Diversified in Business. Unified in Purpose.

Grasim, the flagship Company of the Aditya Birla Group (ABG), has evolved into a leading diversified player. Having begun our journey as a textile manufacturer in 1947, today we are the leading global producer of VSF, and the largest Chlor-Alkali, Speciality Chemicals (Epoxy Polymers and Curing Agents), VFY and Linen Textiles player in India. We are also the largest cement producer in India through our subsidiary, UltraTech Cement Limited, and a leading diversified financial services player through Aditya Birla Capital Limited. We remain committed to creating sustainable value for our 43,129 employees, ~2.47 lakh shareholders, society, and customers by embedding the Group’s mission, vision, and values in the way we do business.

Our Values
At Grasim, all our businesses are led by five timeless values that help us differentiate ourselves, propel forward, and stay resilient.

- Integrity
- Commitment
- Passion
- Seamlessness
- Speed

Our Parentage

We are part of one of India’s largest and most renowned business house – The Aditya Birla Group. In the league of the Fortune 500, the Group is a global premium conglomerate with a wide-ranging portfolio of leading businesses spanning metals, pulp and fibre, chemicals, textiles, carbon black, telecom, and cement.

Today, over 50% of Group revenues flow from overseas operations that spans across 36 countries in North and South America, Africa, and Asia. The Group is also renowned as an innovator, a social steward, and an environmental custodian with its stakeholder-centric, long-term business approach.
