, in aggregate, from bank on the basis of security of

current assets (i.e. Security Receipts, considering based on the nature of business); based on our verification of quarterly statements (Pledge / Hypothecation) filed by the Company with such bank are in agreement with the books of account of the Company.

- iii. During the year the Company has not made investment in, provided any guarantee or security or granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnership or any other parties except for, unsecured advances in the nature of loan to other parties as per the terms of the trust deeds.

- (a) Details of advances in the nature of loans given during the year are as under:

| Amount (₹ in lakhs)                                                        |                             |
|----------------------------------------------------------------------------|-----------------------------|
| Particulars                                                                | Advances in nature of loans |
| (A) Aggregate amount granted during the year:                              |                             |
| - Subsidiary, Joint Ventures and Associates                                |                             |
| - Others (Trusts)                                                          | 314.26                      |
| (B) Balance outstanding as at balance sheet date in respect of above cases |                             |
| - Subsidiary, Joint Ventures and Associates                                |                             |
| - Others (Trusts)                                                          | Nil                         |

- (b) The terms and conditions of advances in nature of loans to other parties are not prejudicial to the Company's interest.
- (c) The advances in nature of loans given to other parties are interest free and schedule of repayment of principal has not been stipulated since the same are dependent on recoveries/realisation of financial assets held by such other parties.
- (d) Since repayment of principal is not stipulated as mentioned in clause 3(iii)(c) above, requirements under clause 3(iii)(d) and 3(iii)(e) of the Order is not applicable to the Company.

## ANNEXURE 1 TO INDEPENDENT AUDITOR'S REPORT (Contd.)

- (e) Following are the details of advances in nature of loan granted to other parties for which period of repayment has not been stipulated:

| Amount (₹ In lakhs)                                                 |             |           |                 |
|---------------------------------------------------------------------|-------------|-----------|-----------------|
| Particulars                                                         | All Parties | Promoters | Related Parties |
| Aggregate amount of loans/ advances in nature of loans              | 314.26      | -         | 0.08            |
| - Agreement does not specify terms or period of repayment           | 314.26      | -         | 0.08            |
| Percentage of loans/ advances in nature of loans to the total loans | 100%        | -         | 0.00%           |

- iv. There are no loans, investments, guarantees, and securities given in respect of which provisions of section 185 and 186 of the Act are applicable and hence reporting under clause 3(iv) of the Order is not applicable to the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits to which directives issued by the RBI and the provisions of sections 73 to 76 or any other relevant provisions of the Act and rules made thereunder apply. Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- vi. The Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the services rendered by the Company. Accordingly, the provision of clause 3(vi) of the Order is not applicable to the Company.
- vii. The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, income-tax, cess and other statutory dues applicable to it. As informed, the provisions of employees' state insurance, sales-tax, duty of custom, duty of excise and value added taxes are not applicable to the Company.
- a. According to the information and explanations given to us, no undisputed amounts payable in respect of goods and services tax, provident fund, income-tax, cess and other statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. As informed, the provisions of employees' state insurance, sales-tax, duty of custom, duty of excise and value added taxes are not applicable to the Company.
- b. According to the information and explanations given to us, there are no dues referred to in 3(vii)(a)

above which have not been deposited on account of any dispute.

- viii. As disclosed in note 60, there are no unrecorded transactions which have been surrendered or disclosed as income during the year in the tax assessment under Income Tax Act, 1961 (43 of 1961).
- ix. (a) During the year, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (a) As disclosed in note 59, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (b) During the year Company has not availed any term loans and hence reporting under the clause 3(ix)(c) of the Order is not applicable.
- (c) On an overall examination of the financial statements of the Company, we report that funds raised on short term basis have prima facie not been used for long term purposes.
- (d) On an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The Company does not have any Associate or Joint Ventures.
- (e) The company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- x. (a) During the year, the Company has not raised money by way of initial public/further public offer (including debt instruments) and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) The Company has made private placement of preference shares for which the requirements of section 42 and 62 of the Act have been complied with and the funds raised have been used for the purpose for which it was raised. The Company has not made any preferential allotment or private placement of fully or partly or optionally convertible debentures during the year.
- xi. (a) We report that no fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (b) No report under sub section (12) of section 143 of the Act has been filed in the form ADT - 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with central government during the year

## ANNEXURE 1 TO INDEPENDENT AUDITOR'S REPORT (Contd.)

- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year
- xii. The Company is not a Nidhi company. Therefore, the reporting under clause 3(xii) (a) to (c) of the Order is not applicable to the Company
- xiii. In our opinion, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards.
- xiv. (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the company issued till date, for the period under audit.
- xv. During the year, the Company has not entered any non-cash transactions with directors or persons connected with him as referred to in section 192 of the Act.
- xvi. (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.
- (b) Reserve Bank of India has granted Certificate of Registration to carry on the business of securitisation or assets reconstruction under section 3 of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002.
- (c) The Company is not a Core Investment Company ("CIC") and accordingly requirements of clause xvi(c) of the Order is not applicable.
- (d) There are three CICs as a part of the Group, namely –
- xvii. The Company has not incurred any cash losses in the Current year and in the immediately preceding financial year and hence the reporting under clause 3(xvii) of the Order are not applicable to the Company.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly reporting under clause xviii of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due."
- xx. As mentioned in note 57, there is no unspent amount as per subsection 5 of section 135 of the Act towards Corporate Social Responsibility (CSR) as at the end of the financial year, hence reporting under clause 3(xx)(a) and 3(xx)(b) of the Order are not applicable..

## ANNEXURE 2 TO INDEPENDENT AUDITOR'S REPORT

### of even date on Standalone Financial Statements of Aditya Birla ARC Limited

#### REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE I OF SUBSECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls with reference to standalone financial statements of Aditya Birla ARC Limited ("the Company") as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial

controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

#### MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A Company's internal financial control with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THESE STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## ANNEXURE 2 TO INDEPENDENT AUDITOR'S REPORT (Contd.)

**OPINION**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to these standalone financial statements and such internal financial controls with reference to these standalone financial statements were operating effectively as at 31<sup>st</sup> March, 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTE: 01 ABOUT THE COMPANY

Aditya Birla ARC Limited (the Company) was incorporated as a public limited company under the provisions of the Companies Act, 2013 on 10<sup>th</sup> March 2017.

The principal activity of the Company is to carry on the business of securitization and asset reconstruction as defined in section 2 of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ('the SARFAESI Act'). The Company acts as a Manager / Trustee for trusts set up for securitization pursuant to the SARFAESI Act. The financial assets are acquired under separate trusts set up for securitization or directly for asset reconstruction.

Reserve Bank of India ('RBI') granted a Certificate of Registration to the Company on 13<sup>th</sup> March 2018 to carry on business of securitization or asset reconstruction under section 3 of the SARFAESI Act.

The Company recognises its income through Trusteeship and Management Fees, which is recognized on accrual basis in accordance with the terms of the respective trust deed / offer document, wherever applicable.

The financial statements were authorized for issue by the Company's Board of Directors on 9<sup>th</sup> May 2025.

## NOTE: 02 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared on a historical cost basis and accrual basis except for fair value through other comprehensive income (FVOCI) instruments, derivative financial instruments, other financial assets held for trading and financial assets and liabilities designated at fair value through profit or loss (FVTPL), all of which have been measured at fair value. The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lakhs, except when otherwise indicated.

## NOTE: 03 USE OF ESTIMATES

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes

requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

## NOTE: 04 MATERIAL ACCOUNTING POLICY INFORMATION

### 4.1 Revenue from contract with customer

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at transaction price i.e. the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to the customer, excluding amounts collected on behalf of third parties. The Company consider the terms of the contract and its customary business practices to determine the transaction price. The Company recognises revenue from the following sources:

- a. The fee income comprises of Trusteeship and Management Fee. The Company receives management fee from trusts declared by it for acquisition of financial assets and the same is accounted for on accrual basis as per terms of the relevant trust deeds and offer document issued by the Trust. With reference to the Notification on 'Review of Regulatory Framework' issued by RBI dated 11<sup>th</sup> October 2022, the management fee for all the new acquisitions post the said notification shall be recovered only from the recoveries from the financial asset of the underlying Trusts. Management fees are calculated and charged as a percentage of the Net Assets Value (NAV) at the lower end of the range of the NAV specified by the Credit Rating Agency.
- b. Recovery incentive is accounted as and when the right to receive the amount is established as per the terms of Trust Deed.
- c. Any upside share in excess realisation over acquisition price of security receipts by the Company is recognised at point in time basis as per terms of the relevant trust deed/offer document.
- d. The above receipts are recognised as revenue excluding GST.

### Interest Income

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

When a financial asset becomes credit-impaired and is, therefore, regarded as 'Stage 3', the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

For interest income on Fixed Deposit, the Company recognizes it on accrual basis.

For purchased or originated credit-impaired (POCI) financial assets, the Company calculates interest income by calculating the credit-adjusted EIR and applying that rate to the amortised cost of the asset. The credit-adjusted EIR is the interest rate that, at original recognition, discounts the estimated future cash flows (including credit losses) to the amortised cost of the POCI assets. Interest income on all trading assets and financial assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

## 4.2 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Date of Recognition

Financial assets and liabilities, debt securities, deposits and borrowings are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument.

### 4.2.1 Financial Assets

#### Initial Measurement

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL, transaction costs are added to, or subtracted from, this amount. However, trade receivables are measured at the transaction price.

#### Measurement categories of financial assets and liabilities

The Company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured either:

- At amortised cost
- At fair value through other comprehensive income (FVTOCI)

- At fair value through profit or loss (FVTPL)

#### Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

#### Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a. The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b. The asset's contractual cash flows represent Solely Payments of Principal and Interest (SPPI).

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

#### Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of profit and loss.

## Investment in Mutual Funds at FVTPL

Mutual fund included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

## De-Recognition of Financial Assets

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit and loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial assets.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part is no longer recognised on the basis of relative fair values of those parts on the date of transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income

is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

## Impairment of Financial Assets (ECL Policy)

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets & credit risk exposure.

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as loans and advances held at amortised cost for impairment based on evidence or information that is available without undue cost or effort.

The Company applies a three-stage approach to measuring expected credit losses (ECLs) for financial assets.

### Stage 1: 12-months ECL

All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The Company has assessed that all loans and advances with no default or upto 30 days default would fall under this category.

For these assets, 12-month ECL are recognized and interest revenue is calculated on the gross carrying amount of the asset (that is, without deduction for credit allowance).

### Stage 2: Lifetime ECL – Significant increase in credit risk

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. Financial instruments that have had a significant increase in credit risk since initial recognition are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk and classified under this category. For these assets, lifetime ECL are recognized, but interest revenue is calculated on the gross carrying amount of the asset less ECL already provided.

### Stage 3: Lifetime ECL – Credit Impaired

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

## Credit-impaired financial assets:

At each reporting date, the Company assesses whether financial assets carried at amortised cost is credit impaired. A financial asset is 'credit-impaired' when a breach of contract such as a default or past due event that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

ECL provisioning is being done on each reporting date basis probability of default and loss given default on outstanding financial asset.

## Trade Receivables

Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 are recognized. The Company provides 0.4% ECL on prudential basis on Standard Assets.

## Other Financial Assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the lifetime when there is significant increase in credit risk. The Company provides 0.4% ECL on prudential basis on Standard Assets.

## 4.2.2 Financial Liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, debt securities and subordinated liabilities, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts. The measurement of financial liabilities depends on their classification, as described below:

### Financial liabilities at fair- value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and

financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk is recognized in OCI.

These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity.

All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

## Financial liabilities and equity instruments

Financial instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognized at the proceeds received, net of direct issue costs.

## Loans & Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss

## De-recognition of financial liabilities

A financial liability shall be de-recognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 4.2.3 Offsetting of Financial Instruments

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business.
- The event of default.
- The event of insolvency or bankruptcy of the Company and/or its counterparties.

## 4.3 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less which are subject to an insignificant risk of changes in value.

The Cash Flow Statement has been prepared under the "Indirect Method" as set out in Indian Accounting Standard (Ind AS) - 7 'Statement of Cash Flows' prescribed under Section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, as amended.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above as they are considered an integral part of the Company's cash management.

## 4.4 Expenses incurred by the Company on behalf of the Trust

Expenses incurred at pre-acquisition stage are recognized as expenses for the period in which such costs are incurred. If such expenses are contracted to be recovered from the Trust, the same are shown as Loan and Advances to Trust in the Balance Sheet. These expenses are reimbursed to the Company in terms of provisions of relevant Trust Deed and Offer Document of the Trusts.

## 4.5 Property, Plant & Equipment.

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and arrangements arising

from exchange rate variations attributable to the assets. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow the entity and the cost can be measured reliably. Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Depreciation on Tangible Fixed Assets is provided on Straight Line using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013 or estimated by the management. The Company has used the following useful life to provide depreciation on its fixed assets, which is in line with the useful life suggested by Schedule II.

| Asset                                   | Useful Life as Prescribed by Schedule II of the Companies Act, 2013 |
|-----------------------------------------|---------------------------------------------------------------------|
| Computers (end user computers, Laptops) | 3                                                                   |
| Office Equipment                        | 5                                                                   |
| Furniture & Fixtures                    | 10                                                                  |
| Motor Vehicles                          | 6                                                                   |

Useful life of assets estimated by management supported by the Internal Technical assessment.

| Asset                    | Estimated Useful Life |
|--------------------------|-----------------------|
| Leasehold Improvements * | 3                     |
| Motor Vehicles^          | 4-5                   |

\*In case of Leasehold Improvements, Depreciation calculated based on lease period

^ In case of Motor Vehicles, depreciation calculated on basis of its replacement period as mentioned in the Car Policy of the Company.

Depreciation on the Fixed Assets added/discharged during the year is provided on pro-rata basis with reference to the date of addition/disposal/discharging.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 4.6 Intangible Assets and Amortization

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible assets are amortised on a straight-line basis over their estimated useful lives.

Gains or losses, arising from the retirement or disposal of an intangible asset, are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognized as income or expense in the Statement of Profit and Loss.

Useful life of intangible assets estimated by management is as under:

| Asset             | Estimated Useful Life |
|-------------------|-----------------------|
| Computer Software | 3                     |

The estimated useful lives of the intangible assets and the amortisation period are reviewed at the end of each financial year, and the amortisation period is revised to reflect the changed pattern, if any.

## 4.7 Fair Value Measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or the liability; or in the absence of a principal market, in the most advantageous market for the asset or liability, the principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized

within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level-1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level-2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level-3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

## 4.8 Impairment of Non-Financial Assets

The Company assesses, at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists or when annual impairment testing for any asset is required, the Company estimates the assets recoverable amount. An assets recoverable amount is the higher of an assets fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflow that is largely independent of those from other assets or Company of assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written-down to its recoverable amount.

## 4.9 Retirement and Other Employee Benefits

Employee benefits are accrued in the period in which the associated services are rendered by employees of the Company, as detailed below:

### Defined contribution plan

In accordance with Indian law, eligible employees receive benefits from provident fund, which is a defined contribution plan. Both the employee and employer make monthly contributions to the plan, each equal to a specified percentage of employee's basic salary. The Company has no further obligations under the plan beyond its monthly contributions. The Company does not have any legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. Obligation for contributions to the plan is recognized as an employee benefit expense in the Statement of Profit and Loss when incurred.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Defined Benefit Plans

In accordance with applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan (the Gratuity Plan) covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the years of employment with the Company.

The Company's net obligation in respect of the gratuity plan is calculated by estimating the amount of future benefits that the employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service cost and the fair value of plan assets are deducted. The discount rate is the yield at the reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligations. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Company, the recognized asset is limited to the total of any unrecognized past service costs and the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

The Company recognizes all re-measurements of net defined benefit liability/asset directly in other comprehensive income and presented within equity. The Company has employees' gratuity fund under Grasim Industries Limited Employees Gratuity Trust managed by the ultimate parent company.

## Short Term Benefit

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under short-term plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

## Compensated Absences

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement.

The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period.

The Company recognises accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognised in the period in which the absences occur. The Company recognises actuarial gains and losses immediately in the Statement of Profit and Loss.

## Other Benefits

Few employees transferred from other business of the Aditya Birla Capital Group were eligible under long term incentive plan (the "old LTIP scheme") issued by that business in September 2017. The scheme is for 4 years and pay out under the scheme to employees will be made at end of 4 years, as per option opted by the employees. This is a onetime option, which cannot be changed to the option of early vesting, hence liability has been equally spread over the tenure. The old LTIP scheme is vested during the year for the covered employees and the same was settled.

Further Senior employees of the Company were offered the long term incentive plan (the "new LTIP scheme") effective 1<sup>st</sup> September 2022. The scheme is for 3 years and pay out under the new LTIP scheme to employees will be made on an annual basis as per the plan which is under approval. The liability of the new LTIP scheme is recognized based on the valuation report obtained from the actuarial.

## 4.10 Leases AS per IND AS 116

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes right – of – use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value – in – use) is determined on an individual asset basis unless the asset generates cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment on exercise of an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

## 4.11 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are not discounted to their present value and are determined based on management estimate required

to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

## 4.12 Taxes

### Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### Deferred Tax

Deferred tax is recognised using the Balance Sheet approach on the temporary differences between the carrying amounts of assets and liabilities in the financial statements and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset, if there is a legally enforceable right to offset current tax liabilities and assets, and these relate to income taxes levied by the same tax authority and are intended to settle current tax liabilities and assets on a net basis or such tax assets and liabilities will be realised simultaneously.

In the event of unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognised to the extent that it is probable that sufficient future taxable income will be available to realise such assets.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

profits will be available to allow all or part of the assets to be recovered.

Current and deferred tax are recognised in Statement of Profit and Loss, except when the same relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax relating to such items are also recognised in other comprehensive income or directly in equity respectively.

## 4.13 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## 4.14 Capital Management

The primary objective of the Company's capital management is to maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

## 4.15 Significant Accounting Judgements, Estimates and Assumptions

The preparation of financial statements, in conformity, with the Ind AS requires management to make judgements, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years

### Measurement of Defined Benefit Obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined

using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

### Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cashflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amount of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

### Property plant and equipment and investment property

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of the Company's assets at the end of its useful life are estimated by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The useful life are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

### Impairment of trade receivables

Trade receivables are the trusts of which Company is a trustee and also holds investments in the trust through Security Receipts. The Company estimates the probability of collection of accounts receivable by analyzing the future cash flow in the trust. If the financial condition of the trust deteriorates, additional allowances may be required.

### Fair Value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values.

Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

## ECL on financial asset

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different level of allowances.

The Company ECL calculation are outputs of models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL models that are considered accounting judgements and estimates includes:

- Probabilities of Defaults (PDs) the calculations of which includes historical data, assumptions and expectations of future conditions.
- The Company's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a life time expected credit loss model basis and the qualitative assessment
- The segmentation of financial assets when their ECL is assessed on a collective basis
- Developments of ECL models, including the various formulas and choices of inputs
- Determination of associations between macroeconomic scenarios and economic inputs, such as unemployment levels and collateral values, and the effects of PDs, exposure at defaults and loss given defaults.

## Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Determination of whether variable payments are in-substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

## Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

## Policy for sales out of amortised cost business model portfolios

The Company's existing business model focuses on acquisition of financial assets through trusts, with or without participation from external investors. Our existing resolution strategy is to right size the debt and restructure the debt with focus on improvement in operational performance of the acquired financial assets with existing sponsors or strategic investors.

At present the Company has no amortised cost business model portfolio, therefore it has not prepared and adopted any such policy.

## 4.16 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

Following is the repayment terms of Non Convertible Debentures.

(₹ in Lakh)

| Repayment clause                                                                                                                                                                                     | Coupon rate | Maturity period |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-----------------|
| Repayment is linked to the receipt of distribution amount from redemption of Security Receipts (SR), against which the debentures are issued and subject to the approval from the Debenture Trustee. | 11.50%      | 8 years         |

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Notes:

- Security over the SR distributions, debt service trust accounts and all rights, title, benefit and interest in the debt service trust account.
- Company is also required to create pledge on SRs issued, however no pledge created on SRs till date. Further Company has executed a Non Disposal Undertaking in favour of Debenture Trustee. Subject to applicable law, as and when the Debenture Trustee instructs the Company to create pledge, Company will create the pledge.

### Term/Right Attached to Equity Shares

The Company has only one class of equity shares having a par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution to all preferential holders. The distribution will be in proportion to the number of the equity shares held by the shareholders.

### Terms of any securities convertible into equity shares

For the terms of compulsarily convertible preference shares, refer Note 17 on Subordinated Liabilities

### Shares held by holding / ultimate holding Company and / or their subsidiaries / associates

Out of equity shares issued by the Company, shares held by its holding company, ultimate company and their subsidiaries / associates are as below:

(₹ in Lakh)

### NOTE: 26.1

"In 2018, Aditya Birla Capital ("ABCL") and Varde Partners ("Varde") established a strategic partnership to pursue investments in stressed and distressed assets in India. In accordance with the commercial agreements between ABCL and Varde, the Company has recognised amounts attributable to Varde's economic interest in the funds available from the resolution and redemption of specific security receipts, in line with letter dated 28<sup>th</sup> March 2025 issued by ABCL to the Company. The above agreements were earlier entered into by ABCL with Varde for protecting the Company from losses, if any, suffered by the Company due to the Company's investment in specific security receipts.

In view of the same, an estimated amount of ₹ 52,500 lakhs has been provided by the Company by reducing 'Net gain on fair value changes' and corresponding amount, being amounts attributable to Varde has been disclosed under 'Other Financial Liabilities'. Any payment to Varde pursuant to the aforesaid shall be subject to applicable laws and applicable regulatory approvals.

for the year ended 31<sup>st</sup> March 2025

## NOTE: 36 EMPLOYEE BENEFIT DISCLOSURES

### Defined Contribution Plan

The amounts charged to the Statement of Profit and Loss during the year for Provident fund contribution aggregates to ₹ 18.37 lakhs (March 31, 2024 – ₹ 24.47 lakhs).

### Defined Benefit Plan

#### General Description of the plan:

The Company operates gratuity plan through a trust wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service.

#### Nature of Benefits

The Company operates a defined benefit gratuity plan which is open to new entrants. The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company.

#### Inherent Risks:

The plan is of a defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the balance sheet for the gratuity plan of the Company.

#### Amounts recognized in the Balance sheet in respect of Gratuity

|                                                                  | (₹ in Lakh)                 |                             |
|------------------------------------------------------------------|-----------------------------|-----------------------------|
| Particulars                                                      | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |

### b) Maturity Profile of Defined Benefit Obligation

| (₹ in Lakh)                                                       |         |
|-------------------------------------------------------------------|---------|
| Weighted average duration (based on discounted cashflows)         | 3 years |
| Expected cash flows over the next (valued on undiscounted basis): |         |
| 1 years                                                           | 8.89    |
| 2 to 5 years                                                      | 23.58   |
| 6 to 10 years                                                     | 16.15   |
| More than 10 years                                                | 2.35    |

### c) Expected Contribution during the next annual reporting period

|                                                                  |   |
|------------------------------------------------------------------|---|
| The company's best estimate of contribution during the next year | - |
|------------------------------------------------------------------|---|

### d) Funding Arrangements and Funding Policy

The Scheme is on funded basis.

### e) Principal Actuarial Financial Assumptions

| (₹ in Lakh)                                     |                             |                             |
|-------------------------------------------------|-----------------------------|-----------------------------|
| Particulars                                     | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Discount Rate (per annum)                       | 6.50%                       | 7.15%                       |
| Salary Growth Rate (per annum)                  | 10%                         | 10%                         |
| Decrement adjusted remaining working life (yrs) | 3.35                        | 5.80                        |

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

## Sensitivity Analysis Method

Please note that the sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

## NOTE: 37 TAXATION APPROACH

The Company has opted to pay income tax u/s 115BAA of Income Tax Act, 1961 from F.Y: 2019-20 in order to pay tax at the lower rate.

## NOTE: 40 CAPITAL MANAGEMENT

The primary objective of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using capital adequacy ratio, which is weighted assets divided by total capital derived as per the RBI requirements. As per RBI guidelines, ARC has to maintain capital 15% of the capital adequacy ratio:

|                        | (₹ in Lakh)                 |                             |
|------------------------|-----------------------------|-----------------------------|
|                        | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Capital Adequacy Ratio | 499.59%                     | 40.70%                      |

## NOTE: 41 ANALYTICAL RATIOS

|                                        | (₹ in Lakh)                 |                             |
|----------------------------------------|-----------------------------|-----------------------------|
|                                        | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Capital to risk-weighted assets ratio* | 499.59%                     | 40.70%                      |
| Liquidity Coverage Ratio**             | 35313.17%                   | 2439.47%                    |

\* Since Company is an Asset Reconstruction Company, Tier I CRAR and Tier II CRAR are not applicable.

\*\* Liquidity Coverage Ratio is calculated based on the closing balance of quick assets as numerator and quick liabilities as denominator.

## NOTE: 42 FAIR VALUE

The following table provides the comparison of carrying value and fair value of the Company's Financial Assets and Liabilities as at 31<sup>st</sup> March 2025 & 31<sup>st</sup> March 2024.

### As at 31<sup>st</sup> March 2025

|                                                   | (₹ in Lakh)        |                    |
|---------------------------------------------------|--------------------|--------------------|
| Financial Assets                                  | Carrying Value     | Fair Value         |

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level-2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level-3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. This means that fair values are determined in whole or in part part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. However, the fair value measurement objective remains the same, that is, to estimate an exit price.

\* Level 2 Investment is Fair value of investment in Mutual Funds as per NAV declared on these units.

There have been no transfers between levels during the year ended March 31, 2025 and year ended March 31, 2024.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Unobservable inputs used in measuring fair value categorised within Level 3

(₹ in Lakh)

| Type of Financial Instruments | Fair Value of Asset as on 31 <sup>st</sup> March 2025 | Valuation Techniques           | Significant Unobservable Input              |
|-------------------------------|-------------------------------------------------------|--------------------------------|---------------------------------------------|
| Investments Unquoted(FVTPL)   | 3,736.82                                              | Discounted Projected Cash Flow | Expected Gross Recoveries* & Discount Rates |

(₹ in Lakh)

| Type of Financial Instruments | Fair Value of Asset as on 31 <sup>st</sup> March 2024 | Valuation Techniques           | Significant Unobservable Input              |
|-------------------------------|-------------------------------------------------------|--------------------------------|---------------------------------------------|
| Investments Unquoted(FVTPL)   | 55,785.34                                             | Discounted Projected Cash Flow | Expected Gross Recoveries* & Discount Rates |

\* Expected Gross Recoveries are pertaining to the overall assets under management of the Company. The cash attributable to the Company's share in expected gross recoveries will be dependant on the Company's investment share and terms of the SR subscribed.

## Qualitative analysis of significant unobservable inputs

### Discount margin/spreads

Discount margin/spreads represent the discount rates used when calculating the present value of future cash flows. In discounted cash flow models such spread are added to the benchmark rate when discounting the future expected cash flows. Hence these spreads reduce the net present value of an asset or increase the value of liability. They generally reflect the premium an investor expects to achieve over the benchmark interest rate to compensate for the higher risk driven by the uncertainty of the cash flows caused by the credit quality of the asset. They can be implied from the underlying deal documents and are usually unobservable for illiquid or complex instruments.

