6. GRIEVANCE MECHANISM PROCESS

The figure below describes the process that will be used to resolve any grievances:

- Receive Grievance
- Record
- Screen
- Investigate
- Act
- Follow up and close out
The stakeholder contact officer receives all grievances that come through via email. The stakeholder contact officer will review the grievance form and process the grievance in accordance to this procedure.

a. Record
All formal grievances will be logged in the Grievance Register and Grievance Lodgment Forms will be saved in record of correspondence.

b. Acknowledge
A grievance will be acknowledged, by the grievance owner, within five working days of a grievance being submitted.

c. Investigate
The Stakeholder officer along with the employees is responsible for investigating the grievance. The investigation may require the team to make site visits, consult employees, contact external stakeholders and complete other activities. Records of meetings, discussions and activities all need to be recorded during the investigation. Information gathered during the investigation will be analyzed and will assist in determining how the grievance is handled and what steps need to be taken in order to resolve the grievance.

d. Act
Following the investigation, the Stakeholder officer will use the findings to create an action plan outlining steps to be taken in order to resolve the grievance. The Stakeholder officer is responsible for assigning actions, monitoring actions undertaken and making sure deadlines are adhered to. Once all actions have been completed and the team feels the grievance has been resolved, they will then formally advise the external stakeholder via their preferred method of contact.

e. Follow up and close out
The Stakeholder officer will make contact with the external stakeholder/s three weeks after the grievance is resolved. When contacting the external stakeholder the stakeholder officer will verify that the outcome was satisfied and also gather any feedback on the grievance process.

7. STORING OF GRIEVANCES

All records, including grievance forms, investigation notes, interviews and minutes of meetings will be securely filed and confidentiality is maintained for all parties involved.
