Independent Auditor’s limited review report on unaudited quarterly standalone financial results of Grasim Industries Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended

Review Report to
The Board of Directors
Grasim Industries Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Grasim Industries Limited (“the Company”) for the quarter ended 30 June 2021 (“the Statement”) attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements), 2015 as amended (the “Listing Regulation”).

2. This Statement, which is the responsibility of the Company’s management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Attention is drawn to the fact that the figures for the three months ended 31 March 2021 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

1. (a) The Company’s operations and revenue were marginally impacted on account of disruption in economic activity due to COVID 19. The management believes that impact is short term and temporary in nature and there is no significant impact on recoverability of carrying value of its assets and future operations.

(b) Estimation uncertainty relating to COVID-19 global health pandemic in Aditya Birla Capital Limited (ABCL), a subsidiary of the Company:

ABCL recognizes the need to make reasonable estimation of the economic impact of this pandemic on the obligation on account of policy liabilities, recoverability of Goodwill, repayment ability of its borrowers, and make additional provisions as considered appropriate, over-and-above the extant provisions as per ABCL’s ECL policy, for expected credit losses. ABCL has segmented its portfolio basis various parameters to ascertain the likely detrimental impact on the credit risk in the portfolio as a result of the economic fallout of COVID-19 and basis its estimates, assumptions and judgements arrived at the additional provision required to take care of the expected credit loss in its financial results. Given the continued uncertainty over the potential macro-economic condition, the impact of economic fallout of the COVID-19 on the carrying value of assets and obligations of ABCL may be different from that expected as at the date of approval of these financial results. ABCL will continue to closely monitor any material changes to future economic conditions and suitable adjustments as considered appropriate will be given in the respective future period.

Independent Auditor’s limited review report on unaudited quarterly consolidated financial results of Grasim Industries Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Grasim Industries Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results of Grasim Industries Limited (“the Parent”) and its subsidiaries (the Parent and its subsidiaries together referred to as “the Group”), its associates and joint ventures for the quarter ended 30 June 2021 (“the Statement”) attached herewith, being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“the Listing Regulations”).

2. This Statement, which is the responsibility of the Parent’s management and approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) “Interim Financial Reporting” prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities mentioned in Annexure I to the statement.

5. Attention is drawn to the fact that the figures for the three months ended 31 March 2021 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 11 and 12 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards (‘Ind AS’) specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. The statutory auditors of UltraTech Cement Limited (“UltraTech”), a subsidiary Company, without modifying their conclusion on the unaudited consolidated financial results of UltraTech have drawn attention to the following matters described in note 3 to the Statement:

   a. In terms of the order issued by the Competition Commission of India (“CCI”) against UltraTech including Demerged Cement Division of Century Textiles and Industries Limited (“Demerged Cement Division”) dated 31 August 2016, whereby the CCI had imposed penalty of Rs. 1,449.51 crores for contravention of the provisions of the Competition Act, 2002 by UltraTech (including that relating to Demerged Cement Division). UltraTech (including that relating to Demerged Cement Division) had filed an appeal against the CCI Order before the Competition Appellate Tribunal (“COMPAT”) which was subsequently transferred to the National Company Law Appellate Tribunal (“NCLAT”). In July 2018, NCLAT completed its hearing on the matter and disallowed the appeal filed by UltraTech (including Demerged Cement Division) against the CCI order. Aggrieved by the order of NCLAT, UltraTech (including Demerged Cement Division) has filed an appeal before the Honorable Supreme Court, which in October 2018, has granted a stay against the NCLAT order on the condition that UltraTech (including Demerged Cement Division) deposits 10% of the penalty amounting to Rs. 144.95 crores with the court which has been deposited in the earlier years. Based on a competent legal opinion obtained by UltraTech (and Demerged Cement Division), UltraTech believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter, no provision has been considered in the books of account.

   b. In terms of order dated 19 January 2017, the CCI had imposed penalty of Rs. 68.30 crores pursuant to a reference filed by the Government of Haryana for contravention of the provisions of the Competition Act, 2002 in August 2012 by UltraTech. UltraTech had filed an appeal before COMPAT and received the stay order dated 10 April 2017. Consequent to reconstitution of tribunals by the Government, this matter was transferred to the NCLAT in earlier years for which hearing is pending. Based on a competent legal opinion, UltraTech believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter and the related financial impact, no provision has been considered by UltraTech in the books of accounts.
c. Statutory auditors of UltraTech Nathdwara Cement Limited (“UNCL”), a wholly owned subsidiary of UltraTech have reviewed the financial information and without modifying their conclusion on the unaudited standalone financial information of UNCL for the quarter ended 30 June 2021 reported that in terms of the order issued by the CCI against UNCL dated 31 August 2016, the CCI had imposed penalty of Rs. 167.32 crores for contravention of the provisions of the Competition Act, 2002 by UNCL. UNCL had filed an appeal against the CCI Order before the COMPAT which was subsequently transferred to the NCLAT. In July 2018, NCLAT completed its hearing on the matter and disallowed the appeal filed by UNCL against the CCI order. Aggrieved by the order of NCLAT, UNCL had filed an appeal before the Honorable Supreme Court, which has granted a stay against the NCLAT order on the condition that UNCL deposits 10% of the penalty amounting to Rs. 16.73 crores, which has been deposited in earlier years. Based on competent legal opinion obtained by UltraTech on a similar matter, UNCL believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter and the related financial impact, no provision has been considered in the books of accounts of UNCL.