### Cash Flow

Expected Cash flow levels including timing of cash flows are estimated by using quantitative and qualitative measures regarding the characteristics of the underlying assets including default rates, manner of resolution and other economic drivers. The manner of resolution is determined based on financial position and negotiations with counterparty.

## NOTE: 44 RISK MANAGEMENT FRAMEWORK

### a. Governance framework

The primary objective of the Company's risk and financial management framework is to protect the Company's shareholders from events that hinder the sustainable achievement of financial performance objectives, including failing to exploit opportunities. Key management recognises the critical importance of having efficient and effective risk management systems in place.

### b. Approach to capital management

The Company seeks to optimise the structure and sources of capital to ensure that it consistently maximises returns to the shareholders.

The primary source of capital used by the Company is equity, CCPS, debt Securities and borrowings (other than debt securities).

## c. Regulatory framework

Regulators are primarily interested in protecting the rights of shareholders and monitor them closely to ensure that the Company is satisfactorily managing affairs for their benefit. At the same time, regulators are also interested in ensuring that the Company maintains an appropriate solvency position to meet unforeseeable liabilities arising from economic shocks or natural disasters. The operations of the Company are subject to regulatory requirements within the jurisdictions in which it operates.

## Financial risks

### 1. Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, preference shares. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company manages its liquidity risk through temporary funding from its holding Company and availing bank overdraft as and when require.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

## 2. Operational risks

Operational risk is the risk of loss arising from system failure, human error, fraud or external events. When controls fail to perform, operational risks can cause damage to reputation, have legal or regulatory implications or can lead to financial loss. The Company cannot expect to eliminate all operational risks, but by initiating a rigorous control framework and by monitoring and responding to potential risks, the Company is able to manage the risks. Controls include effective segregation of duties, access controls, authorisation and reconciliation procedures, staff education and assessment processes, including the use of internal audit. Business risks such as changes in environment, technology and the industry are monitored through the Company's strategic planning and budgeting process. Internal control deficiency are reviewed by management and audit committee on periodic basis.

## 3. Credit risks

Credit risk arises when a customer or counterparty does not meet its obligations under a customer contract or financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from its financing/ investing activities, including deposits with banks, investments in security Receipts. The carrying amount of following financial assets represent the maximum credit risk exposure:

## NOTE: 48 | CODE ON SOCIAL SECURITY

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective. Based on a preliminary assessment, the entity believes the impact of the change will not be significant.

## NOTE: 49 | CONTINGENT LIABILITY

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

## NOTE: 50 | CAPITAL COMMITMENTS

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) is Nil as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## NOTE: 51 | LONG TERM CONTRACT

The Company doesn't have long term contract including Derivative contract as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## NOTE: 52 | EVENTS AFTER THE REPORTING DATE

There have been no events after the reporting date that require disclosure in these financial statements.

## NOTE: 53 | TRANSACTIONS WITH STRUCK-OFF COMPANIES

The Company has not entered into any transactions with struck-off companies during the year ended 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 54 | SEGMENT INFORMATION

The Directors of the Company have been identified as the chief operating decision maker (CODM) as defined by Indian Accounting Standard 108 "Operating Segments". The CODM evaluates the Company's performance, allocates resources based on analysis of the various performance indicators of the Company as a single unit.

The principal business of the Company is of "acquisition and managing Securitisation Trust". All other activities of the Company revolve around its principal business. Therefore, directors have concluded that there is only one operating reportable segment as per Indian Accounting Standard 108 "Operating Segments".

## NOTE: 55 | ADDITIONAL DISCLOSURES AS REQUIRED BY RBI GUIDELINES

# INDEPENDENT AUDITOR'S REPORT

To the Members of **Aditya Birla ARC Limited**

## REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying consolidated financial statements of Aditya Birla ARC Limited (hereinafter referred to as the "Company" or the "Holding Company") and its Trusts (the Company and its Trusts together to as the "Group") comprising of the consolidated Balance Sheet as at 31<sup>st</sup> March, 2025 (financial position), the consolidated Statement of Profit and Loss (financial performance) including the statement of Other Comprehensive Income, the consolidated Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies information and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31<sup>st</sup> March, 2025, their consolidated profit

including other comprehensive income, their consolidated cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

### Information Other Than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Management and Board of Directors is responsible for the other information. The other information comprises the information included in the Board Report but does not include the standalone and consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Management and Board of Directors is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls,

that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the financial reporting process of the Group.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

## INDEPENDENT AUDITOR'S REPORT (Contd.)

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are independent auditors and whose financial information we have audited to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. With respect to the matters specified in paragraph 3(xxii) and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"/"CARO") issued by the Central Government in terms of section 143(11) of the Act, to be included in the auditor's report, according to the information and explanation given to us and based on the CARO report issued by us for the Holding Company, refer "Annexure 1" of the Independent Auditors report to the standalone financial statements for qualifications and adverse remarks.

Provisions of CARO are not applicable to the Trusts controlled and consolidated in the consolidated financial statements.

2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
  - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books (Also refer to our comments in para 2(g)(vi);

## INDEPENDENT AUDITOR'S REPORT (Contd.)

- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act;
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on 31<sup>st</sup> March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) The requirements of reporting on Internal Financials Controls under Clause (i) of sub-section 143 of the Companies Act, 2013 are not applicable to Trusts controlled by the Holding Company. With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and the operating effectiveness of such controls, refer to our report in Annexure '2' of the standalone financial statements.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Group does not have any pending litigations which would impact its consolidated financial position;
  - ii. The Group did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended 31<sup>st</sup> March, 2025;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company during the year ended 31<sup>st</sup> March, 2025.
  - iv. a) The management of the Holding Company has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - b) The management of Holding Company has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - c) Based on the audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under clause (i) and (ii) of Rule (e), as provided under a) and b) above, contain any material misstatement.
- v. There were no amounts which were declared or paid during the year as dividend by the Holding Company.
- vi. Based on our examination which included test checks, the Holding Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same was enabled for the year. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and

## INDEPENDENT AUDITOR'S REPORT (Contd.)

the audit trail has been preserved by the company as per the statutory requirements for record retention from the date of enabling the audit trail feature.

The above provision is not applicable to the Trusts controlled and consolidated in the consolidated financial statements.

3. The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended 31<sup>st</sup> March, 2025, since none of the directors of the Company have drawn any managerial remuneration.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 01 ABOUT THE GROUP

Aditya Birla ARC Limited (the Company) was incorporated as a public limited company under the provisions of the Companies Act, 2013 on 10<sup>th</sup> March 2017.

The Company and its Trusts as at 31<sup>st</sup> March 2025 are together referred to as "Group". The principal activity of the Group is to carry on the business of securitization and asset reconstruction as defined in section 2 of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ('the SARFAESI Act'). The Group acts as a Manager / Trustee for trusts set up for securitization pursuant to the SARFAESI Act. The financial assets are acquired under separate trusts set up for securitization or directly for asset reconstruction.

Reserve Bank of India ('RBI') granted a Certificate of Registration to the Company on 13<sup>th</sup> March 2018 to carry on business of securitization or asset reconstruction under section 3 of the SARFAESI Act.

The Group recognises its income through Trusteeship and Management Fee, which is recognized on accrual basis in accordance with the terms of the respective trust deed / offer document, wherever applicable.

The financial statements were authorized for issue by the Company's Board of Directors on 9<sup>th</sup> May 2025.

## NOTE: 02 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared on a historical cost basis and accrual basis except for fair value through other comprehensive income (FVOCI) instruments, derivative financial instruments, other financial assets held for trading and financial assets and liabilities designated at fair value through profit or loss (FVTPL), all of which have been measured at fair value. The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lakhs, except when otherwise indicated.

## NOTE: 03 USE OF ESTIMATES

The preparation of financial statements in conformity with IND AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period.

Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

## NOTE: 04 BASIS OF CONSOLIDATION

The consolidated financial statements comprise the financial statements of the Company and its Trusts (hereinafter referred to as "structured entities") as at 31<sup>st</sup> March 2025 (together referred to as "Group"). The Group consolidates a structured entity when it controls it. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee.
- Rights arising from other contractual arrangements.
- The Group's voting rights and potential voting rights.
- The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a structured entity begins when the Group obtains control over the structured entity and ceases when the Group loses control of the structured entity. Assets, liabilities, income and expenses of a structured entity acquired during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the structured entity.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent Group, i.e., year ended on 31 March.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Consolidation Procedure: -

Structured Entities:

The consolidated financial statements comprise the financial statements of the Company and its structured Entities. Structured Entities are entities controlled by the Group. The Group controls an investee only if, the Group has:

Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)

Exposure, or rights, to variable returns from its involvement with the investee, and the ability to use its power over the investee to affect its returns.

The Group combines the financial statement of the Parent and its structured entities line by line adding together like items. Inter- Group transactions, balances and unrealised gains on transactions between the Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred assets.

Profit or loss and each component of Other Comprehensive Income (OCI) are attributed to the equity holders of the Parent of the Group and to the non- controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of structured entities to bring their accounting policies into line with the Group's accounting policies. All inter-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between the members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a structured entity, without a loss of control, is accounted for as an equity transaction. When the Group loses control of a structured entity, the profit or loss on disposal is calculated as the difference between (i) the aggregate of the fair value of consideration received and the fair value of any retained interest; and (ii) the carrying amount of the assets (including goodwill) and liabilities of the structured entity and any non-controlling interests. Amounts previously recognised in OCI in relation to the structured entities are accounted for (i.e. reclassified to profit or loss or transferred directly to retained earnings) in the same manner, as would be required, if the relevant assets or liabilities were disposed of. The fair value of any investment retained in the former structured entity at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109 Financial Instruments or, when applicable, the cost on initial recognition of an investment in an associate or joint venture.

## NOTE: 05

## MATERIAL ACCOUNTING POLICY INFORMATION

### 5.1 Revenue from contract with customer

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at transaction price i.e. the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to the customer, excluding amounts collected on behalf of third parties. The Group consider the terms of the contract and its customary business practices to determine the transaction price.

The Group recognises revenue from the following sources:

- a. The fee income comprises of Trusteeship and Management Fee. The Group receives management fee from trusts declared by it for acquisition of financial assets and the same is accounted for on accrual basis as per terms of the relevant trust deeds and offer document issued by the Trust. With reference to the Notification on 'Review of Regulatory Framework' issued by RBI dated 11<sup>th</sup> October 2022, the management fee for all the new acquisitions post the said notification shall be recovered only from the recoveries from the financial asset of the underlying Trusts. Management fees are calculated and charged as a percentage of the Net Assets Value (NAV) at the lower end of the range of the NAV specified by the Credit Rating Agency.
- b. Recovery incentive is accounted as and when the right to receive the amount is established as per the terms of Trust Deed.
- c. Any upside share in excess realisation over acquisition price of security receipts by the Group is recognised at point in time basis as per terms of the relevant trust deed/offer document.
- d. The above receipts are recognised as revenue excluding GST.

### Interest Income

The Group calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired and is, therefore, regarded as 'Stage 3', the Group calculates

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit-impaired, the Group reverts to calculating interest income on a gross basis.

For interest income on Fixed Deposit, the Group recognizes it on accrual basis

For purchased or originated credit-impaired (POCI) financial assets, the Group calculates interest income by calculating the credit-adjusted EIR and applying that rate to the amortised cost of the asset. The credit-adjusted EIR is the interest rate that, at original recognition, discounts the estimated future cash flows (including credit losses) to the amortised cost of the POCI assets. Interest income on all trading assets and financial assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

## 5.2 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Date of Recognition

Financial assets and liabilities, debt securities, deposits and borrowings are initially recognised on the trade date, i.e., the date that the Group becomes a party to the contractual provisions of the instrument

### 5.2.1 Financial Assets

#### Initial Measurement

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL, transaction costs are added to, or subtracted from, this amount. Trade receivables are measured at the transaction price.

#### Measurement categories of financial assets and liabilities

The Group classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either:

- Debt instruments at amortised cost

- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments, mutual funds at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

#### Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

#### Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a. The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b. The asset's contractual cash flows represent Solely Payments of Principal and Interest (SPPI).

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Group recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of profit and loss. Interest

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

## Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of profit and loss.

## Investment in Mutual Funds at FVTPL

Mutual fund included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

## De-Recognition of Financial Assets

The Group de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises an associated liability.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit and loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial assets.

On derecognition of a financial asset other than in its entirety (e.g. when the Group retains an option to repurchase part of a transferred asset), the Group allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part is no longer recognised on the basis of relative fair values of those parts on the date of transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

## Impairment of Financial Assets (ECL Policy)

In accordance with IND AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets & credit risk exposure.

The Group assesses at each reporting date whether a financial asset (or a group of financial assets) such as loans and advances held at amortised cost for impairment based on evidence or information that is available without undue cost or effort.

The Group applies a three-stage approach to measuring expected credit losses (ECLs) for financial assets.

### Stage 1: 12-months ECL

All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The Group has assessed that all loans and advances with no default or upto 30 days default would fall under this category.

For these assets, 12-month ECL are recognized and interest revenue is calculated on the gross carrying amount of the asset (that is, without deduction for credit allowance).

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Stage 2: Lifetime ECL – Significant increase in credit risk

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. Financial instruments that have had a significant increase in credit risk since initial recognition are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk and classified under this category. For these assets, lifetime ECL are recognized, but interest revenue is calculated on the gross carrying amount of the asset less ECL already provided.

## Stage 3: Lifetime ECL – Credit Impaired

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

### Credit-impaired financial assets:

At each reporting date, the Group assesses whether financial assets carried at amortised cost is credit impaired. A financial asset is 'credit-impaired' when a breach of contract such as a default or past due event that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

ECL provisioning is being done on each reporting date basis probability of default and loss given default on outstanding financial asset.

### Purchased or originated credit-impaired (POCI) financial assets:

POCI financial assets are treated differently because the asset is credit-impaired at initial recognition. For these assets, the Group recognises all changes in lifetime ECL since initial recognition as a loss allowance with any changes recognised in Statement of Profit and Loss. A favorable change for such assets creates an impairment gain.

### Trade Receivables

Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of IND AS 115

are recognized. The Company provides 0.4% ECL on prudential basis on Standard Assets.

### Other Financial Assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the lifetime when there is significant increase in credit risk. The Company provides 0.4% ECL on prudential basis on Standard Assets.

## 5.2.2 Financial Liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, debt securities and subordinated liabilities, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts. The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair- value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied.

For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk is recognized in OCI.

These gains/ loss are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity.

All other changes in fair value of such liability are recognized in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

### Financial liabilities and equity instruments

Financial instruments issued by the Group are classified as either financial liabilities or as equity in

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Group entity are recognized at the proceeds received, net of direct issue costs.

## Loans & Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss

## De-recognition of financial liabilities

A financial liability shall be de-recognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

### 5.2.3 Offsetting of Financial Instruments

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business.
- The event of default.
- The event of insolvency or bankruptcy of the Company and/or its counterparties.

## 5.3 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments

with an original maturity of three months or less which are subject to an insignificant risk of changes in value.

The Cash Flow Statement has been prepared under the "Indirect Method " as set out in Indian Accounting Standard (Ind AS) - 7 'Statement of Cash Flows' prescribed under Section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, as amended.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above as they are considered an integral part of the Company's cash management.

## 5.4 Property, Plant & Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and arrangements arising from exchange rate variations attributable to the assets. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow the entity and the cost can be measured reliably. Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Depreciation on Tangible Fixed Assets is provided on Straight Line using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013 or estimated by the management. The Group has used the following useful life to provide depreciation on its

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

fixed assets, which is in line with the useful life suggested by Schedule II.

| Asset                                   | Useful Life as Prescribed by Schedule II of the Companies Act, 2013 |
|-----------------------------------------|---------------------------------------------------------------------|
| Computers (end user computers, Laptops) | 3                                                                   |
| Office Equipment                        | 5                                                                   |
| Furniture & Fixtures                    | 10                                                                  |
| Motor Vehicles                          | 6                                                                   |

Useful life of assets estimated by management supported by the Internal Technical assessment.

| Asset                       | Estimated Useful Life |
|-----------------------------|-----------------------|
| Leasehold Improvements *    | 3                     |
| Motor Vehicles <sup>^</sup> | 4-5                   |

\*In case of Leasehold Improvements, Depreciation calculated based on lease period

<sup>^</sup> In case of Motor Vehicles, depreciation calculated on basis of its replacement period as mentioned in the Car Policy of the Company.

Depreciation on the Fixed Assets added/disposed off/discarded during the year is provided on pro-rata basis with reference to the date of addition/disposal/discarding.

## 5.5 Intangible Assets and Amortization

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible assets are amortised on a straight-line basis over their estimated useful lives.

Gains or losses, arising from the retirement or disposal of an intangible asset, are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognized as income or expense in the Statement of Profit and Loss.

Useful life of intangible assets estimated by management is as under:

| Asset             | Estimated Useful Life |
|-------------------|-----------------------|
| Computer Software | 3                     |

The estimated useful lives of the intangible assets and the amortisation period are reviewed at the end of each financial year, and the amortisation period is revised to reflect the changed pattern, if any.

## Fair Value Measurement

The Group measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or the liability; or in the absence of a principal market, in the most advantageous market for the asset or liability, the principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level-1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level-2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level-3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

## 5.6 Impairment of Non-Financial Assets

The Group assesses, at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists or when annual impairment testing for any asset is required, the Group estimates the assets recoverable amount. An assets recoverable amount is the higher of an assets fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

cash inflow that is largely independent of those from other assets or Group of assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written-down to its recoverable amount.

## 5.7 Retirement and Other Employee Benefits

Employee benefits are accrued in the period in which the associated services are rendered by employees of the Group, as detailed below:

### Defined contribution plan

In accordance with Indian law, eligible employees receive benefits from provident fund, which is a defined contribution plan. Both the employee and employer make monthly contributions to the plan, each equal to a specified percentage of employee's basic salary. The Group has no further obligations under the plan beyond its monthly contributions. The Group does not have any legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. Obligation for contributions to the plan is recognized as an employee benefit expense in the Statement of Profit and Loss when incurred.

### Defined Benefit Plans

In accordance with applicable Indian laws, the Group provides for gratuity, a defined benefit retirement plan (the Gratuity Plan) covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the years of employment with the Group.

The Group's net obligation in respect of the gratuity plan is calculated by estimating the amount of future benefits that the employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service cost and the fair value of plan assets are deducted. The discount rate is the yield at the reporting date on risk free government bonds that have maturity dates approximating the terms of the Group's obligations. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Group, the recognized asset is limited to the total of any unrecognized past service costs and the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

The Group recognizes all re-measurements of net defined benefit liability/asset directly in other comprehensive income and presented within equity. The Group has employees' gratuity fund under Grasim Industries Limited Employees Gratuity Trust managed by the ultimate parent Group.

### Short Term Benefit

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under short-term plans if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

### Compensated Absences

The employees of the Group are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Group records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement.

The Group measures the expected cost of compensated absences as the additional amount that the Group expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period.

The Group recognises accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognised in the period in which the absences occur. The Group recognises actuarial gains and losses immediately in the Statement of Profit and Loss.

### Other Benefits

Few employees transferred from other business of the Aditya Birla Capital Group were eligible under long term incentive plan (the "old LTIP scheme") issued by that business in September 2017. The scheme is for 4 years and pay out under the scheme to employees will be made at end of 4 years, as per option opted by the employees. This is a onetime option, which cannot be changed to the option of early vesting, hence liability has been equally spread over the tenure. The old LTIP scheme is vested during the year for the covered employees and the same was settled.

Further Senior employees of the Company were offered the long term incentive plan (the "new LTIP scheme")

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

effective 1<sup>st</sup> September 2022. The scheme is for 3 years and pay out under the new LTIP scheme to employees will be made on an annual basis as per the plan which is under approval. The liability of the new LTIP scheme is recognized based on the valuation report obtained from the actuarial.

## 5.8 Leases as per Ind AS 116

The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (1) the contract involves the use of an identified asset (2) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes right – of – use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value – in – use) is determined on an individual asset basis

unless the asset generates cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment on exercise of an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

## 5.9 Provisions

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are not discounted to their present value and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

## 5.10 Taxes

### Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Deferred Tax

Deferred tax is recognised using the Balance Sheet approach on the temporary differences between the carrying amounts of assets and liabilities in the financial statements and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset, if there is a legally enforceable right to offset current tax liabilities and assets, and these relate to income taxes levied by the same tax authority and are intended to settle current tax liabilities and assets on a net basis or such tax assets and liabilities will be realised simultaneously.

In the event of unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognised to the extent that it is probable that sufficient future taxable income will be available to realise such assets.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Current and deferred tax are recognised in Statement of Profit and Loss, except when the same relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax relating to such items are also recognised in other comprehensive income or directly in equity respectively.

## 5.11 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares

outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## 5.12 Capital Management

The primary objective of the Group's capital management is to maximize the shareholder value. The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

## 5.13 Significant Accounting Judgements, Estimates and Assumptions

The preparation of financial statements, in conformity, with the Ind AS requires management to make judgements, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

## Measurement of Defined Benefit Obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

## Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cashflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amount of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Property plant and equipment and investment property

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of the Group's assets at the end of its useful life are estimated by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The useful life are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

## Impairment of trade receivables

Trade receivables are the trusts of which Group is a trustee and also holds investments in the trust through Security Receipts. The Group estimates the probability of collection of accounts receivable by analyzing the future cash flow in the trust. If the financial condition of the trust deteriorates, additional allowances may be required.

## Fair Value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values.

Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

## ECL on financial asset

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of

future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different level of allowances.

The Group ECL calculation are outputs of models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL models that are considered accounting judgements and estimates includes:

- Probabilities of Defaults (PDs) the calculations of which includes historical data, assumptions and expectations of future conditions.
- The Group's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a life time expected credit loss model basis and the qualitative assessment
- The segmentation of financial assets when their ECL is assessed on a collective basis
- Developments of ECL models, including the various formulas and choices of inputs
- Determination of associations between macroeconomic scenarios and economic inputs, such as unemployment levels and collateral values, and the effects of PDs, exposure at defaults and loss given defaults.

## Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Determination of whether variable payments are in-substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

**Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:**

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

## **Policy for sales out of amortised cost business model portfolios**

Group existing business model focuses on acquisition of financial assets through trusts, with or without participation from external investors. Our existing

resolution strategy is to right size the debt and restructure the debt with focus on improvement in operational performance of the acquired financial assets with existing sponsors or strategic investors.

At present Group has no amortised cost business model portfolio, therefore it has not prepared and adopted any such policy.

## **5.14 Recent pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31<sup>st</sup> March 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

# Notes forming part of the Consolidated Financial Statements

### Term/Right Attached to Equity Shares

The Company has only one class of equity shares having a par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution to all preferential holders. The distribution will be in proportion to the number of the equity shares held by the shareholders.

### Terms of any securities convertible into equity shares

For the terms of compulsarily convertible preference shares, refer note 18 on Subordinated Liabilities.

### Shares held by holding / ultimate holding Company and / or their subsidiaries / associates

Out of equity shares issued by the company, shares held by its holding company, ultimate company and their subsidiaries / associates are as below:

(₹ in Lakh)

### NOTE: 27.1

In 2018, Aditya Birla Capital ("ABCL") and Varde Partners ("Varde") established a strategic partnership to pursue investments in stressed and distressed assets in India. In accordance with the commercial agreements between ABCL and Varde, the Company has recognised amounts attributable to Varde's economic interest in the funds available from the resolution and redemption of specific security receipts, in line with letter dated 28<sup>th</sup> March 2025 issued by ABCL to the Company. The above agreements were earlier entered into by ABCL with Varde for protecting the Company from losses, if any, suffered by the Company due to the Company's investment in specific security receipts.

In view of the same, an estimated amount of ₹ 52,500 lakhs has been provided by the company by reducing 'Net gain on fair value changes' and corresponding amount, being amounts attributable to Varde has been disclosed under 'Other Financial Liabilities'. Any payment to Varde pursuant to the aforesaid shall be subject to applicable Laws and applicable Regulatory approvals.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 37 | EMPLOYEE BENEFIT DISCLOSURES

### Defined Contribution Plan

The amounts charged to the Statement of Profit and Loss during the year for Provident fund contribution aggregates to ₹ 18.37 lakhs (31<sup>st</sup> March 2024 – ₹ 24.47 lakhs).

### Defined Benefit Plan

#### General Description of the plan:

The Company operates gratuity plan through a trust wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service.

#### Nature of Benefits

The Company operates a defined benefit gratuity plan which is open to new entrants. The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company.

#### Inherent Risks:

The plan is of a defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the balance sheet for the gratuity plan of the Company.

#### Amounts recognized in the Balance sheet in respect of Gratuity

|                                                                  | (₹ in Lakh)                 |                             |
|------------------------------------------------------------------|-----------------------------|-----------------------------|
| Particulars                                                      | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |

### b) Maturity Profile of Defined Benefit Obligation

|                                                                   | (₹ in Lakh) |
|-------------------------------------------------------------------|-------------|
| Weighted average duration (based on discounted cashflows)         | 3 years     |
| Expected cash flows over the next (valued on undiscounted basis): |             |
| 1 years                                                           | 8.89        |
| 2 to 5 years                                                      | 23.58       |
| 6 to 10 years                                                     | 16.15       |
| More than 10 years                                                | 2.35        |

### c) Expected Contribution during the next annual reporting period

|                                                                  |   |
|------------------------------------------------------------------|---|
| The company's best estimate of contribution during the next year | - |
|------------------------------------------------------------------|---|

### d) Funding Arrangements and Funding Policy

The Scheme is on funded basis.

### e) Principal Actuarial Financial Assumptions

|                                                 | (₹ in Lakh)                 |                             |
|-------------------------------------------------|-----------------------------|-----------------------------|
| Particulars                                     | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Discount Rate (per annum)                       | 6.50%                       | 7.15%                       |
| Salary Growth Rate (per annum)                  | 10%                         | 10%                         |
| Decrement adjusted remaining working life (yrs) | 3.35                        | 5.80                        |

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

## Sensitivity Analysis Method

Please note that the sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

## NOTE: 38 TAXATION APPROACH

The Company has opted to pay income tax u/s 115BAA of Income Tax Act, 1961 from F.Y: 2019-20 in order to pay tax at the lower rate.

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level-2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

Level-3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. This means that fair values are determined in whole or in part part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. However, the fair value measurement objective remains the same, that is, to estimate an exit price.

\* Level 2 Investment is Fair value of investment in Mutual Funds as per NAV declared on these units.

There have been no transfers between levels during the year ended 31<sup>st</sup> March 2025 and year ended 31<sup>st</sup> March 2024.

| Type of Financial Instruments | Fair Value of Asset as<br>on 31 <sup>st</sup> March 2024 | Valuation Techniques           | Significant Unobservable Input              |
|-------------------------------|----------------------------------------------------------|--------------------------------|---------------------------------------------|
| Investments Unquoted(FVTPL)   | 55,784.98                                                | Discounted Projected Cash Flow | Expected Gross Recoveries* & Discount Rates |

\* Expected Gross Recoveries are pertaining to the overall assets under management of the Company. The cash attributable to the Company's share in expected gross recoveries will be dependant on the Company's investment share and terms of the SR subscribed.

## Qualitative analysis of significant unobservable inputs

### Discount margin/spreads

Discount margin/spreads represent the discount rates used when calculating the present value of future cash flows. In discounted cash flow models such spread are added to the benchmark rate when discounting the future expected cash flows. Hence these spreads reduce the net present value of an asset or increase the value of liability. They generally reflect the premium an investor expects to achieve over the benchmark interest rate to compensate for the higher risk driven by the uncertainty of the cash flows caused by the credit quality of the asset. They can be implied from the underlying deal documents and are usually unobservable for illiquid or complex instruments.

### Cash Flow

Expected Cash flow levels including timing of cash flows are estimated by using quantitative and qualitative measures regarding the characteristics of the underlying assets including default rates, manner of resolution and other economic drivers. The manner of resolution is determined based on financial position and negotiations with counterparty.

## NOTE: 43 | RISK MANAGEMENT FRAMEWORK

### a. Governance framework

The primary objective of the Company's risk and financial management framework is to protect the Company's shareholders from events that hinder the sustainable achievement of financial performance objectives, including failing to exploit opportunities. Key management recognises the critical importance of having efficient and effective risk management systems in place.

### b. Approach to capital management

The Company seeks to optimise the structure and sources of capital to ensure that it consistently maximises returns to the shareholders.

The primary source of capital used by the Company is equity, CCPS, debt Securities and borrowings (other than debt securities).

Available capital resources:

### c. Regulatory framework

Regulators are primarily interested in protecting the rights of shareholders and monitor them closely to ensure that the company is satisfactorily managing affairs for their benefit. At the same time, regulators are also interested in ensuring that the company maintains an appropriate solvency position to meet unforeseeable liabilities arising from economic shocks or natural disasters. The operations of the company are subject to regulatory requirements within the jurisdictions in which it operates.

## Financial risks

### 1. Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, preference shares. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company manages its liquidity risk through temporary funding from its holding Company and availing bank overdraft as and when required.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 2. Operational risks

Operational risk is the risk of loss arising from system failure, human error, fraud or external events. When controls fail to perform, operational risks can cause damage to reputation, have legal or regulatory implications or can lead to financial loss. The Company cannot expect to eliminate all operational risks, but by initiating a rigorous control framework and by monitoring and responding to potential risks, the Company is able to manage the risks. Controls include effective segregation of duties, access controls, authorisation and reconciliation procedures, staff education and assessment processes, including the use of internal audit. Business risks such as changes in environment, technology and the industry are monitored through the Company's strategic planning and budgeting process. Internal control deficiency are reviewed by management and audit committee on periodic basis.

## 3. Credit risks

Credit risk arises when a customer or counterparty does not meet its obligations under a customer contract or financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from its financing/ investing activities, including deposits with banks, investments in security Receipts. The carrying amount of following financial assets represent the maximum credit risk exposure:

## NOTE: 45 | INVOLVEMENT WITH UNCONSOLIDATED STRUCTURED ENTITIES

The company has concluded that the Assets Reconstruction trust in which it invests, but that it does not consolidate meet the definition of structured entities because –

- The voting rights in the company are not dominant rights in deciding who controls them because the right relate to administrative tasks only.
- Each Trust activities are restricted by trust deed.
- Insufficient equity to permit the structured entity to finance its activities without substantial financial support, and
- The trust have well defined objective to provide recovery activities to investors.

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

The following table describes the type of structured entities that the company does not consolidate but in which it holds an interest-

| Type of Structures Entity  | Nature and Purpose                                                                                                 | Interest Held by the Company    | As of 31 <sup>st</sup> March 2025 |                           | As of 31 <sup>st</sup> March 2024 |                           |

# Notes forming part of the Consolidated Financial Statements

for the year ended 31<sup>st</sup> March 2025

## **NOTE: 47 | CODE ON SOCIAL SECURITY**

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective. Based on a preliminary assessment, the entity believes the impact of the change will not be significant.

## **NOTE: 48 | CONTINGENT LIABILITY**

The Group has reviewed its pending litigations and proceedings and on the basis of the same, it has been concluded that there is no contingent liability as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

## **NOTE: 49 | CAPITAL COMMITMENTS**

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) is Nil as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## **NOTE: 50 | LONG TERM CONTRACT**

The Group doesn't have long term contract including Derivative contract as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## **NOTE: 51 | EVENTS AFTER THE REPORTING DATE**

There have been no events after the reporting date that require disclosure in these financial statements.

## **NOTE: 52 | TRANSACTIONS WITH STRUCK-OFF COMPANIES**

The Group has not entered into any transactions with struck-off companies during the year ended 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## **NOTE: 53 | SEGMENT INFORMATION**

The Directors of the Company have been identified as the chief operating decision maker (CODM) as defined by Indian Accounting Standard 108 "Operating Segments". The CODM evaluates the Company's performance, allocates resources based on analysis of the various performance indicators of the Company as a single unit.

The principal business of the Company is of "acquisition and managing Securitisation Trust". All other activities of the Company revolve around its principal business. Therefore, directors have concluded that there is only one operating reportable segment as per Indian Accounting Standard 108 "Operating Segments".

## NOTE: 55 BENAMI PROPERTY UNDER BENAMI TRANSACTIONS (PROHIBITION) ACT, 1988

No proceedings has been initiated or are pending against the Group for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## NOTE: 56 BUSINESS PLAN

The Company does not have any plan for further investment in the securitization trusts and is in the process of resolution of the financial assets held by the existing securitization trusts.

## NOTE: 57 WILFUL DEFAULTER

The Group is not declared as a wilful defaulter by any bank or financial institution or any other lender as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## NOTE: 58 UNRECORDED INCOME

The Group does not have any previously unrecorded income which needs to be recorded in the books of accounts for the year ended 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## NOTE: 59 MICRO, SMALL AND MEDIUM ENTERPRISES

As per information available with the company, the Company has made payment to creditors within stipulated period as provided in "Micro, Small and Medium Enterprise Development Act 2006" ("the Act"). Hence the company has not provided for any interest payable to small, micro and medium enterprises as per the provisions of the Act and the necessary disclosures as per the Act have not been given.

## NOTE: 60 DEBENTURE REDEMPTION RESERVE

Pursuant to the Companies (Share Capital and Debentures) Amendment Rules, 2019 dated 16<sup>th</sup> August 2019, the Company being a Non-Banking Financial Company registered as an Asset Reconstruction Company is exempted from the requirement of creating Debenture Redemption Reserve in respect of the Redeemable Non-convertible Debentures issued under private placement.

# INDEPENDENT AUDITOR'S REPORT

To the members of **Aditya Birla Stressed Asset AMC Private Limited**

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying financial statements of Aditya Birla Stressed Asset AMC Private Limited ("the Company"), which comprise the Balance sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies information and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company (financial position) as at 31<sup>st</sup> March, 2025, its profit including other comprehensive income (financial performance), its cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information

included in the Board Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the financial statements by the Board of Directors of the Company, as aforesaid.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## INDEPENDENT AUDITOR'S REPORT (Contd.)

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books (Also refer to our comments in para 2(g)(vi);
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act;

## INDEPENDENT AUDITOR'S REPORT (Contd.)

- (e) Based on the written representations received from the directors as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - (c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) contain any material misstatement.
  - v. The Company has not declared or paid any dividend during the year.
  - vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same was enabled for the year. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention from the date of enabling the audit trail feature.
3. The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended 31<sup>st</sup> March, 2025 since none of the directors of the Company have drawn any managerial remuneration.

# ANNEXURE 1 TO INDEPENDENT AUDITOR'S REPORT

**[Referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory requirements' in the Independent Auditor's Report of even date to the members of Aditya Birla Stressed Asset AMC Private Limited ("the Company") on the financial statements for the year ended 31<sup>st</sup> March, 2025]**

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that;

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
- (B) The Company does not hold any intangible assets during the year and accordingly, the reporting under clause 3(i)(a)(B) of the Order is not applicable;
- (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification;
- (c) The Company does not hold any immovable properties and accordingly, reporting under clause 3(i)(c) of the Order is not applicable;
- (d) The Company has not revalued any Property, Plant and Equipment and it does not have any Right of Use Assets and accordingly reporting under clause 3(i)(d) of the Order is not applicable.
- (e) As disclosed in note 37, no proceedings have been initiated during the year or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder and accordingly the reporting under clause 3(i)(e) of the Order is not applicable.
- ii. (a) The Company is a service company primarily in the business of raising and acquiring all types of investment funds and to act as a fund manager and does not hold any inventory. Hence, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.
- (b) The Company does not have any working capital limit which has been sanctioned during the year and utilised and accordingly reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. During the year, the Company has not made any investments, provided any guarantee or security or granted any loans or advances in the nature of loans, to companies, firms, Limited Liability Partnerships or any other parties except for making investments in other parties.
  - (a) During the year, Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, limited liability partnerships or any other parties. Accordingly, the reporting under clause 3(iii)(a) of the Order is not applicable to the Company.
  - (b) During the year investments made in other parties, are not prejudicial to the Company's interest. Further, during the year the Company has not provided loans and advances in the nature of loans, provided guarantees, or given securities to companies, firms, Limited Liability Partnerships or any other parties.
  - (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, reporting under clause 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Order is not applicable to the Company.
- iv. There are no loans, investments, guarantees, and securities given in respect of which provisions of section 185 and 186 of the Act are applicable and accordingly, reporting under clause 3(iv) of the Order is not applicable.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits to which directives issued by the RBI and the provisions of sections 73 to 76 or any other relevant provisions of the Act and rules made thereunder apply. Accordingly, reporting under clause 3(v) of the Order is not applicable.
- vi. The Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the services rendered by the Company. Accordingly, the provision of clause 3(vi) of the Order is not applicable.
- vii. The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, income-tax, cess and other statutory dues applicable to it. As informed, the provisions of employees' state insurance, sales-tax, duty of custom, duty of excise and value added taxes are not applicable to the Company.
  - a. According to the information and explanations given to us, no undisputed amounts payable in respect of goods and services tax, provident fund, income-tax, cess and other statutory dues were outstanding, at the year end, for a period of more than six months

## ANNEXURE 1 TO INDEPENDENT AUDITOR'S REPORT (Contd.)

- from the date they became payable. As informed, the provisions of employees' state insurance, sales-tax, duty of custom, duty of excise and value added taxes are not applicable to the Company. According to the information and explanations given to us, there are no dues referred to in 3(vii)(a) above which have not been deposited on account of any dispute.
- viii. As disclosed in note 41 there are no unrecorded transactions which have been surrendered or disclosed as income during the year in the tax assessment under Income Tax Act, 1961 (43 of 1961).
- ix. (a) During the year, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) As disclosed in note 38, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) During the year Company has not availed any term loans and hence reporting under the clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, we report that the Company has not raised any short term borrowings during the year and hence reporting under the clause 3(ix)(d) of the Order is not applicable
- (e) On an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The Company does not have any Associate or Joint ventures.
- (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries. The Company does not have any Associate or Joint Venture.
- x. (a) During the year Company has not raised money by way of initial public offer / further public offer (including debt instruments) and hence reporting under the clause 3(x)(a) of the Order is not applicable
- (b) The Company has not made any preferential allotment or private placement of shares and fully, partially or optionally convertible debentures during the year and hence reporting under the clause 3(x)(b) of the Order is not applicable
- xi. (a) We report that no fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (b) No report under sub section (12) of section 143 of the Act has been filed in the form ADT – 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with central government during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi company. Therefore, the provisions of clause 3(xii) (a) to (c) of the Order are not applicable to the Company.
- xiii. In our opinion, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- xiv. The Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act, 2013 and hence the reporting under clause 3(xiv) of the Order is not applicable to the Company.
- xv. During the year, the Company has not entered any non-cash transactions with directors or persons connected with him as referred to in section 192 of the Act.
- xvi. (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company ("CIC") and accordingly requirements of clause xvi(c) of the Order is not applicable.
- (d) There are three CICs as a part of the Group, namely –

| List of companies                   | Status of Registration        | Remarks       |
|-------------------------------------|-------------------------------|---------------|
| Birla Group Holding Private Limited | Under Process of Registration | Related Party |
| IGH Holdings Private Limited        | Under Process of Registration | Related Party |
| Aditya Birla Capital Limited        | Registered                    | Parent        |

## ANNEXURE 1 TO INDEPENDENT AUDITOR'S REPORT (Contd.)

- xvii. The Company has not incurred any cash losses in the Current year and in the immediately preceding financial year and hence the reporting under clause 3(xvii) of the Order are not applicable to the Company.
- xviii. There has been no resignation of statutory auditors during the year and accordingly reporting under clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due."
- xx. As mentioned in note 36, there is no unspent amount as per subsection 5 of section 135 of the Act towards Corporate Social Responsibility (CSR) as at the end of the financial year, hence reporting under clause 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

## ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

### of even date on The Financial Statements of Aditya Birla Stressed Asset AMC Private Limited

#### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Aditya Birla Stressed Asset AMC Private Limited ("the Company") as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and

maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

#### MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THESE FINANCIAL STATEMENTS

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

## ANNEXURE 2 TO INDEPENDENT AUDITOR'S REPORT (Contd.)

**INHERENT LIMITATIONS OF INTERNAL  
FINANCIAL CONTROLS WITH REFERENCE TO  
THESE FINANCIAL STATEMENTS**

Because of the inherent limitations of internal financial controls with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these financial statements to future periods are subject to the risk that the internal financial control with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**OPINION**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to these financial statements and such internal financial controls with reference to these financial statements were operating

effectively as at 31<sup>st</sup> March, 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 01 ABOUT THE COMPANY

Aditya Birla Stressed Asset AMC Private Limited (the Company) was incorporated as a private limited company under the provisions of the Companies Act, 2013 on 22<sup>nd</sup> May 2018. The primary activity of the company is raising or acquiring all types of investment funds and to act as a fund manager, consultant, advisor, administrators, attorneys, agents, or representatives carry on the activities of all types of investment funds.

The financial statements are authorized for issue by the Company's Board of Directors on 10<sup>th</sup> May 2025.

## NOTE: 02 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind As) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared on a historical cost basis and accrual basis except for fair value through other comprehensive income (FVOCI) instruments, derivative financial instruments, other financial assets held for trading and financial assets and liabilities designated at fair value through profit or loss (FVTPL), all of which have been measured at fair value.

## NOTE: 03 USE OF ESTIMATES

The preparation of financial statements in conformity with IND As requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

## NOTE: 04 SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

### 4.1 Revenue Recognition

Revenue (other than for those items to which Ind As 109 Financial Instruments are applicable) is measured at transaction price of the consideration received or receivable. Ind As 115 Revenue from contracts with

customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers. The Company recognises revenue from contracts with customers based on a five step model as set out in Ind 115:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

### Management fees and Arranger fees – over time

Management fees and arranger fees is recognized on completion of the period and performance of the service.

### Interest Income

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired and is, therefore, regarded as 'Stage 3', the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Interest income on all trading assets and financial assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 4.2 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Date of Recognition

Financial assets and liabilities, debt securities, deposits and borrowings are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument.

### 4.2.1 Financial Assets

#### Initial Measurement

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL, transaction costs are added to, or subtracted from, this amount. Trade receivables are measured at the transaction price.

#### Measurement categories of financial assets and liabilities

The Company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments, mutual funds at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

#### Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

#### Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a. The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b. The asset's contractual cash flows represent Solely Payments of Principal and Interest (SPPI).

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

#### Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of profit and loss.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Equity investments and Mutual Funds at FVTPL

Investments in Subsidiary/ Associate/ Joint Venture are out of the scope of Ind As and Investment is required to be accounted as per Ind As 27.

All other equity investments and Mutual fund in scope of Ind As 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the Company has irrevocable option to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Company classifies equity instruments as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to Statement of profit & loss, even on sale of investment.

Equity instruments, Mutual fund included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

## De-Recognition of Financial Assets

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit and loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial assets.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part is no longer recognises on the basis of relative fair values of those parts on the date of transfer. The difference between the carrying amount allocated to the part that is no longer

recognised and the sum of consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

## Impairment of Financial Assets

In accordance with IND As 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on which financial assets and credit risk exposure.

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as loans and advances held at amortised cost for impairment based on evidence or information that is available without undue cost or effort.

The Company applies a three-stage approach to measuring expected credit losses (ECLs) for financial assets.

### Stage 1: 12-months ECL

All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The Company has assessed that all loans and advances with no default or upto 30 days default would fall under this category.

For these assets, 12-month ECL are recognized and interest revenue is calculated on the gross carrying amount of the asset (that is, without deduction for credit allowance).

### Stage 2: Lifetime ECL – Significant increase in credit risk

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. Financial instruments that have had a significant increase in credit risk since initial recognition are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk and classified under this category. For these assets, lifetime ECL are recognized,

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

but interest revenue is calculated on the gross carrying amount of the asset less ECL already provided.

## Stage 3: Lifetime ECL – Credit Impaired

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage.

For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

## Credit-impaired financial assets:

At each reporting date, the company assesses whether financial assets carried at amortised cost is credit impaired. A financial asset is 'credit-impaired' when a breach of contract such as a default or past due event that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

ECL provisioning is being done on each reporting date basis probability of default and loss given default on outstanding financial asset.

## Trade Receivables

Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of IND As 115 are recognized.

## Other Financial Assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the lifetime when there is significant increase in credit risk. The Company provides 0.4% ECL on prudential basis on Standard Assets.

## 4.2.2 Financial Liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts. The measurement of financial liabilities depends on their classification, as described below:

## Financial liabilities at fair- value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND As 109 are satisfied.

For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk is recognized in OCI.

These gains / losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity.

All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

## Loans & Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss

## De-recognition of financial liabilities

A financial liability shall be de-recognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

## Offsetting of Financial Instruments

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

- The event of insolvency or bankruptcy of the Company and/or its counterparties.

## 4.3 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less which are subject to an insignificant risk of changes in value.

The Cash Flow Statement has been prepared under the "Indirect Method" as set out in Indian Accounting Standard (Ind As) - 7 'Statement of Cash Flows' prescribed under Section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, as amended.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

## 4.4 Property, Plant & Equipment.

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and arrangements arising from exchange rate variations attributable to the assets. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow the entity and the cost can be measured reliably. Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Depreciation on Tangible Fixed Assets is provided on Straight Line using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act,

2013 or estimated by the management. The Company has used the following useful life to provide depreciation on its fixed assets, which is in line with the useful life suggested by Schedule II.

| Asset                                   | Useful Life as Prescribed by Schedule II of the Companies Act, 2013 |
|-----------------------------------------|---------------------------------------------------------------------|
| Motor Vehicles                          | 6                                                                   |
| Computers (end user computers, Laptops) | 3                                                                   |

Useful life of assets estimated by management supported by the Internal Technical assessment.

| Asset                       | Estimated Useful Life |
|-----------------------------|-----------------------|
| Motor Vehicles <sup>^</sup> | 4-5                   |

<sup>^</sup> In case of Motor Vehicles, depreciation calculated on basis of its replacement period as mentioned in the Car Policy of the Company.

Depreciation on the Fixed Assets added/disposed off/discarded during the year is provided on pro-rata basis with reference to the date of addition/disposal/discarding.

## 4.5 Retirement and Other Employee Benefits

Employee benefits are accrued in the period in which the associated services are rendered by employees of the Company, as detailed below:

### Defined contribution plan

In accordance with Indian law, eligible employees receive benefits from provident fund, which is a defined contribution plan. Both the employee and employer make monthly contributions to the plan, each equal to a specified percentage of employee's basic salary. The Company has no further obligations under the plan beyond its monthly contributions. The Company does not have any legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. Obligation for contributions to the plan is recognized as an employee benefit expense in the Statement of Profit and Loss when incurred.

### Defined Benefit Plans

In accordance with applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan (the Gratuity Plan) covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the years of employment with the Company.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

The Company's net obligation in respect of the gratuity plan is calculated by estimating the amount of future benefits that the employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service cost and the fair value of plan assets are deducted. The discount rate is the yield at the reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligations. The calculation is performed annually by a qualified actuary using the projected unit credit method.

When the calculation results in a benefit to the Company, the recognized asset is limited to the total of any unrecognized past service costs and the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

The Company recognizes all re-measurements of net defined benefit liability/asset directly in other comprehensive income and presented within equity. The Company has employees' gratuity fund under Grasim Industries Limited Employees Gratuity Trust managed by the ultimate parent company.

## Short Term Benefit

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under short-term plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

## Compensated Absences

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement.

The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period.

The Company recognises accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognised in the period

in which the absences occur. The Company recognises actuarial gains and losses immediately in the Statement of Profit and Loss.

## 4.6 Fair Value Measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or the liability; or in the absence of a principal market, in the most advantageous market for the asset or liability, the principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

## 4.7 Impairment of Non-Financial Assets

The Company assesses, at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists or when annual impairment testing for any asset is required, the Company estimates the assets recoverable amount. An assets recoverable amount is the higher of an assets fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

cash inflow that is largely independent of those from other assets or Company of assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written-down to its recoverable amount.

## 4.8 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are not discounted to their present value and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

## 4.9 Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

## 4.10 Taxes

### Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken

in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### Deferred Tax

Deferred tax is recognised using the Balance Sheet approach on the temporary differences between the carrying amounts of assets and liabilities in the financial statements and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset, if there is a legally enforceable right to offset current tax liabilities and assets, and these relate to income taxes levied by the same tax authority and are intended to settle current tax liabilities and assets on a net basis or such tax assets and liabilities will be realised simultaneously.

In the event of unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognised to the extent that it is probable that sufficient future taxable income will be available to realise such assets.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Current and deferred tax are recognised in Statement of Profit and Loss, except when the same relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax relating to such items are also recognised in other comprehensive income or directly in equity respectively.

## 4.11 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split, if any.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## 4.12 Capital Management

The primary objective of the Company's capital management is to maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

## 4.13 Significant Accounting Judgements, Estimates and Assumptions:

The preparation of financial statements, in conformity, with the Ind As requires management to make judgements, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

### Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cashflow can be reliably estimated. The timing of recognition and quantification of the liability

requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amount of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

## Fair Value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique.

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

## 5. RECENT PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

# Notes forming part of the Financial Statements

## NOTE: 25 EMPLOYMENT BENEFIT DISCLOSURES

### Defined Contribution Plan

The amounts charged to the Statement of Profit and Loss during the year for Provident fund contribution aggregates to ₹ 0.39 lakhs (Previous Year: ₹ 5.43 lakhs).

### Defined Benefit Plan

#### General Description of the plan:

The Company operates gratuity plan through a trust wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service.

#### Nature of Benefits

The Company operates a defined benefit gratuity plan which is open to new entrants. The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company.

#### Inherent Risks:

The plan is of a defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the balance sheet for the gratuity plan of the Company.

| Particulars                    | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Discount Rate (per annum)      | 6.50%                       | 7.15%                       |
| Salary Growth Rate (per annum) | 10.00%                      | 10.00%                      |

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

## f) Demographic Assumptions

|                                       | (₹ in Lakh)                 |                             |
|---------------------------------------|-----------------------------|-----------------------------|
| Particulars                           | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Mortality Rate                        | 100% of IALM 2012-14        | 100% of IALM 2012-14        |
| Normal retirement age                 | 60 yrs                      | 60 yrs                      |
| Attrition/Withdrawal rate (per annum) | 15.00%                      | 15.00%                      |

Attrition rate indicated above represents the Company's best estimate of employee turnover in future (other than on account of retirement, death or disablement) determined considering various factors such as nature of business, retention policy, industry factors, past experience, etc.

## g) Major Categories of Plan Assets (as a percentage of Total Plan Assets)

|                                | (₹ in Lakh)                 |                             |
|--------------------------------|-----------------------------|-----------------------------|
| Particulars                    | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Government of India Securities | 1.73%                       | 2.15%                       |
| State Govt. Securities         | 2.23%                       | 3.18%                       |
| High Quality Corporate Bonds   | 0.28%                       | 0.54%                       |
| Fund Managed by Insurers       | 40.81%                      | 41.58%                      |
| Other Investments              | 54.95%                      | 52.55%                      |
| <b>Total</b>                   | <b>100.00%</b>              | <b>100.00%</b>              |

## Sensitivity Analysis Method

Please note that the sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

### NOTE: 26 TAXATION APPROACH

The Company has opted to pay income tax u/s 115BAA of Income Tax Act, 1961 from F.Y: 2019-20 in order to pay tax at the lower rate.

### NOTE: 27 INCOME TAX DISCLOSURE

Current tax for the year is ₹ 99.94 lakhs (March 31, 2024: 264.88 lakhs).

## The major components of income tax expense for the years ended:

### NOTE: 32 | FAIR VALUE HIERARCHY

Following table provides the fair value measurement hierarchy of the Company's assets and liabilities as at 31<sup>st</sup> March 2025 & 31<sup>st</sup> March 2024

#### As at 31<sup>st</sup> March 2025

|                              | (₹ in Lakh)       |       |         |         |         |
|------------------------------|-------------------|-------|---------|---------|---------|
| Financial Assets             | Date of Valuation | Total | Level 1 | Level 2 | Level 3 |
| Investments Unquoted (FVTPL) | 31-03-25          | -     | -       | -       | -       |

#### As at 31<sup>st</sup> March 2024

|                              | (₹ in Lakh)       |        |         |          |         |
|------------------------------|-------------------|--------|---------|----------|---------|
| Financial Assets             | Date of Valuation | Total  | Level 1 | Level 2* | Level 3 |
| Investments Unquoted (FVTPL) | 31-03-24          | 194.30 | -       | 194.30   | -       |

\* Level 2 Investment is Fair value of investment in Unquoted Mutual Funds & Unquoted AIF units as per NAV declared on these units.

There have been no transfers between levels during the year ended March 31, 2025 and year ended March 31, 2024.

### NOTE: 33 | RISK MANAGEMENT FRAMEWORK

#### a. Governance framework

The primary objective of the Company's risk and financial management framework is to protect the Company's shareholders from events that hinder the sustainable achievement of financial performance objectives, including failing to exploit opportunities. Key management recognises the critical importance of having efficient and effective risk management systems in place.

#### b. Approach to capital management

The Company seeks to optimise the structure and sources of capital to ensure that it consistently maximises returns to the shareholders.

The primary source of capital used by the Company is equity and borrowings (other than debt securities).

Available capital resources as at the end of the year:

|                      | (₹ in Lakh)                          |                                      |

## c. Regulatory framework

Regulators are primarily interested in protecting the rights of shareholders and monitor them closely to ensure that the company is satisfactorily managing affairs for their benefit. At the same time, regulators are also interested in ensuring that the company maintains an appropriate solvency position to meet unforeseeable liabilities arising from economic shocks or natural disasters. The operations of the company are subject to regulatory requirements within the jurisdictions in which it operates.

## NOTE: 34 FINANCIAL RISKS

### 1. Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company manages its liquidity risk through temporary funding from its ultimate holding company as and when required.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

## 2. Operational risks

Operational risk is the risk of loss arising from system failure, human error, fraud or external events. When controls fail to perform, operational risks can cause damage to reputation, have legal or regulatory implications or can lead to financial loss. The Company cannot expect to eliminate all operational risks, but by initiating a rigorous control framework and by monitoring and responding to potential risks, the Company is able to manage the risks. Controls include effective segregation of duties, access controls, authorisation and reconciliation procedures, staff education and assessment processes, including the use of internal audit. Business risks such as changes in environment, technology and the industry are monitored through the Company's strategic planning and budgeting process. Internal control deficiency are reviewed by the management on periodic basis.