Our conclusion is not modified in respect of the above matters based on the conclusion drawn by the statutory auditors of UltraTech.

8. We draw attention to note 2(a) of the Statement, the statutory auditors of UltraTech, without modifying their conclusion on the unaudited consolidated financial results of UltraTech have explained that there has been a change of plan relating to UNCL’s wholly owned subsidiary, Star Super Cement Industries LLC (“SSCILLC”) which was previously classified as ‘held for sale’ (and discontinued operations). During the previous year, UltraTech had re-evaluated the decision to sell SSCILLC and instead decided to make it a part of the continuing operations considering the synergies available with the existing capacity. Consequently, UNCL had sold SSCILLC to UltraTech Cement Middle East Investments Limited (“UCMEIL”), which is a wholly owned subsidiary of UltraTech, on 23 November 2020. Accordingly, SSCILLC ceased to be classified as 'held for sale' and the financial results of SSCILLC previously presented as discontinued operations have been reclassified as per Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' and included in income from continuing operations for all periods presented and required adjustments have been made to the carrying amount of assets and liabilities of SSCILLC. Accordingly, consolidated financial results for the quarter ended 30 June 2020, as included in this Statement have been restated. Our conclusion is not modified in respect of this matter based on the conclusion drawn by the statutory auditors of UltraTech.

9. We draw attention to note 1(b) of the Statement, the statutory auditors of Aditya Birla Capital Limited (“ABCL”), without modifying their opinion on the consolidated financial results of ABCL describes the continuing uncertainties arising from the COVID 19 pandemic. Our conclusion is not modified in respect of this matter based on the conclusion drawn by the statutory auditors of ABCL.
10. The statutory auditors of ABCL, a subsidiary company, without modifying their conclusion on the unaudited consolidated financial results of ABCL have stated that the determination of actuarial liabilities as at and for the quarter ended 30 June 2021 is the responsibility of the Group’s Appointed Actuaries’:

a. The actuarial valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 30 June 2021, in respect of subsidiary engaged in Life Insurance segment and the actuarial valuation of Claims Incurred But Not Reported (‘IBNR’), Claims Incurred But Not Enough Reported (‘IBNER’) and Premium Deficiency Reserve (‘PDR’) as at 30 June 2021, in respect of subsidiary engaged in Health Insurance segment is the responsibility of the respective subsidiaries’ Appointed Actuaries. In their respective opinions, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory and Development Authority of India (IRDAI) and the Institute of Actuaries of India in concurrence with the IRDAI. The charge of “Change in Valuation of Liabilities” includes charge for actuarial valuation of liabilities for life policies in force and charge for the policies in respect of which premium has been discontinued but liability exists as at 30 June 2021 and “Benefits Paid” includes the estimate of IBNR and IBNER. These charges have been actuarially determined, based on the liabilities duly certified by the respective subsidiaries’ Appointed Actuaries; and

b. Other adjustments for the purpose of preparation of the Statement, as confirmed by the Appointed Actuaries in the Life Insurance and Health Insurance segments are in accordance with Indian Accounting Standard 104 on Insurance Contracts:

   i. Assessment of contractual liabilities based on classification of contracts into insurance contracts and investment contracts;
   ii. Valuation and Classification of Deferred Acquisition Cost and Deferred Origination Fees on Investment Contracts;
   iii. Grossing up and classification of the Reinsurance Assets; and
   iv. Liability adequacy test as at the reporting dates.

The auditors of ABCL and respective subsidiaries have relied upon the certificates of the Appointed Actuaries in respect of above matters in forming their conclusion on the interim financial results of the said subsidiaries.

Our conclusion is not modified in respect of the above matters based on the conclusion drawn by the statutory auditors of ABCL.

We have reviewed these conversion adjustments made by the Parent’s management. Our conclusion in so far as it relates to the balances and affairs of such joint ventures located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Parent and reviewed by us.
13. The accompanying Statement includes unaudited interim financial results and other unaudited financial information in respect of:

**After Exceptional items

Consolidated revenue for Q1FY22 was up 53% YoY at ₹19,919 Cr. EBITDA up 86% YoY to ₹4,736 Cr. and PAT* at ₹1,667 Cr. was up 612% YoY.