## 3. Credit risks

Credit risk arises when a customer or counterparty does not meet its obligations under a customer contract or financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from its financing/ investing activities, including deposits with banks, investments in Mutual Fund units. The Company has no significant concentration of credit risk with any counterparty.

### NOTE: 35 REVENUE FROM CONTRACTS WITH CUSTOMERS

#### Disaggregation of revenue from contracts with customers

In the following table, revenue is disaggregated by primary geographical market, major products/service lines and timing of revenue recognition:

The Company has not entered into any transactions with struck-off companies during the year ended 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## NOTE: 40 MICRO, SMALL AND MEDIUM ENTERPRISES

The company does not have any outstanding dues to Micro, Small and Medium enterprises. As per information available with the company, the Company has made payment to creditors within stipulated period as provided in "Micro, Small and Medium Enterprise Development Act 2006" ("the Act"). Hence the company has not provided for any interest payable to small, micro and medium enterprises as per the provisions of the Act and the necessary disclosures as per the Act have not been given.

## NOTE: 41 UNRECORDED INCOME

The Company does not have any previously unrecorded income which needs to be recorded in the books of accounts for the year ended 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## NOTE: 42 CONTINGENT LIABILITY

The Company has reviewed its pending litigations and proceedings, and on the basis of the same it has been concluded that there is no contingent liability as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is certain, then the related asset is not a contingent asset and is recognized.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 43 CAPITAL COMMITMENTS

As on March 31, 2025, remaining capital commitment to invest as Sponsor is Nil (Previous year: ₹ 486.22 lakhs) and as Investor is Nil (Previous year: ₹ 6,223.63 lakhs).

As per Regulation No. 10 (d) of SEBI AIF Regulations, 2012, the Company is required to have continuing interest in the Alternative Investment Fund (AIF) of not less than 2.5% of the total corpus or 5 Crore, whichever is lower, in the form of investment in the AIF. The same is complied by the Company.

## NOTE: 44 LONG TERM CONTRACT

The Company doesn't have long term contract including derivative contract as at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

## NOTE: 45 EVENTS AFTER THE REPORTING DATE

There have been no events after the reporting date that require disclosure in these financial statements.

## NOTE: 46

No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in parties identified by or on behalf of the Company (Ultimate Beneficiaries). The Company has not received any fund from any parties (Funding Party) with the understanding that the Company shall whether, directly or indirectly, lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

## NOTE: 47 EXPENSES OF THE SUBSIDIARY OF THE COMPANY

During the year, an application is made to SEBI for the closure of 'Aditya Birla Special Situations Fund - I' ("the fund") which is the subsidiary of the Company. Hence all the future operating expenses of the fund till the completion of winding up process shall be borne by the company.

## NOTE: 48 SEGMENT REPORTING

The Board of Directors of the Company has been identified as the chief operating decision maker (CODM) as defined by Indian Accounting Standard 108 "Operating Segments". The CODM evaluates the Company's performance, allocates resources based on analysis of the various performance indicators of the Company as a single unit.

The principal business of the Company is of "Investment Manager". All other activities of the Company revolve around its principal business. Therefore, directors have concluded that there is only one operating reportable segment as per Indian Accounting Standard 108 "Operating Segments".

## NOTE: 49 CODE ON SOCIAL SECURITY

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective. Based on a preliminary assessment, the entity believes the impact of the change will not be significant.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## **NOTE: 50 | EXEMPTION FROM PREPARING CONSOLIDATED FINANCIAL STATEMENT**

During the year ended 31<sup>st</sup> March 2023, the company has established control on Aditya Birla Special Situations Fund – I ('the fund') thereby the fund became the subsidiary of the company as per Ind AS 110. However, the financial statement of the fund gets consolidated by the parent entity of the Company thereby the Company has availed exemption from preparing the consolidated financial statement for the year ended 31<sup>st</sup> March 2025 and for the year ended 31<sup>st</sup> March 2024 as per Ind AS 110.

## **NOTE: 51 | PRIOR YEAR COMPARATIVES**

Previous year figures have been regrouped/reclassified wherever necessary to conform to the current year's presentation.

# INDEPENDENT AUDITOR’S REPORT

To The Members of **Aditya Birla Money Limited**

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying financial statements of **Aditya Birla Money Limited** (the “Company”), which comprise the Balance Sheet as at 31<sup>st</sup> March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the Year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor’s Responsibility for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Key Audit Matter

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr. No. | Key Audit Matter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Auditor’s Response                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|---------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1       | <p><b>Information Technology and General Controls</b></p> <p>The financial accounting and reporting systems of the Company are fundamentally reliant on IT systems and IT controls to process significant volume of transactions.</p> <p>Due to the complexity, large volume of transactions processed daily and reliance on automated and IT dependent manual controls, matter pertaining to adequacy and effectiveness of IT control environment is considered as a Key Audit Matter.</p> <p>Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring, IT dependent and application-based controls are operating effectively.</p> | <p>We understood and assessed the overall IT control environment and the controls in place which included controls over access to systems and data, as well as system changes.</p> <p>Tested the design and operating effectiveness of IT access controls over the information systems that are important to financial reporting and various interfaces, configuration and other identified application controls.</p> <p>Tested IT general controls (logical access, change management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorised.</p> <p>Tested the Company’s periodic review of access rights. We also inspected requests of changes to systems for appropriate approval and authorisation.</p> <p>In addition to the above, we tested the design and operating effectiveness of certain automated and IT dependent manual controls that were considered as key internal financial controls with reference to financial statements.</p> <p>Tested the design and operating effectiveness compensating controls in case deficiencies were identified and, where necessary, extended the scope of our substantive audit procedures.</p> |

### Information Other than the Financial Statements and Auditor’s Report Thereon

- The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Director’s report but does not include the financial statements and our auditor’s report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or

## INDEPENDENT AUDITOR'S REPORT (Contd.)

our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements

can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider

## INDEPENDENT AUDITOR'S REPORT (Contd.)

quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for not complying with the requirement of audit trail as stated in (i)(vi) below (refer Note 56 to the financial statements).
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2025 taken on record by the Board of Directors, none of the directors is disqualified as

on 31<sup>st</sup> March 2025 from being appointed as a director in terms of Section 164(2) of the Act.

- f) The modification relating to the maintenance of accounts and other matters connected therewith, is as stated in paragraph (b) above.
- g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 50 to the financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any

## INDEPENDENT AUDITOR'S REPORT (Contd.)

guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial

year ended 31<sup>st</sup> March 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except audit trail feature was not enabled at the database level for accounting software to log any direct data changes.

Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

### Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to financial statements of **Aditya Birla Money Limited** (the “Company”) as at 31<sup>st</sup> March 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### Management’s and Board of Director’s Responsibility for Internal Financial Controls

The Company’s management and Board of Director’s are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

### Meaning of Internal Financial Controls with reference to financial statements

A Company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not

## ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31<sup>st</sup> March 2025, based on the criteria for internal financial control with reference to financial statements established by

the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) In respect of the Company’s Property, Plant and Equipment, right-of-use of asset and Intangible assets:
  - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of the of Property, Plant and Equipment and relevant details of right-of-use asset.
  - (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) Some of the property, plant & equipment were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the property, plant & equipment and right-of-use assets at reasonable intervals having regard to the size of the Company and the nature of its activities. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based on our examination of the registered sale deed cum general power of attorney provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company), disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31<sup>st</sup> March 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company does not have any inventory and hence reporting under clause (ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹5 Crore, in aggregate,

at points of time during the year, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising book debt statements and statements on ageing analysis of the debtors filed by the Company with such banks are in agreement with the unaudited books of account of the Company of the respective quarters.

- (iii) The Company has made investments in securities and granted loans, secured or unsecured, to companies, firms, limited liability partnership or any other parties during the year in respect of which:
  - a) The Company has provided loans during the year and details of which are given below:

|                                              |  | (₹ in Lakh) |
|----------------------------------------------|--|-------------|
|                                              |  | Loans       |
| Aggregate amount during the year             |  |             |
| - Subsidiaries*                              |  | -           |
| - Joint Ventures*                            |  | -           |
| - Associates*                                |  | -           |
| - Others#                                    |  | 856.91      |
| Balance outstanding as at balance sheet date |  |             |
| - Subsidiaries*                              |  | -           |
| - Joint Ventures*                            |  | -           |
| - Associates*                                |  | -           |
| - Others                                     |  | 60,945.50   |

\* As per Companies Act, 2013

# The amount represents difference between loans amount outstanding at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

The Company has not provided any guarantee, security or advances in nature of loans to companies, firms, limited liability partnership or any other parties during the year.

- b) The investments made and the terms and conditions of the grant of loans provided, during the year are, in our opinion, *prima facie*, not prejudicial to the Company’s interest.
- c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has not been stipulated (given the nature of the loans – Margin funding facility) and in the absence of such schedule, we are unable to comment on the regularity of the repayments of principal amounts and payment of interest (Refer reporting under clause (iii)(f) below).
- d) According to information and explanation given to us, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at balance sheet date.

## ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

- e) No loans granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- f) The Company has granted loans which are without specifying any terms or period of repayment details of which are given below:

(₹ in Lakh)

| Particulars                                                                             | All parties      | Promoters | Related parties |
|-----------------------------------------------------------------------------------------|------------------|-----------|-----------------|
| Aggregate of loans                                                                      |                  |           |                 |
| Repayable on demand (A)                                                                 | -                | -         | -               |
| Agreement does not specify any terms or period of repayment or details (B) <sup>#</sup> | 60,938.84        | -         | -               |
| <b>Total (A+B)</b>                                                                      | <b>60,938.84</b> | <b>-</b>  | <b>-</b>        |
| <b>Percentage of loans to the total loans</b>                                           | <b>99.99%</b>    | <b>-</b>  | <b>-</b>        |

<sup>#</sup> The amount represents difference between loans amount outstanding at 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

- (iv) The Company has not granted any loans, made investments or provided guarantees and securities under Section 185 of the Act. The Company has complied with the provisions of Sections 186 of the Act in respect of grant of loans and making investments. The Company has not provided any guarantees and securities during the year. Accordingly, para 3(iv) of the Order is not applicable to that extent.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) The maintenance of cost records has not been specified for the activities of the Company by the Central Government under Section 148(1) of the Companies Act, 2013. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- (vii) In respect of statutory dues:
- (a) Undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income-tax, cess and any other material statutory dues applicable to the Company have been regularly deposited by it with the appropriate authorities in all cases during the year.
- There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, cess and other material statutory dues in arrears as at 31<sup>st</sup> March 2025 for a period of more than six months from the date they became payable other than stamp duties collected by the Company in respect of states wherein the manner of making the payment has not been notified from July 2011 onwards and remaining unpaid as on 31<sup>st</sup> March 2025 amounting to ₹164.90 Lakh as disclosed in Note 34 to the financial statements.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31<sup>st</sup> March 2025 on account of disputes are given below:

(₹ in Lakh)

| Name of Statute                                                  | Nature of Dues                                  | Forum where Dispute is Pending      | Period to which the Amount Relates | Demand Amount | Amount paid | Un-paid amount |

|                                                                  |                                                 | Commissioner of Commercial Taxes    | April 2007 - March 2008            | 10.20         | 2.55        | 7.65           |

## ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) of the Order is not applicable.
- (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer/ further public offer. In our opinion, moneys raised by way of debt instruments (commercial papers) during the year have been, *prima facie*, applied by the Company for the purposes for which they were raised.
- (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-Section (12) of Section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the Management, there were no whistle-blower complaints received by the Company during the year (and up to the date of this report).
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its Holding Company or persons connected with such directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- In our opinion, the Group has more than one CIC as part of the group. There are three CIC forming part of the group, out of which two are under process of registration as CIC.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities and other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance

## ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of

sub-section (6) of Section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

## NOTE: 01 | GENERAL INFORMATION

Aditya Birla Money Limited ('ABML' or 'the Company') having Company Identification No. L65993GJ1995PLC064810 is a Listed Public Company having its Registered Office at Indian Rayon Compound, Veraval – 362 266, Gujarat, domiciled in India and is incorporated on 4<sup>th</sup> July 1995, in Chennai, Tamil Nadu under the provisions of erstwhile Companies Act, 1956 (now Companies Act, 2013).

Company's shares are listed in two recognised stock exchanges in India. The Company is a stock broking and capital market products distributor, offering Equity and Derivative trading through NSE and BSE and Currency Derivative on MCX-SX and Commodities Trading through MCX and NCDEX. It is registered as a Depository Participant with both NSDL and CDSL in terms of the Securities and Exchange Board of India (Depository Participants) Regulations, 1996. It also provides Portfolio Management Services and is involved in investment in securities.

## NOTE: 02 | MATERIAL ACCOUNTING POLICIES

### 2.1 STATEMENT OF COMPLIANCE

These financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under Section 133 of the Companies Act, 2013, the relevant provisions of the Companies Act, 2013 ("the Act") and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable. The financial statements are approved by the Board of Directors of the Company at their meeting held on 21<sup>st</sup> April 2025.

#### 2.2.1 BASIS OF PREPARATION

The financial statements are prepared and presented on the going concern basis and at historical cost, except for the following assets and liabilities which have been measured at fair value:

- certain financial assets & liabilities at fair value (refer accounting policy 2.9 on financial Instruments).
- employee's Defined Benefit Plan as per actuarial valuation

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an

asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date 31<sup>st</sup> March 2025, and more than 12 months after the reporting date 31<sup>st</sup> March 2025, is presented in Note 32.

Financial assets and liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default

#### 2.2.2 BASIS OF ACCOUNTING

To provide more reliable and relevant information about the effect of certain items in the Balance Sheet and Statement of Profit and Loss, the Company has changed the classification of certain items. Previous Year's figures have been re-grouped or reclassified, to confirm to such current year's grouping/classifications.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

There is no impact on Equity or Net profit due to these regrouping/reclassifications.

## 2.3 FUNCTIONAL AND PRESENTATION CURRENCY

The financial statements are presented in Indian Rupees, which are the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

## 2.4 PROPERTY, PLANT AND EQUIPMENT (PPE) & DEPRECIATION

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the asset to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning. If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately.

When significant parts of Property, Plant and Equipment are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the Property, Plant and Equipment as a replacement if the recognition criteria are satisfied. Any trade discounts and rebates are deducted in arriving at the purchase price.

Depreciation on Property, Plant and Equipment is provided on Straight-Line basis using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013 or estimated by the management. The Company has used the following useful life to provide depreciation on its Property, Plant and Equipment.

Assets where useful life is same as Schedule II:

| Asset                                             | Useful Life as Prescribed by Schedule II of the Companies Act, 2013 |
|---------------------------------------------------|---------------------------------------------------------------------|
| Computers (end user computers, Laptops)           | 3 years                                                             |
| Servers                                           | 6 years                                                             |
| Office Equipment (AC, UPS, Generator & Invertors) | 5 years                                                             |

The useful life of assets different from those prescribed in Schedule II has been estimated by management supported by the Internal Technical assessments and Policies.

| Asset                                         | Useful Life as Prescribed by Schedule II of the Companies Act, 2013 | Estimated Useful Life |
|-----------------------------------------------|---------------------------------------------------------------------|-----------------------|
| Batteries (included under office equipment's) | 5 Years                                                             | 4 Years               |
| Furniture & Fixtures*                         | 10 Years                                                            | 7 years               |
| Vehicles <sup>#</sup>                         | 6 years                                                             | 4 Years/5 Years       |

\*In the case of Furniture & Fixtures fitted within premises, Depreciation calculated based on lease period taking into account the secondary lease period or 7 years whichever is less.

<sup>#</sup>In the case of vehicles, depreciation calculated based on the period mentioned in the Group vehicle policy. As per policy, an employee has the choice to purchase the vehicle after 4 Years or 5 Years as per the applicable job band.

Property, Plant and Equipment, individually costing less than Rupees five thousand are fully depreciated in the year of purchase.

Depreciation on the Property, Plant and Equipment added/disposed off/discarded during the year is provided on pro-rata basis with reference to the month of addition/disposal/discarding.

Gains or losses arising from de-recognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

### 2.4.1 Capital work-in-progress and Capital advances

Cost of assets not yet ready for intended use, as on the Balance Sheet date, is shown as capital work-in-progress. Advances given towards acquisition of Fixed Assets outstanding at each Balance Sheet date are disclosed in Other Non-Financial Assets.

## 2.5 INTANGIBLE ASSETS & AMORTISATION

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. capitalised costs include direct costs of implementation and expenses directly attributable to the development of the software. All other expenses on existing intangible assets, including day-to-day maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Computer software cost capitalised is amortised over the estimated useful life of 6 years on a straight-line basis.

## 2.5.1 Intangible Assets Under Development

Expenditure on software development eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

## 2.6 IMPAIRMENT

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets' net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

## 2.7 BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the assets. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

## 2.8 LEASES

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right-of-use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset generates cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right-of-use asset if the Company changes its assessment on exercise of an extension or a termination option.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

## 2.9 FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument to another entity.

### 2.9.1. Financial Asset

#### 2.9.1.1 Initial Recognition and Measurement

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially measured at their fair value. Transaction costs are added to, or subtracted from, the said fair value except in the case of financial assets and financial liabilities recorded at FVTPL. However, trade receivables are measured at the transaction price.

The purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace are recognised on the trade date i.e. the date that the Company commits to purchase or sell the asset.

#### 2.9.1.2 Subsequent Measurement

For the purpose of subsequent measurement, financial assets are classified as below:

- i) Financial instruments at amortised cost
- ii) Financial instruments at fair value through other comprehensive income (FVTOCI)
- iii) Financial instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- iv) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

#### (i) *Financial assets measured at amortised cost*

A 'Financial instrument' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

#### (ii) *Financial assets at fair value through other comprehensive income (FVTOCI):*

A 'Financial Instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI Financial Instrument is reported as interest income using the EIR method.

#### (iii) *Financial Instrument at FVTPL*

FVTPL is a residual category for Financial Instruments. Any Financial Instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

In addition, the Company may elect to designate a Financial Instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such an election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has classified the current investments held as investment in securities (WDM portfolio) at FVTPL.

Financial Instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

## (iv) *Equity Investments*

All equity investments in scope of IND AS 109 are measured at fair value and the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amount from OCI to P&L, even on sale of investment. However, the group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

## 2.9.1.3 De-Recognition of Financial Assets

Financial assets are derecognized when the contractual rights to the cashflows from the financial asset expire or the financial asset is transferred, and the transfer qualifies for de-recognition. On de-recognition of a financial asset in its entirety the difference between the carrying amount (measured at the date of de-recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognised in Statement of profit and loss.

## 2.9.1.4 Impairment of Financial Assets

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. In the case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments – for recognition of impairment loss

allowance. The application of the simplified approach does not require the Company to track changes in credit risk of trade receivable.

The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

In this approach, assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

## 2.9.1.5 Other Financial Assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the lifetime when there is significant increase in credit risk.

## 2.9.2 Financial Liabilities

Financial liabilities are classified, at initial recognition,

- as financial liabilities at fair value through profit or loss,
- loans and borrowings,
- payables

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings & payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

## 2.9.2.1 Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

### 2.9.2.1.1 *Financial liabilities at FVTPL:*

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied.

For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk is recognised in OCI.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity.

All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

## 2.9.2.1.2 Loans & Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss

## 2.9.2.1.3 De-recognition of financial liabilities:

A financial liability shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

## 2.10 Investment in Securities

Securities acquired with the intention to trade are classified as Investment. Investments are valued at market/fair value. The profit or loss from the sale of investment is recognised on trade date or settlement date in the Statement of Profit and Loss according to the nature of investment.

## 2.11 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

## 2.12 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or the liability; or in the absence of a principal market, in the most advantageous market for the asset or liability, the principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for disposal in discontinued operations.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 2.13 IMPAIRMENT OF NON-FINANCIAL ASSETS

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists or when annual impairment testing for any asset is required, the Company estimates the assets recoverable amount. An assets recoverable amount is the higher of an assets fair value less cost of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflow that is largely independent of those from other assets or group of assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

## 2.14 REVENUE RECOGNITION

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at transaction price i.e. the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to the customer, excluding amounts collected on behalf of third parties. The Company considers the terms of the contract and its customary business practices to determine the transaction price.

Where the consideration promised is variable, the Company excludes the estimates of variable consideration that are constrained. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers.

The Company recognises revenue from contracts with customers based on a five-step model as set out in Ind AS 115:

**Step 1: Identify contract(s) with a customer:** A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

**Step 2: Identify performance obligations in the contract:** A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

**Step 3: Determine the transaction price:** The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

**Step 4: Allocate the transaction price to the performance obligations in the contract:** For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

**Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the transaction price, considering contractually defined terms of payment and excluding taxes and duties collected on behalf of the government.

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction shall be recognised.

The outcome of a transaction can be estimated reliably when all the following conditions are satisfied:

- the amount of revenue can be measured reliably.
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred for the transaction or to be incurred in respect of the transaction can be measured reliably.

When the outcome of the transaction involving the rendering of services cannot be estimated reliably, revenue shall be recognised only to the extent of the expenses recognised that are recoverable. The revenue recognition in respect of the various streams of revenue is described below:

Brokerage Income and related charges are recognised on the trade date of the transaction upon confirmation of the transactions by the exchanges. Account opening charges are recognised when right to receive the income is established.

Income from depository services, interest and finance charges on funding facility availed by the clients are recognised on the basis of agreements entered into with clients and when the right to receive the income is established.

Interest bearing instruments are measured either at amortised cost and interest income is recorded using the effective interest rate (EIR) method. EIR is the rate that

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

exactly discounts the estimated future receipts over the expected life of the financial instrument, to the gross carrying amount of the financial asset.

Interest earned from income bearing instruments is allocated between pre-acquisition and post-acquisition period and the accrued portion of the pre-acquisition portion is deducted from cost. The post-acquisition portion of interest is considered as revenue. The Profit/Loss realized from sale of securities are recognised on trade date basis.

Other interest incomes are recognised on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.

Portfolio management fees are recognised on an accrual basis in accordance with the Portfolio Management Agreements entered into with the respective clients.

Dividend income is recognised when the Company's right to receive dividend is established by the reporting date.

## 2.15 RETIREMENT AND OTHER EMPLOYEE BENEFITS

### 2.15.1 Employee benefits

Employee benefits are accrued in the period in which the associated services are rendered by employees of the Company, as detailed below:

#### 2.15.1.1 Defined contribution plan (Provident fund)

In accordance with Indian law, eligible employees receive benefits from provident fund, which is a defined contribution plan. Both the employee and employer make monthly contributions to the plan, each equal to a specified percentage of employee's basic salary.

The Company has no further obligations under the plan beyond its monthly contributions. The Company does not have any legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. Obligation for contributions to the plan is recognised as an employee benefit expense in the Statement of Profit and Loss when incurred.

#### 2.15.1.2 Defined Benefit Plans (Gratuity)

In accordance with applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan (the Gratuity Plan) covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment,

an amount based on the respective employee's last drawn salary and the years of employment with the Company.

The Company's net obligation in respect of the gratuity plan is calculated by estimating the amount of future benefits that the employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service cost and the fair value of plan assets are deducted.

The discount rate is the yield at the reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligations. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Company, the recognised asset is limited to the total of any unrecognised past service costs and the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

The Company recognises all re-measurements of net defined benefit liability/asset directly in other comprehensive income and presented within equity. The Company has employees' gratuity fund under Grasim Industries Limited Employees Gratuity Trust managed by the Grasim Industries Limited.

#### 2.15.1.3 Short-Term Benefit

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### 2.15.1.4 Compensated Absences

The employees of the Company are entitled to Leave encashment benefit. The employees can carry forward a portion of the unutilised accrued absence and utilize it in future periods or receive cash compensation at retirement or termination of employment for the unutilised accrued compensated absence. The Company recognises an obligation for compensated absences in the period in which the employee renders the services.

The Company provides for the expected cost of compensated absence in the Statement of Profit and Loss as the additional amount that the Company expects to pay as a result of the unused entitlement that has

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

accumulated based on actuarial valuations carried out by an independent actuary at the balance sheet date.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through Statement of Profit & Loss in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

## 2.15.1.5 Share-Based Payment Transactions

Employees (including senior executives) of the Company receive remuneration in the form of share-based payments whereby employees render services as consideration for equity instruments (equity-settled transactions).

## 2.15.1.6 Equity – Settled Transactions

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.

That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense.

The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The statement of profit and loss expense or credit for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Company's best estimate of the number of equity instruments that will ultimately vest. Market performance conditions are reflected within the grant date fair value. Any other conditions attached to an award, but without an associated service requirement, are considered to be non-vesting conditions. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions.

No expense is recognised for awards that do not ultimately vest because non-market performance and/or service conditions have not been met. Where awards include a market or non-vesting condition, the transactions are treated as vested irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

When the terms of an equity-settled award are modified, the minimum expense recognised is the expense had the terms had not been modified, if the original terms of the award are met. An additional expense is recognised for any modification that increases the total fair value of the share-based payment transaction, or is otherwise beneficial to the employee as measured at the date of modification. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through profit or loss.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

## 2.16 PROVISIONS

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

## 2.17 TAXES

### 2.17.1 Current income tax

Current tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961, and the rules framed thereunder.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and established provisions where appropriate.

## 2.17.2 Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## 2.18 EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of

equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## 2.19 USE OF ESTIMATES

The preparation of financial statements in conformity with IND AS requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period.

Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

## 2.20 SEGMENT REPORTING

The Company's business is to provide Brokerage service, further, the Company also invests in security as a part of the business activity and portfolio management services ('PMS') to its clients within India and the reportable segment is basis the above business segments.

Segment Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the Business segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated expenses/income". Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment. The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company.

## 2.21 RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the Year ended 31<sup>st</sup> March 2025. MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

## NOTE: 34 | STAMP DUTY

Hitherto, the Company had been collecting and remitting stamp duties with respect to states wherein the manner of payment of the same has been prescribed by the respective state governments. From July 2011, the Company had started collecting stamp duty on contract notes for all states, including the states wherein the manner of payment has not yet been notified. The Company is evaluating various options of remitting the same, including remitting those amounts in the State of Tamil Nadu, as all the contract notes are executed at Tamil Nadu. Pending, the final determination of the manner of remittance, amount of ₹164.90 Lakh (PY: ₹164.90 Lakh) collected till 30<sup>th</sup> June 2020 has been disclosed under statutory dues in other Non-Financial liabilities.

## NOTE: 35 | MANAGERIAL REMUNERATION

During the earlier years the Company had made an application to the Central Government under Section 309 (5B) of the Companies Act, 1956 for seeking waiver of excess managerial remuneration amounting to ₹30.95 Lakh (Previous Year: ₹30.95 Lakh) (excluding statutory contribution to provident fund, gratuity and leave encashment which are exempted under Schedule VI) paid to Mr. P.B. Subramaniam, the erstwhile whole time director ('Erstwhile Director') of the Company for the period from 1<sup>st</sup> April 2008 to 6<sup>th</sup> March 2009.

During the earlier years, the Company has received an order from the Central Government (CG) whereby the CG has rejected excess remuneration of ₹16.27 Lakh (Previous Year: ₹16.27 Lakh) and directed the Company to collect the same from the Erstwhile Director. Further the Company has filed a civil suit in the High Court of Judicature at Madras vide C.S. No. 53/2016 seeking recovery of the excess remuneration paid to Mr. P.B. Subramaniam. After hearing both sides and post perusing documentary evidence, the Hon'ble Court finally passed a judgement concluding that the Company failed to prove their case based on the records produced before the court.

During the FY 2024-25, management is in the course of review, considering the given circumstances that there are no strong grounds of appeal to pursue this recovery further, decided to write-off this advance from the books.

## NOTE: 36 FOREIGN CURRENCY TRANSACTIONS

The Company did not enter into any foreign currency transactions in the Current Year and Previous Year.

## NOTE: 37 CAPITAL MANAGEMENT

For the purpose of the Company's Capital management, Capital includes Issued Equity Capital subordinated liabilities and other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value, comply to the regulatory requirements and maintain an optimal capital structure to reduce the cost of capital to the Company. The Company makes adjustments in light of changes in economic conditions and the requirements of the applicable financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents net of amount payable to customer.

In order to achieve the overall objective, the Company's Capital Management amongst other things, aims to ensure that it meets financial covenants attached to the interest bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowings in the current period.

## NOTE: 38 CREDIT RISK

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract leading to a financial loss. The Company's exposure to credit risk is very minimal as the trade receivables are covered by collateral.

Trade receivables are consisting of a large number of customers. The Company has credit evaluation policy for each customer and based on the evaluation, credit limit of each customer is defined. Wherever the Company assesses the credit risk as high, the exposure is backed by either stocks comfort or margin money

Total Trade Receivables as on 31<sup>st</sup> March 2025 is ₹2,977.47 Lakh (Previous Year ₹6,065.95 Lakh).

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default in payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

## Movement of Loss Allowance:

## NOTE: 39 | CONTINGENT LIABILITIES

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

The Company does not recognize a contingent liability in the financial statements except when the management decides to recognize basis the probability of the contingent liability devolving on the Company.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realized. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

## NOTE: 40 | INCOME TAX

The Company offsets tax assets and liabilities if it has legally enforceable right to set off current taxes assets and current taxed liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

## Deferred Tax:

Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

In addition, the various transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity

for the year ended 31<sup>st</sup> March 2025

## NOTE: 41 | LEASE DISCLOSURES

### Disclosure Pursuant to Indian Accounting Standard 116 - Leases is as under:

#### Transition:

Effective 1<sup>st</sup> April 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 1<sup>st</sup> April 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right-of-use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the lessee's incremental borrowing rate at the date of initial application.

#### The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
4. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly for all contracts as on April 1, 2019, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

The weighted average incremental borrowing rate applied to lease liabilities as at 31<sup>st</sup> March 2025 is between the ranges of 5.66% to 8.31% for a period varying from 1 to 10 years.

#### Critical accounting judgements and key sources of estimation uncertainty

##### Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in-substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

##### Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

##### Following are the changes in the carrying value of right-of-use assets (ROU) for the Year ended 31<sup>st</sup> March 2025:

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

The following is the movement in lease liabilities during the Year ended 31<sup>st</sup> March 2024:

| (₹ in Lakh)                                     |                 |
|-------------------------------------------------|-----------------|
| Particulars                                     | Amount          |
| Balance as at 1 <sup>st</sup> April 2023        | 2,376.25        |
| Additions                                       | 511.88          |
| Deletions                                       | (67.69)         |
| Finance Cost accrued during the period          | 172.33          |
| Payment of Lease Liabilities                    | (593.26)        |
| Rent Waiver Reduction                           | -               |
| <b>Balance as at 31<sup>st</sup> March 2024</b> | <b>2,399.51</b> |

The table below provides details regarding the contractual maturities of lease liabilities on an undiscounted basis:

| (₹ in Lakh)          |                             |                             |
|----------------------|-----------------------------|-----------------------------|
| Particulars          | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Less than one year   | 701.02                      | 621.79                      |
| One to Five years    | 2,265.57                    | 2,189.92                    |
| More than Five years | 346.01                      | 74.12                       |
| <b>Total</b>         | <b>3,312.60</b>             | <b>2,885.83</b>             |

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

## NOTE: 42 | EMPLOYMENT BENEFIT DISCLOSURES

### Defined Contribution Plan

The amounts charged to the Statement of Profit and Loss during the year for Provident fund contribution aggregates to ₹349.87 Lakh (Previous Year – ₹313.65 Lakh), NPS contribution fund contribution aggregates to ₹34.09 Lakh (Previous Year – ₹23.35 Lakh) and employees' state insurance contribution aggregates to ₹0.34 Lakh (Previous Year – ₹0.84 Lakh).

### Defined Benefit Plan

#### General Description of the plan:

The Company operates gratuity plan through a trust wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service. In case of some employees, the Company's scheme is more favourable as compared to the obligation under Payment of Gratuity Act, 1972.

#### Nature of Benefits

The Company operates a defined benefit final salary gratuity plan which is open to new entrants. The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company.

#### Regulatory Framework:

There are no minimum funding requirements for a gratuity plan in India. The trustees of the gratuity fund have a fiduciary responsibility to act according to the provisions of the trust deed and rules. Since the fund is income tax approved, the Company and the trustees have to ensure that they are at all times fully compliant with the relevant provisions of the income tax and rules.

# Notes forming part of the Standalone Financial Statements

for the year ended 31<sup>st</sup> March 2025

Besides this if the Company is covered by the Payment of Gratuity Act, 1972 then the Company is bound to pay the statutory minimum gratuity as prescribed under this Act.

## Governance of The Plan:

The Group has setup an income tax approved irrevocable trust fund to finance the plan liability. The trustees of the trust fund are responsible for the overall governance of the plan.

## Inherent Risks:

The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.

The following tables summarise the components of net benefit expense recognised in the statement of profit and loss and the funded status and amounts recognised in the balance sheet for the gratuity plan.

## Amounts recognised in the Balance Sheet in respect of Gratuity:

|                                                                                  | (₹ in Lakh)                 |                             |
|----------------------------------------------------------------------------------|-----------------------------|-----------------------------|
| Particulars                                                                      | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
| Present Value of the funded Defined Benefit Obligations at the end of the period | 1,130.71                    | 902.99                      |
| Fair Value of Plan Assets                                                        | 1,166.10                    | 1,104.35                    |

## Amounts recognised in Employee Benefits Expenses in the Statement of Profit and Loss in respect of Gratuity

|                                                 | (₹ in Lakh)                 |                             |

| <b>Closing Fair Value of the Plan Assets</b>              | <b>1,166.10</b>             | <b>1,104.35</b>             |

## Funding Arrangement and Policy

The money contributed by the Company to the fund to finance the liabilities of the plan has to be invested.

The trustees of the plan are required to invest the funds as per the prescribed pattern of investments laid out in the income tax rules for such approved schemes. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset-liability matching strategy to manage risk actively.

There is no compulsion on the part of the Company to fully pre fund the liability of the Plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of underfunding of the plan.

## Effect of Plan on Entity's Future Cash Flows:

- Expected Contribution during the next annual reporting period
- The Company's best estimate of Contribution during the next year - Nil
- Maturity Profile of Defined Benefit Obligation

|                                                                   | (₹ in Lakh)                 |                             |

## Sensitivity Analysis Method

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation, and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

## Details of plan assets

The plan assets represent Company's proportionate share in the Grasim Industries Limited Employees Gratuity Trust managed by the Ultimate Parent Company for the employees of the Company. The details of plan assets are as under:

| Particulars                    | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
|--------------------------------|-----------------------------|-----------------------------|
| Government of India securities | 1.72%                       | 2.15%                       |
| State Government securities    | 2.39%                       | 3.18%                       |
| Corporate Bonds                | 0.28%                       | 0.54%                       |
| Insurer managed funds          | 42.61%                      | 41.58%                      |
| Others                         | 53.00%                      | 52.55%                      |
|                                | <b>100%</b>                 | <b>100%</b>                 |

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

The Company does not expect to contribute additional amount to the fund in the next year.

The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:

| Principal Actuarial Assumptions at the Balance Sheet Date | 31 <sup>st</sup> March 2025 | 31 <sup>st</sup> March 2024 |
|-----------------------------------------------------------|-----------------------------|-----------------------------|
| Discount Rate                                             | 6.60%                       | 7.15%                       |
| Salary escalation                                         | 10.00%                      | 10.00%                      |

The estimate of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market

Note: Salaries and Wages includes share of ABFSSL allocation of Salaries, PF, Gratuity of ₹112.15 Lakh of FY 25 and ₹107.98 Lakh of FY 24

## NOTE: 43.1 | STOCK OPTIONS GRANTED

### i) ABML – EMPLOYEE STOCK OPTION SCHEME – 2014

The objective of the Employee Stock Option Scheme is to attract and retain talent and align the interest of employees with the Company as well as to motivate them to contribute to its growth and profitability.

The Company adopts Senior Executive Plan in granting Stock Options to its Senior Employees. (Employee Stock Option Scheme – 2014)

During 2014 the Company had formulated the ABML Employee Stock Option Scheme – 2014 (ABML ESOP Scheme – 2014) with the approval of the shareholders at the Annual General Meeting dated 9<sup>th</sup> September 2014. The Scheme provides that the total number of options granted thereunder will be 27,70,000 and to follow the Market Value Method (Intrinsic Value) for valuation of the Options.

Each option, on exercise, is convertible into one Equity Share of the Company having Face Value of ₹1/- each. Subsequently, the Nomination and Remuneration Committee of the Board of Directors on 2<sup>nd</sup> December, 2014 has granted 25,09,341 Stock Options to its eligible employees under the ABML ESOP Scheme – 2014 at an Exercise Price of ₹34.25. The Exercise Price was based on the latest available closing price, prior to the 2<sup>nd</sup> December 2014 (the date of grant by the Nomination & Remuneration Committee) on the Recognised Stock Exchanges on which the shares of the Company are listed with the highest trading volume.

Summary of Stock Options granted under ABML ESOP Scheme – 2014 is as under

The vesting period in respect of the options granted under ABML ESOP Scheme – 2014 is as follows:

| Sr. No. | Vesting Dates                    | % of options that shall vest |
|---------|----------------------------------|------------------------------|
| 1       | 12 months from the date of grant | 25% of the grant             |
| 2       | 24 months from the date of grant | 25% of the grant             |
| 3       | 36 months from the date of grant | 25% of the grant             |

| Options outstanding as on 31 <sup>st</sup> March 2024 | -                                                                      |

The Company has granted options to the eligible employees at an exercise price of ₹34.25 per share being the latest market price as per SEBI ESOP Regulations. In view of this, there being no intrinsic value (being the excess of the market price of share under ESOP over the exercise price of the option), on the date of grant, the Company is not required to account the accounting value of option as per SEBI ESOP Regulations.

## ii) ABCL – Employee Stock Option Scheme – 2017

Pursuant to ESOP Plan being established by the Holding Company (i.e. Aditya Birla Capital Limited), stock options were granted to the employees of the Company during the financial year. Total cost incurred by the Holding Company till date is being recovered from the Company over the period of vesting. Accordingly, a sum of ₹28,97,435/- (Previous Year – ₹12,40,000/-) has been recovered from the Company during the year, which has been charged to the Statement of Profit and Loss

### NOTE: 43.2 | FAIR VALUATION

The fair Value of the option on the date of grant has been done by an independent valuer using Black Scholes Formula. The key assumption are as under

|                                                                         |         |
|-------------------------------------------------------------------------|---------|
| Risk-free interest rate (%)                                             | 8.13%   |
| Expected life (No. of years)                                            | 5 Years |
| Expected volatility (%)                                                 | 54.26%  |

## NOTE: 49

The Company has a process whereby periodically all long-term contracts, if any, are assessed for material foreseeable losses. As at the Balance Sheet date, there were no long term contracts (including derivative contracts).

## NOTE: 50

The Company's pending litigations comprise of claims against the Company primarily by the customers and proceedings pending with Income Tax and other Statutory Authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed the contingent liabilities where applicable, in its financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial results. Refer Note 39 for details on contingent liabilities.

## NOTE: 51

Disclosure Pursuant to Section 248 of the Companies Act, 2013 or Section 560 of Companies Act, 1956, the Company disclose the following details of struck off Companies.

- (k) The Company has utilised the funds for the purposes for which the loans were obtained.

## NOTE: 56 | AUDIT TRAIL

As per the Rule 3(1) of Companies (Accounts) Rules, 2022, as amended, requires the companies for the financial year commencing on or after 1<sup>st</sup> April 2023, which uses accounting software for maintaining their books of account, to use only such accounting software which has audit trail feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

For the purpose of this Rule, accounting software Sun Infor and Lidha Didha (LD) have been identified as books of account. These accounting software have the feature of recording audit trail (edit log) facility except audit trail feature was not enabled at the database level for the above-mentioned accounting software.

# Independent Auditor's Report

To  
The Members of  
**Aditya Birla Financial Shared Services Limited**

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

1. We have audited the accompanying financial statements of Aditya Birla Financial Shared Services Limited, which comprise the Balance Sheet as at 31<sup>st</sup> March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements including a summary of material accounting policy information and other explanatory information (hereinafter referred to as "financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, of the state of affairs of the Company as at 31<sup>st</sup> March 2025, its profit (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

3. We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by The Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and Rules thereunder,

and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

### Information other than the Financial Statements and Auditor's Report Thereon

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report, but does not include the financial statements and our auditor's report thereon.
5. The Other Information is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
7. If, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to communicate the matter to those with charged with governance as required under SA 720 'The Auditor's responsibilities relating to other information'.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

8. The Company's Management is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

## Independent Auditor's Report (Contd.)

9. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls, when applicable.
  - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

## Independent Auditor's Report (Contd.)

- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable users of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the result of our work; and (ii) to evaluating the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

## Other Matters

13. We draw attention to Note 30 of the financial statements, the figures of the previous periods have been restated to include the financial information of the Amalgamating Companies with the Company with effect from 1<sup>st</sup> April 2023. The Ind AS financials statements of the Amalgamating Companies for the year ended 31<sup>st</sup> March 2024 and period ended 2<sup>nd</sup> July 2024 (i.e. effective date of merger) included in this Statement have been audited by the other auditors. The report of these auditors on these financial statements expressed an un-modified opinion.

14. The previous year figures for year ended 31<sup>st</sup> March 2024 before restatement on account of amalgamation, included in the financial statements have been audited by Haribhakti and Co. LLP, Chartered Accountants.

## Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we report in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. As required by section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
  - d. In our opinion, the aforesaid financial statements comply with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - e. On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2025 from being appointed as a director in terms of section 164(2) of the Act;

## Independent Auditor's Report (Contd.)

- f. With respect to maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 17 (vi) below, on reporting under rule 11(g) of the Rules;
  - g. With respect to the adequacy of the internal financial controls with reference to financial Statements of the Company and the operating effectiveness of such controls, refer to our Separate report in "Annexure B", and our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting; and
  - h. With respect to the other matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: The Company has not paid/provided for any Managerial Remuneration to its director during the year.
17. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 26 on Contingent Liabilities to the financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. The Management has represented that,
    - a. to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b. to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

## Independent Auditor's Report (Contd.)

- c. Based on the audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account for the financial year ended 31<sup>st</sup> March 2025, which has a feature of recording audit trail (edit log) facility and the same

has operated throughout the year for all relevant transactions recorded at the application level in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

## Annexure A

(Referred to in Paragraph 13 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date)

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
  - a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
  - (B) The Company has maintained proper records showing full particulars of Intangible Assets.
  - b. During the year, the Property, Plant and Equipment of the Company have been physically verified by the Management and the discrepancies noticed on such verification has been appropriately dealt in the books of the company. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets.
  - c. The Company does not have any immovable property and accordingly, reporting under clause (i) (c) of paragraph 3 of the Order is not applicable.
  - d. The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and Intangible Assets during the year. Accordingly, reporting under clause (i)(d) of paragraph 3 of the Order is not applicable.
  - e. No proceedings have been initiated or are pending against the Company as at 31<sup>st</sup> March 2025 for holding any Benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. As per CARO 2020 reporting requirement under clause II:
  - a. The Company is in the business of providing support services to the Group companies of Aditya Birla Group, and consequently, does not hold any inventory. Therefore, reporting under clause (ii) (a) of paragraph 3 of the Order is not applicable.
  - b. The Company has not obtained working capital limit during the year, from banks and/ or financial institutions, on the basis of security of current assets. Therefore, reporting under clause (ii) (b) of paragraph 3 of the Order is not applicable.
  - iii. During the year, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, reporting under clause (iii) of paragraph 3 of the Order is not applicable.
  - iv. There are no loans, guarantees and securities given in respect of which provisions of section 185 and 186 of the Act are applicable to the Company and hence not commented upon. Provisions of section 186 of the Act in respect of investment made have been complied with by the Company.
  - v. In our opinion, the Company has not accepted any deposits or amounts which are deemed to be deposits. Accordingly, reporting under clause (v) of paragraph 3 of the Order is not applicable.
  - vi. The Central Government has not prescribed the maintenance of cost records for any of the products of the Company under sub-section (1) of section 148 of the Act and the rules framed thereunder.
- vii. According to the information and explanations given to us in respect of statutory dues:
  - a. The Company has generally been regular in depositing with the appropriate authorities, undisputed statutory dues including Goods and Services tax (GST), provident fund, employees' state insurance, income-tax, cess and any other material statutory dues applicable to it, in all cases during the year. No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, GST, cess and any other material statutory dues applicable to it, were outstanding, at the year-end, for a period of more than six months from the date they became payable.
  - b. There are no dues with respect to provident fund, employees' state insurance, GST, sales tax and cess except with respect to service tax and income tax on account of dispute, are as follows:

### Statement of Disputed Dues

| Name of the statute  | Nature of the dues | Amount ₹   | Period to which the amount relates | Forum where dispute is pending | Remarks, if any |
|----------------------|--------------------|------------|------------------------------------|--------------------------------|-----------------|
| Income Tax Act, 1961 | Income Tax         | 15.26 Lacs | A.Y.2012-13                        | CIT (Appeals)                  | -               |

## Annexure A (Contd.)

- viii. We have not come across any transactions which were previously not recorded in the books of account of the Company that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. The Company:
- has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
  - has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - has prima facie utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
  - On an overall examination of the financial statements of the Company, no funds raised on short-term basis have, been used for long-term purposes by the Company.
  - does not have any subsidiaries, associates or joint ventures. Accordingly, reporting under clause (ix)(e) of paragraph 3 of the Order is not applicable.
  - does not have any subsidiaries, associates or joint ventures. Accordingly, reporting under clause (ix)(f) of paragraph 3 of the Order is not applicable.
- x. The Company:
- has not raised money by way of initial public issue offer / further public offer (including debt instruments) during the year. Therefore, reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.
  - has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, reporting under clause (x) (b) of paragraph 3 of the Order is not applicable.
- xi. As per CARO 2020 reporting requirement under clause XI –
- During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year, nor have we been informed of any such instance by the management.
- No report under section 143(12) of the Act has been filed with the Central Government by the auditors of the Company in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year or upto the date of this report.
  - There are no whistle blower complaints received by the Company during the year and upto the date of this report.
- xii. In our opinion, the Company is not a Nidhi Company. Therefore, reporting under clause (xii) of paragraph 3 of the Order is not applicable.
- xiii. All transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. In our opinion,
- The Company has an internal audit system commensurate with the size and nature of its business.
  - We have considered the Internal Audit Reports of the Company issued till date, for the period under audit.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with them during the year and hence, provisions of section 192 of the Act are not applicable to the Company.
- xvi. The Company:
- is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, reporting under clause (xvi)(a) and (b) of paragraph 3 of the Order are not applicable.
  - has not conducted any Non-Banking Financial or Housing Finance activities without having a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
  - is not a Core Investment Company (CIC) as defined in Core Investment Companies (Reserve Bank) Directions, 2016 ("Directions") by the Reserve Bank of India. Accordingly, reporting under clause (xvi)(c) and (d) of paragraph 3 of the Order are not applicable.
  - As informed by the Company, the Group to which the Company belongs has three CICs as part of the Group. However 2 out of 3 are under the process of registration of CIC as on the date of this report.

## Annexure A (Contd.)

- xvii. The Company has not incurred cash losses in the current and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly, reporting under clause (xviii) of paragraph 3 of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as on the date of this audit report and that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company.

We further state that our reporting is based on the facts up to date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. The provisions of section 135 of the Act are not applicable to the Company. Hence, reporting under clause (xx) of paragraph 3 of the Order is not applicable.

## Annexure B

(Referred to in Paragraph 14 (g) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date)

### Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls with reference to financial statements of Aditya Birla Financial Shared Services Limited (“the Company”) as of 31<sup>st</sup> March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Opinion

2. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31<sup>st</sup> March 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

#### Management’s Responsibility for Internal Financial Controls

3. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets,

the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors’ Responsibility

4. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

## Annexure B (Contd.)

**Meaning of Internal Financial Controls with reference to Financial Statements**

7. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

8. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

for the year ended 31<sup>st</sup> March 2025

## SUMMARY OF MATERIAL ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION (NOTES) FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>st</sup> MARCH 2025

### A. COMPANY OVERVIEW:

Aditya Birla Financial Shared Services Limited ('the Company') was incorporated on 19<sup>th</sup> June 2008 under the provisions of the Companies Act, 1956. The registered office of the Company is located at Indian Rayon Compound, Veraval- 362266, Gujarat. It is a 100% subsidiary of Aditya Birla Capital Limited. The object of this Company is to provide a common pool of facilities and resources like providing technology, application and business process services to its group companies, with a view to optimise the benefits of specialisation and minimise the cost for each member Company. The member companies have participated in the common pool of facilities and share the expenses incurred by the Company.

### B. MATERIAL ACCOUNTING POLICIES:

#### 1.1 (A) Basis of Preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified as prescribed under Section 133 of the Companies Act, 2013, read with the companies (India Accounting Standards) rules, as amended from time to time.

The financial statements have been prepared on a historical cost basis, except certain financial assets and liabilities which have been measured at fair value.

#### (B) Functional and Presentation Currency

These financial statements are presented in lakhs, which is also the Company's functional currency. All the amounts have been rounded-off to the nearest rupees, unless otherwise indicated.

Accounting Policies and Notes to the financial statements given hereunder are exhaustive and are in line with Ind-As, however, few of them are not applicable to the Company.

#### 1.2 Use of Estimates

The preparation of the financial statements in conformity with Indian Accounting Standards (Ind AS) requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as at the date

of the financial statements and the reported income and expenses during the reporting period. Although these estimates are based on the Management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets or liabilities in the future periods.

#### 1.3 Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and on hand, and short-term investments with an original maturity of three months or less.

#### 1.4 Property, Plant and Equipment, and Depreciation

Property, plant and equipment is stated at cost, less accumulated depreciation and impairment loss, if any. Cost comprises of the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. When material parts of property, plant and equipment are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciates them accordingly. Any trade discounts and rebates are deducted in arriving at the purchase price.

The Company has elected to regard those values of property as deemed cost at the date of the revaluation since they were broadly comparable to fair value.

All property, plant and equipment are stated at cost net off accumulated depreciation and Impairment losses, if any. In case of capital work-in-progress it is stated at cost.

Depreciation on property, plant and equipment is provided on straight-line basis using the rates arrived at based on the useful estimated lives by the management.

The Company has used the following useful life to provide depreciation on its fixed assets.

| Assets Type                     | Management's Estimate of Useful Life (In Years) | Useful Life as Prescribed by Schedule II of the Co. Act, 2013 |
|---------------------------------|-------------------------------------------------|---------------------------------------------------------------|
| i) Office Computers and Servers |                                                 |                                                               |
| a. Servers                      | 5 years                                         | 6 years                                                       |
| b. Laptop and Desktop           | 4 years                                         | 3 years                                                       |
| c. Others                       | 5 years                                         | 3 years                                                       |
| ii) Furniture and Fixtures      | 5 years                                         | 10 years                                                      |
| iii) Vehicles                   | 4/5 years                                       | 8 years                                                       |

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property, plant and equipment over estimated useful lives, which are different from the useful life prescribed in Schedule II of the Companies Act, 2013. The Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Assets, individually costing less than Rupees Five Thousand, are fully depreciated in the year of purchase.

Depreciation on the property, plant and equipment added/discharged off/discarded during the year is provided on pro-rata basis with reference to the month of addition/disposal/discarding.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in the Statement of Profit and Loss, when the asset is derecognised.

## 1.5 Intangible Assets and Amortisation

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit and loss in the period in which the expenditure incurred. The Company has used the following useful life on intangible assets:

| Assets Type                     | Management's Estimate of Useful Life (In Years) | Useful Life as Prescribed by Schedule II of the Co. Act, 2013 |
|---------------------------------|-------------------------------------------------|---------------------------------------------------------------|
| i) Intangible Assets - Software | 5 years                                         | 6 years                                                       |

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss, unless such expenditure forms part of the carrying value of another asset.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in the Statement of Profit and Loss when the asset is derecognised.

## 1.6 Current versus Non-Current Classification

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as upto 12 months for the purpose of current/non-current classification of assets and liabilities.

## 1.7 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

The core principle of Ind AS 115 is that an entity should recognise revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

account of various discounts and schemes offered by the Company as part of the contract. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Company, and the revenue can be reliably measured.

- A) Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind AS.
- B) Interest income is recognised in the profit and loss account on accrual basis.
- C) Dividend income on investments is accounted for when the right to receive the payment is established.
- D) Realised profit/loss on sale/redemption of mutual fund units is computed on weighted-average cost basis.

## 1.8 Foreign Currency Transactions

Transactions in foreign currency are recorded at the rate of exchange prevailing at the date of the transaction. Monetary assets and liabilities in foreign currency are translated at the rates existing as at the Balance Sheet date. The resulting exchange gain or loss for revenue transactions is reflected in the Statement of Profit and Loss. Non-monetary items are measured in terms of historical cost in foreign currency duly translated using the exchange rate at transaction date.

## 1.9 Retirement and other Employee Benefits

### A) Defined Contribution Plans

Provident Fund: The Company makes defined contributions to employee provident fund and employee pension schemes administered by

government organisations, set up under the applicable statute.

Employees State Insurance Corporation (ESIC): The Company makes defined contributions to employee ESIC administered by government organisations, set up under the applicable statute.

### B) Defined Benefits Plans

The Company operates three defined benefit plans for its employees, viz., gratuity, leave encashment, and long-term incentive plan. The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to separately administered fund.

The cost of providing benefits under the defined benefits plans is determined using the projected unit credit method. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods. The costs of providing benefits under these plans are determined based on actuarial valuation at each year-end. Separate actuarial valuation is carried out for each plan using the projected unit credit method. Actuarial gains and losses for both defined benefits plans are recognised in full in the period in which they occur in the Statement of Profit and Loss.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefits obligations as an expense in the Statement of Profit and Loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the Balance Sheet date.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

The Company treats accumulated leave, expected to be carried forward beyond 12 months, as long-term employee benefit for measurement and presentation purpose. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year end. Actuarial gains/losses are immediately taken to the Statement of Profit and Loss, and are not deferred.