Standalone revenue for Q1FY22 was at ₹3,763 Cr. EBITDA at ₹805 Cr. and PAT at ₹482 Cr. significantly higher on a YoY basis.

Revenue and EBITDA from the discontinued operations (Fertiliser Business) for Q1FY22 stood at ₹687 Cr. and ₹56 Cr. (Q1FY21: ₹605 Cr. and ₹72 Cr.) respectively. The Fertiliser Business divestment process is expected to be completed by Q2FY22.

The second wave of COVID-19 slowed down the pace of economic activity, which was fast recovering. However, with the accelerated pace of vaccination by the Government and the receding impact of 2nd wave, the economy is witnessing a strong rebound.

**Viscose Business**

Globally the impact of the second COVID wave on textile demand was not as severe as the first wave. India observed selective restrictions on the business activities during most of Q1FY22, which impacted the sale of textile products, leading to an accumulation of inventory in the value chain.
Consequently, the VSF sale volume registered sequential degrowth in Q1FY22. To cushion the impact of the slowdown in the domestic textile sector, the company proactively increased the share of exports to 31% in Q1FY22 from 11% in Q4FY21. The share of value-added products in the overall sales mix also improved to 26% in Q1FY22 from an average of 22% in FY21. Due to the lockdown-led drop in domestic volume, the company advanced the Harihar plant maintenance shutdown to May-21. VFY volumes were also impacted due to lower demand. The domestic fibre demand has recovered swiftly post easing of the lockdown and is now nearing the Pre COVID level.

The VSF prices in China corrected from their multiyear high in Q1FY21 and have stabilised at the current level of ~13,000 RMB. China’s VSF inventory at plants increased to 24 days in Jun-21 from 13 days (Mar-21), leading to readjustment of production levels by Chinese VSF players to take care of inventory built up and to lend stability to the prices. As a result, the OR in China fell to 69% by June end.

**Chemical Business**

The second COVID wave had a marginal impact on the operational performance of the Chemical business.

International caustic soda prices maintained the upsurge in Q1FY22 driven by supply outages due to maintenance shutdown and demand improvement. The rise in domestic caustic soda prices was subdued owing to weak demand from textile, organic chemicals and excess supply situation. The caustic soda capacity utilisation stood at 85% in Q1FY22, higher than the industry average.

The Advanced Materials business reported its best-ever performance in Q1FY22, driven by strong demand scenario and better pricing environment globally and in India. The demand continues to be driven by the wind and auto segments. The key input cost like ECH and BPA witnessed a significant increase during the quarter coupled with supply constraints.

**Paint Business**

The Paint business is making progress in line with the plans. Land acquisition for setting up plants at different states is in process, and simultaneously project engineering plans are also progressing.

**Capex Plan**

The commissioning of VSF expansion (2 lines of 300 TPD each) at Vilayat is as per schedule. Line 1 is expected to be commissioned in Q2 and Line 2 in Q3 of the current financial year. In the Chlor-alkali business, the commissioning of Rehla plant-91KTPA and CMS plant-54.8KTPA is expected in Q2FY22, the commissioning of BB Puram plant (Phase-1)- 73KTPA and Vilayat plant (Phase-1)- 73KTPA is expected in H2FY22, and the total capex (to be spent) for FY22 stands at ₹2,604 Cr. (Excluding the Paints and Fertiliser).

**Sustainability**

The VSF business achieved EU BAT compliance at its Vilayat Plant and has successfully commissioned the Carbon-disulphide Adsorption Plant (CAP) and has achieved the stringent level of sulphur to air emission norms stipulated in the EU BAT references (EU Best Available Technologies BREFs) for the viscose manufacturing process.

Aditya Birla Renewable Energy Ltd. (ABREL), a wholly-owned subsidiary of the Company, will commission 38MW of new capacity in Q2FY22. A total of 343MW of new capacity is to be commissioned in FY22 and FY23, taking the total capacity to 845MW.
COVID 19

The Company continues to give utmost primacy to the safety and well-being of employees and local communities in the wake of the second wave of COVID-19. The Company has initiated a vaccination program for employees and their dependents at various plant locations and corporate offices, which is progressing well.

Cement Subsidiary - UltraTech Cement Limited

UltraTech’s Consolidated Revenue was at ₹11,830 Cr. up 54%, EBITDA at ₹3,512 Cr. up 49% and PAT at ₹1,703 Cr. up 114% for Q1FY22. The consolidated sales volume stood at ~21.53 MTPA, up 47% YoY.

UltraTech witnessed a YoY increase in the cost of production due to a rise in the energy, raw material and logistics cost during Q1FY22.

UltraTech’s 19.5 MTPA capacity expansion program through a mix of greenfield and brownfield expansion is on track and is expected to get completed by the end of FY23 taking total capacity to 136.25 MTPA.