The Company has long-term incentive plan for different cadre of employees. The expected costs of other long-term employee benefits, such as long-term service incentive plan benefits (not being share-based payments), are accrued over the period of employment using the same accounting methodology as used for defined benefits plans. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the Statement of Profit and Loss in the period in which they arise.

## 1.10 Leases

The Determination of whether an arrangement is (or contains) a lease based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets, and the arrangement conveys a right is not explicitly specified in an arrangement.

### Finance Leases

Leases, where substantially all the risks and benefits incidental to ownership of the leased item are transferred to the lessee, are classified as finance lease. The assets acquired under finance lease are capitalised at lower of fair value and present value of the minimum lease payments at the inception of the lease and disclosed as leased assets. Such assets are amortised over the period of lease or estimated life of such asset, whichever is less. Lease payments are apportioned between the finance charges and reduction of the lease liability based on implicit rate of return. Lease management fees, lease charges and other initial direct costs are capitalised.

### Operating Leases

Leases, in which a Material portion of the risks and rewards of ownership are not transferred to the Company as lessee, are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease, unless the

payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

### The Company as a Lessee:

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (1) the contract involves the use of an identified asset,
- (2) the Company has substantially all the economic benefits from use of the asset through the period of the lease, and
- (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises right-of-use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities included these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right-of-use asset if the Company changes its assessment on exercise of an extension or a termination option.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

Lease liabilities and ROU assets have been separately presented in the Balance Sheet, and lease payments have been classified as financing cash flows.

## The Company as a Lessor:

Leases, for which the Company is a lessor, are classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease, and the sub-lease separately. The sub-lease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease. For operating leases, rental income is recognised on a straight-line basis over the term of the relevant lease.

## 1.11 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## 1.12 Income Tax

Tax expense comprises of current tax. Provision for current tax is made on the basis of estimated taxable income for the current accounting year, in accordance with the Income-tax Act, 1961. Tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts, and there is an intention to settle the asset and the liability on a net basis. Current income tax, relating to items recognised outside profit and loss, is recognised outside profit and loss (either in other comprehensive income or in equity).

## 1.13 Impairment of Assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables and credit risk exposure:

### a. Impairment of Financial Assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no Material financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses, are measured at an amount equal to the 12-month ECL, unless there has been a Material increase in credit risk from initial recognitions in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal), that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss.

### b. Non-Financial Assets

#### Intangible Assets and Equipment

Intangible assets, and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis, unless the asset generated cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash-Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss, if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation or depreciation) had no impairment loss been recognised for the asset in prior years.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 1.14 Financial Instruments

### a. Financial Liabilities

#### Initial Recognition and Measurement

Financial liabilities are classified, at initial recognitions as financial liabilities at fair value through profit or loss. All financial liabilities are recognised initially at fair value, in the case of loans and borrowings, and payable net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payable loans and borrowings including bank overdrafts, and any other financial instruments.

#### Subsequent Measurement

#### i) *Financial Liabilities at Fair Value through Profit or Loss:*

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk is recognised in OCI. These gains/losses are not subsequently transferred to Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Company has not designated any financial liability as at fair value through profit and loss.

#### ii) *Loans and Borrowings:*

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost, using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss. This category generally applies to borrowings.

#### iii) *Derecognition:*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### b. Financial Assets

#### Initial Recognition and Measurement

All financial assets are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are added to the fair value. However, trade receivables that do not contain a Material financing component are initially measured at transaction price.

For the purpose of subsequent measurement, financial assets are classified in four categories.

#### i) *Debt Instruments at Amortised Cost:*

A 'debt instrument' is measured at the amortised cost, if both the following conditions are met:

- Business Model Test:** the objective of the Company's model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes).
- Cash Flow Characteristics Test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

## ii) *Debt Instruments at Fair Value through Other Comprehensive Income (FVTOCI):*

A 'debt instrument' is classified as at the FVTOCI, if both of the following criteria are met:

- a) **Business Model Test:** The financial asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets.
- b) **Cash Flow Characteristics Test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially, as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income impairment losses and reversals in the Statement of Profit and Loss. On derecognition of the asset cumulative gain or loss previously recognised in OCI is reclassified from the equity to P and L. Interest earned, whilst holding FVTOCI debt instrument, is reported as interest income using the EIR method.

## iii) *Debt Instruments Equity Instruments at Fair Value through Profit or Loss (FVTPL):*

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or

recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

## iv) *Equity Instruments Measured at Fair Value through Other Comprehensive Income (FVTOCI)*

All equity investments, in scope of Ind AS 109, are measured at fair value. Equity instruments, which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies, are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Effective from April 2025, pre-paid assets individually costing less than Ten Lakhs are fully amortise in the year of purchase.

Financial assets and financial liabilities are offset, and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 1.15 Contingent Liabilities/Assets and Commitments

Contingent liability is disclosed in the case of

- Present obligation arising from past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- A present obligation arising from past event, when no reliable estimate is possible.
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent liabilities are disclosed by way of notes.

Contingent assets are possible assets that arise from a past event and whose existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Where inflow of economic benefits is probable, the Company shall disclose a brief description of the nature of the contingent assets at the Balance Sheet date and, where practicable, an estimate of their financial estimate. Where any of the information required above is not disclosed, because it is not practicable to do so, the fact shall be disclosed. In extremely rare circumstances, when disclosure of any or all the above information is considered to be seriously prejudicial to the position of the entity in a dispute with other parties on the subject matter of the contingent asset, the Company does need not to disclose

the information but, will disclose the general nature of the dispute, together with the fact that reason why the information has not been disclosed. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each Balance Sheet date.

## 1.16 Cash Flow Statement

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

## 1.17 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted-average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted-average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

| Employer's Contribution to Government Employee Provident Fund        |  | 354.99                                    | 310.29                                    |
| Employer's Contribution to Government Employee Pension Fund          |  | 44.69                                     | 69.77                                     |
| Employer's Contribution to Government Employee State Insurance Claim |  | -                                         | 13.80                                     |

### Defined Benefit Plans

The Company recognised costs related to its post-employment defined benefits plans on an actual basis. Remeasurement comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets, excluding amounts included in net interest on the net defined benefit liabilities, are recognised in the Balance Sheet through other comprehensive income. Thus, employee benefits expense is increased by ₹ 106.49 Lakh, and is recognised in other comprehensive income during the year ended 31<sup>st</sup> March 2025, and the same has been allocated to related parties.

Gratuity is payable to all eligible employees on superannuation, death or on separation/termination in terms of the provisions of the Payment of Gratuity Act or as per the Company's policy, whichever is beneficial to the employees.

Leave Encashment/Sick Leave is entitled to be carried forward for future encashment or availment, at the option of the employee, during the tenure of the employment.

#### A) Gratuity

The following table sets out the funded status of the gratuity plan and unfunded status of paid leave encashments and the amounts recognised in the Company's financial statements as at 31<sup>st</sup> March 2025.

|                                                                                |  | (₹ in Lakh)                               |                                           |

## iii Funding Arrangement and Policy:

The money contributed by the Company to the fund, to finance the liabilities of the plan, has to be invested.

The trustees of the plan are required to invest the funds as per the prescribed pattern of investments laid out in the Income Tax rules for such approved schemes. Due to the restrictions in the type of investments, that can be held by the fund, it is not possible to explicitly follow an asset-liability matching strategy to manage risk actively.

There is no compulsion on the part of the Company to fully pre-fund the liability of the plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position, as well as the level of under funding of the plan.

Estimated amount of contribution expected to be paid to the fund during the annual period being after the Balance Sheet date is ₹ 343.40 (Previous Year ₹ Nil).

| i) 10% Increase in Mortality Rate              | 1,185.65                          | 0.00%  | 919.35                            | -0.60% |
| ii) 10% Decrease in Mortality Rate             | 1,186.26                          | 0.00%  | 919.51                            | -0.59% |

## v Sensitivity Analysis Method

These sensitivities have been calculated to show the movement in defined benefits obligations in isolation, and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

| Disaggregation of Plan Assets | (₹ in Lakh)                               |                                           |

Disability:- Leaving service due to disability is included in the provision made for all causes of leaving service (as above).

The estimates of future salary increase, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

**B)** The net provision for unfunded leave encashment/sick leave liability upto 31<sup>st</sup> March 2025 is ₹ 409.92 Lakh (P.Y.: ₹ 358.65 Lakh).

## **C) Employee Stock Options Plan**

Aditya Birla Capital Limited has ESOP scheme for employees employed in various group companies, including Aditya Birla Financial Shared Services Limited (ABFSSL). Based on fair valuation of ESOP liability, ABCL has charged ABFSSL with ₹ 389.92 Lakh being its proportionate share of benefits.

## **D) Long-term Incentive Plan**

The Company, has Long-term Incentive Plan for selective employees. Long-term Incentive Plan is payable to employees on fulfilment of criteria prescribed by the Company. On the basis of the plan, the Company has made provision of ₹ 85 Lakh (P.Y.: ₹ 239.7 Lakh).

## **E) Deferred Compensation Plan**

The Company has Deferred Compensation Plan for selective employees. Deferred Compensation is payable to employees on fulfilment of criteria prescribed by the Company. On the basis of the plan, the Company has made provision of ₹ 107.31 Lakh (P.Y.: ₹ 44.16 Lakh).

## **NOTE: 22 RELATED PARTY TRANSACTIONS**

During the year ended 31<sup>st</sup> March 2025, the Company had transactions with related parties as defined in Ind AS 24 on "Related Party Disclosures". Related parties have been identified by the Management on the basis of the information available with the Company. Details of these parties, with whom the Company had transactions, nature of the relationship, transactions with them and balances at year end, are detailed in Annexure 1.

## **NOTE: 23 FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

### Principles for Estimating Fair Value

- The following summarises the major methods and assumptions used in estimating the fair values of financial instruments reflected in the table.
- The carrying value of trade receivables, trade payables, capital creditors, and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Trade and Other Receivables

Interest-free receivables are discounted if it has a material impact on fair value also all transaction are primary with group companies. The carrying amount has been reduced for impaired receivables, and reflects a reasonable approximation of fair value due to limited credit risk and short time to maturity.

## Cash and Short-term Deposits

Fair value is assumed to be equal to the carrying amount.

## Long-term Interest-bearing Debt and Other Long-term Liabilities

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows. Since there are no active market with quoted prices, the Company has used valuation techniques to estimate the fair value. It is evaluated by the Company based on parameters such as interest rates, creditworthiness of the Company, etc.

## Trade Payables and Other Short-term Debts

Interest-free short-term payables are discounted if it has material impact on fair value. Fair value is assumed to be equal to the carrying amount due to limited credit risk and short time to maturity.

## Fair Value Hierarchy

The table below analyses financial instruments carried at fair value, by valuation method at 31<sup>st</sup> March 2025. The different levels have been defined as follows:

**Level 1:** category includes financial assets and liabilities that are measured in whole or in significant part by reference to published quotes in an active market.

**Level 2:** category includes financial assets and liabilities measured using a valuation technique based on assumptions that are supported by prices from observable current market transactions. These include assets and liabilities for which pricing is obtained via pricing services, but where prices have not been determined in an active market, financial assets with fair values based on broker quotes and assets that are valued using the Company's own valuation models, whereby the material assumptions are market observable. The majority of the Company's over-the-counter derivatives and several other instruments not traded in active markets fall within this category.

**Level 3:** category includes financial assets and liabilities measured using valuation techniques based on non-market observable inputs. This means that fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. However, the fair value measurement objective remains the same, that is, to estimate an exit price from the perspective of the Company. The main asset classes in this category are unlisted equity investments, as well as unlisted funds.

| <b>Total</b>                                                          | <b>5,359.18</b>                   | <b>-</b>   | <b>-</b>        | <b>5,359.18</b> |

The fair value of unquoted investment has been calculated using NAV.

The fair value of fixed rate borrowings and finance lease obligations has been calculated using Discounted Cash Flow Method.

The Management has assessed that cash and cash equivalents, short-term loans and advances and other receivables from related parties, short-term deposits received, trade payable approximate their carrying amount largely due to short-term maturities of these instruments, hence, are valued at their carrying cost.

## NOTE: 24 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

To manage associated financial risks, the Company reviews its investments and loans on each reporting date. All its investments are approved by the Board of Directors.

### Credit Risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. Majority of receivables are from related parties, hence, the Company has nominal credit risk as on the Balance Sheet date.

### Exposure to Credit Risk

(₹ in Lakh)

| Particulars                   | As at 31 <sup>st</sup> March 2025 | As at 31 <sup>st</sup> March 2024 |

## Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The funding requirements are met through equity, operating cash flows and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31<sup>st</sup> March 2025.

## Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Floating rate instruments expose the Company to cash flow interest rate risk, whereas fixed interest rate instruments expose the company to the fair value interest risk. The Company has primarily fixed rate borrowings. For Working Capital only, the Company has taken overdraft facility which is at floating rate. Hence, the Company is not significantly exposed to interest rate risk.

## NOTE: 25 | SEGMENT INFORMATION

Ind AS 108 introduces a 'Management Approach' to identifying and measuring the financial performance of an entity's operating segments. Segment information provided in the financial statements is based on the information used internally by the management. The Company's operations are to provide common pool of facilities to its group companies. The member companies participate in common pool of facilities and share the expenses incurred by the Companies. Accordingly, there is no revenue, which is accounted in the Statement of Profit and Loss of the Company related to its operation. Hence, there is no segment-wise internal reporting, which is used by the Management for taking key decision.

| Pending at Commissioner of Income Tax (Appeals) | Disallowance of Reimbursement, PF, ESIC, Cenvat Credit w/off, Modvat Credit, Bonus, Expenses on leasehold improvement |

The Company does not expect the outcome of these proceedings to have a material adverse effect on its financial statements as at 31<sup>st</sup> March 2025.

### (b) Capital Commitments:

Value of estimated contracts remaining to be executed on capital account not provided for is ₹ 3,863.38 Lakh (Previous Year: ₹ 3,686.74 Lakh).

## NOTE: 27 | ASSETS ACQUIRED UNDER FINANCE LEASES

### a. Leased Liabilities

Effective 1<sup>st</sup> April 2019, the Group adopted Ind AS 116 "Leases" and applied the standard to all lease contracts.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognise right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Excluded the initial direct costs from the measurement of the right-of-use assets at the date of initial application.

The weighted-average incremental borrowing rates applied to lease liabilities for the year ended 31<sup>st</sup> March 2025, is between the range of 7.90% and 8.10% for a period varying from 1 to 10 years.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Critical Accounting Judgements and Key Sources of Estimation Uncertainty

Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in-substance fixed;
- Establishing whether there are multiple leases in an arrangement; and
- Determining the stand-alone selling prices of lease and non-lease components.

Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

Followings are the changes in the carrying value of the right-of-use assets for the year ended 31<sup>st</sup> March 2025:

|                                                            |  | (₹ in Lakh)                              |

Pursuant to the Taxation Laws (Amendment) Ordinance, 2019, promulgated on 20<sup>th</sup> September 2019, the Company intends to exercise the option permitted under Section 115BAA of the Income-tax Act, 1961, to compute Income Tax at the revised rate (i.e., 25.17%) from the financial year 2021-22.

### NOTE: 29 DEFERRED TAX (NET)

The Company does not anticipate any Income Tax liability to arise in forceable future and, therefore, deferred tax asset/liability has not been recognised.

### NOTE: 30 NOTE ON MERGER

Business combinations involving entities that are controlled by the Group are accounted for using the pooling of interest method. Assets and liabilities of the combining entities are reflected at their carrying value without adjustments being made to reflect fair values. The identity of the reserve is preserved and reserve of the transferor becomes the reserves of the transferee. The difference, if any, between the amounts recorded as share capital issued and the amount of share capital of the transferor is transferred to capital reserve. The financial information in the financial statements, in respect of prior periods, is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination.

At the meeting of the Board of Directors of the Company held on 3<sup>rd</sup> November 2023, the Board has approved the Composite Scheme of Arrangement ("the Scheme") for the amalgamation of Aditya Birla Money Insurance Advisory Services Limited, Aditya Birla Money Mart Limited, Aditya Birla Capital Technology Services Limited ("Amalgamating Companies") with Aditya Birla Financial Shared Services Limited ("the Company/Amalgamated Company") under Section 230-232 and other applicable provisions of the Companies Act, 2013, subject to regulatory and other approvals of the Hon'ble National Company Law Tribunal ("NCLT"). The scheme of amalgamation was filed and has been approved by NCLT on 2<sup>nd</sup> July 2024, and the Scheme became effective. Amalgamating Companies and Amalgamated Company are wholly owned subsidiaries of Aditya Birla Capital Limited and, therefore, it qualifies as a "common control transaction" and has been accounted for using Pooling of Interest Method as per Appendix -C to IND AS-103 'Business Combination'. Accordingly, the Scheme has become effective on 2<sup>nd</sup> July 2024 ("Effective Date") and ABFSSL, ABCTSL and ABMML have merged with the Company from the Effective Date. Accordingly, the financial statements for the previous periods have been restated as if the business combination had occurred with effective from 1<sup>st</sup> April 2023.

Share capital issued on 2<sup>nd</sup> July 2024 has been considered as Share application pending allotment as at 1<sup>st</sup> April 2024 and 31<sup>st</sup> March 2024

As per the Scheme of Merger, debit balance arising in the profit and loss account on 1<sup>st</sup> April 2023, of the Company has been adjusted against capital reserve

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

EPS has been calculated by considering total equity of the Company, as weighted-average equity shares outstanding of 31,18,650, for all the periods reported, in accordance with Ind AS 33.

## NOTE: 32

The Company has not granted any Loans or Advances to promoters, directors, KMPs and the related parties (as defined under the Companies Act, 2013) either severally or jointly with any other person.

## NOTE: 33

The Company does not have any investment, and, accordingly, provision of Section 186(1) is not applicable.

## NOTE: 34

The Company has taken unsecured borrowings from a bank, and is not required to submit quarterly return or any other statement in accordance with its sanction letter.

## NOTE: 35

Registration of charges or satisfaction with Registrar of Companies: The Company has taken secured borrowing against computer and servers during the year and created charge against asset.

# Notes forming part of the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 36 | UNDISCLOSED INCOME

The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of accounts, in the tax assessments under the Income-tax Act, 1961 as income during the year.

## NOTE: 37 | NO TRANSACTIONS TO REPORT AGAINST THE FOLLOWING DISCLOSURE

- (a) Revaluation of Property, Plant and Equipment (including Right-to-Use).
- (b) Revaluation of Intangible Assets
- (c) Crypto Currency or Virtual Currency
- (d) Benami Property held under Prohibition of Benami Property Transactions Act, 1988, and rules made thereunder
- (e) Relating to borrowed funds:
  - i. Wilful defaulter
  - ii. Utilisation of borrowed funds and share premium
  - iii. Borrowings obtained on the basis of security of current assets
  - iv. Discrepancy in utilisation of borrowings
- (f) Corporate Social Responsibility

## NOTE: 38 | THE FOLLOWING DISCLOSURES ARE NOT APPLICABLE

- (a) Since the Company does not have any Immovable Property, reporting on the Title Deeds of Immovable Properties is not applicable.
- (b) Since the Company does not have Investment Property, Valuation of Investment Property is not applicable.
- (c) Since the Company does not have any subsidiary, the provision of Section 2 (87) of the Act, read with the Companies (Restriction on Number of Layer) Rules, 2017, is not applicable to the Company.

## NOTE: 39 | TRANSACTIONS WITH STRUCK-OFF COMPANIES

The Company has not entered into any transactions with struck-off companies during the year ended 31<sup>st</sup> March 2025 and 31<sup>st</sup> March 2024.

# Independent Auditor's Report

To the Members of  
**Aditya Birla PE Advisors Private Limited**

## REPORT ON THE AUDIT OF THE IND AS FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying Ind AS financial statements of Aditya Birla PE Advisors Private Limited ("the Company"), which comprise the Balance sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information ("the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing ("SAs"), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

### Emphasis of Matter

We draw attention to Note 2.1 to the Financial Statements, which indicates that the Company is not considered to be a going concern and hence, in the financial statements of Company, the assets and liabilities are stated at their realizable values.

Our opinion is not qualified in respect of this matter.

### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibility of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - (e) The going concern matter described in Emphasis of Matter - Going Concern paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
  - (f) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2025 from

being appointed as a director in terms of Section 164(2) of the Act;

- (g) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (h) The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended 31<sup>st</sup> March, 2025 since the company has not paid/provided for managerial remuneration during the year;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 24 to the Ind AS financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the

Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.

- v. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit we did not come across any instance of audit trail feature being tampered with.

**ANNEXURE 1 REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE****Re: Aditya Birla PE Advisors Private Limited ('the Company')**

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment ("PPE").
- The Company is maintaining proper records showing full particulars of intangible assets.
- (b) PPE have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) According to the information and explanations given by the management, there are no immovable properties, included in property, plant and equipment of the Company and accordingly, the requirements under paragraph 3(i)(c) of the Order are not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, the Company has not revalued its PPE or intangible assets or both during the year.
- (e) There are no proceeding initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and the rules made thereunder.
- (ii) (a) The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii)(a) of the Order are not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not been sanctioned any working capital limits in excess of Rs. five Crores from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, paragraph 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us, the Company has not made investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the provisions of clause 3(iii)(a) to (f) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities granted in respect of which provisions of section 185 and 186 of the Companies Act 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits during the year in terms of directives issued by the Reserve Bank of India or within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and as explained, the Company is not in the business of sale of any goods or provision of such services as prescribed. Hence the Company is not required to maintain any cost records prescribed under sub-section (1) of the Section 148 of the Act. Therefore, in our opinion, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including Goods and Services tax, provident fund, income-tax, service tax, cess and any other statutory dues applicable to it. The provisions relating to employees' state insurance, sales-tax, duty of customs, duty of excise and value added tax are not applicable to the Company.
- (vii) (b) According to the information and explanations given to us, no undisputed amounts payable in respect of Goods and Services tax, provident fund, income-tax, service tax, cess and any other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions relating to employees' state insurance, sales-tax, duty of customs, duty of excise and value added tax are not applicable to the Company.
- (vii) (c) According to the records of the Company, there are no dues of income tax which have not been deposited on account of dispute.
- (viii) In our opinion and according to the information and explanations given to us there have not been any transactions recorded in the books of account of the company which have been surrendered or disclosed any transaction, previously unrecorded in the books of account, as income during the year in the tax assessments under the Income-tax Act, 1961.
- (ix) (a) The Company did not have any outstanding loans or borrowings or interest dues in respect of a financial institution or bank or to government or dues to debenture holders during the year.
- (b) As represented, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority or any other lender.
- (c) During the year the Company has not taken any term loan. Accordingly, paragraph 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary. The Company does not have any subsidiary, associate or joint venture.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiary. The Company does not have any subsidiary, associate or joint venture.
- (x) (a) According to the information and explanations given by the management, the Company has not raised any money way of initial public offer/further public offer (including debt instruments) during the year.
- (b) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly or optionally convertible debentures during the year.
- (xi) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no fraud/material fraud on the Company has been noticed or reported during the year.
- (b) No report under Section 143 (12) of the Act has been filed by us, during the year under report, in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii)(a), (b) and (c) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly reporting under clause 3(xiii) insofar as it relates to section 177 of the Act is not applicable to the Company and hence not commented upon.
- (xiv) (a) The Company is not required to have an internal audit system as per provisions of the Act.
- (b) The Company is not required to appoint an internal auditor as per section 138 of Companies Act, 2013 read with Rule 13 of Companies (Accounts) Rule, 2014.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(a) (b) & (c) of the Order is not applicable to the Company.
- (b) As per information provided by the management of the Company, in course of our audit, the group to which the Company belongs, has three CIC, namely Aditya Birla Capital Limited IGH Holdings Private Limited and Birla Group holding Private Limited.
- (xvii) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly paragraph 3(xviii) of the Order is not applicable. There were no issues, objections or concerns raised by the outgoing auditors of the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of Section 135(5) of the Act in relation to Corporate Social Responsibility are not applicable to the Company. Accordingly, paragraph 3(xx) (a) and (b) of the Order is not applicable to the Company.
- (xxi) Reporting under Paragraph 3(xxi) of the Order is not applicable at the standalone level of reporting applicable to the Company as it is not a holding Company.

## **ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON IND AS FINANCIAL STATEMENTS OF ADITYA BIRLA PE ADVISORS PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Aditya Birla PE Advisors Private Limited ("the Company") as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements.

### **Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Financial Statements**

A company's internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Annexure 2 (Contd.)

**Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Ind AS Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting

with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at 31<sup>st</sup> March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

## 1. CORPORATE INFORMATION

Aditya Birla PE Advisors Private Limited (formerly known as Aditya Birla Capital Private Limited) (the 'Company') was incorporated on 22<sup>nd</sup> February, 2008. The Company is a Private Limited Company incorporated under the provisions of the Companies Act, 1956 and a wholly owned subsidiary of Aditya Birla Capital Limited (formerly known as Aditya Birla Financial Services Limited) and the ultimate holding is Grasim Industries Limited (Previously ultimate holding was of Aditya Birla Nuvo Limited). The registered office of the Company is located at One World Centre, S. B. Marg, Elphinstone Road, Mumbai, Maharashtra, India. The main object of the Company is to provide financial advisory services and management services and to carry on business of advising and managing venture capital funds. The Company is the Investment Manager to the Aditya Birla Private Equity-Fund I and Aditya Birla Private Equity – Sunrise, both of which are Domestic Venture Capital Funds registered with SEBI. Pursuant to SEBI circular dated 19<sup>th</sup> August, 2024, SEBI registered VCFs whose liquidation period has expired shall submit an application before SEBI for surrender of its registration on or before 31<sup>st</sup> March, 2025 in order to avoid any adverse regulatory action from SEBI. In view of the same, the Funds have submitted an application to SEBI to wind up the Trust.

The financial statements are approved for issue by the Company's Board of Directors by resolution passed in the meeting dated 21<sup>st</sup> April, 2025.

any other operating income during the year ended 31<sup>st</sup> March, 2025. Further the management of the Company is currently not having any future business plan for the operations of the Company, considering the present macro environment. These conditions indicate significant uncertainty about the Company's going concern and hence financial statements have not been prepared on a going concern basis. Accordingly, the assets and liabilities as at 31<sup>st</sup> March, 2025 are stated at their current realizable values. The ultimate realization values of these assets and liabilities may be different.

The Company has prepared financial statements in accordance with Indian Accounting Standards ('Ind AS') under the historic cost convention on the accrual basis except financial instrument which are measured at fair value, and the provisions of the Companies Act 2013, The Ind AS are prescribed under section 133 of the act read with rule of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the schedule III of the Companies' Act 2013. Based on the nature of products and the time between the acquisition of the assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to 12 months for the purpose of current/non-current classification of assets and liabilities.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### 2.1 Basis of preparation

The Company's ultimate holding is Grasim Industries Limited is a listed company with networth of over ₹ 500 crores and is required to adopt IND AS in terms of rule of the Companies (Indian Accounting Standards) Rules, 2015. All subsidiaries of such companies are also required to adopt IND AS as prescribed under said Rules. Accordingly, the Company has adopted Ind AS and has prepared financial statement under Ind AS.

Sunrise Fund has closed its operations during the year ended 31<sup>st</sup> March, 2019 and ABPE Fund – I, the Term of which was extended till 13<sup>th</sup> January, 2021 is continuing as a liquidation vehicle pending final realization of some of the assets. The Company has not accrued and received any income from management fees or

### 2.2 Summary of Significant accounting policies

#### (a) Use of estimate

The preparation of financial statements in conformity with Indian Accounting Standards (IND AS) requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

## (b) Property, Plant and Equipment

Property, plant and equipment and Capital Work in progress are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates including directly attributable cost of bringing the assets to its working condition for its intended use. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. Capital work-in-progress includes cost of property, plant and equipment under installation/under development as at the reporting date.

The assets residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on the property, plant and equipment is provided on straight line method using the rates arrived as per estimates made by the management supported by technical assessment which coincides with the useful lives of assets as specified in Schedule II to the Companies Act, 2013, except for the assets specified below. The Company has used the following useful lives of the property, plant and equipment to provide depreciation.

Following rates are used to provide depreciation on Property, Plant and Equipment:-

| Asset Category         | Useful life prescribed by Schedule II of The Companies Act, 2013 | Estimated useful life |
|------------------------|------------------------------------------------------------------|-----------------------|
| Furniture and fixtures | 10 years                                                         | 4 years               |
| Office Equipment's     | 5 years                                                          | 4 years               |
| Vehicles               | 6 years                                                          | 4 years               |
| Computer               | 3 years                                                          | 4 years               |

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

Assets costing ₹ 5,000 or less are written off in the year of purchase Useful life of assets different from those prescribed in Schedule II has been estimated by management supported by technical assessment.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

## (c) Intangible Assets and Amortisation

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Intangible assets are amortized on a straight line basis over their estimated useful life which is estimated at 3 years.

The amortization period and the amortization method are reviewed at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

## (d) Translation in foreign currency items

Transactions in foreign currency are initially recorded at the spot rate of exchange prevailing on the date of transaction. Exchange difference on settlement or translation of all other monetary items is recognised in the Statement of Profit and Loss. Non-monetary items are measured in terms of historical cost in foreign currency duly translated using the exchange rate at the date of initial transaction.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

## (e) Revenue recognition

Revenue net of Goods and Service Tax ('GST') (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs.

The Company recognises revenue from contracts with customers based on a five steps model as set out Ind AS 115:

**Step 1:** Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

**Step 2:** Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

**Step 3:** Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

**Step 4:** Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

**Step 5:** Recognize revenue when (or as) the Company satisfies a performance obligation

The Company recognizes revenue on contract with customers based on above model. The contract with each customer is identified and revenue is recognized based on the terms of the contract, period of engagement and quantum of assets under management. Revenue is recognized on satisfaction of the performance obligation of the contract.

## Management fee income

Revenue recognition for management fees can be divided into the following two categories:

### i) Management fees – over time

Management fees is recognized on completion of the period and performance of the service.

### ii) Management fees – point in time

Certain incomes are recognized only upon completion of the performance obligation of the Contract.

## Carried Interest

Carried Interest is recognized on receipt basis and is also considered as revenue from services.

## Dividends

Dividend income on investments is accounted for when the right to receive the payment is established.

## Interest Income

For all Financial Instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

## Disposal of Investments

On disposal of an investment the difference between carrying amount and net disposal proceeds is charged or credited to the statement of Profit and Loss using weighted average cost.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

## (f) Retirement and Other Employee Benefits

Retirement benefit in the form of provident fund, pension fund and superannuation scheme are defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund, pension fund and superannuation scheme. The Company recognizes contribution payable to the provident fund, pension fund and superannuation scheme as an expense, when an employee renders the related service. If the contribution payable to the schemes for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

The Company operates a defined benefit plan for its employees, viz., gratuity. The costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out for each plan using the projected unit credit method. Actuarial gains and losses for both defined benefit plans are recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date.

The Company treats accumulated leave as a non-contributory defined benefit arrangement providing benefits expressed in terms of a multiple of final monthly salary. It is carried as a current liability since it is to be utilized over a maximum period of one year in terms of the leave policy of the Company. The leave which gets availed whilst in service is valued on employee's CTC basis whereas the leave encashment is valued on the basis of the definition prescribed in the Company's leave encashment policy. Based on the above principles, an actuarial valuation is made

to determine the liability the Company needs to hold on its balance sheet date.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

## (g) Taxation

### Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income Tax Act, 1961.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Minimum Alternative Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. MAT credit is recognised as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the ICAI, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period and adjustments if any are included is tax cost for the year.

## Deferred Taxes

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. The impact of such recognition and derecognition is included in the profit and loss statement of that year.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## (h) Operating Lease

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

## (i) Contingent Liabilities & Provisions:

Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

## Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## (j) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Financial assets

Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- 1) Debt instruments at amortised cost
- 2) Debt instruments at fair value through other comprehensive income (FVTOCI)
- 3) Debt instruments, Mutual Fund and equity instruments at fair value through profit or loss (FVTPL)
- 4) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

### Financial instruments at amortised cost

A 'Financial instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

### Financial Instrument at FVTOCI

A 'Financial Instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI Financial Instrument is reported as interest income using the EIR method.

### Financial Instrument at FVTPL

FVTPL is a residual category for Financial Instruments. Any Financial Instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a Financial Instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Financial Instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

## Equity investments and Mutual Funds at FVTPL

All equity investments and Mutual fund in scope of Ind AS 109 are measured at fair value. Equity instruments, Mutual fund which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, Mutual Fund, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments, Mutual fund included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

## Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing

involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

## Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- Financial assets that are debt instruments and are measured as at FVTOCI
- Lease receivables under Ind AS 17
- Trade receivables
- Loan commitments which are not measured as at FVTPL
- Financial guarantee contracts which are not measured as at FVTPL

For recognition of impairment loss allowance on Trade receivables; and all lease receivables resulting from transactions within the scope of Ind AS 17 the Company follows 'simplified approach'

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

**For recognition of impairment loss on other financial assets and risk exposure**, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

1. All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
2. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets

in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

## Financial liabilities

### *Initial recognition and measurement*

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

### *Subsequent measurement*

The measurement of financial liabilities depends on their classification, as described below:

### **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

## Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

## Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## (k) Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date. The Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- in the absence of a principal market in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

# Notes Forming part of Financial Statements

as on 31<sup>st</sup> March 2025

## (l) Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

## (m) Cash Flow Statement

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

## (n) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

## NOTE: 27. FINANCIAL INSTRUMENT- ACCOUNTING CLASSIFICATION & FAIR VALUE MEASUREMENTS

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values.

(₹ in Thousand)

|                         | Carrying value               |                              | Fair value                   |                              |
|-------------------------|------------------------------|------------------------------|------------------------------|------------------------------|
|                         | 31 <sup>st</sup> March, 2025 | 31 <sup>st</sup> March, 2024 | 31 <sup>st</sup> March, 2025 | 31 <sup>st</sup> March, 2024 |
| <b>Financial assets</b> |                              |                              |                              |                              |
| Investments             | 15,407                       | 43,597                       | 15,407                       | 43,597                       |

The management assessed that cash and cash equivalents, trade and other payables, other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's market borrowing rate and lending rate as at the end of the reporting period.

## Fair value hierarchy

## NOTE: 28. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities, comprise trade and other payables and liability to employees dues. The Company principal financial assets include Investments into mutual funds, loans & advances and cash & cash equivalents that are derived directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company has formulated suitable Risk Control Matrix (RCM) to provide an assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All Investment activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that surplus assets are invested in low risk financial instruments with high liquidity. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

### Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk for Mutual Fund investments.

### Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. As interest rates increase, the market price of the mutual fund experiences a reduction in value and a reduction in yields of underlying securities result in an increase in value of the Mutual Fund. The Company does not have any debt resulting in any direct impact of interest rates changes on profitability. The Company manages its interest rate risk by having a portfolio in short term and liquid mutual fund.

### Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have any significant foreign currency assets or liabilities and hence there is no need for any foreign currency hedges.

### Credit Risk

The Company gets its revenue in advance from the Fund that it manages. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its investment in Mutual funds. Since these are large entities regulated by SEBI we do not perceive any credit risk on such investments.

### Liquidity Risk

Liquidity risk relates to the risk that the entity may not be able to meet its obligations from available resources. The Company does not perceive any liquidity risk as investments are made in highly liquid schemes of a Mutual Fund.

### Excessive Risk Concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry. In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed by investing in scheme of a Mutual fund having a diversified portfolio in a particular asset class rather than a specific investment on its own.

## **NOTE: 29. SIGNIFICANT JUDGEMENTS**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

### **i) Employee Benefit (Refer Note 25 & Note 16):**

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates and yields of government bonds and other debt securities.

The mortality rate is based on publicly available mortality tables. Future salary increases and gratuity increases are based on expected future inflation rates.

Provision for Leave encashment are also determined using actuarial valuations. These involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and future availment of leave which is determined on the basis of management estimate. All assumptions are reviewed at each reporting date.

### **ii) Fair Value of Certain Financial Instrument (Refer Note 27):**

Fair value of Investment in Unquoted Mutual Funds done based on NAV of Units.

### **iii) Property, Plant and Equipment (Refer Note 2.2.b):**

Property, Plant and Equipment (PPE) has been restated at fair value as on 1<sup>st</sup> April, 2015 and net WDV as on 31<sup>st</sup> March, 2015 has been assumed to be the fair value as on that date.

Depreciation has been provided on PPE based on Original cost and an estimate of the useful life of PPE as explained in Note 2.2.b.

### **iv) Taxes**

Deferred tax liability are recognised for timing difference in various head of Assets and Liabilities to the extent that this will be set off against future tax expense in subsequent years. In view of recurring losses and no reasonable certainty of recovery, no deferred tax assets are recognized.

## NOTE: 30. LIQUIDITY RISK MATURITY PROFILE

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of undrawn credit facilities to meet obligations when due. The Company's Corporate Finance team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

# Independent Auditor's Report

To the Members of **Aditya Birla Trustee Company Private Limited**

## REPORT ON THE AUDIT OF THE IND AS FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying Ind AS financial statements of Aditya Birla Trustee Company Private Limited ("the Company"), which comprise the Balance sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information ("the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing ("SAs"), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

### Emphasis of Matter

We draw attention to Note 2.1 to the Financial Statements, which indicates that the Company is not considered to be a going concern and hence, in the financial statements of Company, the assets and liabilities are stated at their realizable values.

Our opinion is not qualified in respect of this matter.

### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibility of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with

Companies (Indian Accounting Standards) Rules, 2015, as amended;

- (e) The going concern matter described in Emphasis of Matter - Going Concern paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
- (f) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (g) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (h) The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended 31<sup>st</sup> March, 2025 since the company has not paid/provided for managerial remuneration during the year;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 18 to the Ind AS financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
  - iv. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"),

with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.

- v. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit we did not come across any instance of audit trail feature being tampered with.

# Annexure 1

referred to in paragraph 1 under the heading “Report on other legal and regulatory requirements” of our report of even date

**Re: Aditya Birla Trustee Company Private Limited  
('the Company')**

- (i) The Company did not have any property plant and equipment and intangible assets during the year, accordingly, the requirements under paragraph 3(i) (a)(b)(c) (d) and (e) of the Order are not applicable to the Company.
- (ii) (a) The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii)(a) of the Order are not applicable to the Company.  
(b) In our opinion and according to the information and explanations given to us, the Company has not been sanctioned any working capital limits in excess of Rs. Five Crores from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, paragraph 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us, the Company has not made investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the provisions of clause 3(iii) (a) to (f) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities granted in respect of which provisions of section 185 and 186 of the Companies Act 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits during the year in terms of directives issued by the Reserve Bank of India or within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and as explained, the Company is not in the business of sale of any goods or provision of such services as prescribed. Hence the Company is not required to maintain any cost records prescribed under sub-section (1) of the Section 148 of the Act. Therefore, in our opinion, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including Goods and Services tax, income-tax, service tax, cess and any other statutory dues applicable to it. The provisions relating to provident fund, employees' state insurance, sales-tax, duty of customs, duty of excise and value added tax are not applicable to the Company.  
(b) According to the information and explanations given to us, no undisputed amounts payable in respect of Goods and Services tax, income-tax, service tax, cess and any other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions relating to provident fund, employees' state insurance, sales-tax, duty of customs, duty of excise and value added tax are not applicable to the Company.  
(c) According to the information and explanations given to us, there are no dues of Goods and Services tax, income tax, service tax, and cess which have not been deposited on account of any dispute. The provisions relating to provident fund, employees' state insurance, sales-tax, duty of customs, duty of excise and value added tax are not applicable to the Company.
- (viii) In our opinion and according to the information and explanations given to us there have not been any transactions recorded in the books of account of the company which have been surrendered or disclosed any transaction, previously unrecorded in the books of account, as income during the year in the tax assessments under the Income-tax Act, 1961.
- (ix) (a) The Company did not have any outstanding loans or borrowings or interest dues in respect of a financial institution or bank or to government or dues to debenture holders during the year.  
(b) As represented, the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority or any other lender.  
(c) During the year the Company has not taken any term loan. Accordingly, paragraph 3(ix)(c) of the Order is not applicable to the Company.  
(d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.  
(e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary. The Company does not have any subsidiary, associate or joint venture.  
(f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on

the pledge of securities held in its subsidiary. The Company does not have any subsidiary, associate or joint venture.

- (x) (a) According to the information and explanations given by the management, the Company has not raised any money way of initial public offer/further public offer (including debt instruments) during the year.
- (b) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly or optionally convertible debentures during the year.
- (xi) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no fraud/material fraud on the Company has been noticed or reported during the year.
- (b) No report under Section 143 (12) of the Act has been filed by us, during the year under report, in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) In our opinion, the Company is not a nidhi Company. Therefore, the provisions of clause 3(xii)(a), (b) and (c) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of sec 177 are not applicable to the Company and accordingly reporting under clause 3(xiii) insofar as it relates to section 177 of the Act is not applicable to the Company and hence not commented upon.
- (xiv) (a) The Company is not required to have an internal audit system as per provisions of the Act.
- (b) The Company is not required to appoint an internal auditor as per section 138 of Companies Act, 2013 read with Rule 13 of Companies (Accounts) Rule, 2014.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.
- (xvi) (a) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve

Bank of India Act, 1934 are not applicable to the Company. Accordingly, paragraph 3(xvi)(a) (b) & (c) of the Order is not applicable to the Company.

- (b) As per information provided by the management of the Company, in course of our audit, the group to which the Company belongs, has three CIC, namely Aditya Birla Capital Limited, IGH Holdings Private Limited and Birla Group holding Private Limited.
- (xvii) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly paragraph 3(xviii) of the Order is not applicable. There were no issues, objections or concerns raised by the outgoing auditors of the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of Section 135(5) of the Act in relation to Corporate Social Responsibility are not applicable to the Company. Accordingly, paragraph 3(xx) (a) and (b) of the Order is not applicable to the Company.
- (xxi) Reporting under Paragraph 3(xxi) of the Order is not applicable at the standalone level of reporting applicable to the Company as it is not a holding Company.

## Annexure 2

### To the Independent Auditor's Report of even date on Ind AS Financial Statements of Aditya Birla Trustee Company Private Limited

#### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Aditya Birla Trustee Company Private Limited ("the Company") as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included

obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements.

#### Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Financial Statements

A company's internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial

control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at 31<sup>st</sup> March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated

in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

As on 31<sup>st</sup> March, 2025

## 1. CORPORATE INFORMATION

Aditya Birla Trustee Company Private Limited (the 'Company') was incorporated on 11<sup>th</sup> September, 2008. The Company is a Private Limited Company incorporated under the provisions of the Companies Act, 1956 and a wholly owned subsidiary of Aditya Birla Capital Limited (formerly known as Aditya Birla Financial Services Limited) and the ultimate holding is Grasim Industries Limited (Previously ultimate holding was Aditya Birla Nuvo Limited). The registered office of the Company is located at Aditya Birla Centre, S. K. Ahire Marg, Worli, Mumbai, Maharashtra, India. The main object of the Company is to act as trustee and provide trustee related services. The Company is the Trustee to the Aditya Birla Private Equity-Fund I and Aditya Birla Private Equity – Sunrise Fund, both of which are Domestic Venture Capital Funds registered with SEBI. Pursuant to SEBI circular dated 19<sup>th</sup> August, 2024, SEBI registered VCFs whose liquidation period has expired shall submit an application before SEBI for surrender of its registration on or before 31<sup>st</sup> March, 2025 in order to avoid any adverse regulatory action from SEBI. In view of the same, the Funds have submitted an application to SEBI to wind up Aditya Birla Private Equity Trust.

The financial statements are approved for issue by the Company's Board of Directors by resolution passed in the meeting dated 21<sup>st</sup> April, 2025.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### 2.1 Basis of preparation

The Company's ultimate holding Company, Grasim Industries Limited is a listed company with networth of over ₹ 500 crores and required to adopt IND AS in terms of rule of the Companies (Indian Accounting Standards) Rules, 2015. All subsidiaries of such companies are also required to adopt IND AS as prescribed under said Rules. Accordingly, the Company has adopted Ind AS and has prepared financial statement under Ind AS.

Sunrise Fund has closed its operations during the year ended 31<sup>st</sup> March, 2019 and ABPE Fund – I, the Term of which was extended till 13<sup>th</sup> January, 2021 is continuing as a liquidation vehicle pending final realization of some of the assets. The Company has not accrued and received any income from management fees or any other operating income during the year ended 31<sup>st</sup> March, 2025. Further the management of the Company is currently not having any future business plan for the operations of the Company, considering the present macro environment. These conditions indicate significant uncertainty about the Company's ability to continue as going concern and

hence financial statements have not been prepared on a going concern basis. Accordingly, the assets and liabilities as at 31<sup>st</sup> March, 2025 are stated at their current realizable values. The ultimate realization values of these assets and liabilities may be different.

The Company has prepared financial statements in accordance with Indian Accounting Standards ('Ind AS') under the historic cost convention on the accrual basis except financial instrument which are measured at fair value, and the provisions of the Companies Act 2013. The IND AS are prescribed under section 133 of the act read with rule of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the schedule III of the Companies' Act 2013.

### 2.2 Summary of Significant accounting policies

#### (a) Use of estimate

The preparation of financial statements in conformity with Indian Accounting Standards (IND AS) requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

#### (b) Revenue recognition

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs.

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind 115:

**Step 1:** Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

# Notes Forming part of Financial Statements

As on 31<sup>st</sup> March 2025

**Step 2:** Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

**Step 3:** Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

**Step 4:** Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

**Step 5:** Recognise revenue when (or as) the Company satisfies a performance obligation

The Company recognizes revenue on contract with customers based on above model. The contract with each customer is identified and revenue is recognized based on the terms of the contract, period of engagement and quantum of assets under management. Revenue is recognized on satisfaction of the performance obligation of the contract.

## Trusteeship fee income

Revenue recognition for trusteeship fees can be divided into the following two categories:

### i) *Trusteeship fees – over time*

Fees is recognized on completion of the period and performance of the service.

### ii) *Trusteeship fees – point in time*

Certain incomes are recognized only upon completion of the performance obligation of the Contract.

## Dividends

Dividend income on investments is accounted for when the right to receive the payment is established.

## Disposal of Investments

On disposal of an investment the difference between carrying amount and net disposal proceeds is charged or credited to the statement of Profit and Loss using weighted average cost.

## (c) Taxation

### Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income Tax Act, 1961.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Minimum Alternative Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. MAT credit is recognised as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the ICAI, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

### Deferred Taxes

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

# Notes Forming part of Financial Statements

As on 31<sup>st</sup> March, 2025

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## (d) Contingent liabilities & Provisions:

Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

### Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision

is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## (e) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Financial assets

Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- 1) Financial instruments at amortised cost.
- 2) Financial instruments at fair value through other comprehensive income (FVTOCI).
- 3) Financial instruments, Mutual Fund and equity instruments at fair value through profit or loss (FVTPL).
- 4) Equity instruments measured at fair value through other comprehensive income (FVTOCI).

### Financial instruments at amortised cost

A 'Financial instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

# Notes Forming part of Financial Statements

As on 31<sup>st</sup> March 2025

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

## Financial Instrument at FVTOCI

A 'Financial Instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI Financial Instrument is reported as interest income using the EIR method.

## Financial Instrument at FVTPL

FVTPL is a residual category for Financial Instruments. Any Financial Instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a Financial Instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any Financial Instrument as at FVTPL.

Financial Instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

## Equity investments and Mutual Funds at FVTPL

All equity investments and Mutual fund in scope of Ind AS 109 are measured at fair value. Equity instruments, Mutual fund which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, Mutual Fund, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments, Mutual fund included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

## Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's

# Notes Forming part of Financial Statements

As on 31<sup>st</sup> March, 2025

continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

## Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- b. Financial assets that are debt instruments and are measured as at FVTOCI.
- c. Lease receivables under Ind AS 17.
- d. Trade receivables.
- e. Loan commitments which are not measured as at FVTPL.
- f. Financial guarantee contracts which are not measured as at FVTPL.

**For recognition of impairment loss allowance on Trade receivables;** and all lease receivables resulting from transactions within the scope of Ind AS 17 the Company follows 'simplified approach'

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

**For recognition of impairment loss on other financial assets and risk exposure,** the Company determines that whether there has been a significant increase in the

credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

1. All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
2. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

**Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables:** ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

**Loan commitments and financial guarantee contracts:** ECL is presented as a provision in the balance sheet, i.e. as a liability.

**Debt instruments measured at FVTOCI:** Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

# Notes Forming part of Financial Statements

As on 31<sup>st</sup> March 2025

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

## Financial liabilities

### *Initial recognition and measurement*

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

### *Subsequent measurement*

The measurement of financial liabilities depends on their classification, as described below:

### **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition

of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## **(f) Fair value measurement**

The Company measures financial instruments at fair value at each balance sheet date. The Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- in the absence of a principal market in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

# Notes Forming part of Financial Statements

As on 31<sup>st</sup> March, 2025

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

## (g) Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

## (h) Cash Flow Statement

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or

payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

## (i) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

## (j) Contingent Liabilities and Provisions

The Company's has no pending litigations with Tax authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed the contingent liabilities where applicable, in its financial statements.

## 20. FINANCIAL INSTRUMENT – ACCOUNTING CLASSIFICATION & FAIR VALUE MEASUREMENTS

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values.

|                         | ₹ in Thousand                |                              |                              |                              |
|-------------------------|------------------------------|------------------------------|------------------------------|------------------------------|
|                         | Carrying value               |                              | Fair value                   |                              |
|                         | 31 <sup>st</sup> March, 2025 | 31 <sup>st</sup> March, 2024 | 31 <sup>st</sup> March, 2025 | 31 <sup>st</sup> March, 2024 |
| <b>Financial assets</b> |                              |                              |                              |                              |
| Investments             | 2,093.55                     | 4,648.94                     | 2,093.55                     | 4,648.94                     |

The management assessed that cash and cash equivalents, trade and other payable, other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's market borrowing rate and lending rate as at the end of the reporting period.

| ₹ in Thousand                            |                              |                                           |                                         |                                           |

(\*) Fair value of investment in unquoted Mutual Funds is done based on NAV of Units.

## 21. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities, comprise trade and other payables and liability to employees dues. The Company principal financial assets include Investments into mutual funds and cash and cash equivalents that are derived directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company has formulated suitable Risk Control Matrix (RCM) to provide an assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All Investment activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that surplus assets are invested in low risk financial instruments with high liquidity. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

### Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk for Mutual Fund investments.

# Notes Forming part of Financial Statements

As on 31<sup>st</sup> March, 2025

## Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. As interest rates increase, the market price of the mutual fund experiences a reduction in value and a reduction in yields of underlying securities result in an increase in value of the Mutual Fund. The Company does not have any debt resulting in any direct impact of interest rates changes on profitability. The Company manages its interest rate risk by having a portfolio in short term and liquid mutual fund derivative instruments.

## Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have any foreign currency assets or liabilities and hence there is no need for any foreign currency hedges.

## Credit risk

The Company gets its revenue in advance from the Fund that it manages. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its investment in Mutual funds. Since these are large entities regulated by SEBI we do not perceive any credit risk on such investments.

## Liquidity risk

Liquidity risk relates to the risk that the entity may not be able to meet its obligations from available resources. The Company does not perceive any liquidity risk as investments are made in highly liquid schemes of a Mutual Fund.

## Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry. In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed by investing in scheme of a Mutual fund having a diversified portfolio in a particular asset class rather than a specific investment on its own.

## 22. SIGNIFICANT JUDGEMENTS

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

- i) **Fair Value of Certain Financial Instrument (Refer Note 20):** Fair value of Investment in Unquoted Mutual Funds done based on NAV of Units.
- ii) **Taxes:** Deferred tax liability are recognised for timing difference in various head of Assets and Liabilities to the extent that this will be set off against future tax expense in subsequent years.

## 25. FINANCIAL RATIOS:

Financial ratios are computed as under:

| Sr No. | Particulars                | Formula                       | 31 <sup>st</sup> March, 2025 | Ratio | 31 <sup>st</sup> March, 2024 | Ratio | Change in % | Remarks for variation of more than 25%                                                                               |
|--------|----------------------------|-------------------------------|------------------------------|-------|------------------------------|-------|-------------|----------------------------------------------------------------------------------------------------------------------|
| 1      | Current Ratio              | Current Assets                | 4,947.11                     | 17.4  | 4,736.11                     | 46.4  | -63%        | The increase in Liabilities is greater than increase in Assets leading to a variance of more than 25%.               |
|        |                            | Current Liabilities           | 285.07                       |       | 102.09                       |       |             |                                                                                                                      |
| 2      | Return on Equity Ratio     | Net Profits after taxes       | 28.03                        | 1%    | 192.34                       | 4%    | -75%        | Profit during the year is lesser than the previous year has directly lead to the said variance.                      |
|        |                            | Average Shareholder's Equity  | 4,485.89                     |       | 4,375.71                     |       |             |                                                                                                                      |
| 3      | Net Profit Ratio           | Net Profit                    | 28.03                        | -     | 192.34                       | -     | -           | As the Company has not earned any operating income during the year, the ratios are strictly not comparable.          |
|        |                            | Turnover                      | -                            |       | -                            |       |             |                                                                                                                      |
| 4      | Return on Capital Employed | Earning Before Interest & Tax | 127.63                       | 3%    | 192.34                       | 4%    | -25%        | During the year Profit Before Tax was lower due to higher cost and hence the decrease in ratio.                      |
|        |                            | Capital Employed              | 4,499.91                     |       | 4,471.88                     |       |             |                                                                                                                      |
| 5      | Return on Investment       | Gain on investment            | 344.61                       | 7%    | 333.56                       | 7%    | 0%          | During the year Income from investment in Mutual Funds increased due to better yields resulting in overall increase. |
|        |                            | Investment                    | 4,699.69                     |       | 4,648.94                     |       |             |                                                                                                                      |

Note: The foll Note: The following ratios are not applicable to the Company for reasons mentioned thereto.

|      |                                  |                                                                                                    |
|------|----------------------------------|----------------------------------------------------------------------------------------------------|
| i.   | Inventory Turnover Ratio         | The Company's operations are in service sector.                                                    |
| ii.  | Net capital turnover Ratio       | The company does not have revenue from operations in the current and previous financial year.      |
| iii. | Trade receivables turnover ratio | The company does not have trade receivables at the end of the current and previous financial year. |
| iv.  | Trade payable turnover ratio     | The Company does not have expenses relating to the operating business.                             |
| v.   | Debt- Equity Ratio               | The company does not have any debt.                                                                |
| vi.  | Debt Service Coverage Ratio      | The company does not have any debt.                                                                |

# Independent Auditor's Report

To  
The Members of  
**Aditya Birla Capital Digital Limited**

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

1. We have audited the accompanying Financial Statements of Aditya Birla Capital Digital Limited ('the Company'), which comprise the Balance Sheet as at 31<sup>st</sup> March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year ended on that date, and notes to the Financial Statements, including a summary of material accounting policy information and other explanatory information ('the Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the State of Affairs of the Company as at 31<sup>st</sup> March 2025, and its Loss and Other Comprehensive Income, Changes in Equity and its Cash Flows for the year ended on that date.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

### Other Information

4. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the Financial Statements and our auditors'

report thereon. The Other Information is expected to be made available to us after the date of this audit report.

5. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.
7. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Financial Statements that give a true and fair view of the State of Affairs, Loss and Other Comprehensive Income, Changes in Equity and Cash Flows of the Company in accordance with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection of the appropriate accounting software for ensuring compliance with applicable laws and regulations including those related to retention of audit logs; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable,

matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

10. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the Financial Statements**

11. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - 12.1. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - 12.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
  - 12.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
  - 12.4. Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report

to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- 12.5. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

15. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. As required by Section 143(3) of the Act, we report that:
  - 16.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - 16.2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 17.8 below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
  - 16.3. The balance sheet, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the cash flow statement dealt with by this Report are in agreement with the books of account.
  - 16.4. In our opinion, the aforesaid Financial Statements comply with the AS specified under Section 133 of the Act read with the relevant rules thereunder.
  - 16.5. On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2025 taken

on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2025 from being appointed as a director in terms of Section 164(2) of the Act.

16.6. The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 16.2 above on reporting under Section 143(3)(b) and paragraph 17.8 below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended)

16.7. With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'

16.8. In our opinion and according to the information and explanations given to us, the Company has not paid remuneration to any director and hence provisions of section 197 of the Act are not applicable to the Company.

17. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

17.1. The Company does not have any pending litigations which would impact on its financial position in its Financial Statement-Refer Note 38 (1) to the Financial Statements.

17.2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses-Refer Note 38 (2) to the Financial Statements.

17.3. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

17.4. The Management has represented, to best of their knowledge and belief, that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

17.5. The Management has represented, to best of their knowledge and belief, that no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

17.6. Based on such audit procedures, that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under para 17.4 and 17.5 contain any material misstatement.

17.7. In our opinion and according to information and explanation given to us, the Company has not declared or paid dividend during the year, accordingly compliance with section 123 of the Act by the Company is not applicable.

17.8. Based on our examination which included test checks, except for an instance below, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same is observed to have been operated during the year for all relevant transactions recorded in the software.

The accounting software does not have feature of recording and maintaining the audit trail (edit log) facility at the database level.

Further, where audit trail (edit log) facility is enabled and operated throughout the year, we did not come across any instance of audit trail feature being tampered with during the course of our audit.

# Annexure 'A' to the Independent Auditor's Report

## on the Financial Statements of Aditya Birla Capital Digital Limited for the year ended 31st March 2025

(Referred to in paragraph 15 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- i. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment ('PPE').  
  
The Company is maintaining proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its PPE by which all PPE are verified once in three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, all PPE were physically verified by the Management during the year. In our opinion, and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable properties under PPE. Accordingly, Paragraph 3(i)(c) of the order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, the Company has not revalued its PPE (including Right of Use assets) or intangible assets or both during the year.
- (e) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) The Company is in the business of providing services and does not have any physical inventory, hence physical verification of inventory and reporting under paragraph 3(ii)(a) of the Order is not applicable to the Company.
- (b) The Company has not been sanctioned any working capital limits at any point of time during the year, from banks or financial institutions. Accordingly, paragraph 3(ii)(b) of the Order is not applicable to the Company.
- iii. The Company has not made investments in, or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, paragraph 3(iii)(a) to (f) of the Order is not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act with respect to investments made. The Company has not given loans, given guarantees and provided security, hence provision of section 185 is not applicable to the Company.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public during the year in terms of directives issued by the Reserve Bank of India or the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- vi. The Company is not required to maintain cost records under Section 148(1) of the Companies Act, 2013 read with Companies (Cost Records and Audit) Rules, 2014 and hence reporting under paragraph 3(vi) of the Order is not applicable to the Company.
- vii. (a) In our opinion and according to the information and explanations given to us, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, cess and any other statutory dues have been regularly deposited by the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, Goods and Services Tax, cess and other material statutory dues were in arrears as at 31<sup>st</sup> March 2025 for a period of more than six months from the date they became payable.
- (b) We confirm that there are no dues of Goods and Services Tax, provident fund, employees' state insurance, income-tax, cess and any other statutory dues, which have not been deposited to/with the appropriate authority on account of any dispute.
- viii. In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, we confirm that we have not come across any transactions not recorded in the books of account which have been surrendered or disclosed as

income during the year in the tax assessments under the Income Tax Act, 1961.

- ix. (a) The Company has not borrowed any loans from any lender. Accordingly, paragraph 3(ix)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority or any other lender.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year. Accordingly, paragraph 3(ix)(d) of the Order is not applicable to the Company.
- (d) The Company has not raised any loans on short term basis. Accordingly, paragraph 3(ix)(e) of the Order is not applicable to the Company.
- (e) The Company does not have any subsidiaries, associates, or joint ventures. Accordingly, the paragraph 3(ix)(e) of the Order is not applicable to the Company.
- (f) The Company does not have any subsidiaries, associates, or joint ventures. Accordingly, the paragraph 3(ix)(f) of the Order is not applicable to the Company.
- x. (a) The Company did not raise money by way of initial public offer or further public offer (including debt instruments) during the year.
- (b) The Company has not made any preferential allotment / private placement of shares / fully / partly / optionally convertible debentures during the year.
- xi. (a) In our opinion and according to the information and explanations given to us, there has been no fraud by the Company or any fraud on the Company that has been noticed or reported during the year.
- (b) In our opinion and according to the information and explanations given to us, no report under sub-section (12) of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints received by the company during the year and shared with us for reporting under this clause.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Section 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards (Ind AS). The provisions of Section 177 of the Act is not applicable to the Company.
- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date, for the period under audit.
- xv. According to the information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company ('CIC') as defined in the regulations made by Reserve Bank of India.
- (d) The Group to which company belongs has two CICs.
- xvii. The Company has incurred cash losses in the financial year and in the immediately preceding financial year. The amount of cash loss is ₹ 17,209.85 lakhs for FY 23-24 & ₹ 30,439.78 lakhs for FY 24-25.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly paragraph 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board

of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. The provisions of Section 135 of the Act are not applicable to the Company. Accordingly, paragraph 3(xx) (a) & (b) of the Order is not applicable to the Company.

## Annexure 'B' to the Independent Auditors' Report

### on the Financial Statements of Aditya Birla Capital Digital Limited for the year ended 31st March 2025

(Referred to in paragraph '16.7' under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

#### **REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE AFORESAID FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ('THE ACT').**

##### **Opinion**

1. We have audited the internal financial controls with reference to the Financial Statements of Aditya Birla Capital Digital Limited ('the Company') as at 31<sup>st</sup> March 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.
2. In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Financial Statements and such internal financial controls were operating effectively as at 31<sup>st</sup> March 2025, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note').

##### **Management's responsibility for Internal Financial Controls**

3. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

##### **Auditor's responsibility**

4. Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards

on Auditing ('SA '), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Financial Statements. Those SAs and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Financial Statements included obtaining an understanding of internal financial controls with reference to the Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Financial Statements.

##### **Meaning of Internal Financial Controls with reference to the Financial Statements**

7. A company's internal financial controls with reference to the Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the Standalone Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company ; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company ; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

financial controls with reference to the Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Inherent Limitations of Internal Financial Controls with reference to the Financial Statements**

8. Because of the inherent limitations of internal financial controls with reference to the Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Financial Statements to future periods are subject to the risk that the internal

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 01 | CORPORATE INFORMATION

Aditya Birla Capital Digital Limited (the 'Company' or 'ABCDL') is a Public Company domiciled in India and incorporated on 23<sup>rd</sup> March 2023 under the provisions of the Companies Act, 2013 ("the Act"). The Company is in the business of a) distributing financial and allied solutions across insurance, lending, investment, deposits and other financial products b) payments services following an omnichannel approach across a Mobile App, Website and Branch network.

The registered office of the Company is located at 18<sup>th</sup> floor, One World Centre, Tower 1, Senapati Bapat Marg, Jupiter Mill, Elphinstone Road, Mumbai 400013, Maharashtra. The Company is a wholly owned subsidiary of Aditya Birla Capital Limited. These Financial Statements were authorised for issue in accordance with a resolution of the Board of Directors on 22<sup>nd</sup> April 2025.

## NOTE: 02 | BASIS OF PREPARATION OF FINANCIAL STATEMENTS

**2.1** These financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015 other relevant provisions of the Act as amended from time to time. The presentation of the Financial Statements is based on Ind AS Schedule III Division II of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

## 2.2 Functional and Presentation Currency

Amounts in the financial statements are presented in Indian Rupees ('Rupees' or '₹' or 'INR') which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates in lakhs rounded off to two decimal places as permitted by Division II of Schedule III of the Act, except when otherwise indicated.

## NOTE: 03 | SUMMARY OF MATERIAL ACCOUNTING POLICY

### 3.1 Financial Instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

## Financial Assets

Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

## Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- 1) Debt instruments at amortised cost
- 2) Debt instruments at fair value through other comprehensive income (FVTOCI)
- 3) Debt instruments, Mutual Fund and equity instruments at fair value through profit or loss (FVTPL)
- 4) Equity instruments measured at fair value through other comprehensive income (FVTOCI).

## Financial Instruments at Amortised Cost

A 'Financial instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## Financial Instrument at FVTOCI

A 'Financial Instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI Financial Instrument is reported as interest income using the EIR method.

## Financial Instrument at FVTPL

FVTPL is a residual category for Financial Instruments. Any Financial Instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a Financial Instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Financial Instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

## Equity Investments and Mutual Funds at FVTPL

All equity investments and Mutual fund in scope of Ind AS 109 are measured at fair value. Equity instruments, Mutual fund which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, Mutual Fund, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument,

excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments, Mutual fund included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

## Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

## Impairment of Financial Assets

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. In case of financial assets, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments – for recognition of impairment loss allowance. The application of simplified approach does

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

not require the Company to track changes in credit risk of trade receivable. The Company calculates the expected credit losses on using a provision matrix on the basis of its historical credit loss experience.

**For recognition of impairment loss on other financial assets and risk exposure,** the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

1. All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
2. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

**Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables:** ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of

facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

## Financial Liabilities

### Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

### Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

#### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## 3.2 Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities (for which fair value is measured or disclosed in the financial statements) are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input, that is significant to the fair value measurement, is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input, that is significant to the fair value measurement, is unobservable.

**3.3** For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

## 3.4 Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, including fixed deposit with original maturity period of three months or less and short-term highly liquid investments with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

## 3.5 Property, Plant and Equipment (PPE) and Depreciation

All items of property, plant and equipment are stated at historical cost, net of accumulated depreciation and impairment loss if any. The cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

### Depreciation methods, estimated useful lives and residual value

Depreciation is provided on straight line basis using the rates arrived at based on the useful lives estimated by the Management. The Company has used the following useful life to provide depreciation on its property, plant and equipment.

| Asset Description            | Useful life as prescribed by Schedule II of Co's Act, 2013 | Estimated Useful Life                                           |
|------------------------------|------------------------------------------------------------|-----------------------------------------------------------------|
| Building                     | 60 years                                                   | 60 years                                                        |
| Computer Hardware            | 3 years                                                    | 4 years                                                         |
| Electronic/ Office Equipment | 3 years                                                    | 4 years                                                         |
| Furniture & Fixtures         | 10 years                                                   | 7 years                                                         |
| Leasehold Improvements       | Over the primary period of lease                           | Over the primary period of lease or 3 years, whichever is lower |
| Vehicles                     | 8 years                                                    | 4 / 5 years                                                     |

Asset costing ₹ 5,000 or less are written off in the year of purchase Useful life of assets different from those prescribed in Schedule II has been estimated by management supported by technical assessment.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its carrying value or recognised as a separate asset only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance and cost of the item can be measured reliably. All other expenses on existing PPE, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Depreciation on the PPE added/disposed off/discarded during the year is provided from/ upto the date when added/disposed off/discarded.

Gains or losses arising from the retirement or disposal of PPE are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

## Capital Work in Progress

Projects under which tangible fixed assets are not yet ready for their intended use, including any advances given for such projects, are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

## Intangible Assets

### Recognition and Measurement

Intangible assets, representing software are initially recognized at cost including non-refundable taxes, duties, and other directly attributable expenses and subsequently carried at cost less accumulated amortization and accumulated impairment, if any. Costs associated with maintaining software programmes are recognised as an expense as incurred

ABCDL recognizes internally generated intangible assets when it is certain that the future economic benefit attributable to the use of such intangible assets are probable to flow to the company and the expenditure incurred for development of such intangible assets can be measured reliably. The cost of an internally generated intangible asset comprises of all directly attributable costs necessary to create, produce, and prepare the asset to be capable of operating in the manner intended by the Management.

Subsequent expenditure related to an item of intangible asset is added to its carrying value based on materiality, resultant increase in the future benefits from the existing asset beyond its previously assessed standard

of performance and / or savings in future cost. All other expenses on maintenance of existing intangible assets and cost of replacing the intangible assets are charged to the statement of profit and loss for the period during which such expenses are incurred.

## Research and Development Costs

Research costs on internally generated assets are expensed as incurred.

Development expenditures is recognised as an intangible asset where following criteria are met:

- it is technically feasible to complete the software so that it will be available for use or sale.
- management intends to complete the software and use or sell it.
- there is an ability to use or sell the software. it can be demonstrated how the software will generate probable future economic benefits.
- adequate technical, financial and other resources to complete the development and to use or sell the software are available, and
- expenditure attributable to the software during its development can be reliably measured

## Amortization

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete in case of internally generated assets, and the asset is available for use as intended by the Management. The assets are amortized on a module-wise basis as applicable.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment, whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss, unless such expenditure forms part of carrying value of another asset.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

The Intangible assets including those internally generated are amortized on a straight-line basis over their estimated useful lives on a module-wise basis. The amortization of Intangible assets added/discarded during the year is provided from/ upto the date when added/discarded.

Intangible assets and their useful lives considered by the Company are as under:

| Assets                               | Estimated useful life |
|--------------------------------------|-----------------------|
| Software                             | 3 Years               |
| Digital application & allied systems | 7 Years               |
| Payment application & allied systems | 7 Years               |

## De-recognition

An intangible asset is de-recognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognized in statement of profit or loss when the asset is de-recognized.

## Intangible Assets under Development

Intangible assets not ready for the intended use on the date of Balance Sheet including any advances for development for such assets are disclosed as "Intangible assets under development".

## 3.6 Leases

The Company's lease asset classes primarily consist of leases for land and buildings. The company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether: (1) the contract involves the use of an identified asset (2) the company has substantially all of the economic benefits from use of the asset throughout the period of

the lease and (3) the company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes Right – to – use of Assets ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The Right – to – use of Assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right – to – use of Assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right – to – use of Assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value – in – use) is determined on an individual asset basis unless the asset generates cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The Lease Liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease Liabilities are remeasured with a corresponding adjustment to the related right of use asset if the company changes its assessment on exercise of an extension or a termination option.

Lease Liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## The Company as a Lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sub-lease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

## 3.7 Retirement and other Employee Benefits

### Short-Term Employee Benefits

Liabilities for salaries, incentive, including non-monetary benefits and accumulating leave balance in respect of employees' services up to the end of the reporting period, are recognised as liabilities (and expensed), and are measured at the amounts expected to be paid when the liabilities are settled. The Company also recognises a liability and records an expense for bonuses (including performance-linked bonuses) where contractually obliged or where there is a past practice that has created a constructive obligation.

### Defined Contribution Plan

Retirement benefit in the form of Government managed Employee Provident Fund, Government managed Employee Pension Fund, Employee Deposit Linked Insurance and Employee State Insurance are the defined contribution schemes. The Company has no obligation, other than the contribution payable to the respective schemes which are recognised in statement of profit and loss on accrual basis.

### Defined Benefit Plan

The Company's liabilities under Payment of Gratuity Act and compensated absences are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the balance sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

Remeasurements, comprising of actuarial gains and losses on retirement benefits arising from experience adjustments and changes in actuarial assumptions are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Past service costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss.

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements,
- Net interest expense or income.

The Company presents the above two components of defined benefit costs in the Statement of Profit and Loss in the line item 'Employee Benefits Expenses'.

The present value of the defined benefits plans liability is calculated using a discount rate, which is determined by reference to market yields at the end of the reporting period on government bonds.

The retirement benefits obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefits plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in the future contribution to the plans.

### Other Long Term Incentive Benefit

The expected costs of other long-term employee benefits, such as long-term service incentive plan benefits (not being share-based payments), are accrued over the period of employment using the same accounting methodology as used for defined benefits plans. Remeasurement gains and losses, arising from experience adjustments and changes in actuarial assumptions, are charged or credited to the Statement of Profit and Loss in the period in which they arise.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## 3.8 Employee Share-Based Payment

The stock options granted to employees by the holding company's (i.e. Aditya Birla Capital Limited) Stock Options Schemes, are measured at the fair value of the options at the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight line basis. The amount recognised as expense in each year is arrived at based on the number of grants expected to vest. The cost incurred by the holding company, in respect of options granted to employees of the Company, is being recovered by holding company and it is charged to the Statement of Profit and Loss of the Company over the period of vesting.

## 3.9 Provision for Reward Points Redemption

The Company has a reward point's program which allows customers/ employees to earn points based on services rendered that can be redeemed for gift vouchers and retail merchandize. The Company makes payments to its reward partners when the points are redeemed and creates provisions, based on the actuarial valuation by an independent valuer, to cover the cost of future reward redemptions. The liability for reward points outstanding as at the year-end and expected to be redeemed in the future is estimated based on an actuarial valuation

## 3.10 Foreign Currency Transactions:

Transactions in foreign currency are initially recorded at the spot rate of exchange prevailing on the date of transaction. Monetary asset and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange. A exchange difference on settlement or translation of all other monetary items is recognised in the Statement of Profit and Loss. Non-monetary. Items are measured in terms of historical cost in foreign currency duly translated using the exchange rate at transaction date.

## 3.11 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery, regardless of when the payment is being made. Revenue is recognised on accrual basis.

The core principle of Ind AS 115 is that an entity should recognise revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods

and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Specifically, the standard introduces a 5-step approach to revenue recognition:

**Step 1:** Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

**Step 2:** Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

**Step 3:** Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

**Step 4:** Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

**Step 5:** Recognize revenue when (or as) the Company satisfies a performance obligation

The Company recognizes revenue on contract with customers based on above model. The contract with each customer is identified and revenue is recognized based on the terms of the contract, period of engagement and quantum of assets under management. Revenue is recognized on satisfaction of the performance obligation of the contract.

## Rendering of Services

The company earns revenue from services as described below:

1. **Commission Income** from sale of financial services products – includes commissions and brokerage earned from sales and distribution of financial products.
2. **Service charges** on performance of services to customers.
3. **Income** from resale of products and services sourced from any third party.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

Revenue from above services is recognised at a point in time when the related services are rendered as per the terms of the agreement with customers. Revenue is disclosed net of Goods and Service tax charged on such services. In terms of contract, excess of revenue over the billed amount at the end of the year is carried in the balance sheet as unbilled trade receivable as the amount is recoverable from customer without any future performance obligation. Consideration received before the services are delivered is recognised as contract liability if any.

Revenue from the above services is recognised in the accounting period in which the services are rendered. When there is uncertainty as to the measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

No significant element of financing is deemed present as the services are rendered with the credit term of 30-45 days, which is consistent with market practice.

## Interest Income

For all Financial Instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

## Disposal of Investments

On disposal of an investment the difference between carrying amount and net disposal proceeds is charged or credited to the statement of Profit and Loss using weighted average cost.

### 3.12 Taxes

#### Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or

substantively enacted, at the reporting date in the Indian Income Tax Act, 1961.

#### Deferred tax

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

**Taxes paid on acquisition of assets or on incurring expenses:** Assets are recognised at gross amount i.e. the tax paid is recognised as part of the cost of acquisition of the asset. Expenses are recognised net of the amount of GST paid, except when the tax incurred on a purchase of services is not recoverable from the taxation authority, in which case, the tax paid is expensed off in statement of profit and loss. The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/ noncurrent assets or other current liabilities in the balance sheet.

### 3.13 Provisions and Contingent Liabilities:

#### Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, or for any goods or services purchased for any third party, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## Contingent liabilities & assets:

Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements

Contingent assets are not recognised in the financial statements. Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

## 3.14 Statement of Cash Flows

Statement of Cash Flows is reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The Statement of Cash Flows from operating, investing and financing activities of the Company are segregated.

## 3.15 Earnings Per Share (EPS)

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted-average number of equity shares outstanding during the year. For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted-average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares

## 3.16 Significant Accounting Judgements, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

## 3.17 Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

## NOTE: 04 | ESTIMATES AND ASSUMPTIONS

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

## 4. Terms / Rights attached to Equity Shares :

The Company has only one class of equity shares having a par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share. The dividend, if any is proposed by the Board of Directors and is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of the equity shares will be receiving the remaining assets of the Company, after distribution of all the preferential amounts. The distribution will be in the proportion to the number of equity shares held by the shareholders.

5. From the date of incorporation of the Company till current financial year, the Company has not issued any shares pursuant to any contracts without payment being received in cash or by way of bonus shares and have not engaged in buyback of its own equity.

## NOTE: 30 | FINANCIAL RISK MANAGEMENT

The Company's activity exposes it to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company has formulated suitable Risk Control Matrix (RCM) to provide an assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All Investment activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that surplus assets are invested in low risk financial instruments with high liquidity. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below

### (A) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from Mutual Fund Investments, Advances, Trade receivables and other financial assets. where no significant impact on credit risk has been identified.

### (B) Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by the Senior Management.

The Company manages its liquidity requirement by analysing the maturity pattern of the Company's cash flows of financial assets and financial liabilities. The Company invests its surplus funds in debt schemes of mutual funds, which carry low mark-to-market risks. Also Refer Note 31 for maturity analysis of assets and liabilities.

The table below summarises the maturity profile of the undiscounted cash flows of the Company's financial liabilities.

## (C) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk for Mutual Fund and AIF investments.

### (i) Foreign Currency Risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of the Company.

### (ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have exposure to the risk of changes in market interest rate as it has no borrowings.

### (iii) Price Risk

#### 1) Exposure

The Company's exposure to price risk arises from investments held and classified in the balance sheet as fair value through profit or loss. To manage the price risk arising from investments, the Company diversifies its portfolio of assets.

#### 2) Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and profit for the year:

#### Impact on profit after tax

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

## NOTE: 32 | FAIR VALUE HIERARCHY

The table below analyses financial instruments carried at fair value, by valuation method at 31<sup>st</sup> March 2025. The different levels have been defined as follows:

Level 1: Category includes financial assets and liabilities that are measured in whole or in significant part by reference to published quotes in an active market.

Level 2: Category includes financial assets and liabilities measured using a valuation technique based on assumptions that are supported by prices from observable current market transactions. These include assets and liabilities for which pricing is obtained via pricing services, but where prices have not been determined in an active market, financial assets with fair values based on broker quotes and assets that are valued using the Company's own valuation models whereby the material assumptions are market observable.

Level 3: Category includes financial assets and liabilities measured using valuation techniques based on non-market observable inputs. This means that fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. However, the fair value measurement objective remains the same, that is, to estimate an exit price from the perspective of the Company. The main asset classes in this category are unlisted equity investments as well as unlisted funds.

This assessment is undertaken each financial year through examining the financial position of the related parties and the market in which the related parties operate.
5. w.e.f. 2<sup>nd</sup> July 2024, Aditya Birla Capital Technology Services Limited and Aditya Birla Money Mart Limited merged with Aditya Birla Financial Shared Services Limited

## NOTE: 34 | LEASING ARRANGEMENTS

### Disclosure Pursuant to Indian Accounting Standard 116 - Leases is as under:

#### Critical accounting judgements and key sources of estimation uncertainty

Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in-substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

Following are the changes in the carrying value of right of use assets: (refer note 7)

|                                            | (₹ in Lakh)                                       |                                                   |

| Leases not yet commenced to which the lessee is committed | -                                                 | -                                                 |
| <b>Total</b>                                              | <b>-</b>                                          | <b>-</b>                                          |

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

## NOTE: 35 EARNINGS PER SHARE (EPS)

| Particulars                                                    | (₹ in Lakh)                                       |                                                   |
|----------------------------------------------------------------|---------------------------------------------------|---------------------------------------------------|
|                                                                | For the year ended<br>31 <sup>st</sup> March 2025 | For the year ended<br>31 <sup>st</sup> March 2024 |
| Net profit for the year available for equity shareholders      | (32,744.34)                                       | (17,447.70)                                       |
| Weighted average number of equity shares outstanding (numbers) | 4,623                                             | 1,145                                             |
| Basic and diluted earnings per share (₹)                       | (7.08)                                            | (15.24)                                           |

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

| <b>DBO due to Impact of decrease in 50 bps</b> |                                                   |                                                   |
| Discount rate                                  | 416.50                                            | 211.33                                            |
| Salary escalation rate                         | 415.86                                            | 197.76                                            |

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

# Notes to the Financial Statements

for the year ended 31<sup>st</sup> March 2025

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

## h) Maturity profile of defined benefit obligation

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date:

| Maturity profile                    | (₹ in Lakh)                                       |                                                   |
|-------------------------------------|---------------------------------------------------|---------------------------------------------------|
|                                     | For the year ended<br>31 <sup>st</sup> March 2025 | For the year ended<br>31 <sup>st</sup> March 2024 |
| Expected benefits for year 1        | 32.47                                             | 22.91                                             |
| Expected benefits for year 2        | 31.01                                             | 22.82                                             |
| Expected benefits for year 3        | 30.93                                             | 21.17                                             |
| Expected benefits for year 4        | 35.78                                             | 20.47                                             |
| Expected benefits for year 5        | 40.14                                             | 21.96                                             |
| Expected benefits for 6 to 10 years | 198.41                                            | 104.13                                            |

The estimates of future salary increases, considered in actuarial valuation, takes into account the inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at Balance Sheet date.

## NOTE: 42 | SEGMENT REPORTING

The Company is in the business of distribution of various financial service/ products including payment solutions through its platform i.e. branch network, mobile application and website. The Directors (Chief Operating Decision Maker "CODM") reviews the information at the revenue level and does not allocate operating costs/ expenses, assets and liabilities across business units, as the CODM does not use such information to allocate resources or evaluate the performance of the business units. The way the CODM reviews the performance, management of the Company has concluded that it constitutes a single segment as per Ind AS 108 'Operating Segments'. Hence, no separate disclosure is required for segments.

The Company earns its revenue within India only.
